II. Academic Excellence

A. Test scores

MOY testing took place before Christmas break. Results are being calculated.

B. Enrollment remains at 158

C. Attendance

Last month was 92%, a decrease mostly due to illness.

To address this, in addition to weekly parties for perfect attendance (no tardiness or early withdrawals), a daily raffle drawing will be held.

D. Staffing

1. New 3rd grade teacher on board. Will be teaching reading, math, social studies.

Seems to be a good fit.

2. Ms. Malicki asked about delineation of pay levels for aides. *Ms. Lewis will prepare a job description* to define criteria for the current two levels of pay.

III. Other Business

A. Truancy Prevention Program

Program meets later this month. A review of records is being made not only for absences but for tardiness. There are a limited number of meeting slots (20 minutes) with the magistrate each month.

Ms. Lewis will prepare a document addressing the impact of this program on the budget.

The program magistrate would like to see an attendance rate of 96%, which would be very challenging. Prelude goal is 95%.

The cost for this program is \$12,500/year and the program meets the criteria to use safety funds to cover the cost,

B. Lavinia group consultation

Consultations (12 all-day sessions) continue to demonstrate effectiveness with teachers, providing guidance for both new and experienced teachers on how better to teach content as well as addressing assessment of subject matter acquisition by students.

C. TEA grant

Application for LASO3 grants submitted:

- 1) Strong Foundations Implementation (math)
- 2) Strong Foundations Planning (ELAR) and
- 3) Technology lending grant.

IV. Closing Items

A. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 9:10 AM.
