TO: YPI Charter Schools
Board of Directors

FROM: Yvette King-Berg
Executive Director

SUBJECT: Recommendation to approve 2018-2019 calendars

BACKGROUND

At the January 2018 meeting of the Board of Directors, the Executive Administrative Team began a discussion that would lead up to the approval of the 2018-2019 Instructional Calendar.

ANALYSIS

Many of the students of YPICS have siblings that attend traditional LAUSD schools. Historically, YPICS have maintained higher ADA rates when the YPICS calendars are more closely aligned to the LAUSD instructional calendar. Therefore, the attached schedules are aligned to the LAUSD instructional calendar as much as possible. However, YPICS calendars depict our commitment to teacher professional development days, almost a day a month, throughout the school year beginning with a ten-day teacher institute on at the beginning of the school year. On some days there will not be exact alignment, that's the YPICS way, committed to supporting teacher professional development and supporting our families.

RECOMMENDATION

It is recommended that the YPICS Board of Directors approve the 2018-2019 Instructional Calendars.
