Nurse resigned on Monday-based on pay and she was showing up 30 minutes late consistently

 We get the nursing supplement from GADOE

 Learned that we might not need a nurse on staff

 Initially had a nurse because there was a student with seizures (that student is now homebound)

 Not going to hire a new nurse for the next 5 weeks

 Thinking about hiring an assistant director of operations

Errika: Are you not planning on having a nurse on staff for next year given the uptick in enrollment?

Sarah: Yes, but currently in the process of polling current and incoming parents about health needs of kids to assess the ability of current staff (who have 1st aid training) to be able to

Errika: Can we keep that line item in the budget just in case?

Sarah: Need to check whether we can add to the contractor line item to cover that cost.

 Currently we cannot pay what a full-time nurse would want. Paying salary and into TRS

June 17-28 School is shut down

 Year round employees have a 2 week break

V. Closing Items

A. Reminders

Remember to complete online training to fulfill 12 hours each board member needs to do before April 30

 Review email sent by Naquita Smith re: requirements for completion

Board members don't forget to make your yearly contribution by end of school year-want to reflect 100% board engagement (June 30)

We have a new website-go check it out!
