## **Exhibit D: Terms and Conditions**

By virtue of submitting a proposal, each Bidder confirms that (a) it is agreeable to each and every provision of Exhibit A – Contract Template and (b) that OMI has the absolute right to delete existing and/or to include additional provisions in any resulting contract with a Bidder prior to execution of said contract(s) by the parties. In addition, consistent with Exhibit A – Contract Template, by virtue of submitting a proposal each Bidder confirms the following:

1. **Equal Opportunity** – The Bidder must be an Equal Opportunity Employer, and shall be in compliance with the Civil Rights Act of 1964, the State Fair Employment Practice Act, and all other applicable Federal and State laws and regulations relating to equal opportunity employment. It is the policy of OUSD that in connection with all work performed under Contracts there be no discrimination against anyone because of race, color, ancestry, national origin, religious creed, physical disability, medical condition, marital status, sexual orientation, gender, or age; therefore, Bidder agrees to comply with applicable Federal and California laws including, but not limited to, the California Fair Employment and Housing Act beginning with Government Code Section 12900 and Labor Code Section 1735 and OMI policy. In addition, Bidder agrees to require like compliance by all its subcontractors. Bidder shall not engage in unlawful discrimination in employment on the basis of actual or perceived; race, color, national origin, ancestry, religion, age, marital status, pregnancy, physical or mental disability, medical condition, veteran status, gender, sex or sexual orientation.
2. **Errors and Omissions** – If a bidder discovers any ambiguity, conflict, discrepancy, omission, or other error in the RFQ, the bidder shall immediately notify the District of such error in writing and request clarification or modification of the document. Modifications will be made by addenda. Such clarification shall be given by written notice to all parties who have been furnished an RFQ for bidding purposes, without divulging the source of the request for the same. Insofar as practicable, OMI will give such notices to other interested parties, but the District shall not be responsible thereafter. If a bidder fails to notify OMI, prior to the date fixed for submission of bids, of an error in the RFQ known to them, or an error that reasonably should have been known to them, they shall bid at their own risk; and if awarded the contract, the bidder shall not be entitled to additional compensation or time by reason of the error or its later correction. The bidder should carefully examine the entire RFQ and addenda thereto, and all related materials and data referenced in the RFQ or otherwise available to them and should become fully aware of the nature and location of the work, the quantities of the work, and the conditions to be encountered in performing the work.
3. **Bidder Agreement** – In compliance with this RFQ, the bidder will propose and agree to furnish all labor, materials, transportation, and services for the work

described and specifications and for the items listed herein. A bid is subject to acceptance at any time within sixty (60) days after opening of the same, unless otherwise stipulated. Bids cannot be corrected or altered after opening by OMI.

4. Bid Signee – If the bidder is an individual or an individual doing business under a company name, the bid must, in addition to the company name, be signed by the individual. If the bidder is a partnership, the bid should be signed with the partnership name by one of the partners. If a corporation, with the name of the corporation by an officer authorized to execute a bid on behalf of the corporation.
5. Bidders' Understanding – It is understood and agreed that the bidder has been, by careful examination, satisfied as to the nature and location of the work; the character, quality and quantity of the materials to be provided; the character of equipment and facilities needed preliminary to and during the prosecution of the work; and general and local conditions, and all other matters which can in any way affect the work under the contract. No verbal agreement or conversation with any officer, agent or employee of the District, either before or after the execution of the contract, shall affect or modify any of the contractual terms or obligations.
6. Intent of Specifications – All work that may be called for in the specifications shall be executed and furnished by the successful bidder(s), and should any work or materials be required which is not denoted in the specifications, either directly or indirectly but which is nevertheless necessary for the execution of the contract, the bidder is to understand the same to be implied and required, and shall perform all such work and furnish any such material as fully as if it were particularly delineated or described.
7. Extra Work – No bill or claim for extra work or materials shall be allowed or paid unless the doing of such extra work or the furnishing of such extra materials shall have been authorized in writing by the District's Director of Transportation.
8. Defense, Indemnity & Hold Harmless – Contractor shall indemnify, hold harmless and defend OUSD and each of its officers, officials, employees, volunteers and agents from any loss, liability, fines, penalties, forfeitures, costs and damages (whether in contract, tort or strict liability, including but not limited to personal injury, death at any time and property damage) incurred by OUSD, Contractor or any other person and from any claims, demands and actions in law or equity (including attorney's fees and litigation expenses), arising or alleged to have arisen directly or indirectly out of performance of this Agreement. Contractor's obligations under the preceding sentence shall apply jointly and severally regardless of whether OUSD or any of its officers, officials, employees, volunteers or agents are actively or passively negligent, but shall not apply to any loss or liability, fines, penalties, forfeitures, costs or damages caused solely by the active negligence or by the willful misconduct of OUSD. If Contractor should subcontract all or any portion of the work or activities to be performed under this MOU, Contractor shall require each subcontractor to indemnify, hold harmless and

defend OUSD, its officers, officials, employees, volunteers, or agents in accordance with the terms of the preceding paragraph. Contractor also agrees to hold harmless, indemnify, and defend the District and its elective board, officers, agents, and employees from any and all claims or losses incurred by any supplier, Contractor, or subcontractor furnishing work, services, or materials to Contractor in connection with the performance of this Agreement. This provision survives termination of this Agreement.

9. Disposition of Proposals – All materials submitted in response to this RFQ will become the property of the District and will be returned only at the District's option and at the bidder's expense. The original copy shall be retained for official files and will become a public record after the date and time for final bid submission as specified.

10. Terms of the Offer – The District's acceptance of Bidder's offer shall be limited to the terms herein unless expressly agreed in writing by the District. Proposals offering terms other than those shown herein will be declared non-responsive and will not be considered.
