A. Executive Director's Report

ED Amanda Johnson provided a short update from the school. She is continuing to work with our lawyers to voice our concerns with MCSAB, specifically Johnson formally asked MCSAB to correct the financial rating from the 2024-25 Performance Framework to reflect our actual financial data from that year. She also gave an update on our enrollment for the upcoming school year. We are under enrolled by 100 scholars going into day one. However, there are still over 200 scholars who have been accepted and have time to enroll ahead of other local schools starting. Lastly, the school has received some academic results but does not yet have all data points to gauge ultimate accountability results.
