She discussed highlights of the audit, including a comparison to prior years and an explanation of changes to the school's Operating Net Position and months reserves on hand. Tricia commented that the Finance Committee met with the audit team earlier this week and they walked us through the financials and footnotes and the committee found the results acceptable.

VII. Executive Director Evaluation

A. Executive Director Evaluation

Bill Spirer, Meghan Wagner, and Nancy Abramowitz left the meeting prior to the discussion of the evaluation of the Executive Director. Before they left, A. Grant reminded Bill that he had the right to be present, but Bill indicated that he preferred to leave. Alex provided the minutes for this discussion.

Alex Grant led the discussion of the Executive Director's written performance evaluation he prepared, which A. Grant described as a synthesis of the inputs of all of the board members and several staff members, as well as Bill's self-evaluation. There was discussion of the process of collecting these inputs. A. Malone suggested that some of the questions in the survey might be changed for the better. There was discussion about whether receiving staff members' feedback prior to the board members making their evaluations would be productive. S. Balogun suggested that an interim check-in with Bill during the course of the year would be helpful.

A motion was made to approve the written evaluation as the board's evaluation of Mr. Spirer for the school year 2019-20. The motion passed 7-0.

S. Fuller moved to adjourn the meeting; A. Grant seconded the motion. The motion passed unanimously.
