III. Management

A. General Update

Ms. Cox provided a review of the following management update.

1. [HB377](#) - Idaho Charter School Network has been involved with this bill. We are serving needy students, doing what is outlined in our charter contract, our school is in great

standing, and philanthropy is supportive of our school. Ms. Cox has addressed the PII violations with IFF.

Ms. Cox has addressed safety concerns with Garden City Police Department. While this situation is unsettling, students are safe. Ms. Cox has received resounding support for the school from parents and families.

A related formal complaint has been filed with the charter school commission, which forwarded the complaint to the school, stating that it honors the board's autonomy to address these matters.

2. End of Year Academic Performance

In this unusual school year and testing environment, Ms. Cox is challenged to be able to compare growth and performance both year-over-year and to surrounding schools. In this unusual school year and testing environment. She is working with NSVF to find some comps to share alongside performance data that will be presented at the end of the year.

3. ESSER Funding Approach

Looking to leverage ESSER funding to provide summer learning opportunities, kinder readiness camp, after-school tutoring, and increased capacity for family and student supports (counselor, social worker, etc.).

4. Growth Model Pathways

Working with NSVF and other experts at Bluum and elsewhere to create a model for determining the best possible recommendation on the growth pathway to the board.

IV. Finance

A. Update on State Finance

Mr. Carignan, Ms. Osterman, and Mr. Cole Skinner from Bluum joined the meeting. Bluum's mission is to expand high-quality charter schools in the state of Idaho. Bluum also provides financial back-office services to schools and supports Ms. Cox and Ms. Tassos.

Mr. Carigan provided the following update.

The Idaho education budget has not yet been determined for the upcoming school year but Bluum is expecting:

- A commitment to funding the career ladder two steps
- Restoration of special distribution will be restored.
- Increased per-pupil funding by 5-10% (typical increases are 3%)
- Infusion of federal ESSR II and II funds to address learning loss

Once the state budget has been approved, FPS's proposed budget will be amended to reflect the changes.

Phillip Thompson arrived at 4:05 PM.

B. March Financials

Mr. Pigott discussed the March financials. Items of note include:

- Worker's Compensation - Exceeding budget because the budget was too low. The addition of staff increased this line item as did the number of claims made this year.
- Days Cash on Hand - Currently 14 days DCOH compared to the 45 days required. This is primarily due to the length of time it is taking for receivable to be paid.

V. Closing Items

A. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 4:48 PM.

Respectfully Submitted,
Suzanne Metzgar
