<p>ACCESS Results 2020 ---- Received raw ACCESS results in mid-May but we won't receive the full analysis from the state on whether we met our targets until August. ---- That said, we know the progress targets for EL students who were enrolled with us in the 18-19 school year, and based on those targets, 87.5% of students met the progress targets set by the State. Our internal goal is for 85% of students to meet or exceed their progress targets. This is similar to our performance the previous year when we earned four out of four points on our Accountability Report Card.</p>
