**C. Grades Pause / Extension**

Mr. Richmond presented the proposed grade reconfiguration as a continuation of the discussion in the May 2021 board meeting to pause the original growth plan from K-8 and maintain the K-6 grade configuration, or to continue growing grades to K-8. At the May 2021 board meeting, the board requested additional information to better understand the financial impact of the proposed pause.

Mr. Carignan, Ms. Cox and Ms. Tassos presented a multi-year financial plan, based on maximum enrollment allowable in the facility, and adding cohort to the lower grades (rather than the upper grades as originally planned). The financial modeling allows for the reconfiguration of grades served from 2021-22 through 2027-28. The board and leadership team can revisit the growth plan in the future if desired.

Matthew Kuzio made a motion to pause moving forward with the addition of 7th and 8th grades, with the agreement that the board and leadership team will work together to determine the criteria to evaluate future grade expansion and growth, making a long-term decision within the next two years.

Julie Fogerson seconded the motion.

The board **VOTED** to approve the motion.

### **III. CEO Management**

#### **A. 2020-2021 Academic Goals**

Ms. Cox presented the Academic Excellence Committee annual report.

#### **KEY WINS**

- We are closing the gap.
- The longer kids stay with us, the more growth we're seeing.
- Our growth is outpacing area schools and national peers.

#### **KEY CHALLENGES**

- Absolute achievement is far below where we ultimately want and need to be.
- Capacity to support all subgroups (ex: high-achievers, high special education needs, and English Language Learners) is a challenge.

Due to time constraints, at the request of the board chair, the balance of the Academic Excellence Committee annual report was paused and will be presented in the next board meeting.
