Board Treasurer Green reported that the fiscal committee met today and will bring recommendations on two topics. The first is how to invest the tax refund due to the employee retention credit tax refunds and how to consider a bonus for staff. Secondly, the committee has recommendations to ensure the YPICS gas stipends are provided to LSC employees who travel from one sight to another to do their jobs in alignment with CA employment practices and laws.

- The School held a Mock Presidential Election to build active citizenship skills for students.
- Trunk or Treat Community event served approximately 500 community members. Current families and student alumni enjoy this family-friendly, safe trick-or-treating event, which continues to bring the BCCS Community together. This is year 5 of this successful event.

**E. Monseñor Oscar Romero Charter School Executive Administrator's Report**

**Instruction:**

Our team is focused on professional development aligned with teacher feedback. To enhance teaching practices, we are launching a five-part PLC series centered on Special Education Inclusion, Differentiated Instruction, and Culturally Responsive teaching.

**Culture and Climate:**

We are promoting positive behaviors through the Pawsitive Puma Recognitions (PPRs) program, which rewards students with incentives such as a raffle for a field trip, fostering a positive school environment.

### **Operations:**

To improve our daily attendance rate, currently at 94.6%, we have introduced attendance incentives, including perfect attendance celebrations, to help us reach our 95% goal. This report will provide further details on how each of these areas supports the overall mission of Monseñor Oscar Romero Charter School and our ongoing commitment to academic and community excellence.

## **F. Bert Corona Charter High School Executive Administrator/ COO's Report**

### **Instruction**

ELA Teacher The 11th and 12th grade English position continues to be vacant. The position has been posted on Edjoin. Staff interviewed a candidate and was going to make an offer, but the candidate took another offer. Currently, a long-term substitute is teaching the class. Fortunately, our administrative team and students have been happy with the substitutes who have been covering the class.

### **Special Education**

BCCHS continues to enroll high numbers of students with an IEP. Currently, 62 students (27.8% of the student population) are supported by 2 RSP teachers. The recommended caseload for an RSP teacher by the state is 28 students. Currently, BCCHS is over the caseload of six students. Staff reviews staff and student schedules to ensure all supports are provided. Ultimately, BCCHS may/will need to shift staff or hire additional staff (special education tutor or Part-Time RSP teacher) to support this large caseload.

## **G. YPICS Chief Accountability Officer's Report**

- LAUSD redline feedback on renewal has been primarily technical
- The LAUSD CSD opening letter requires EA's signature on Compliance Monitoring and EL Master Plan Certification.

## **H. YPICS Executive Director's Report**

**SB 497:** Effective January 1, 2024, SB 497 creates a rebuttable presumption of retaliation if an employer takes adverse action, e.g., termination, demotion, discipline, etc., against an employee within 90 days of the employee engaging in legally protected activities under the California Labor Code. Protected activities include reporting violations or participating in investigations. Employers can rebut this presumption by proving legitimate reasons for their actions. Violations may result in civil penalties.

**AB 2534:** Effective January 1, 2025, AB 2534 requires applicants for certificated school positions to provide a complete list of all previous educational employers. Local educational agencies (LEAs) must inquire with each listed institution about any credible complaints, investigations, or disciplinary actions related to egregious misconduct that were reported to the California Commission on Teacher Credentialing (CTC). *The YPICS*

*Board Directed the ED to ensure that this step is included in the hiring process for all new hires after January 1, 2025.*

**AB 1913:** Effective January 1, 2025, AB 1913 mandates annual training for all school personnel in detecting, preventing, and reporting child abuse, including sexual abuse. The training applies to employees in charter schools. It can be completed via an online module provided by the Department of Social Services and/or developed training that qualifies, including the CharterSAFE training. This requirement expands the Mandated Reporter Training to include a preventative portion instead of mandating new training. We will continue to use the CharterSafe Training as it meets the requirements of the new mandate. *YPICS included this CharterSafe training module beginning July 1, 2024.*

**AB 3216:** Effective July 1, 2026, AB 3216 would require schools to develop and adopt, and update every five years a policy limiting or prohibiting students' use of smartphones while they are at school but allowing students access to their smartphones in emergencies.

*YPICS is already in compliance with this legislation, as our current board-approved policies limit cell phone use by students on campus.*

#### **I. Charter School Transparency Resolution (discussion/info)**

The discussion of the LAUSD Charter Transparency Resolution is an annual requirement for LAUSD authorized charter schools as a compliance item for review in Performance-Based Oversight Visit.

The original resolution entitled "Keeping Parents Informed" proposed by Member Ratliff and approved by the LAUSD Board of Education, is meant to ensure that charter schools share information with parents/families of enrolled students. These items include: School Accountability Report Cards (SARC), Local Control & Accountability Plans (LCAP), annual financial audits, EPA, academic performance data including state-mandated assessments, student demographics, graduation rates and dropout rates.

Parents and community members are welcome to access any documents outlined in the Monica Ratliff Transparency Resolution on the school's websites or request a copy from the main office of any YPICS. The board reaffirmed its commitment to transparency for the YPICS families and communities.
