J. Pistorius seconded the motion.

The board **VOTED** unanimously to approve the motion.

F. Public Comment, If Any

There was no public comment.

II. Facility

A. Building Project Status Report & Due Diligence Budget

The board discussed the memo from QPD regarding the status of the State Street project. Due diligence is underway with QPD managing the process. The board discussed the due diligence budget and the specific types of work that would take place. Bill requested approval for up to \$95,000 in due diligence spending as outlined in the due diligence budget that was presented, plus an additional \$10,000 to cover limited diligence spending should the need arise, such as taking additional samples. By the August meeting, the board will have much more detail about the building and site and be in a position to make decisions about project viability.

J. Pistorius made a motion to approve up to \$95,000 in due diligence costs for the State Street property, in accordance with the due diligence budget presented.

S. Balogun seconded the motion.

The board **VOTED** unanimously to approve the motion.

B. Heritage Academy Lease Update

Bill reported on discussions with Heritage Academy about renewing the school's lease for a third year (the 2020-21 school year) as a back up should it be necessary. The school has reached an agreement to lease the space for \$215,000, an increase of \$10,000 over this year's rent, and anticipates working on a lease agreement over the next few months.

III. Annual Report for the 2018-19 School Year

A. Draft DESE Annual Report for the 2018-19 School Year

Bill presented the DESE Annual Report for 2018-19. He noted that academic progress for 2018-19 has been very strong across subjects and grade levels, according to ANet, MAP, and STEP. While the school is not meeting its Accountability Plan goals related to STEP, this is related to the fact that the goal is quite ambitious and the school is scoring STEP very rigorously. It is not an indication of underperformance. He noted that the school continues to enroll and retain students that mirror the student body of the Springfield Public Schools. The board discussed the language of the "Capital Plan" section and suggested a minor edit.

D. Morrin made a motion to approve the DESE Annual Report for 2018-19 as presented with the changes, as discussed.

S. Fuller seconded the motion.

The board **VOTED** unanimously to approve the motion.

IV. Charter Renewal Application

A. Draft Charter Renewal Application

Bill presented the Application for Charter Renewal and noted that overall, the school has performed well on its Accountability Plan and the Charter School Performance Criteria (CSPC) and this is a very positive report. He highlighted and discussed select areas in the report, including the sections related to compliance, dissemination, performance data, family survey data, the new CSPC criteria related to cultural responsiveness, professional climate, governance, and the plan for the next five years. The board discussed the renewal process.

S. Fuller made a motion to approve the Application for Charter Renewal, as presented.

S. Balogun seconded the motion.

The board **VOTED** unanimously to approve the motion.

V. Finance & Fundraising Items

A.

Capital Campaign Report

Sally gave a Capital Campaign report and discussed progress towards the goal, highlighting the Davis Foundation's leadership matching gift. Sally and Bill shared plans for next steps to leverage this grant. The board discussed how the work was going with Andrea Pursley and Sally, Bill, and Meghan shared that they feel she has been indispensable to this campaign given the time and expertise needed to execute on a major campaign like this.

B. Monthly Financials

Meghan presented the June financials. The end of year results were very strong. The change in net position at year end was \$305,015, representing a surplus of more than \$200,000 beyond what was budgeted. This was a result of increased government grants and conservative spending throughout the year. Meghan noted that school raised \$196,000 in private support this year but that private support funding came in lower than budgeted on the School's statements because these funds were raised through the Friends of Springfield Prep and is represented on the Friends' financial statements. These funds will be transferred to the School in FY20 to cover specific programs and materials for which the grant funding was raised. Meghan also noted that the school did not receive per pupil revenue in June due to a Department of Revenue error (this impacted all charter schools); this will be corrected in July. Finally, the school received confirmation that this summer it would get the receivable it has been expecting.

C. Contract Approvals for FY20

Meghan reviewed the memo regarding contract approvals, explaining that all of these contracts have been approved as part of the FY20 budget, but that approving these contracts separately helps to process these payments efficiently without requiring additional signatures.

S. Balogun made a motion to approve the contracts as presented.

J. Pistorius seconded the motion.

The board **VOTED** unanimously to approve the motion.

VI. Closing Items

A. 2019-20 Board Meeting Schedule

The board discussed the board meeting schedule for FY20 and was in agreement that it made sense to keep the meetings scheduled for the last Wednesday of every month. Bill will be in touch with committees about scheduling committee meetings.

B. Next Board Meeting

The next board meeting is Wednesday, 8/28.

C. Adjourn Meeting

S. Fuller made a motion to adjourn the meeting.

J. Pistorius seconded the motion.

The board **VOTED** unanimously to approve the motion.

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 7:22 PM.

Respectfully Submitted,

B. Spirer
