II. Governance Committee Updates

A. Governance Committee Updates

Policy tracker & repository

Morgan shared plan to have a policy tracker and repository. The repository will house word and pdf versions of the policies. Tracker will capture policy title, category, link to policy, date of approval, status, and notes. The policy tracker would be a Google Sheet and the repository will be a Google folder.

Tracy and Uso are in agreement with the plan. Morgan will discuss further with Kolt.

Policy approval and revision history

Uso questioned whether all policies have an approval summary on the policy. The policies Morgan updates have original approval date and info and revision approval date and info; however, we are unsure whether other policies do. Tracy and Uso will review at a later date to ensure consistency.

Monitoring update

Monitoring was submitted. Results will be shared with MACs in January with action plans, if needed.

III. New & Other Business

A. New & Other Business

No new or other business to discuss.

IV. Closing Items

A. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 7:29 PM.

Respectfully Submitted,

T. Reese
