Report on the Financial Statements

We have audited the accompanying financial statements of YPI Charter Schools, Inc. (the School), a California nonprofit public benefit corporation, which comprise the statement of financial position as of June 30, 2019, and the related statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to on page 1 present fairly, in all material respects, the financial position of the School as of June 30, 2019, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the School's financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*. The columns by location on the statement of financial position, activities and cash flows and the accompanying supplementary schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated **REPORT DATE** on our consideration of the School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness on the School's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control over financial reporting and compliance.

YPI CHARTER SCHOOLS, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

YPI Charter Schools, Inc. (the School) is a California nonprofit public benefit corporation developed by the Youth Policy Institute (YPI). The School currently manages three charter schools: Bert Corona Charter School, Monsenor Oscar Romero Charter School, and Bert Corona Charter High School. All of these charter schools are funded principally through state of California public education monies received through the California Department of Education and the Los Angeles Unified School District (the District).

The School's vision is to equip urban students in grades 5-12 for academic success and active community participation. The majority of students come from predominantly Latino immigrant families with high poverty levels. The School seeks to close the achievement gap for these students by providing clear and high expectations for all students to achieve a personalized and supportive learning environment that recognizes students' accomplishments, family-school-community partnerships and service, and integrated technology in the classroom.

Basis of Accounting

The financial statements have been prepared on the accrual method of accounting and accordingly reflect all significant receivables and liabilities.

Basis of Presentation

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America as prescribed by the Financial Accounting Standards Board.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosures. Accordingly, actual results could differ from those estimates.

Functional Allocation of Expenses

Costs of providing the School's programs and other activities have been presented in the statement of functional expenses. During the year, such costs are accumulated into separate groupings as either direct or indirect. Indirect or shared costs are allocated among program and support services by a method that best measures the relative degree of benefit.

Cash and Cash Equivalents

The School defines its cash and cash equivalents to include only cash on hand, demand deposits, and liquid investments with original maturities of three months or less.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Net Asset Classes

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as revenue when the assets are placed in service. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

We report contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Accounts Receivable

Accounts receivable primarily represent amounts due from federal and state governments as of June 30, 2019. Management believes that all receivables are fully collectible; therefore, no provisions for uncollectible accounts were recorded.

Property, Plant, and Equipment

Property, plant, and equipment are stated at cost, if purchased or at estimated fair value, if donated. Depreciation is provided on a straight-line basis over the estimated useful lives of the asset. The School capitalizes all expenditures for land, buildings, and equipment in excess of \$1,000.

Compensated Absences

Accumulated unpaid employee vacation benefits are recognized as a liability of the School. The current portion of the liability, if material, is recognized at year-end. The entire compensated absences liability is reported on the statement of financial position. Employees of the School are paid for days or hours worked based upon Board approved schedules which include vacation.

YPI CHARTER SCHOOLS, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition

Amounts received from the California Department of Education are recognized as revenue by the School based on the average daily attendance (ADA) of students. Revenue that is restricted is recorded as an increase in net assets without donor restriction, if the restriction expires in the reporting period in which the revenue is recognized. All other restricted revenues are reported as increases in net assets with donor restriction.

Contributions

All contributions are considered to be available for use unless specifically restricted by the donor. Amounts received that are restricted to specific use or future periods are reported as contributions with donor restrictions. Restricted contributions that are received and released in the same period are reported as promises to give without donor restrictions. Unconditional promises to give expected to be received in one year or less are recorded at net realizable value. Unconditional promises to give expected to be received in more than one year are recorded at fair value at the date of the promise. Conditional promises to give are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met.

Income Taxes

The School is a nonprofit entity exempt from the payment of income taxes under Internal Revenue Code Section 501(c)(3) and California Revenue and Taxation Code Section 23701d. Accordingly, no provision has been made for income taxes. Management has determined that all income tax positions are more likely than not of being sustained upon potential audit or examination; therefore, no disclosures of uncertain income tax positions are required. The School is subject to income tax on net income that is derived from business activities that are unrelated to the exempt purposes. The School files and exempt School return and applicable unrelated business income tax return in the U.S. federal jurisdiction and with the California Franchise Tax Board.

Change in Accounting Principle

On August 18, 2016, FASB issued Accounting Standards Update (ASU) 2016-14, Not-for-Profit Entities (Topic 958) – Presentation of Financial Statements of Not-for-Profit Entities. The update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return. The School has implemented ASU 2016-14 and have adjusted the presentation in these financial statements accordingly.

Evaluation of Subsequent Events

The School has evaluated subsequent events through **REPORT DATE**, the date these financial statements were available to be issued.

YPI CHARTER SCHOOLS, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE 2 LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date. Financial assets available for general expenditures comprise cash and cash equivalents and grants receivable for the total amount of \$6,248,120.

As part of our liquidity management plan, we might consider investing cash in excess of daily requirements in short term investments, CDs, and money market funds, but have not invested to date. Funds are kept in checking accounts for daily requirements.

NOTE 3 CONCENTRATION OF CREDIT RISK

The School maintains its cash and cash equivalents at high-credit quality financial institutions. Accounts at this institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At times, cash in these accounts exceeds the insured amounts. The School has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on its cash and cash equivalents.

The School had two major vendors consisting of a significant portion of its expenses during the year ended June 30, 2019. Expenditures to Kemp Bros. Construction consisted of 28.24% of the School's expenses, or \$5,098,082, during the year ended June 30, 2019. Accounts payable to this vendor at June 30, 2019 were \$332,384. Expenditures to YPI Schools consisted of 15.8% of the School's expenses, or \$2,850,286, during the year ended June 30, 2019. Accounts payable to this vendor at June 30, 2019 were \$62,364.

NOTE 4 PROPERTY, PLANT, AND EQUIPMENT

Property, plant, and equipment in the accompanying financial statements is presented net of accumulated depreciation. Depreciation expense for the year ended June 30, 2019 was \$707,846.

The components of property, plant, and equipment as of June 30, 2019 are as follows:

NOTE 5 EMPLOYEE RETIREMENT

Multi-Employer Defined Benefit Pension Plans

Qualified employees are covered under multiple-employer defined benefit pension plans maintained by agencies of the State of California. Certificated employees are members of the State Teachers' Retirement System (STRS).

The risks of participating in this multiemployer defined benefit pension plan are different from single-employer plans because: (a) assets contributed to the multiemployer plan by one employer may be used to provide benefits to employees of other participating employers, (b) the required member, employer, and state contribution rates are set by the California Legislature and detailed in Teachers' Retirement Law, and (c) if the School chooses to stop participating in the multiemployer plan, it may be required to pay a withdrawal liability to the plan. The School has no plans to withdraw from this multi-employer plan.

State Teachers' Retirement System (STRS)

Plan Description

The School contributes to the State Teachers' Retirement System (STRS), a cost-sharing multiple-employer public employee retirement system defined benefit pension plan administered by STRS.

The plan provides retirement, disability and survivor benefits to beneficiaries. Benefit provisions are established by state statutes, as legislatively amended, within the State Teachers' Retirement Law. According to the most recently available Comprehensive Annual Financial Report and Actuarial Valuation Report for the year ended June 30, 2018, total plan net assets are \$225 billion, the total actuarial present value of accumulated plan benefits is \$374 billion, contributions from all employers totaled \$4.9 billion, and the plan is 64% funded. The School did not contribute more than 5% of the total contributions to the plan.

Funding Policy

Active plan members hired before January 1, 2013 are required to contribute 10.25% of their salary and those hired after are required to contribute 9.205% of their salary. The School is required to contribute an actuarially determined rate. The actuarial methods and assumptions used for determining the rate are those adopted by the SIRS Teachers' Retirement Board. Under the 2014 funding plan, employer contributions on compensation creditable to the program will increase every year for the next seven years, up to 19.10% in 2020-21. The required employer contribution rate for year ended June 30, 2019 was 16.28% of annual payroll. The contribution requirements of the plan members are established and may be amended by state statute.

NOTE 6 OPERATING LEASES

Bert Corona Charter School

The School has two lease agreements for Bert Corona Charter School ending in June 2020 and 2021. Rent expense for the year ended June 30, 2019 under these leases was \$118,795.

Home Office

The School leases facilities for its home office until August 18, 2021. Rent expense for the year ended June 30, 2019 was \$60,372.

Future minimum lease payments are as follows:

Year Ending June 30,	Amount
2020	\$ 180,696
2021	170,496
2022	7,062
Total	<u>\$ 358,254</u>

NOTE 7 REVOLVING LOAN

Bert Corona Charter High School has a revolving loan from the California School Finance Authority. The loan has a principal of \$250,000 with an interest rate of 0.3% annually. The balance of the loan as of June 30, 2019 was \$50,008, which matures in June 2020.

NOTE 8 LINE OF CREDIT

The School has a revolving line of credit with Pacific Western Bank. The line of credit has a principal of \$500,000 with a variable interest rate currently set at 6.25% annually. The line of credit was renewed in 2019. There was no outstanding balance as of June 30, 2019.

NOTE 9 CAPITAL LEASE PAYABLE

The School entered into two capital leases with Apple Inc. for equipment costing \$167,184. The leases mature in 36 months, bear a 0% interest rate and contain a purchase option of \$1 at end of the lease term. The outstanding balance under the leases at June 30, 2019 was \$53,772, which is due in 2019-20.

NOTE 10 RELATED PARTY

The Youth Policy Institute Charter Schools Inc. and the School had common origins since Bert Corona Charter School was established in 2004, and Monseñor Oscar Romero Charter School established in 2007. Since 2010, the two entities have had separate boards, management, and operating staff and the School no longer considers Youth Policy Institute Charter Schools Inc. to be a related party.

NOTE 11 DUE TO OTHERS

The School receives contributions for the YPI Parent Group and student groups. The amount of cash held payable to the Parent Group and student groups as of June 30, 2019 are \$82,342 and \$6,471, respectively.

NOTE 12 CONTINGENCIES

The School has received state and federal funds for specific purposes that are subject to review and audit by the grantor agencies. Although such audits could generate disallowances under terms of the grants, it is believed that any required reimbursement would not be material.

Prop 39

Pop 39 Overalllocation Contingent Liability

In September 2019, LAUSD issued the School a penalty of \$198,900 regarding alleged overallocation of facilities under Prop 39. The School made a 10% good faith payment which is reflected in these financial statements, and is in negotiation with LAUSD with the goal of having the penalty dismissed. This has occurred outside of dispute resolution and no litigation has been entered. Management believes the amount of obligation cannot be estimated as of the date of this report

Litigation

The School is subject to asserted and unasserted claims encountered in the normal course of business. The School's management and legal counsel assess such contingency liabilities, and such assessment inherently involves an exercise of judgment. In assessing loss contingencies related to legal proceedings that are pending against the School or unasserted claims that may result in such proceedings, the School's legal counsel evaluates the perceived merits of any legal proceedings or unasserted claims as well as the perceived merits of the amount of relief sought or expected to be sought therein. In the opinion of management, disposition of these matters will not have a material effect on the School's financial condition or results of operations.

NOTE 13 COMMITMENTS

Facility Use Agreements

The School has a co-location facility use agreement for Monsenor Oscar Romero Charter School with the Los Angeles Unified School District (the District) for property shared with Berendo Middle School. The total pro-rata share charge payments made for the year ended June 30, 2019 was \$142,213.

The School has a co-location facility use agreement for Bert Corona High School with the Los Angeles Unified School District (the District). The total pro-rata share charge payments made for the year ended June 30, 2019 was \$285,660.

Prop 1D

Monseñor Oscar Romero Charter School was awarded \$15,643,256 through Proposition 1D of which \$7,821,628 will be a grant and \$7,821,628 will be a long-term debt. Repayment of the debt is due on January 1, 2020.

NOTE 14 FUNCTIONALIZED EXPENSES

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include pension expense, other employee benefits, payroll taxes, other fees for services, information technology, occupancy, and other expenses, which are allocated on the basis of estimates of time and effort.

PURPOSE OF SCHEDULES

NOTE 1 SCHEDULE OF INSTRUCTIONAL TIME

This schedule presents information on the amount of instructional time offered by the School and whether the School complied with the corresponding provisions of the Education Code.

NOTE 2 SCHEDULE OF AVERAGE DAILY ATTENDANCE

Average daily attendance is a measurement of the number of pupils attending classes of the School. The purpose of attendance accounting from a fiscal standpoint is to provide the basis on which apportionments of state funds are made to charter schools. This schedule provides information regarding the attendance of students at various grade levels.

NOTE 3 RECONCILIATION OF ANNUAL FINANCIAL REPORT WITH AUDITED FINANCIAL STATEMENTS

This schedule provides the information necessary to reconcile the net assets of the charter schools as reported on the Annual Financial Report form to the audited financial statements.

NOTE 4 SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of the School under programs of the federal governmental for the year ended June 30, 2019. The information in this Schedule is presented in accordance with the requirements of the Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of operations of the School, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the School.

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

NOTE 5 INDIRECT COST

The School has elected to use a rate other than the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors
YPI Charter Schools, Inc.
Pacoima, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of YPI Charter Schools, Inc. (the School), a nonprofit California public benefit corporation, which comprise the statement of financial position as of June 30, 2019, and the related statements of activities, cash flows, and functional expenses for the year then ended, the related notes to the financial statements, and have issued our report thereon dated **REPORT DATE**.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the School's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency or a combination of deficiencies in internal control such that there is a reasonable possibility that a material misstatement of the financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School’s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity’s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity’s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR
EACH MAJOR FEDERAL PROGRAM AND REPORT ON
INTERNAL CONTROL OVER COMPLIANCE REQUIRED
BY THE UNIFORM GUIDANCE**

Board of Directors
YPI Charter Schools, Inc.
Pacoima, California

Report on Compliance for Each Major Federal Program

We have audited the compliance of YPI Charter Schools, Inc. (the School) with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Compliance Supplement that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2019. The School's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and terms and conditions of federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of the School's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the School's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the School's compliance.

Opinion on Each Major Federal Program

In our opinion, the School complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2019.

Report on Internal Control Over Compliance

Management of the School is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the School's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance, for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the School's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies in internal control over compliance such that there is a reasonable possibility, that material noncompliance with a type of compliance requirement of a federal program will not be prevented or detected and corrected on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Purpose of this Report

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON STATE COMPLIANCE

Board of Directors
YPI Charter Schools, Inc.
Pacoima, California

We have audited YPI Charter Schools, Inc.'s (the School) compliance with the types of compliance requirements described in the *2018-2019 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, published by the Education Audit Appeals Panel for the year ended June 30, 2019. The School's state compliance requirements are identified in the table below.

Management's Responsibility

Management is responsible for the compliance with the state laws and regulations as identified below.

Auditors' Responsibility

Our responsibility is to express an opinion on the School's compliance based on our audit of the types of compliance requirements referred to below. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and the *2018-2019 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, published by the Education Audit Appeals Panel. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the specific areas listed below has occurred. An audit includes examining, on a test basis, evidence about the School's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion on state compliance. Our audit does not provide a legal determination of the School's compliance.

Compliance Requirements Tested

In connection with the audit referred to above, we selected and tested transactions and records to determine the School's compliance with the laws and regulations applicable to the following items:
