**III. Executive Director's Report**

**A. Executive Director Report**

Bill discussed the opening of the school and that things were going very well so far, both from the building perspective and from students, families, and staff's perspective. Bill

shared that the school met with representatives from Big Y (neighbor to the school) and that he and Meghan are meeting with the CEO next week. He also shared that Governor Baker and Lieutenant Governor Polito will attend the ribbon cutting on September 23rd. He also discussed how COVID has been a major challenge but that we've made several changes prior to the start of the school year to make the school even safer, including lunch in classrooms to minimize transitions & limit close contacts, and additional distancing where possible. He noted that when kids are home, students are doing packets & platform work, though we are investigating how best to serve students who are on an extended absence.

Bill and Meghan discussed the updated extracurricular/tutoring plan for the year.

#### **IV. Governance**

##### **A. Executive Director Evaluation**

Alex discussed potential changes for this year's ED evaluation given that the Board will have the report regarding the 360 evaluation from his coach. The Governance Committee proposed having the Board follow its typical process, review the 360 report, and also seek input from a few teachers/staff who were not included in the 360 report. Alex will then synthesize, and the goal is to present to the Board at end of October. The Board was in agreement with this proposal.

##### **B. Remote meeting plan**

Alex discussed that we have the discretion to return to in-person meetings, stay fully remote, or do hybrid meetings through the winter. The Board discussed the pros and cons of remaining remote and agreed that the virtual meetings are the best option at this time due to the Delta variant and other factors, including the supply chain delay of the installation of videoconferencing capabilities at the school. They will reconsider in several months.

#### **V. COVID Mitigation & Reopening Planning**

##### **A. COVID Mitigation Plan, Masking Policy and Testing Program**

Bill shared the updated mask policy based on a recommendation from the MCPSA. This policy matches current policy, but just formalizes it. It grants accommodations when needed (e.g., disability or medical), but notes that there are limited reasons for complete exemptions from masking requirements.

A. Malone made a motion to approve the updated mask requirement policy as presented.

S. Balogun seconded the motion.

The board **VOTED** unanimously to approve the motion.

##### **Roll Call**

S. Balogun Aye

S. Fuller Aye  
D. Morrin Aye

**B. Testing Program Options Review**

Samantha Turner, school nurse leader, joined.

Nancy provided an overview of the state-provided COVID-19 testing program, administered by CIC.

The School began the testing program immediately to ensure a safe start to the school year. The program includes students and staff.

Sam reviewed 3 different indications for needing a test:

- Test and Stay, new this year. Students are tested daily if they are identified as having a close contact using a point-of-care rapid test with results in 15 minutes.
- Student experiences symptoms as school. School administers rapid test
- Routine COVID Safety checks - similar to the surveillance testing that we were doing last year. This year it will be a pooled test initially and then a rapid test of pool members if positive.

The school is currently seeing higher rates of participation when compared to those opting in last school year, and that will continue to climb as we reach out directly to families and staff to enroll more.

S. Fuller made a motion to approve the school to enact the COVID-19 testing program offered by DESE as presented.

A. Malone seconded the motion.

The board **VOTED** unanimously to approve the motion.

**Roll Call**

S. Balogun Aye  
A. Malone Aye

S. Monson Aye

**VI. Building Project**

**A. Building Project Status Update**

Meghan discussed what is remaining in the contract before the project is fully closed out, including the gym, interior signage, striping in the parking lot, and some landscaping. She is expecting the final Certificate of Occupancy on 9/24. The budget remaining should be sufficient to finish the project.

**VII. Closing Items**

**A. Next Board Meeting**

The next scheduled board meeting is on Wednesday, 9/29/21 at 5:45 PM.

**B. Adjourn Meeting**

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 7:10 PM.

Respectfully Submitted,

N. Abramowitz
