Revise first line - symposium, not building

The board **VOTED** unanimously to approve the motion.

## **II. Reports**

### **A. Head of School's Report**

Dr. Liesa presented that all vendors for our service transition are in place. We are very pleased with our new services and service providers. Work with onboarding our new child nutrition vendors, Opaa!, has been very smooth. All contracts needed for a smooth start to the year are in place. The TSAS leadership team returned on August 4th and the launching work for the new year has been smooth. Our enrollment and wait-list processes have been notably hampered by the unified enrollment system. The change in vendors that TPS implemented mid-process has created confusion and misinformation for TSAS, TPS, families and students. We are working diligently to clarify miscommunications that families have received and Ms. Lopez has been working diligently to maintain accurate records and clear communication with TPS and families. Our new 25th anniversary logo has been launched along with new signage and merchandise. We will be celebrating our first commemorative event on the first day of school with a "Door Opening Ceremony". Tulsa Mayor Nichols and the Tulsa Pipe Band will be at TSAS for a commemorative ribbon-cutting ceremony. All BOT members are invited to join us on Tuesday, August 19th at 8:30 for the ceremony.

### **B. Principal's Report**

Dr. Hahn explained that planning and development for the new school year is in place and emerging from meaningful teacher contributions and learning during the Summer Symposium. Additional work on policies and supporting teachers is planned to align with addressing legislative changes. We are in the early stages of planning ahead for how the news about changes to state testing may be implemented. We will be looking for more information about how the changes interact with federal programs and other mandated requirements. A cell phone policy has been developed which we will review later in the meeting. We are working to comply with all new administrative actions and legislation that must be applied starting this year. Also, a new AI policy has been developed for the new school year. Dan is working with the 918 Fund seeking additional funds to continue supporting teacher professional development throughout the school year.

**The TSAS Board of Trustees Agenda for August 12, 2025 will be posted on Friday, August 8, 2025 by 3:00 p.m.**

**Prepared by: Liesa Smith, Head of School.**

TSAS is an independent public charter school in which every student is welcomed as they are, known and valued for who they are, challenged to become a better version of themselves, encouraged in their efforts to become that person, and celebrated for their successes.
