 1. Most effective view is the dashboard.
2. Goal Slides: Are those out of conversations with Sarah or did you set those goals?
 1. A mix of both
3. In the areas that are red, who is helping support Sarah resolve this issue?
 1. Dan and Sarah will have conversations to resolve.
4. Vendors and Conflict of Interest - How do we ensure there is no conflict with new vendors? Is that the school's responsibility?
 1. Yes, it will be the school's responsibility. There are no additional checks and balances with EdTec
5. Do you provide fundraising support?
 1. Yes, for a fee
6. For January, when should we receive the report?
 1. We should be able to get it to you the following week.
7. Do you ever provide a narrative of what is happening with the financials?
 1. Typically no, but we can.
8. Do schools typically provide all of the information (including the excel) for Open Meetings?
