

YPI CHARTER SCHOOLS

May 26, 2020

TO: YPI Charter Schools
Board of Directors

FROM: Yvette King-Berg
Executive Director

SUBJECT: Recommendation to receive and file LAUSD Annual Performance-Based Oversight Visit Reports for 2019-2020 School Year

BACKGROUND

The LAUSD Charter Schools Division (CSD) conducts yearly oversight visits and formal reviews of the instructional and operational practices of all District-authorized charter schools. All charter schools contribute a percentage of their operating revenue to the District for this purpose as required by law.

ANALYSIS

The LAUSD Charter Schools Division yearly conducts performance-based oversight aligned to the California Charter Schools Act and includes four categories and a sub-category: 1) Governance Documentation, 2) Student Achievement and Educational Performance Documentation, 3) Organizational Management, Programs, and Operations Documentation, 3A) Documentation of Compliance with DOJ and TB clearance, credentialing, ESSA requirements, and Mandated Reporter Training Requirements, etc., and 4) Fiscal Operations.

At the September 16, 2020 regular meeting of the YPICS Board of Directors, the oversight process utilized by the authorizing district, LAUSD, was presented to the Board as an information item, and at the December 9, 2020 meeting, the Board certified compliance with applicable laws and other requirements.

Specialists from the Charter Schools Division visited each YPICS during the months of December, January, and April as per the schedule below:

YPICS Fiscal Review:	November 20, 2019
Bert Corona Charter Middle Schools:	December 13, 2019
Bert Corona Charter High School:	February 19, 2020,
Monsenor Oscar Romero Charter School:	November 20, 2019

Final reports for BCCS and BCCHS were received and indicate the following:

SUMMARY OF RATINGS				
<i>(4) = Accomplished (3) = Proficient (2) = Developing (1) = Unsatisfactory</i>				
SCHOOL	Governance	Student Achievement and Educational Performance	Organizational Management, Programs, and Operations	Fiscal Operations
Bert Corona Charter School	3	2	1*	3
Bert Corona Charter High School	3	2	3**	3
Monsenor Oscar Romero Charter School ***	3	2	2	3

BCCS continues to work on moving the overall academic outcomes of the students at Bert. This table reflects the work that was implemented during the 2016-2017 school year. We anxiously await the Spring 2018 scores to reveal the increased focus on student outcomes this academic school year.

Because state standardized testing is not administered until 11th grade, the high school only has one set of CAASPP scores. Therefore, the high school's 2 is reflective of 11 students who joined the high school when they were already behind in their sophomore year. We have continued to push those students and as of this writing nine of the have already been accepted and will be attending colleges and universities within California

*BCCS' 18-19 Organizational and management score was a 3.

**BCHS' 18-19 Organizational and management score was a 2.

***MORCS 18-19 All Scores for each area remained constant, no change.

RECOMMENDATION

It is recommended that the Board of Directors receive and file the 2019-2020 results of the District's oversight review of the three YPI Charter Schools.
