“Every number has a name; every name has a story” (Cox, 2018).

What did we set out to measure?

What evidence (data) do we have?

How do we look at the data?

What do we notice when we disaggregate student data across sub-groups? Was there a variance and why?

What actions will we take based on the data?

What additional supports or resources are needed?

III. Other Business

A. Board Dashboard

Reviewed draft dashboard representing FPS goals and performance.

IV. Closing Items

A. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 2:05 PM.
