## **III. Finance and Facility Items**

### **A. Charter Amendment to continue to locate temporarily at current location**

The board discussed its need to request a charter amendment to remain at its current location, given that it has a Longmeadow address. Bill explained that the school had requested that Springfield Public Schools provide transportation for the 2019-2020 school year, as it does currently, but that this has not been confirmed. The board was in agreement that the school should submit the amendment and that the school continue to work to ensure that Springfield Public Schools provides transportation. The board determined that the school should include language in the amendment acknowledging the school's willingness to pay for transportation services, but to be clear that the school fully expected Springfield Public Schools to provide this transportation and that Springfield Prep would provide it only in the event that it was necessary.

A. Grant made a motion to approve the temporary charter amendment request to Commissioner Riley, including language expressing the school's expectation that it would receive transportation from the district.

R. Leonard seconded the motion.

The board **VOTED** unanimously to approve the motion.

#### **B. Executive Session to discuss real estate negotiations**

#### **C. Monthly Financials**

The board discussed the school's monthly financials. There are no major updates to report. Financials are stable and the school is projecting a surplus. There has been a very small decrease in per-pupil revenue but it will not have a material impact on the budget. The school continues to show a receivable because of a tuition error from last year. The school received a grant from the Peabody Foundation and this is being used in part for site due diligence.

T. Walker made a motion to file the January financials for audit.

R. Leonard seconded the motion.

The board **VOTED** to approve the motion.

### **IV. Governance Items**

#### **A. Candidate for board membership - Anne Malone**

The board discussed a candidate for board membership, Anne Malone. The board was impressed with Anne's knowledge of charter schools and her relevant experience and felt that she would make an excellent board member.

A. Grant seconded the motion.

The board **VOTED** unanimously to approve the motion.

### **Parent complaint**

Danielle reported out on a complaint the board received from a Springfield Prep parent. Danielle received the parent complaint and referred the matter to Bob Leonard to investigate. Bob reported that he will be sharing his findings at the next board meeting.

## **V. Academic Items**

### **A. January Academic Dashboard**

The board discussed the January 2019 Academic Dashboard. Bill noted that interim assessment performance data from the last round of ANet was very high across the board, although there was a slight decrease in 3rd grade ANET performance. He explained that an analysis of ANet and MCAS performance last year indicates that students with similar ANet scores from last year still "met" or "exceeded" expectations on MCAS, so this is not a major cause for concern.

## **VI. Development**

### **A. Andrea Pursey Presentation**

Andrea Pursley joined the board meeting and reported out on the fundraising strategic planning work she, Meghan and Bill did over the past two days with the goal of launching a capital campaign to fund a new building. Should the school move forward with this plan, the board would be called on to assist by supporting school leadership in building local connections to funders and individuals. Board members shared their belief that this is the right strategic priority for the school and some indicated an interest in actively supporting this effort.

## **VII. Closing Items**

### **A. Next Board Meeting**

The next board meeting will be held on Wednesday, February 27 at 5:45 pm at 594 Converse St. Longmeadow, MA in the conference room.

### **B. Adjourn Meeting**

K. Molina seconded the motion.

The board **VOTED** unanimously to approve the motion.

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 7:30 PM.

Respectfully Submitted,
