## **II. Budget**

### **A. Financial Report Review**

Financials as of Aug 31, 2023

1. Adjustments to Enrollment
  1. In the previous forecast, projecting an enrollment of 120 students
  2. Sarah and Dan have updated enrollment to 105
  3. Decreases the per pupil funding
2. Dan thinks our CSP funding will be higher than what is currently included in the Forecast (\$400k)
  1. Last heard, the allocations will be open in December or January
3. Reductions in Staff
  1. In September, 5 employees were terminated and it is included in the Forecast
4. Financial Dashboard
  1. In fairly good shape
    1. The decrease in enrollment is affecting Unrestricted Days Cash and Employment Variance
    2. Priority in the next few months is to manage cash flow and make sure we are applying for CSP grant as soon as it is available.
5. Bright side - We are funded on our initial projection for enrollment so cashflow should be good but it will get trued up.

### **B. SY23-24 Budget**

### **C. Edtech Resource Update**

1. Siobhan has moved on to a different company.
  1. Dan will be our contact going forward
2. EdTech has added two employees recently
  1. But given the amount of turnover we have had with Sankofa, Dan will be the main contact going forward.

### III. Executive Director's Corner

#### A. Hiring Update and Additional Needs

1. Hiring
  1. Have put in for an additional special education teacher based on the number of special education teachers we have
  2. Going to contract with an agency because it is less expensive
  3. Have a candidate we are really excited about to manage the class
2. Additional Cost
  1. All Special Education
    1. Psychological Evaluations - Budgeted \$5K, more than likely will be \$15K
    2. We receive additional funding for special education students. The issue is that our students are not currently identified as special needs.
    3. Sankofa is at 13% for Special education students, higher than the state average. We anticipate being at about 20% in March.
  2. We found out today that we have five students who will require speech services.
    1. Because we are a public school, we have to offer the services free of charge.
  3. Ribbon Cutting is Postponed
    1. School is not at a place where it is ready

#### B. Needs/Support

1. Hoping for a safe, happy, smooth, healthy delivery for Sarah!!
