### **C. 2021-2026 Budget**

Ms. Tassos and Mr. Carignan reviewed the 2021-2026 budget projections. The budget will be approved in the July 2021 board meeting.

Assumptions:

- Limited to 576 students
- 2024-2028 do not include any assumptions about new grants
- Salaries tie to career ladder to match state funding
- Conservative approach

Big picture, the school can break-even or better as a K-6 school with this enrollment.

Mr. Carignon discussed the requirements and future plans for refinancing the FPS facility.

### III. Governance Committee

#### A. Bylaws

Ms. Smith proposed modifying the number of board directors allowed in our bylaws. The board discussed a variety of options.

Julie Oliver made a motion to amend the Future Public School bylaws section 2.2. paragraph 1 to read: The number of directors of the corporation shall consist of not less than seven nor more than fifteen and each directorship shall have a numerical designation as follows: Director 1, Director 2, Director 3 and so on. The number of directors serving on the Board of Directors may be increased from time to time by resolution adopted at a regular or special meeting of the Board of Directors. During the initial year of operation, the Board shall be comprised of the Directors listed in the Articles of Incorporation and any other Directors elected by the then current Board or appointed in accordance with these bylaws.

Will Pigott seconded the motion.

The board **VOTED** to approve the motion.
