## II. Development Committee

## **A. Marketing Follow Up**

We were joined by Destiny to go over the website audit provided by TK Marketing and Consulting.

- Destiny reviewed the audit prior to the meeting
- Destiny felt comfortable taking on the project of enhancing the website

We agreed on the following:

- For the first phase, we want to ensure the font and colors are cohesive
- The home page needs to be revamped
- We are looking to move towards a video carousel
- It was mentioned that Tia likes the flow of Kipp website.
  - Destiny is going to find out what she likes about the website in particular
- Kolt likes the flow of Drew Charter's website
  - Destiny is going to find out what makes that website appealing
- Destiny will find a place for the tabs at the top
- Social media links need to be moved
- Communication for our Facebook and IG pages need to be handled
  - We have a working and active IG, however, Facebook needs to be managed. Possibly Destiny can connect with the vendor who is currently operating Facebook
- We have a goal to get at least the first phase complete by mid October to push for "Giving Tuesday"
- The tab at the top right will now say "Donate"
- The Academic tab needs to be more flushed out
- In the longterm, we want a fully functional website that is safe and everything all in one place with links. For example, aftercare links or links for t-shirt orders

## **III. Closing Items**

### **A. Adjourn Meeting**

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 7:45 PM.

Respectfully Submitted,  
A. Turner
