

School Accountability Report Card

Reported Using Data from the 2018–19 School Year

California Department of Education

For Bert Corona Charter High School

Address: 12513 Gain Street, Pacoma, CA 91331 **Phone:** (818) 480-6810
Principal: Larry Simonsen **Grade Span:** 9-12

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Throughout this document the letters DPL refers to data provided by the LEA, and the letters DPC refers to data provided by the CDE.

School Description and Mission Statement (School Year 2019–20)

The vision for Bert Corona Charter High School is to create a place of learning that empowers students to become functional and prepared communicators for the demanding global requirements of the future. The high school will provide a mutually supportive and positive learning environment in which every member will develop communications, technological, and leadership skills to foster self-confidence and personal growth. Emphasis will be placed on challenging students to develop problem-solving and interpersonal skills to succeed in the 21st Century through Service-Learning, Linked Learning and technology integration across subjects. The Service-Learning and Linked Learning will be the basis of the Bert Corona Charter High School's educational focus and build on core strengths from the Bert Corona Charter School (service learning) and the strong technology resources provided by the Youth Policy Institute for families in the community.

Bert Corona Charter High is a member of a CTE Gant that focuses on Media Arts and Technology. Every student who attends Bert Corona Charter High School has access to technology by being provided a personal chromebook. Bert Corona Charter High School's mission is to prepare students for academic success in high school; as well as, post-secondary education and careers, prepare students to be responsible and active participants in their community, and enable students to become life-long learners. Students at the high school will become active citizens characterized by the ideals of a diverse and democratic society. Our students will provide service to their community, take responsibility for their own learning, and develop the habits of mind that will empower them to be successful in high school and beyond. Students will have access to and the use of technology along with leaving Bert Corona Charter High School college and career ready.

A. Conditions of Learning**State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements

As a Prop-39 co-located charter school in Los Angeles Unified School District, our facilities are managed by the principal of the school property upon which we reside. Therefore, its maintenance as well as its improvement planning are in the hands of LAUSD Administrators and Board Members. For facilities inspection records and improvement planning documentation, please contact Maclay Middle School directly or the LAUSD School Board Member's office.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

A. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017–18	School 2018–19	District 2017–18	District 2018–19	State 2017–18	State 2018–19
English Language Arts/Literacy (grades 3-8 and 11)	45.45	38.09	50.99	51.70	55.96	57.27
Mathematics (grades 3-8 and 11)	15.55	12.9	23.28	25.34	31.37	32.24

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

**CAASPP Test Results in ELA by Student Group

The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

B. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019–20)

The primary parent organization accessible for parent participation is the BCCHS School Advisory Council. This council discusses the academic, operational, and cultural initiatives of the school and votes to adopt/approve significant changes to the school's program. In addition, monthly parent information and dialogue meetings are held on the fourth Tuesday of the Month, all parents are scheduled for conferences with staff each semester, parents coach sports and attend athletic events, and the school's Advisory Program invites parents to bring their expertise and resources to support students in their campus-wide projects.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates

School Safety Plan (School Year 2019–20)***Narrative provided by the LEA***

As a co-located school in LAUSD, Bert Corona Charter High School follows the comprehensive safety plan for its host school, Maclay Middle School. Bert Corona Charter High School participates simultaneously with Maclay MS in all safety and emergency drills, and has access to all emergency supplies provided to that school. The key elements of the safety plan (drills procedures, exit routes, access to first aid) are covered with staff and students at the beginning of each school year.
