IV. Finance Committee Update

A. February Financial Report

February Finance Report

- **February month-end:** February closed with a monthly net loss of approximately **(\$106K)**, and an ending cash balance of **\$563K**, or **66 days cash on hand**. Year-to-date net income through February was approximately **\$253K**.
- **Improved full-year outlook:** The current February forecast projects **\$130K in net income** for FY26, which is a favorable improvement from the prior forecast and reflects an increase in the midterm QBE allotment. The forecast also projects approximately **\$434K in ending cash**, or **51 days cash on hand**, at 6/30/26.
- **Budget amendment rationale:** The proposed amendment aligns the board-approved budget to actual performance and updated projections. Compared with the original budget, total revenue is projected to be **\$833K below budget**, driven primarily by lower state funding tied to enrollment, while total expenses are projected to be **\$895K below budget**, reflecting staffing reductions, facilities savings from not moving forward with modulars, and other expense adjustments. The amendment results in projected net income of **\$130K**, which is **\$62K better than the approved budget**.
- **Other noteworthy board callouts:** During the finance committee it was discussed that this amendment is a normal mid-year governance step when there are material variances, especially after the midterm allotment provides more funding certainty. The committee also noted several forward-looking considerations that will continue to matter as we move into FY27 planning: enrollment conversion, teacher compensation, facilities constraints, and the cash timing impact of reimbursement-based CSP expenditures.
- **Public Hearings:** As a reminder, the March 18 finance committee meeting served as the first public hearing on the FY25–26 Budget Amendment. A **second public hearing** will be held on **April 15 from 5:30–6:30 PM at Sankofa Montessori (5881 Phillips Drive, Forest Park, GA 30297)**, followed by our formal board

meeting on April 29th. We would welcome a strong in-person turnout from board members who are able to attend, as we move toward final adoption of the budget.
