The committee **VOTED** unanimously to approve the motion.

II. Academic Achievement

A. Academic Achievement Dashboard Review

The Committee reviewed the February Academic Dashboard. The Committee discussed attendance, enrollment (inclusive of application data for SY 20-21), and behavior trends. Attendance is comparable to this time last year and is significantly less than two years ago and than similar schools. Behavioral trends are significantly improved over the prior year. The school is fully enrolled for 19-20 and applications are up for 2020-2021. Fifth & sixth-grade applications are currently lower than our goal, potentially due to the presence of area schools with grades 6-12, but the school expects to fill those seats before the school year begins. The school continues to exceed ANet network averages and ranks highly among network schools. Growth is high on STAR and STEP performance is the highest YTD that it has been over the past 3 years.

III. Closing Items

A. Academic Achievement Committee Board Report

Sherriff will present highlights from the Dashboard to the Board at the February 26th, 2020 Board meeting.
