## **II. Academic Excellence**

### **A. Dashboard Planning**

Gregg: Few things that Boards need to include.

1. How the school will be measured by the school's authorizer is crucial. Comp Perf Framework (CPF) should be reported monthly. Academics and Finances to report
2. Measures of Strategic Plan reported on monthly basis. What are long term strategic goals?
3. School Climate measures. Suggests items should be readily available for Admin to access (data dashboard)
4. Staff Training/Staff Performance- professional dev plan and programs to implement
5. Scoring Data and % attendance of parent/teacher conf and students
6. What will the dashboard look like? Complex vs. basic Excel sheet. Consider updating a monthly ppt slide with dashboard data

Discussed Erika connecting with Hannah Page by end of March for more information on dashboard planning
