**V. Items Scheduled for Information**

**A. Bert Corona Executive Administrator's Report**

**Parent conferences** were a big win for us this year. 92% of our families came out to participate and to spend time with our teachers and staff. During this time, our parents were able to connect with their childrens' teachers and to gain a better understanding of the expectations for learning and behavior at our school.

**Trunk-or-Treat** This year marked our 5th annual Trunk-or-Treat event. We had hundreds of participants and guests, and everyone enjoyed trick-or-treating, dancing, music, our favorite taquero, and even a surprise performance from Ballet Folklorico Ollin. Our high school staff and students joined in with two cars this year, and they brought some spooky art to add to the decor (Thanks, Mr. Benavides!) This event is quickly becoming one of BCCS's favorite traditions.

**Data (Houghton Mifflin Reading Inventory):** At the beginning of October, our 107 ELs all took the HMRI, and 31 of those students have already passed the assessment this year! Our EL teacher and tutors will continue to provide support to all ELs throughout the day, but this group of students will be our target group for tutoring, Saturday academy, and ongoing supports. If we could have all these students reclassify this year, we would have a reclassification rate of 29%!

**B. Monseñor Oscar Romero Executive Administrator's Report**

### **Semester 1 at MORCS is off to a great start so far.**

During summer TPD, teachers worked hard to prepare for the year, and it is now showing as they are delivering lessons that are rigorous and engaging. Our athletics program is off to a strong start, with our Girls Volleyball team performing well and on the brink of making playoffs; Flag Football has also picked up and our team has had back-to-back wins. Our ELOP program implementation has had a strong start with student and staff buy-in. Our Instructional Leadership Team (ILT) has been able to provide meaningful and relevant professional development, with teachers stepping up and leading sessions to help their colleagues grow professionally. Our School Culture and Climate team has been responding to student and staff needs and providing support where needed (zero out of school suspensions so far!). Overall, our team has played their part in making sure that we provide an environment that is safe and promotes opportunities for growth for staff and students.

### **Benchmark Data**

Our iReady Diagnostic data is attached for your reference. Overall, there is a lot of room for growth. In an effort to plan and prepare interventions, our teachers engaged in a Data Driven Dialogue PD on September 12, 2022, where they reviewed their student's PLOP using iReady D1 data and created grade level goals to help target any learning gaps that they identified. Our next diagnostic starts on the week of November 28th.

### **C. Bert Corona Charter High School Executive Administrator's Report**

Mr. Ruben Dueñas has been serving as the Interim Executive Administrator since October 10, 2022. He will take over the leadership of Bert Corona Charter High School for Mr. Larry Simonsen who has decided to pursue other opportunities for personal reasons.

Mr. Dueñas has been working for YPI Charter Schools in various capacities for the past 16 years. He has served as Principal and Executive Administrator of Bert Corona Charter (Middle) School, and as the Chief Operations Officer of YPI Charter Schools. As Chief Operations Officer, he helped to open BCCHS. While serving as the Interim Executive Administrator for BCCHS, Mr. Dueñas will continue with his responsibilities as Chief Operations Officer for YPICS.

Project Based Learning (PBL) Classes have begun. By working on these projects, students will continue their growth in mastering critical college and career readiness skills. Students will be engaged in research, interacting with experts in the field, field trips, making presentations, community service, and most importantly, reflection. Project Class teachers will use the VALUE learning outcomes to evaluate student growth. Students' projects will cover topics such as environment health, art, homelessness, animal rights, voting rights, & etc. We cannot wait to see what solutions our students discover and implement.

### **D. Chief Operation Officer's Report**

The report was made available to the Board of Trustees.

## **E. Executive Director's Report**

Earlier this month, the California State Board of Education (SBE) approved the continued use of the adjusted form blueprints for the Smarter Balanced Summative Assessments for English Language Arts/Literacy (ELA) and Mathematics for the 2022–23 administration and subsequent years.

State officials stressed that the current state budget alone includes more \$12 billion in one-time and ongoing funding that districts can use to remediate or accelerate learning and for mental health. This includes \$7.9 billion in a Learning Recovery Block Grant, tied to a district's proportion of low-income students, and \$4 billion for low-income districts to add three hours per day for after-school learning and six weeks of added learning. In addition, they have \$15.3 billion that Congress funded through 2024 under the American Relief Plan Act.

### *YPICS Total Professional Development Days:*

All three schools' teachers, administrators, and staff members participated in two-days of total professional development (instruction, climate and culture, and operations) on October 24th-25th. Day 1 focused on equity as it shows up in outcomes. YPICS reviewed all data, SBAC, grades, attendance (absenteeism & perfect attendance). Each department created smart goals and created action plans which will be used reviewed during the next TPD Equity Pause day; January 9, 2023. Day 2 focused on instructional strategies that work. Teacher participants had an opportunity to choose sessions to enhance their practice. YPICS Operations Teams had an opportunity to further develop their plans to increase attendance and enrollment. Finally, the School Climate and Culture Teams were trained in NCIS to better prepare to deescalate challenging behaviors on campus.

## **VI. Closed Session**

### **A. Government Code 54957 PUBLIC EMPLOYEE DISCIPLINE/DISMISSAL/RELEASE**

The Board chose to move Closed Session to a future board meeting.

## **VII. Closing Items**

### **A. Adjourn Meeting**

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 7:22 PM.

Respectfully Submitted,  
Y. Zubia
