MODIFIED MEETING PROCEDURES DURING COVID-19 (CORONAVIRUS) PANDEMIC: As per Executive Order N-29-20 from Governor Newsom, Oakland Military Institute's Board Meetings will move to a virtual/teleconferencing environment using Zoom. The purpose of the Governor's executive order is to control the spread of Coronavirus (COVID-19) and to reduce and minimize the risk of infection by "limiting attendance at public assemblies, conferences, or other mass events." The intent is not to limit public participation, but rather to protect public health by following the Governor's Stay at Home executive order and the Alameda County's Shelter in Place order.

III. Superintendent's Update

A. Summer School Update

Superintendent Dr. Dodson presented the pros and cons of summer school. His presentation also included feedback from some of the teachers and details about the cadets' success.

Admiral Breckenridge applauds all of the teachers' efforts in assessing our cadets' needs and meeting them where they are.

B. Cyber High Update

Cyber High was approved by the board in October of 2020. It is an online program that high school cadets use for credit recovery. Dr. Dodson shared cadet and teacher feedback. All cadets learn differently some perform well in an online setting however others feel they are teaching themselves.

C. Teacher Evaluations

Teacher evaluations are a two year process at OMI. Each teacher had at least three observations which were done by an instructional coach or administrator. During the first year an administrator writes a performance evaluation plan for the next school year. At the beginning of the next school year an administrator will meet individually with each teacher and present their plan.

IV. Information/Discussion Items

A. Cashflow Update

There is an increase in the cashflow chart because OMI received ESSER II funds. Aside from that there aren't other significant changes.
