School Description and Mission Statement (School Year 2020-21)

Please review and complete the information below as needed. This section should include information about your school, its programs and its goals. This section should be kept to 2-3 paragraphs.

The vision for Bert Corona Charter High School is to create a place of learning that empowers students to become functional and prepared communicators for the demanding global requirements of the future. The high school will provide a mutually supportive and positive learning environment in which every member will develop communications, technological, and leadership skills to foster self-confidence and personal growth. Emphasis will be placed on challenging students to develop problem-solving and interpersonal skills to succeed in the 21st Century through Service-Learning, Mastery Learning and technology integration across subjects. The Service-Learning and Mastery Learning will be the basis of the Bert Corona Charter High School's educational focus and build on core strengths and the strong technology resources from the Bert Corona Charter School (service learning).

Bert Corona Charter High has benefitted from a CTE Gant that focused on Media Arts and Technology. Every student who attends Bert Corona Charter High School has access to technology by being provided a personal Chrome Book. Bert Corona Charter High School's mission is to prepare students for academic success in high school; as well as, post-secondary education and careers, prepare students to be responsible and active participants in their community, and enable students to become life-long learners. Students at the high school will become active citizens characterized by the ideals of a diverse and democratic society. Our students will provide service to their community, take responsibility for their own learning, and develop the habits of mind that will empower them to be successful in high school and beyond. Students will have access to and the use of technology, and will leave Bert Corona Charter High School college and career ready.

Opportunities for Parental Involvement (School Year 2020-21)

Please review and complete the information below as needed. This section should include information on how parents can become involved in school activities, including contact information pertaining to organized opportunities for parental involvement. This section should be kept to 1-2 paragraphs.

The primary parent organization accessible for parent participation is the BCCHS School Advisory Council. This council discusses the academic, operational, and cultural initiatives of the school and votes to adopt/approve significant changes to the school's program. In addition, monthly parent information and dialogue meetings are held on the fourth Tuesday of the Month, all parents are scheduled for conferences with staff each semester, parents coach sports and attend athletic events, and the school's Advisory Program invites parents to bring their expertise and resources to support students in their campus-wide projects.

School Safety Plan (School Year 2020-21)

Please review and complete the information below as needed. This section should include information about the school's comprehensive safety plan, including the dates on which the safety plan was last annually reviewed, updated, and discussed with school faculty and a student representative, as well as a brief description of the key elements of the plan (do not paste your entire safety plan in this field). This section should be kept to 1-2 paragraphs.

As a co-located school in LAUSD, Bert Corona Charter High School follows the comprehensive safety plan for its host school, Maclay Middle School.

Bert Corona Charter High School participates simultaneously with Maclay MS in all safety and emergency drills, and has access to all emergency supplies provided to that school. The key elements of the safety plan

(drill procedures, exit routes, access to first aid) are covered with staff and students at the beginning of each school year.

School Facility Conditions and Planned Improvements (School Year 2020-21)

Please review and complete the information below as needed. This section should include information from the most recently collected Facility Inspection Tool (FIT) data (or equivalent), including:

- Description of the safety, cleanliness, and adequacy of the school facility
- Description of any planned or recently completed facility improvements
- Description of any needed maintenance to ensure good repair

FIT tools completed using CDE's MS Excel format (only) can be submitted to DTS for import by [clicking here](#). To see an example of the CDE FIT Tool, [click here](#). Requests for multiple schools should be sent in one email. Otherwise, please review and complete the information below as needed.

Year and month of the most recent FIT report:

This section should be kept to 1-2 paragraphs.

As a Prop-39 co-located charter school in Los Angeles Unified School District, our facilities are managed by the principal of the school property upon which we reside. Therefore, its maintenance as well as its improvement planning are in the hands of LAUSD Administrators and Board Members. For facilities inspection records and improvement planning documentation, please contact Maclay Middle School directly or the LAUSD School Board Member's office.

School Facility Good Repair Status (School Year 2020-21)

Using the most recently collected **Facility Inspection Tool (FIT)** data (or equivalent), provide a summary statement of the condition of the school facility, as required by Education Code sections 17014, 17032.5, 17070.75(a), and 17089(b), including:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

This data should match the most recent inspection/FIT report for your school.

System Inspected	Repair Status (the marks should match your most recent inspection)	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good	
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	
Electrical: Electrical	Fair	Power is inconsistent in room 14 and 13. Breakers are regularly tripped. Box needs to be updated.

Teacher Credentials

Please review and complete the information below as needed. This section should include the number of teachers that fall into each category listed for the year indicated.

Teachers at this School	School 2018-19	School 2019-20	School 2020-21	District 2020-21
With Full Credential	6	4	12	
Without Full Credential Without a full credential (includes LEA and university internships, pre-internships, emergency or other permits, and waivers)	11	7	0	
Teaching Outside Subject Area of Competence CDE does not collect data on the number of teachers teaching outside their subject area of competence (with full credential). Teaching outside subject area data should be available in the LEA's personnel office. In most instances, teaching outside subject area is a subset of total teacher misassignments (see data definition for Teacher Misassignments).	0	0	0	

Teacher Misassignments and Vacant Teacher Positions

Please review and complete the information below as needed. This section should include the number of teachers that fall into each category listed for the year indicated.

Indicator	2018-19	2019-20	2020-21

Textbooks and Instructional Materials (School Year 2020-21)

This section describes 1) whether the textbooks and instructional materials used at the school are from the most recent adoption, 2) whether there are sufficient textbooks and instructional materials for each student 3) and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

List all textbooks and instructional materials used in the school in **core subjects** (reading/language arts, math, science, and history-social science), including:

- Year they were adopted
- Whether they were selected from the most recent list of standards-based materials adopted by the State Board of Education (SBE) or local governing board
- Percent of students who lack their own assigned textbooks and/or instructional materials*
- For kindergarten through grade 8 (K-8), include any supplemental curriculum adopted by local governing board

If an insufficiency exists, the description must identify the percent of students who lack sufficient textbooks and instructional materials. Be sure to use the most recent available data collected by the LEA and note the year and month in which the data were collected.

This data should match the most recent adoption of textbooks for your LEA.

Expenditures per Pupil and School Site Teacher Salaries (Fiscal Year 2018-19)

Please review and complete the information below as needed.

- The fields that are highlighted yellow are populated for you with data provided by CDE.
- Percent differences, highlighted light-blue, are calculated by this form.
- The remaining data was copied over from last year's SARC and should be reviewed/updated, with data from FY 18-19.

The most recent data available from CDE is for fiscal year 2018-19. For comparison purposes, data for the same fiscal year is requested from the school.

As this template is thoroughly reviewed each year, please note that the year listed, fiscal year 18-19, is correct.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$14,484.64	\$3,661.27	\$11,187.37	\$57,978.22

♦ means data is not required. The fields are intentionally not provided.

Restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted.

Unrestricted expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.

Types of Services Funded (Fiscal Year 2019-20)

Please review and complete the information below as needed. This section should include specific information about the types of programs and services available at the school that support and assist students. For example, this narrative may include information about supplemental educational services.

As this template is thoroughly reviewed each year, please note that the year listed, fiscal year 19-20, is correct.

The program description for all BCCHS programs, as provided by all funding sources, is available in our LCAP. The LCAP can be accessed on our website at:

<http://bcchs.ypics.org/compliance/>

Professional Development (2018-19, 2019-20 and 2020-21)

Please review and complete the information below as needed. This section should include the number of days provided for professional development and continuous professional growth in 2018-19, 2019-20 and 2020-21.

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	8	15	15

Optionally, use this space to share information on the annual number of days provided for professional development and continuous professional growth for the school years 2018-19, 2019-20 and 2020-21.

Questions that may be answered include:

- What are the primary/major areas of focus for staff development and specifically how were they selected? For example, were student achievement data used to determine the need for professional development in reading instruction?
- What are the methods by which professional development is delivered (e.g., after school workshops, conference attendance, individual mentoring, etc.)?
- How are teachers supported during implementation (e.g., through in-class coaching, teacher-principal meetings, student performance data reporting, etc.)?

This section should be kept to 1-2 paragraphs.

The major areas of focus of professional development were: the use of Critical Friends Groups to look at student work and determine areas of instruction and planning that need to be changed and improved, the use of distance learning technologies and programs to allow for differentiated growth and targeted intervention, and the use of mastery rubrics to give students timely and useful feedback that will enable their growth.

Professional development meetings did and does take place in small cooperative groups, all-district conference style meetings, and week-long institutes.

Teachers are supported through collaborative conversations through lead-teacher peer collaboration and teacher-principal meetings, both of which utilize data on attendance, participation, grades, test results, and student work. .

School Completion and Postsecondary Preparation

**This section applies to schools serving grades 9-12 only.
If your school does not serve grades 9-12, simply skip and leave this section blank.
It will not be included in the full SARC.**

Career Technical Education Programs (School Year 2019-20)

Please review and complete the information below as needed. This section should include information about Career Technical Education (CTE) programs as follows:

- A list of programs offered by the school district in which pupils at the school may participate and that are aligned to the model curriculum standards adopted pursuant to Education Code Section 51226; and
- A list of program sequences offered by the school district. The list should identify courses conducted by a regional occupational center or program, and those conducted directly by the school district; and
- A listing of the primary representative of the district's CTE advisory committee and the industries represented on the committee.

As this template is thoroughly reviewed each year, please note that the year listed, 19-20, is correct. This section should be kept to 1-2 paragraphs.

The CTE Pathway at Bert Corona Charter High School follows a Visual and Media Arts continuum from the Arts, Media and Entertainment pathway of the CCTE Framework.

The three courses in our pathway are 1. Foundations in Visual and Media Art, 2. Visual Arts II , and 3. Visual and Media Arts III. The learning outcomes for these courses are adopted from the CA Arts Education Framework and the CTE Standards for the Arts, Media and Entertainment Sector. BCCHS CTE pathway courses are taught by a fully credentialed teacher with significant experience in the pathway-specific industry that is at the heart of our program. The courses in the school's program are approved by the UC Regents for UC/CSU admissions preparation.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	6.7	1.9	0.8	0.7	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	1.6	0	2.5
Expulsions	0	0	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.
