III. Finance Items

A. FY19 Budget

Tricia presented the FY19 Annual Budget. Both budgets were reviewed thoroughly with Meghan and Bill, and the committee was comfortable with the FY19 projections. The Board was presented the 1-campus budget. Bill highlighted the anticipated increase in facility costs due to maintaining the sublease with Veritas Prep and the being the sole lessee of the temporary location. The increase in facility costs is manageable due to savings in other areas of the budget.

R. Leonard made a motion to approve the budget as presented.

A. Grant seconded the motion.

The board **VOTED** unanimously to approve the motion.

S. Fuller seconded the motion.

The board **VOTED** unanimously to approve the motion.

IV. Governance Items

A. Executive Director Role; New Leadership Team Structure

Bill presented proposed changes to the Leadership Team structure for next year. Jess Yiannos will move into a Principal role and serve as a day-to-day leader of the school, while Bill will move into an Executive Director role. Wendy will move into a Director of Academics role and Meghan will remain in the Director of Finance and Operations position. These changes have minimal financial impact because it is a restructuring of the current team, but the increase in pay for the Principal role is reflected in the personnel costs of the FY19 budget. Bill explained why this change was important to support the school's growth. These changes will be effective next year, but Bill will announce these changes to the school community in the next few weeks. The Board discussed the potential implications of this change and compared this model to other schools, most of which operate with an Executive Director and a Principal.

A. Grant made a motion to change Bill's role to Executive Director as described in the summary.

T. Walker seconded the motion.

The board **VOTED** unanimously to approve the motion.

R. Leonard seconded the motion.

The board **VOTED** unanimously to approve the motion.

C. Consideration of new board member, Justin Pistorius

The Board discussed the possible addition of Justin Pistorius to the Board. Justin currently coaches schools through ANet, and is a member of the school's Academic Achievement Committee. Kelvin and Sherriff shared their view that Justin is analytical and would make a good addition to the team.

A. Grant made a motion to accept Justin Pistorius as a Board member.

S. Fuller seconded the motion.

The board **VOTED** unanimously to approve the motion.

D. DESE Year 3 Site Visit Report Summary

Bill reported that the DESE Site Visit went well. The Board was pleased to hear this result. It discussed one finding related to teacher licensure, and the importance of ensuring that all teachers are meeting their licensure requirements so the school stays in compliance with this law. Bill and Meghan shared their plan to be more systematic in tracking which teachers have not met all MTEL requirements and support them in doing so.

E. Head of School Evaluation

Alex presented on the the Head of School evaluation process, which will take place through BoardOnTrack. Once Bill completes a self-evaluation, Board members will receive a link to the evaluation and complete their own evaluations.
