III. Academic Items

A. October Academic Dashboard

The board reviewed the dashboard. It focused on ANet and MAP results. Both show that students are performing well compared to peers taking these assessments. On ANet Math and ELA, students outperformed the network average by significant margins. On MAP, Springfield Prep performed at or near the top out of all BES schools using this assessment. MAP data shows that students perform better with each successive year they take the test. On STEP, the school did not meet its growth targets but this is not a cause for concern as students performing below target continue to do well on other measures of grade level performance (like ANet and MAP) and because STEP continues to be a helpful tool to identify skills to teach. The board discussed whether the STEP targets were the right ones but decided to revisit this when it considers its accountability plan during the school's charter renewal process. The board also discussed chronic absence and the ways it is trying to identify students with this issue early and intervene accordingly.

B. Sharing positive results - what can the board and school do?

This item was not discussed due to time constraints.

IV. Governance Items

A. Board Retreat Preview

Sally reviewed the plan for the board retreat. It will provide an opportunity for the board to get to know each other, discuss the stages of board development, hear about the school's strategic priorities and goals, and align its work this year towards those goals.

B. Executive Director Salary

Bob explained that at the last meeting, members voted to approve Bill's salary but did not articulate a start date. The governance committee recommends that the start date be retroactive to the contract term date, which begins on July 1, 2018.

K. Molina made a motion to make Bill's raise effective July 1, 2018.

S. Fuller seconded the motion.

The board **VOTED** unanimously to approve the motion.

V. Finance Items

A. September Financials

Meghan reviewed the monthly financials. She explained that tuition for this year is higher than expected and we have seen a slight increase in government grants, so there will be a positive change in net position.

VI. Closing Items

A. Next Board Meeting

The next board meeting is the retreat, on Wednesday, 11/28/18. It will be held offsite at One Monarch Place, 1414 Main St. in downtown Springfield.

B. Adjourn Meeting

K. Molina made a motion to adjourn the meeting.

S. Fuller seconded the motion.

The board **VOTED** unanimously to approve the motion.

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 7:43 PM.

Respectfully Submitted,

B. Spirer
