II. Reports and Updates

A. Committee Reports

Jennifer Paquette made a motion to approve academic goals for 2024-2025.

Kim Munoz seconded the motion.

Goals: Increase reading and math STAAR results by 3%. Although achievement scores are not yet at a desirably rate, growth evidence by MAPP testing is promising. Ms. Lewis states that research indicates that increasing STAAR performance results by 3-4% is realistic.

The board **VOTED** to approve the motion.

Academics: Ms. Lewis states that TEA has verified that Prelude did not receive an F rating, but rather a D rating. Although this is suboptimal, it precludes receiving a "red flag" (three such ratings may require termination of charter) and provides hope for continued improvement and success.

Development: Prelude flyers are being distributed to city club meetings seeking board and advisory team members. Development is an outward focus on external communications. A package for development is in production.

Finance: The new back-office firm is working well. Financials were received two days ago, committee will be meeting soon.
