## IV. Executive Director Updates

### A. Executive Director's Updates

Kolt shared the [Executive Director Newsletter](#)

Highlights (from the newsletter and others):

- Extract from the newsletter: Please read [my statement](#) regarding my recommendation on who is receiving \$2,000 stipends as well as additional guidance from the state [HERE](#). I am suggesting adjusting the contractor teacher stipend to Poole (\$1000 for 4 days per week), McKay (\$500 for 2 days per week), and Bursch (\$250 for 1 day per week). They also vote that \$250 each be given to J. Ranessa and D. Lowe from Climate and Culture so that all Full Time employees receive funds.
- Verkada systems is being considered for the security grant
- Securly and Go Guardian being considered for student social media monitoring
- Recommend contracting with Cross & Dot LLC team for six months at \$8,000, to assist Kolt and help address any gaps from the operational audit, starting August 2026.

## V. Items To Vote On

### A. Approve the Updated MACS Policies

T. Reese made a motion to approve the Social Media Policy, Enrollment & Lottery Policy, Gifted Education Policy, Grading, Homework, & Assessment Policy, Promotion & Retention Policy, and Work from Home Policy with the discussed changes highlighted in the discussion section.

J. Hazard seconded the motion.

Discussion around whether the Work from Home policy is sustainable and whether the policy could potentially require subs to be hired. It was determined that this is a great perk for staff and scheduling will be aligned to ensure there is sufficient coverage without having to hire subs. Math on the Work for Home Policy, can it say up to 96 hours?

Enrollment & Lottery Policy - there is a reference to Simple Views Academy, should be updated to Miles Ahead.

Promotion & Retention - what does opt-in mean for retesting? Answer: if student doesn't pass a test, families have to sign and agree for students to summer school/additional retention and retesting. Policy to be updated to reflect the clarified language.

Grading, Homework, & Assessment Policy - are we doing off of letters or numbers? The policy references both throughout.

The board **VOTED** to approve the motion.
