MODIFIED MEETING PROCEDURES DURING COVID-19 (CORONAVIRUS) PANDEMIC: As per Executive Order N-29-20 from Governor Newsom, Oakland Military Institute's Board Meetings will move to a virtual/teleconferencing environment using Zoom. The purpose of the Governor's executive order is to control the spread of Coronavirus (COVID-19) and to reduce and minimize the risk of infection by "limiting attendance at public assemblies, conferences, or other mass events." The intent is not to limit public participation, but rather to protect public health by following the Governor's Stay at Home executive order and the Alameda County's Shelter in Place order.

III. Superintendent's Update

A. New Cadets, Summer Camp, Orientation, Back to School Night

Teachers and staff are in good spirits to start the new school year and Dr. Streshly plans to have meetings that help with the loose ends to improve the foundation for instruction for students.

B. Initial Enrollment/Attendance and Staffing

Enrollment is being tracked. The projected number of students enrolled was 500 but has dropped down due to no show and consistently absent students, bringing the number down to roughly 430.

New hires have started in this new year and there are a number of vacancies that are currently being searched for filling.

J. Brown requested an update at the next board meeting.

Carlos Rodriguez, the new Administrative Assistant to the Superintendent, was introduced and he will be working closely with the board.

C. Barr Training [Relationship Building and Data Dives]

Cadet recruiting will be pursued heavily for the goal of building relationships with the cadets and parents as well as keeping attendance steady.

IV. Information/Discussion Items

A. Cashflow Update

At the beginning of the fiscal year, software programs, facility maintenance/upgrades and necessary expenditures are paid in full. In the mid fiscal year, additional maintenance and deep cleaning of the facilities are done.

Cashflow varies in the fiscal year but OMI is staying above the desired 15% of reserve funding which roughly amounts to \$1.5 million. This leads to a potential effort of changing from desired 15% threshold to 20% at \$2 million.

OMI's use of schoolAbility will allow for better reporting to the Board pertaining to the cashflow update.

B. Leadership Transition Plan

There will be a leadership transition due to the departure of Superintendent Dr. Dodson and will be a short term plan to find a long term replacement.

The California Collaborative for Education Excellence appointed Dr. Mary Streshly to OMI in an advisory role but the Board stays as the chief executive of decision making for OMI. The OMI Board will give directions to staff to follow the suggestions and advice of Dr. Streshly. When a permanent superintendent has been found, Dr. Streshly will remain in her advisory role but will be advising the superintendent and no longer the Board.

C. Staff Compensation

Dr. Streshly recommended that the Board consider a cost of living adjustment (COLA) for the OMI staff due to the raising costs of living in the Bay Area and the competition of other schools in need of staffing as well.

J. Breckenridge would like a comparison of surrounding districts' and OMI salary schedules in order to accurately choose what percent would be the best choice to offer the OMI staff.

D. Clisham suggests that there is teacher/faculty involvement in the search for the accurate salary scale for every party to be fully involved and represented.

Taking a look at the salary scale will be done in an effort to retain teachers/staff and compensate them accurately due to teacher shortage in the United States of America and inflation.

V. Action Items

A. Approve the Consolidated Application

J. Wire made a motion to approve the Consolidated Application.

J. Wire made a motion to accept the new board meeting schedule with December 8 still being a day until the next discussion in the next board meeting and the time change to 4:15pm.

J. Breckenridge seconded the motion.

The adjustments to the Board Meeting dates are due to the desire to be in line with the budget reporting cycle of California to present the first and second interim for the budget.

Dr. Streshly asked the Board to consider a change in the start time of the board meetings because the bell schedule for OMI does not end until 4pm on Thursdays. This change will help with teachers, staff, and parents to have enough time to attend the meeting and participate.

J. Breckenridge had an inquiry about the date change of the December 8 board meeting to December 15 because of Holiday travelling. LTC Salazar informs her that the change was made to give him more time to prepare the fiscal reports with more data as opposed to two days with the December 8 date.
