BACKGROUND:

The YPI Charter Schools has an approved contract with Fresh Start Happy Meals. Our agency has followed the procurement process. We are allowed to request an extension of our current vendor. We did so several months ago. However, the CDE has had a backlog of applications. Our SFA was just notified two days ago that our request for an extension was approved by the CDE. Contracts must be approved and signed before the first day of the next school year. The YPICS new school year begins July 1, 2024.

This contract amount was included in the Budget the Board approved last month. Our meal program is currently operating in the black, so this contract amount will not negatively impact the school budgets. It is already accounted for within the approved budgets from the 6/24/24 Board Meeting.

RECOMMENDATION:

The administration recommends that you ratify and approve this contract, which approves the ED's spending level, With Fresh Start Healthy Meals.
