June 29, 2022

TO: YPI Charter Schools
Board of Directors

FROM: Yvette King-Berg
Executive Director

SUBJECT: Recommendation to approve 2022-2023 Local Control and Accountability Plans (LCAPs) for Bert Corona Charter School, Bert Corona Charter High School and Monseñor Oscar Romero Charter School

BACKGROUND

As per Education Code sections 52060, 52066, 47605, 47605.5, and 47606.5:

The LCAP is intended to be a comprehensive planning tool. LEAs may reference and describe actions and expenditures in other plans, and funded by a variety of other fund sources, when detailing goals, actions, and expenditures related to the state and local priorities. LCAPs must be consistent with school plans submitted pursuant to Education Code section 64001. The information contained in the LCAP, or annual update, may be supplemented by information contained in other plans (including the LEA plan pursuant to Section 1112 of Subpart 1 of Part A of Title I of Public Law 107-110) that are incorporated or referenced as relevant in this document.

Charter schools, pursuant to Education Code sections 47605, 47605.5, and 47606.5, must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities as applicable and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code.

On February 28, 2022, the Board of Directors were presented with an update on the annual update to the 2021-22 LCAP and budget overview for parents. The update included the following:

1. A one-time Supplement to the Annual Update for the 2021-22 LCAP using the State Board approved template.
2. All available mid-year outcome data related to metrics identified in the 2021-22 LCAP
3. Mid-year expenditure and implementation data on all actions identified in the 2021-22 LCAP
4. An update on the Budget Overview for Parents

ANALYSIS

The following are elements of the 2022-23 LCAP for the purposes of review, adoption, and approval.

1. 2022-23 Budget Overview for Parents
2. 2021-22 Supplement
3. 2022-23 LCAP
4. Action Tables for the 2022-23 LCAP
5. Instructions for the LCAP Template

The LCAP describes the goals, actions, services, and expenditures to support positive student outcomes that address state and local priorities. The LCAP provides an opportunity for local educational agencies to share their stories of how, what and why programs and services are selected to meet their local needs.

The LCAP Federal Addendum is designed to supplement the LCAP to ensure schools meet the Local Educational Agency (LEA) Plan provisions of the Every Student Succeeds Act (ESSA).

The Executive Director, Chief Operating Officer and Executive Administrators of YPICS present these final LCAP documents after careful review and analysis of the work the schools have accomplished and plans for the new school year. The LCAPs for the three YPICS will be submitted to the Los Angeles County Office of Education by June 30, 2022.
