Faculty Report Board of Trustees Meeting October 13, 2020

Heading: Teacher Agreement

- The .75% bonus pay for 2020-2021 teachers were told TBD, but given no date
- When can the bonus be paid?
- How do teachers get reimbursed for the 12 PD hours? It is still not clear.
- There are still concerns about the hybrid model and when to expect a tentative plan, as well as what options teachers will have in returning (virtual vs in person)
- Teachers are asking about reimbursements for supplies that are used at home. The \$300 per teacher approved at the budget meeting and by the board for that purpose under the learning loss mitigation funds got changed to a very few restricted items and many teachers were denied what they needed.
- Teachers are trying to be more sensitive to the needs the students including mental health problems, digital divide, work load, diverse learning styles, and parent concerns. Teachers are working individually and in their PLCs to address these issues.

Heading: Electric Cars

- Thanks go to Don Parcell who gave us several options and as a result of our discussions three of the teachers now have keys to the stadium lot where we can charge our cars.
- Dawn Pellerin, Celeste Fraley, and Paula Anderson have the keys and can coordinate with other electric car owners to arrange charging days and times. We will be following Don's guidelines and the school's campus access hours.

Heading: Compliance Issues

- The faculty board members are again requesting the list of questions being sent to our attorneys and the state compliance department addressing roles, responsibilities, and governance of the Board of Trustees and its committees to review prior to submitting the questions.
- Clarification of the committee members, and who is responsible for setting up the meetings and the meeting agendas.
- What is the status of the results of the survey that was conducted that were supposed to be presented in the spring?

Heading: Lifetime Benefits

- How much is currently in the account?

PALISADES

CHARTER HIGH SCHOOL

- What is the future investment strategy?
- Have funds been borrowed from this account to cover other expenses? If so how much and when will it be repaid?
- Are there plans to borrow money from this fund? If so for what purpose? What would be the approval process to do this?

Heading: PPP Loan

- What is the status of the loan?
 - Clarification of the actual amount
 - Has the school received the funds?
 - What specifically can those funds be used for?
- Will funds need to be repaid?
 - If so, when?

Heading: Cash Reserves

- What cash reserves does the school have?
- Will there be a monthly accounting of the reserves?

Heading: UTLA-PCHS

- UTLA representatives will provide further teacher input as gathered by them

Negotiations:

PESPU. - Public Hearing on Initial Proposals from PESPU to PCHS, and from PCHS to PESPU, for 2020-2021 School Year Negotiations. PCHS is beginning negotiations with the PESPU union. Both the PCHS administration and the PESPU union outline of topics to be discussed are attached in the sunshine documents.

Benefits:

Lifetime Health Benefits Health & Welfare committee met and began discussions for plan options going forward. The next meeting will be on Friday, October 23th, 2020 to answer additional questions. In addition, Monique Lee-Parks took part in several webinars including COVID testing options from SISC.

Staffing:

We continue to look towards Spring semester and are beginning to recruit to fill faculty positions during possible leaves anticipated in the event of hybrid learning. Interviews for the Technical Stagecraft position will continue this week and the IT Tech I position is in the recruiting stage.

Unrepresented, At-Will positions:

At the September Board meeting there was a question of which employees were included in the unrepresented and at-will positions. I am providing the following list to respond. We currently have multiple positions that are not represented by any union. The positions include: Lifeguards; RN Nurse; College Advisors; Director of the College Center; HR Specialist; Permit Liaison; Campus Unification Director; Director of Development; Aquatics Director; Athletics Director; Finance Manager; Facilities and Maintenance Supervisor; Human Resources Director; Director of Operations; Director of Student Support Services; Director of Admissions and Attendance; Director of Discipline, Activities, Athletics, and Security; Director of Guidance and Counseling; Director of Academic Achievement; IT Director; IC Database Manager; Executive Assistant; Communications Assistant; Executive Director/Principal and Chief Business Officer.

Board of Trustees Meeting Operations Report October 13, 2020

Transportation:

- Resumption of Regular Ed, Special Ed, Athletic and Field Trip busing to resume once some degree of Students-Back-on-Campus returns, whether for the entire study body or a hybrid/staggered social distancing oriented schedule. Bus Company ATS and the Transportation Dept. are discussing matters regularly.
- While a few riders have recently Opted-Out of the PCHS School Bus Program, there are still 426 Registered Riders. However, the number of families that have paid some of their down payment is only 322 (237 paid in full and 85 paid partial). In order to maintain the Bus Program Routes/Buses & Stops as currently designed/mapped-out, we will need 80+ more students/families to pay their down payment by the eventual deadline.
- The Special-Ed transportation program, Big Blue Bus Pali Express program and the Metro Mobile Customer Center (MCC) program have all also been on hold due to the Pandemic. These are ready to be resurrected at PCHS once we are back to a Students-on-Campus mode. However, reduced scheduling and significantly lowered capacity for Social/Physical distancing is expected when utilization resumes. It is undetermined at this time how significant or extended the limitations/restrictions will be for PCHS Students.

Security/Safety – Coronavirus Related in Some Manner:

Cleaning/Safety:

- PCHS continues to promote and follow LA County Department of Public Health (LACDPH) guidelines for Social Distancing, Mask Wearing, Hand-Washing pre-campus-access Health Checks for COVID related Symptoms and Temperature, and others required protocols.
- Janitorial personnel are on-campus now 6-Days a week (Mon thru Sat) to clean/disinfect the regularly used areas of campus, and are scheduled this way until Hybrid Mode starts when additional Janitorial Staff will be added. Disinfecting occurring daily of high-touch points in regularly used by multiple people areas on campus, including but not limited to door knobs/handles, light switches, railings, high-traffic offices, regularly utilized counter and conference tables, etc.

Security/Safety – Coronavirus Related in Some Manner (Continued):

Cleaning/Safety (Continued):

- Additional PPE/Supplies have been ordered and received to aid PCHS in both the extra cleaning/disinfecting and daily consumables during 100% Remote eLearning and Hybrid time-periods. Things like, but not limited to: Masks, Face Shields, Protective Gloves, Gowns, Self-Pump Hand-Sanitizer, Dispenser Delivered Hand-Sanitizer, Disinfecting Wipes, Disinfecting Sprays, Additional TP, Paper Towels, Hand-Washing Soap, etc.
- Planning for eventual/TBD 2020-21 Students-on-Campus Hybrid Mode related to additional labor and materials to accommodate:
 - Janitorial Personnel for Continuous Disinfecting
 - Monitoring Personnel for Social Distancing, Mask Wearing and Temperature Checking
 - Additional Supplies/Materials & Equipment for Disinfecting
 - Additional PPE for both PCHS Personnel and Students/Visitors

Security/Safety:

- PCHS Campus Aids security coverage remains as has been since the summer. Campus accessibility remains as has been for Faculty/Staff 7-Days/Week: Mon-Fri 6:00am-7:00pm and on Weekends 7:30am-4:00pm, Closed Holidays.
- Specific Emergency Days campus access rules in place for visiting Students, Families, 3rd-Parties, Vendors, etc. Accommodations exist for Students to pick-up items as needed, essential parent/PCHS meetings, deliveries, etc. All people coming on campus need to complete/pass a Health Check.
- To minimize the introduction of possible COVID-19 Virus to campus, Security is enforcing the directive to keep down the number of people coming to campus. All PCHS Personnel and Visitors are welcome, as long as they have an essential activity reason to be on campus.
- All non-essential facilities are closed, locked and not available for use. However, the MGAC/Pool is scheduled to a soft re-opening as of Thu 10/15/2020. All other facilities remain closed at this time as per LAUSD requirement.
- All typical Safety Drills for 2020-21 will be planned and scheduled once it is determined we will be having Students-on-Campus for 2020-21.

Information Technology:

- Due to State/County regulations because of the Pandemic, PCHS has operated this past summer and for the start of this 2020-21 school year in 100% Remote/Distance/Online eLearning mode. The Technology Team has been working relentlessly with all PCHS Departments and multiple vendors to provide additional support and services to all Students/Families and PCHS Faculty/Staff. This work has included the procurement, configuration, and integration of various software, devices, and misc. equipment to support remote learning. A large portion of this work involves direct student outreach and support. In addition, the team has been spending significant time in 1:1 training and walkthroughs with students, faculty, and staff.
- IT is continuing work on budget-approved purchases/projects. Student Devices (1,500) and Faculty/Staff Laptop (84) have been ordered, along with other ancillary needs for faculty such as headsets, tripods, and webcams. While many things are on backorder due to COVID-19 created supply and demand dynamics, combined with Federal sanctions on chip supplying countries affecting importing of parts/devices, many things have come in that have been distributed. A modest portion of the first round of laptops were just received and are being prepared/configured now for distribution. Appointments are being setup with staff to receive their new laptops.
- The Tech Team is also working hard on fulfilling the results of the Learning Loss Mitigation (LLM) funded Faculty Tech for Home Use Survey to assist Faculty by providing extra Tech Devices for use from home (Printers, Monitors, Document Cameras, Drawing Tablets, etc.). All items have been ordered and are either arrived, distributed, or on back-order. As of 10/9, 91 items have been ordered with 57 received. Of these 57, 25 have been distributed to faculty while the other 32 items are still waiting to be picked up (all personnel have been previously notified re the remaining 32 items).
- Working with the California State Library and the PCHS Librarian, the IT Team is setting up access to multiple databases and resources from the K-12 Online Resources project, an initiative funded through the State to provide digital resource access to students.
- Training and support for the Attendance Office eVerification Rosters process is has been occurring. Reports developed by David Moo will be sent by the Attendance Office to faculty to digitally sign as part of a new State mandate for remote attendance verification.
- Procurement and setup of WeVideo for students and faculty is complete. IT is working with the Tech Coaches to devise a rollout and training plan for the new software.
- IT is working with multiple vendors in support of expanding A/V resources and security cameras on campus.

Information Technology - Continued:

- IT continues to work with the Deans and other stakeholders on Student Code of Conduct and Responsible Use Policy violations that may lead to disruption of the eLearning classroom.
- Efforts to support and host large group and stakeholder meetings continue as needed. Aside from Board of Trustees meetings, this month the very successful eLearning Town Hall and Public Hearing for the 2020 Learning Continuity Plan were held.
- The support of CPRA submissions continue to require a significant amount of IT time, taking away vital availability from faculty/staff and student/family support.
- Additional budget-approved leasing for back-end support of a new server, replaced data storage system, backup appliance, etc. is being planned for acquisition and installation sometime late this semester.
- The Category 2 eRate project is nearly complete. All targeted computer labs have been wired and dedicated fiber has been run to each one. The core switch and 1/5th of the total network hardware has been refreshed (additional network hardware infrastructure will need upgrades as soon as we can fund them). Form 471 part substitutions are now approved, allowing us to proceed with the final phase of UPS purchase and installation. We are now simply awaiting receipt of equipment for installation, much of which has been on significant back-order due to COVID-19 related supply issues.
- eRate Project highlights are:
 - Replace some of our aged and failing core network infrastructure
 - Replace some of our aged and/or failing classroom lab networks
 - Supplement wireless access points in some classrooms with insufficient infrastructure
 - Grow physical network where insufficient, non-existent, or otherwise problematic areas
 - Provide for, repair, or replace the battery backup to each network IDF
 - Repair/Replace some of the fiber runs that have stopped working
 - Run some of the needed new fiber runs to new classroom labs and new IDF's
 - Add new Ethernet capacity where exhausted in lower A, B101, AA office, H, E, G, J, Mercer Hall, Cafeteria/Staff Cafeteria
- Planning for eRate fiscal year 2021-2022 has begun. PCHS expects to bid the Internet contract, which expires in April 2022, through the eRate process.
- From Don – The Technology Team continues to do a tremendous job in supporting Students/Families, Faculty/Staff, Administrators and PCHS Board and Committees.

Permits & Setups:

- **Permit Revenue for September 2020 is ~\$8,950.00:**
 - ~\$500.00 from Facility Rentals (parking for Bay City Trees on Top Tier of Main Campus Lot)
 - ~\$450.00 from Banner Rentals
 - ~\$8,000.00 from Filming (BlueOx Films, LLC)

- With all facilities shutdown due to the Pandemic and LAUSD Directives, Permits Revenues remains very low.

- **Potential Filming Coming Up:**
 - Filming inquiries continue to be fairly steady. Averaging 1-2 shoots per month.
 - Converse Basketball Commercial took place in September, small crew of 15. Only used the large gym as a location.
 - Nike Commercial (3 day shoot, end of October)
 - Potential Feature Film (Late October)
 - Potential Independent Feature Film (aiming for November)
 - Still pursuing "Saved by the Bell" remake. Waiting on location manager for next steps.

- Increasing volume of requests from outside groups about renting facilities to hold events.

- Banner demand is remaining stagnant with school being mostly virtual. This is the time that we typically promote our local elementary schools and their events, but that is not happening this year.

- September 2020 Virtual Events Assisted:
 - Back to School, Spirit Week – Early September
 - ASB Club Meetings – September 8-15
 - BoT and B&FC Meetings
 - LTSP – September 18
 - Election Committee Meeting – September 21
 - PTSA & Boosters Meetings
 - PCHS Town Hall – October 1

Facilities/Projects:

- **Ongoing Day-to-Day Operations/Facilities Support via facilitieshelp@palihigh.org that included but is not limited to the following:**
 - **Custodial Staff:**
 - Have completed the Deep Cleaning and Floor Waxing for the majority of campus locations. A few remaining locations exist that have been delayed due to Facilities work in those areas or availability of the spaces (occupied by people working on campus regularly)
 - Continued disinfecting of high touch areas include but not limited to things such as door knobs/handles, light switches, desks, tables, chairs, keyboards/mouse, counters, benches, water fountains push button, elevator, etc. rails with Clorox bleach germicidal wipes in addition to general daily cleaning.
 - Disinfecting/Cleaning of rooms being used by teachers working from their respective rooms to which teachers know to leave a Yellow X posted to exterior doorknob to let custodial know they were present for day.
 - Student/Faculty Restrooms - Deep cleaned and floors machine scrubbed/washed. Disinfecting continues on a daily basis.
 - **Plexi-Glass Shields:**
 - **Counter Shields** – Purchased/Installed 18 44" x 33" countertop plexi-glass barriers for Offices including but not limited to: Main; Attendance; Transportation; Counseling; Nurse; College Center Library; Psychologist; Pali Academy; J120, IEP Room, etc. to help protect PCHS workers and people to whom they are speaking.
 - **Floor/Standing Shields** – PCHS built/installed floor standing dividers in same locations as the countertop versions listed above to keep people side-to-side also protected. This will help to minimize in-person exposure if multiple people are at a given Office counter simultaneously.
 - **Additional Signage Installed** – COVID-19 related Inserts in English & Spanish promoting social distancing, hand washing, etc. placed near the main lot entrance walkway to Admin Bldg. along Gilbert Lawn and walkway up to Flagpole side entrance of Admin Bldg. These inserts are similar but differ from the inserts placed at original 4 locations throughout campus. Smaller legal size and poster size posted to Bldg. exterior bulletin boards.
 - **PPE:** Took inventory of current stock and pre-determined future order needs based on current mode consumption vs estimated Hybrid mode consumption vs estimated full capacity consumption so that we can strategically place orders avoiding possible items pending on back order.
 - **Supplies Purchasing Continues for:** Self-Pump Hand-Sanitizer, Common Area Wall-Mount Hand-Sanitizer, Extra Soap & Paper towels for Hand-Washing, Portable Hand-Washing Stations on order for when students return to campus, Clorox Wipes, Disinfecting Spray, etc.

Facilities/Projects (Continued):

- **Ongoing Day-to-Day Operations/Facilities Support via facilitieshelp@palihigh.org that included but is not limited to the following:**
 - **E-MIST EM360 System (Electrostatic Disinfecting) Training Completed.** – Vendor Hillyard Rep. Steve Hunter came on site to provide training using system to maximize efficiency of disinfecting various surfaces/areas. Attendees included Operations and custodial staff.
 - **RYOBI ONE +** - Purchased (3) additional Non-Electrostatic Sprayers from Pro Institutional to supplement the EM360 System. The RYOBI units enable more efficient application of the 4minute Anti-COVID Spray.
 - **Common Area Hand-Sanitizer Dispensers Installed** - Additional common campus area Hand Sanitizer Dispensers received and installed throughout campus. Additional being order.
 - **HVAC** - Bldgs. & A/C air filters replaced/upgraded with MERV13 air filters, upgraded from the traditional MERV8 filters pre-pandemic, and our spring 2020 MERV10 filters to further combat COVID-19
 - **HVAC** – Faulty thermostats replaced for Principals Office, F106 and Finance Office. Others pending further determinations based on pending investigations of overall HVACC system.
 - **Pali Academy IPM** - Reinforced (7) grates behind main bldg. Using ¼ “Mesh over existing grate to prevent entry points for rodents.
 - **Anti-Climb Deterrents Installed** - Installed at M-Bldg. & PE Tunnel service road gates; Visiting side Stadium entrance gate and Pali Academy front entrance gate + pedestrian gate.
 - **Dual room occupancy sensors** – Newly installed in: Study Center; D200; W119 & W120 for lights to operate automatically
 - **D202** – New Outlets installed for new computer workstations. Additional dedicated outlets installed to alleviate the need for extension cords for projector screen A/C unit identified by incoming teacher.
 - **U-Bungalows** - Sub floor repairs completed for: U107; U108; U111; U112; U115; U116; U117 and U118. Rotted plywood replaced. Re-Tiling planned for Oct.
 - **Roofing Repairs** – U-Bungalow roofing repairs continuing
 - **Annual Fire Extinguisher Testing/Servicing** - completed.
 - **Stadium Rogue light fixture** – At no cost to PCHS vendor has agreed to replace the (1) rogue stadium light fixture that had been staying on at night and not responding to system controls and trouble shooting.
 - **Annual A/C Preventative Maintenance (PM)** - needed repairs and/or replacements identified and being prioritize by tiers based on urgency.
 - **Tech Dept.** – Golf cart batteries replaced and cart now operable again. Athletic Dept. and Operations Carts taken to shop for needed repairs.
 - **Cafeteria:**
 - Walk-In Fridge Condenser coil unit replaced. Pizza Freezer blown motor/blower system replaced. All units properly functioning as of this report.
 - PCHS should continue accrue/save for major repairs in the 1-3 year timeframe as major Cafeteria Walk-In Fridge components start to reach their useful life.

Facilities/Projects (Continued):

- **Ongoing Day-to-Day Operations/Facilities Support via facilitieshelp@palihigh.org that included but is not limited to the following:**
 - **Faculty Quench Drinking Stations** – Annual filter replacement and Preventative Maintenance completed for the seven Station locations as follows: Main Office Kitchen, Nurse Office, AA Office, Teachers’ Lounge, J110, MGAC and Pali Academy Main Office.
 - **Landscaping** – (2) Irrigation sprinkler repairs addressed at corner planter of Faculty lot exit and planter between F&G Buildings.
 - **Stadium Exterior Outlet broken weather covers** – Replaced broken covers upper home side walk way as well as outlet on track near Irrigation timer.
 - **Teacher Survey Responses/Requests** - Continue work and completion of requested items
 - **Painting** - Faculty Lot entrance swing gates + side posts completed as well as eating bench near library and elevator.
 - **Set Ups** - Assistance with College Center collections for Seniors and Library Books Exchanges
 - **MGAC** – Installed newly painted Diving top blocks. Continued Assistance to MGAC Director Brooke King with MGAC Maintenance in place of Lifeguards.
 - **Safety:** Secured all Secure-the-Door clips onto doors to better secure ropes for Secure-the-Door Kits in following areas: Gyms, Mercer Hall, A-Bldg. and Gilbert Hall.
 - **Still Occurring as needed, although at a slower rate than when everyone is on campus:**
 - Ongoing Door/Lock maintenance, repairs and adjustments
 - Ongoing Athletic Facilities Maintenance – Stadium/Baseball Fields, Tennis courts, etc.
 - Hallway & PE Locker fixes and adjustments as needed
 - Restroom faucet, sink, toilet/urinal repairs as needed

Items in-progress and expected future completion include:

- **E-MIST EM360 System** – Electrostatic sprayer for large scale disinfecting being deployed as needed, and ready for regular school-wide disinfecting once students are back on campus
- **Furniture** - Purchases approved by B&FC have been ordered – Classroom Whiteboard replacements & Teacher Chairs of critical need.
- **Donor Brick Program** – Installation on Round 2 of Donor Bricks completed.
- **Floor Standing Interaction Guards** – Pending for: Cafeteria Serving & Cashier Stations; and PA Main Office
- **Pests:** Remediate Gilbert Hall and U-Bungalows for termites.
- **Annual Cafeteria Grease Trap PM**
- **Roofing Repair/Patching** – U117/U118; W119/W120

- **Mercer Hall:** Fix Pocket Doors and general cleanup/organization
- **Safety:** Refresh painting/taping required clearances around Plant Equipment around campus
- **Complete Teacher Summer Survey Responses/Requests**
- **PA Speakers** - Addressing PA Speaker issues reported in several classrooms
- **Faculty Parking Lot Solar fixtures** - Getting All to operate consistently (they're very temperamental)

Facilities/Projects (Continued):

Facilities Larger Scale Projects:

- **Long-Term Underground Utilities Infrastructure Replacement Project (LAUSD Bond Funded).**
Other than a few month delay in starting, and assuming the COVID-19 Events do not re-surge to cause significant impacts, this project is now slated to start somewhere in October 2020 (original projected to start June 2020), and has been revised to now be a 18-20 month project.

At the urging of PCHS, Phase 1 has been rescheduled to do the driving/parking-lot affected areas now so that this more disruptive portion of the project will hopefully be done before we transition to Hybrid Mode.

- **Gym A/C Project (LAUSD Bond Funded)** – Project still planned by LAUSD, and had been re-scheduled to start Nov 2020 (after the original Aug 2018 start and successive delays), and still last 14-16 months. Project has now been slated to start in Summer 2022, or following the completion of the Underground Utilities Replacement project, whichever comes later. This is expected to be a 16-18 month project

Meetings to discuss project impact to the campus and school activities are ongoing, though now infrequent.

EDP Report Board of Trustees Meeting October 13, 2020

Our mission: PCHS will empower our diverse student population to make positive contributions to the global community by dedicating our resources to ensure educational excellence, civic responsibility, and personal growth.

PCHS Schoolwide Goals

The PCHS Schoolwide Goals are determined each year at the Board of Trustees annual retreat. The current goals are multi-year goals (2019-2021). The goals and progress toward the goals are reviewed at monthly board meetings as well as reviewed in Long Term Strategic Planning Meetings. The PCHS Schoolwide Goals reflect objectives in the WASC Action Plan for Equity, LCAP, and Charter.

PCHS will commit to equitable policies and practices to ensure PCHS's diverse student population has access to academic opportunities.

- Department Grade Policies and practices for eLearning have been completed by departments and PLCs/SLCs. Draft copies of the policies will be posted in a central location on the PCHS website pending Board of Trustees approval. Teachers will make students aware of their policies and include the Department and PLC/SLC policies in their course information and post on Schoology for students and parents to access easily.

PCHS will improve consistency in instructional curriculum, policies, and practices to increase student-centered learning.

SMART Goal 1 (2019-20): Two parent information nights for continuing/current students per year (one each semester); one parent information night for parents of incoming students videotaped, posted on website, and communicated out to the school community.

- To date, PCHS has provided a **Public Hearing** (September 26) to gather stakeholder input for the **Learning Continuity and Attendance Plan** and a **Town Hall** (October 1) regarding **eLearning** to provide information as well as to gather parent feedback. Recordings of both meetings are posted on the PCHS website. Consistent parent feedback in both meetings addressed the amount of time students are spending on assignments, questions about the eLearning schedule especially Fridays, and supports available to students.

PALISADES

CHARTER HIGH SCHOOL

- **A Back to School Night/Parent Information presentation** is planned for October 22 beginning at 5:30pm. Parents will have the opportunity to meet their child's teachers and learn more about courses as well as how to support their child's success. Friday October 23 will be a minimum day schedule for teachers and students.

SMART Goal 2 (2019-2020): Increase student information meetings to ensure all students have access to academic resources, advanced level courses, and support systems.

- **ASB Student Information Meetings** and **Grade Level Meetings** – Recent topics include where to go with a concern/how to file a complaint and mental health resources.
- The Village Nation held a Senior Class meeting with a presentation from the College Center focused on college applications and having a positive senior year. TVN is planning to continue grade level meetings throughout first semester.

SMART Goal 3 (2019-2020): Report back by faculty on PLC Notebook on comments to monitor curriculum consistency. Add rubrics on homework contract and grading. Syllabus Collection on Schoology.

- PLC/SLC Notebooks during eLearning are focused on student intervention. Teachers are keeping outreach logs as part of the PLC/SLC notebooks.

SMART Goal 3: Report back by faculty on PLC Notebook on comments to monitor curriculum consistency. Add rubrics on homework contract and grading. Syllabus Collection on Schoology.

PCHS will maintain a balanced budget and build a fund balance for the future. Identify clear budget priorities.

- **2019-2022 Tech Plan Review**
The PCHS Budget and Finance Committee has committed to reviewing the 2019-2022 Tech Plan to determine current and long term technology related needs, school progress toward goals established in the plan, and funding priorities.

PCHS administration encourages a Board of Trustees budget workshop to study all of the organization's large, legacy financial commitments for prioritization prior to the 2021-2022 budget cycle.

PALISADES

CHARTER HIGH SCHOOL

PCHS will utilize communication systems currently in place to convey PCHS’s strengths, needs, data, and opportunities for participation so that all stakeholders are well-informed and understood.

SMART Goal 1: PCHS will continue to update and organize the school website, focusing on staff directory and communication of new or proposed schoolwide changes in policies and practices.

SMART Goal 2: PCHS will create a communications audit and directory. The hyperlinked audit will become a resource so that pertinent communication avenues can be promoted at all stakeholder meetings and events by the end of the school year, 2020.

SMART Goal 3: PCHS will create quick, periodic stakeholder feedback opportunities. These short surveys can take place after events and major announcements via the PCHS parent newsletter and housed centrally in “Tell a Dolphin” tab to establish two access points.

3. Explain the use of the Missing Assignment, No Credit Values, Zero Value in the grade system.

9th:

- Missing assignments and zero value scores are up to the discretion of the individual pod/teacher

10th:

- PLC: We believe that students should receive credit based on the work they complete throughout the semester. Giving students a 50% for an assignment they did not complete does not seem academically ethical. With that said, teachers are being flexible with their make-up and late work policy so that students can bounce back from a “0” if they choose to put in the effort. Teachers flag assignments as “missing” to motivate students to submit the work. Teachers are being very flexible at the start of the year to assuage stress as students adjust to this unique year. Teachers plan to move to stricter deadlines of 2 weeks; after that time, students will keep their “Missing” zero grade to hold them accountable, as well as to reduce students submitting August work in December, before the semester closes.

11th/12th:

- Missing assignments are marked as “missing” in the gradebook, which equals a score of zero. Students have the opportunity to complete the assignment for late credit as determined by the individual teacher’s make-up policy.

AP:

- Missing assignments are marked as “missing” in the gradebook, which equals a score of zero. Students have the opportunity to complete the assignment for late credit as determined by the individual teacher’s make-up policy.

4. Explain Late Work/Make-Up Work practices

9th:

- Late work will be accepted at the pod/teacher’s discretion.

10:

- PLC is giving students 2 weeks to make up work. We believe that this gives students enough time to make up work while still holding them accountable for completing assignments in a timely manner. This late-work policy can be adjusted case-by-case based on the student's situations.

11th/12th:

- Students who do not submit work will receive a zero until they turn in the work (aka Make-up). *Different teachers have different due dates for make-up work (end of the unit/end of the semester/end of the grading period). The ability to make up the work is at the discretion of the teacher and dependent on a documented explanation of why the student did not complete the assignment in the original time frame (ex: internet outage, family emergency, illness, etc.)
- Late work will be accepted at the teacher's discretion.
- IEP/504 accommodations will be taken into account.

AP:

- Students who do not submit work will receive a zero until they turn in the work (aka Make-up). *Different teachers have different due dates for make-up work (end of the unit/end of the semester/end of the grading period).
- Late work will be accepted at the teacher's discretion.
- IEP/504 accommodations will be acknowledged.

5. Consider noting whether you round up grades or not and why.

9th:

- Rounding of grades is a personal teacher decisions

10th:

- PLC - We are not rounding grades for English. We feel that during the semester, we are all very flexible with make-up work and generous with support along the way. A "0.3%" could be a matter of 50-100 points depending on the number of assignments a teacher has in his/her grade book. Giving students these "free" points because they are close to the next grade up does not seem academically justifiable.

11th/12th:

- Rounding of grades is a personal teacher decision.

AP:

- Rounding of grades is a personal teacher decision.

6. Include established, common rubrics

9th:

- Rubrics are established per individual pod

10th:

PLC - We use common rubrics for common assessments such as the semester common essay, dialectical journals, and the summer assignment. We feel that it is important to align on common assessments to analyze the data as a PLC. However, we feel that rubrics for daily assignments should be at the discretion of each teacher based on their objectives. Even so, all teachers worked over the summer to put rubrics and assignments into the Schoology Shared Resources.

PCHS eLearning Grade Policy 9.25.20
PCHS Department: [Mathematics](#)

eLearning Department Grading Purpose and/or Philosophy: (Please make sure to address equity issues, as well as the challenges of the eLearning environment in the department philosophy.)

A student's grade is reflection of a student's mastery & comprehension in designated topics and skills of the course, during and by the end of an instructional period. Considering the challenges of eLearning and to accommodate the pressure students are under, the Math Department has voted to suspend the Standards Category during eLearning and Hybrid mode of instruction. Additionally, certain topics have been eliminated for eLearning as decided by each PLC.

All math courses still align with the Common Core and State standards, maintaining the purpose of preparing students for success in subsequent courses, by extensive PLC work, various ways of checking for understanding, and multiple ways of assessing.

Grade Scale:

100-90	A
89-80	B
79-70	C
69-60	D
59-0	NC (No Credit)

Reminder: This grade scale was approved by the Board of Trustees. Any difference from this requires a waiver first from the Department Administrator.

Note: A grade of NO CREDIT (NC) indicates that a student will have to retake the course and earn a passing grade of D or better in order to earn PCHS credit. Although a D does earn a student PCHS credit, many colleges including A-G requirements, require that students earn a C or better in any course.

In extreme cases, teachers may assign an INCOMPLETE (INC) grade. Teachers should first discuss this with the student, parent, the student's counselor, and Dr. Lee. In this extreme case, both the teacher and the student will have an agreed upon date in which to complete any assignments.

Math Department Credit Policy

If the student earns a "NC" in this course, they will not earn any credits and must repeat the course and pass with a grade of C or better in order to advance to the next math course. If the student earns a "D" grade, he/she will receive high school credits towards graduation, but will not receive any credit towards meeting college entrance requirements and must repeat the course and pass with a grade of C or better before advancing to the next math course.

Department/PLC/SLC Policies

- 1. Please provide an explanation of any grading system/assessment key terms used by the PLC/SLC (ex: DBQ, FRQ, Performance Task, Practice, Standard Quiz, CER).**
 - a. BIO - Biology assessments may include claim-evidence-reasoning (CER), an open-ended free-response assessment in which students answer questions to provide scientific explanations for the concepts learned in class. The CER is similar to the data analysis and conclusion parts of a traditional lab report.**
AP BIO - Free Response Question (FRQ) requires the test-taker to write a short essay in response to a prompt question and support it with facts, examples, or other evidence. Enhanced Multiple Choice Questions (EMCQ) assist students to learn effectively by providing opportunities for stimulus based questions analyzing data and making predictions. Immediate detailed feedback is provided.
 - b. Chemistry**
 - i. CER, Guided Notes, Laboratory Experiments, Online Simulations, DBQ**

c. AP Environmental Science

Assessments will emphasize a Claim-Evidence-Reasoning and Free Response format. Students will be asked to provide explanations, analyze data and draw conclusions based on evidence provided.

- d. Urban Ecology**- students will focus on CER to show mastery of NGSS. They will conduct research, virtual labs, collect data, and analyze them to understand and explain the effect of human impact.

2. Provide weighted category values, if used.

a. BIO -

3. Explain the use of the Missing Assignment, No Credit Values, Zero Value in the grade system.

- a. **BIO** - Missing assignments on Schoology are counted as zero points.
- b. Chemistry

Strouse-missing assignments get marked as zero, students have until end of unit to turn in late work, at that point, missing assignments become 50%

Carole Smith/Jane Curren- assignments not done are marked missing at the end of the week, but students are allowed with no grade penalty to complete the assignment late (with the exception of assessments)

Kevin Kung/Richard Patterson - late work accepted up to three weeks or until the end of the unit
- c. Honors Chemistry = Assignments not completed by the end of the week is marked missing on schoology.

Strouse-missing assignments get marked as zero, students have until end of unit to turn in late work, at that point, missing assignments become 50%
- d. **H Marine Biology: Missing work counts as zero points.**
- e. **AP Environmental Science - missing assignments are counted as zero points.**
- f. **Pali Academy science -- F for labs not done. Acellus requires completion of assignments, tests, and final exam.**
- g. **Urban Ecology- missing assignments are counted as zero points.**

4. Explain Late Work/Make-Up Work practices

- a. **BIO** - Biology teachers assign work throughout a given week and assign a deadline at the end of the week. Late credit for work may be accepted or extra credit may be offered.
- b. ChemistryStrouse-missing assignments get marked as zero, students have until end of unit to turn in late work, at that point, missing assignments become 50%

Carole Smith/Jane Curren- assignments not done are marked missing at the end of the week, but students are allowed with no grade penalty to complete the assignment late (with the exception of assessments)

Kevin Kung/Richard Patterson - late work accepted up to three weeks or until the end of the unit

- c. Honors Chemistry = Students have at least 3 weeks of when assigned to makeup any missing assignments.
 - d. **H Marine Biology:** Late work can be turned in for ½ credit. Students will have until the end of the current unit to submit late work for any credit.
 - e. **Late work will be accepted depending on the circumstances and within reason.**
 - f. **Science of mindfulness: late work accepted for full credit. New students do not need to make up past weeks' work.**
 - g. **Urban Ecology-** late work is accepted with a maximum grade of 80% within a grading period.
5. **Consider noting whether you round up grades or not and why.**
- a. **BIO** - Biology teachers may round overall semester grades and/or offer extra credit.
 - b. **Chemistry**-Some teachers have a hard boundary of 90%, others at 89.5% for A, and similarly for other grades. They don't negotiate the boundary.
 - c. **H Marine Biology:** Grades will be rounded at the end of the semester.
 - d. **AP Environmental Science - 89.5% = A. etc.**
 - e. **Science of mindfulness: 89.5% = A, etc.**
 - f. **Urban Ecology-** grades will be rounded up to the tenths: 89.5% is an A.
6. **Include established, common rubrics**
- a. **BIO** - Biology assessments may include claim-evidence-reasoning (CER), an open-ended free-response assessment in which students answer questions to provide scientific explanations for the concepts learned in class. The CER is similar to the data analysis and conclusion parts of a traditional lab report.
 - b. **Chemistry**-Teachers share assignments on Chemistry group page: <https://palihigh.schoolology.com/resources/group/829282785>
 - c. **AP Environmental Science - rubrics will be provided when appropriate.**
 - d. **Science of mindfulness: CER rubric**
 - e. **Urban Ecology- CER rubric**
7. **Include AP courses and singleton course policies**
- a. AP BIO- policies are the same. Only grade categories differ (see #2 above).
 - b. Anatomy and Honors Anatomy will follow the policies stated for Biology and Honors Biology (see #2 above)

c. No AP Chemistry

d. Honors Environmental Science

- i. CER & Free Response - see BIO explanation
- ii. Category 1- Assessments: 40%
Category 2- Labs, mini-labs, & projects: 30%
Category 3- Classwork/Homework.: 20%
Category 4- Semester Final Assessment: 10%
- iii. Missing assignments (classwork/homework) are recorded as zero until work is completed. Work turned in after the due date is recorded at 50% credit. Excused absences (that have been communicated) are given the amount of time absent to complete the work for full credit.
- iv. Late classwork/homework is accepted for partial, 50% credit. Late labs/projects/mini-labs will be accepted depending on circumstances and within reason.
- v. Traditional rounding rules apply for end of semester grades only. For example, 89.5 or higher will round to an A. Extra credit opportunities may be offered.
- vi. CER per NGSS

e. Global Science

- i. Policies are same as Honors Environmental Science
- ii. Grade Categories:
Category 1- Assessments: 30%
Category 2- Labs, mini-labs, & projects: 30%
Category 3- Classwork/Homework.: 25%
Category 4 - Participation (attendance and participation in Zoom meetings): 5%
Category 4- Semester Final Assessment: 10%

f. **Science of mindfulness: I have not weighted assignments this semester, but points/assignments are divided into-- CERs, Weekly Reflections, Smiling Mind Guided meditations, Journaling, and Reflection Essays.**

g. **Urban Ecology- Grading scale listed above; late assignments are accepted up until grading period for a maximum grade of 80%.**

h. **Pali Academy Bio and PA Physical Sci/ICS are using a blending of Acellus and e-labs, following this breakdown/weight:**

GRADING SCALE (in line with General Bio 2019-20)

- **Assessments (quizzes, tests, & projects) 40%**
- **Labs (virtual and demonstrated) 25%**
- **Online Coursework (videos, discussions, practice) 20%**
- **Final Exam/Final Project 15%**

**PCHS eLearning Grade Policy
Social Science Department
2020.10.06**

In keeping with the mission of Palisades Charter High School, the Social Science classes will embody the broad perspectives of the community it serves to empower our young adults in their pursuit of educational excellence, civic responsibility, and personal growth.

To this end the Social Science Department’s College Preparatory and Honors classes are combined. All students have the opportunity to earn Honors credit in these combined classes.

At the beginning of EACH semester, all students will be designated as being in Honors. After the 1st progress report in the Fall, (Spring: 1st two weeks) students with less than 77% (10th grade) and 75% (11th and 12th grade) will be placed in College Prep (Spring: placed in course they finished the Fall Semester: Honors students below the default grade will be placed in College Prep) unless their parent/guardian signs the student back into Honors by submitting the “Honors/College Prep Option Decision” form by the designated date. This date will be within two weeks of the Progress 1 Report. (1st two weeks of Spring Semester) Students not submitting the form will be placed by default based on the above percentage for their grade level. Students dropping from AP at the end of the Fall semester will have a default placement into Honors regardless of their percentage in the AP course. Students will NOT be able to switch at the end of the semester.

<u>Modern World History</u>		
Honors/College Prep		
A	90-100	80- 100
B	80- 89	70- 79
C	70- 79	60- 69
No D grade		

Reminder: This grade scale was approved by the Board of Trustees. Any difference from this requires a waiver first from the Department Administrator.

Note: A grade of NO CREDIT (NC) indicates that a student will have to retake the course and earn a passing grade of D or better in order to earn PCHS credit. Although a D does earn a student PCHS credit, many colleges including A-G requirements, require that students earn a C or better in any course.

In extreme cases, teachers may assign an INCOMPLETE (INC) grade. Teachers should first discuss this with the student, parent, the student’s counselor, and Dr. Lee. In this extreme case, both the teacher and the student will have an agreed-upon date in which to complete any assignments.

Department/PLC/SLC Policies

- 1. Please provide an explanation of any grading system/assessment key terms used by the PLC/SLC (ex: DBQ, FRQ, Performance Task, Practice, Standard Quiz, CER).**

DBQ= DBQ, or "document-based question," is a specific type of essay question often assigned in Social Science Courses. For the DBQ essay, students will be asked to analyze some historical issue or trend with the aid of the provided sources, or "documents," as evidence.

- 2. Provide weighted category values, if used.**

While there is some variation between individual course assignments/grading categories, all World History Course weights are closely aligned. Assessment and Assignment Categories maintain no more than 10% variation.

Assessment Categories 40% Total Grade (baseline)

Assignment Categories 60% Total Grade (baseline)

3. Explain the use of the Missing Assignment, No Credit Values, Zero Value in the grade system.

Missing Assignments will be marked with a zero value of 35% . No credit values may be assigned to specific assignments/activities and will be marked as ungraded work. (ie. zoom engagement, etc.)

4. Explain Late Work/Make-Up Work practices

While late work policies remain at the discretion of the individual instructor, the World History PLC strives to meet the needs of our individual learners and their diverse needs. As such, we encourage students to keep an open dialogue with teachers regarding their individual academic needs.

Late work **MAY** be accepted under the following terms:

1. Student must communicate with teacher prior to completion
2. Work must be completed within one week of the assigned due date.

5. Consider noting whether you round up grades or not and why.

The World History Department does not mandate rounded grades. With the combination of a zero value of 35% and weekly teacher intervention, The PLC has opted not to mandate rounding grades.

6. Include established, common rubrics

The PLC will utilize a variety of common assessments and rubrics throughout the course of the semester. These include but are not limited to:

B.A.R writing, DBQ essays as well as formal/non-formal assessments

Grading:

Most work and testing will be assigned and completed through schoolology. It will also be graded/evaluated there. Students must sign into each class through Infinite Campus. It may seem challenging at first, but you will get the hang of it quickly. Your teachers are here to support, encourage and help you--don't hesitate to send us a message through schoolology or join us for office hours. Below is the grading scale.

In line with Social Science Department Grading Policy

Reminder: This grade scale was approved by the Board of Trustees. Any difference from this requires a waiver first from the Department Administrator.

Note: A grade of NO CREDIT (NC) indicates that a student will have to retake the course and earn a passing grade of D or better in order to earn PCHS credit. Although a D does earn a student PCHS credit, many colleges including A-G requirements, require that students earn a C or better in any course.

In extreme cases, teachers may assign an INCOMPLETE (INC) grade. Teachers should first discuss this with the student, parent, the student's counselor, and Dr. Lee. In this extreme case, both the teacher and the student will have an agreed-upon date in which to complete any assignments.

Department/PLC/SLC Policies

- 1. Please provide an explanation of any grading system/assessment key terms used by the PLC/SLC (ex: DBQ, FRQ, Performance Task, Practice, Standard Quiz, CER).**

Students will be graded on the Standard (?) Scale on Schoology.

- a. ASSESSMENTS:** Student work that will demonstrate how well they have mastered the learning objectives. These will include end of unit testing, quizzes, essays, and projects.
- b. PARTICIPATION/ENGAGEMENT:** Students are expected to be present for zoom meetings and interact with classmates in breakout rooms (you will be given rubrics that will clarify expectations). This is key to creating an online community

- a. With the no 0 policy (35% min for incomplete), we don't see a need for it. We also give students plenty of opportunities to boost their grade prior to the end of the semester.

6. Include established, common rubrics

- a.

Government/Economics **12th grade**

- Negin Mahmoudi
- Audree Clarke
- Dave Suarez
- Peyman Nazarian

The grade scale is based on the Honors course that students are in when Fall and Spring semester starts. The students will have an option to opt into College Prep and change the grading scale.

Honors Grade Scale:

100-90	A
89-80	B
79-70	C
69-60	D
59-0	NC (No Credit)

Reminder: This grade scale was approved by the Board of Trustees. WE WILL FOLLOW THE HONORS AND COLLEGE PREP GRADING SCALE THAT HAS BEEN ADOPTED BY THE SOCIAL SCIENCE DEPARTMENT IF IT IS APPROVED BY THE DEPARTMENT ADMINISTRATOR

Note: A grade of NO CREDIT (NC) indicates that a student will have to retake the course and earn a passing grade of D or better in order to earn PCHS credit. Although a D does earn a student PCHS credit, many colleges including A-G requirements, require that students earn a C or better in any course.

Weighting of categories:

Assessments will not exceed 50% (Not including the final)

A minimum of three categories with all categories totaling 100%

3. Explain the use of the Missing Assignment, No Credit Values, Zero Value in the grade system.

- PLC gives zeros for missing assignments**
- PLC will select missing values on Schoology**

4. Explain Late Work/Make-Up Work practices

- A. Late work policy:** Late work (class assignment) will be accepted. Penalties will vary based on the timing, nature of the assignment and the teacher.
- B. Zoom Participation Policy:** Students must attend zoom meetings regularly and based on the E-Learning policy created by PCHS.
- C. Make-up Test Policy:** All assessments must be made up during teacher office hours (Mondays 1:45- 2:30) within one week of the date the test was originally taken. It is the student's responsibility to communicate with the teacher.

5. Consider noting whether you round up grades or not and why.

- A. PLC will round up based on teacher discretion.**

6. Include established, common rubrics

- Common rubrics are being established for the common assessments for the fall semester.**

- b. PARTICIPATION/ENGAGEMENT:** Students are expected to be present for zoom meetings and interact with classmates in breakout rooms (you will be given rubrics that will clarify expectations). This is key to creating an online community where we can exchange ideas. A notebook to take notes is recommended and you will be asked to provide evidence of your notes following lectures.
 - c. ASSIGNMENTS/ACTIVITIES:** This is more the day-to-day work. It may be an edpuzzle, a short reading/article and responses, flipgrid response, small group shared google doc or in some classes a digital notebook. These will be “checks for understanding” given each week to help you and your teacher to see that you understand the material along the way. All Schoology assignments will have a rubric, instructions for successful completion and due dates attached to them. They appear on the right side of the student's Schoology page with upcoming due dates.

AP Macro Grading Policy

Miller

Fall 2020

Due to the unique challenges of the eLearning environment, late work can be submitted with the opportunity to receive full credit as long as the assignment has been fully completed up to the AP standards required by the instructor (i.e. paragraph format, full sentences, thesis-driven essay, graphical analysis with all proper variables shown).

Furthermore, since the vast majority of classwork is partially completed during class sessions, missing classwork assignments will not be given a score of zero; rather, they will be given a grade of 35 percent of the value of the assignment. This policy is in accordance with the overarching policy recommendation for other classes within the Social Studies Department. Once a student completes and submits the aforementioned missing work within a particular unit of class instruction and it adheres to the quality control standards mentioned in the previous paragraph, students are eligible to receive full credit.

There are no weighted grading categories in AP Macro. The course employs a Total Point System, in which all points, regardless of the assignments to which they are attached, all have the same value. Assessments will make up the majority of the point value of assignments in the course. This is due to both the large number of assessments that will be given, as well as the larger relative “weight” these assessments have because of their higher degree of difficulty (assessments in this course will be designed to mimic the same level of academic rigor as the AP Macroeconomics Exam). The estimated grade composition breakdown is listed below:

Assessments (Unit Exams & Finals)	40%
Quizzes (for each Chapter of the text)	20%
Projects/Performance Tasks (Analyses & Essays)	20%
Classwork/Homework (Textbook Practice Exercises)	20%

AP Macro students will also be given the opportunity to complete Optional Work assignments that can serve the dual purposes of boost a student’s overall grade (if done completely and properly) as well as insulating a student’s grade from any possible damage that a poor assessment result might do. Optional Work is not busy work – it directly relates to the class academic objective for a given unit. Thereby, it also serves to reinforce the main components of a unit’s curriculum and further prepare students for whatever assessment cycle it is connected to.

AP Human Geography

11th & 12th grade

AP Human Geography E-Learning Policy

Instructor: A. Schoellnast Email: aschoellnast@palihigh.org

Course Introduction

The purpose of the AP course in Human Geography is to introduce students to the systematic study of patterns and processes that have shaped human understanding, use, and alteration of Earth's surface. Students employ spatial concepts and landscape analysis to examine human social organization and its environmental consequences. They also learn about the methods and tools geographers use in their science and practice.

The particular topics studied in an AP Human Geography course should be judged based on the following five college-level goals that build on the National Geography Standards developed in 1994. On successful completion of the course, the student should be able to:

1. Use and think about maps and spatial data
2. Understand and interpret the implications of associations among phenomena in places
3. Recognize and interpret at different scales the relationships among patterns and processes
4. Define regions and evaluate the regionalization process
5. Characterize and analyze changing interconnections among places

Grading

Students will be exposed to a variety of in-class activities (through the Big Blue Button or Zoom conference) and assignments, in addition to out-of-class homework assignments. Students will be expected to follow an assignment calendar that will be posted on Schoology for the week. Activities and assignments will consist of:

- Textbook readings
- Responding to articles
- FRQ's and college level essays
- Map assignments
- Current events (NPR articles)

Department Grading: 100%-90%=A 89%-80%=B 79%-70%=C 69%-66%=D

Assessments will include unit essays, projects, and FRQ's (free-response questions). Essays will be structured similarly to a college-level research paper. FRQ's will be assigned periodically throughout the year. In an FRQ, students will be expected to answer a series of questions in essay format, providing all relevant information possible to answer the question. FRQ's will not be graded according to writing style but in relation to the accuracy and completeness of the answer.

Category Break-Down: 70%= Assessments 30%= Classwork/Homework

Class Expectations

- Classroom Management: Good behavior is expected of all students. Everyone should participate in-class activities. All school policies will be enforced. Be respectful of everyone in the class. Zooms and BBB conferences will be recorded.
- Make-up and Late Work: I do not accept late work. You will have one class period upon return from an absence to turn in homework. You have one week from the day any assessment is given to turn in the assessment(essay).
- The student's responsibility is to ask the teacher for any work missed due to an absence, not the other way around.
- **If you are caught cheating in ANY capacity, you will receive a 0 and be referred to the Dean.**
- **I do not give extra credit; I do not round grades, period.**

APUSH Grading

Grades determined by a point system. All assignments (including Final Project in 2nd Semester), tests, notebook check and essays will be assigned a point value and final grades will be determined by the above percentages of the total points for the class.

Typical Unit = 333 Points

quiz 4 x 20 = 100 —30%

classwork homework 40-50 points — 15%

concept outline 20 points =6%

notes 20 points 6%

formative short answers 10 x 4 = 40 12%

Unit Essay 75 = 23%

Optional Work 28 = 8%

305 points - 77% in the performance category for 3 Units in Fall Semester

Final Exam = 200 point = 17% of overall grade ~ 35% overall grade = Summative Assessments

Makeup Work: After an excused absence, it is the student's responsibility to find out what has been missed. Failure to make up missing work will result in "DNT" (40%) Grade.

Misrepresentation of academic work: -plagiarism - submitting the work of someone else - copying other people's work. Cheating will result in "CHT" [35%] grade score on assignment.

Grading Policy

The grading protocols are as follows:

100- 90: Student was focused and on task throughout the class, completed attendance, responded to teacher feedback/email and participated in the face-to-face sessions. There are no observances of electronic gaming, YouTube, cell phone was not visible or set to music only.

89-80: Student was focused and on task throughout the class, completed attendance, responded to teacher feedback/email and participated in the face-to-face sessions. There were some observations of off task behaviors (checking cell phone, texting, etc.) but student responded positively to prompts & put away cell phone or set to music only.

79-70: Student was focused and on task for part of the class, but required more than three prompts to focus to task. Student was observed using cell phone or appeared to be switching screens. Student was inconsistent filling out attendance, work logs, and participating in face-to-face sessions, but responded to teacher prompts.

69-60: Student appeared to have more significant challenges with being on task and required several prompts/discussion to assist in focusing. Student was observed using cell phone or appeared to be switching screens and did not respond to prompts. Student was inconsistent filling out attendance, work logs, and participating in face-to-face sessions.

504 Study Seminar Class Syllabus

Greetings and welcome to the 504 Support/Study Seminar classes. This is a class geared for students to be able to have a calming work/study environment. While we're starting our semester out online, the grading and activities will reflect our current unusual times.

There are four grading categories: Participation (zoom sessions), Written Reflections (Schoology Discussion Posts), The Student Completed Weekly Time Log that documents all work completion during class, and Activities (Fridays). Below are grading rubrics for each category:

Participation

100 (A) - Student logged onto Zoom and participated in our instructional dialogue.

70 (C) - Student missed the Zoom session but checked in with me afterwards

60(D) Student missed the Zoom, didn't respond at all that week

Written Reflections

100 (A) - Student completed the daily Schoology Discussion Post

60 (D) - Student did not complete the daily Schoology Discussion Post

Weekly Time Log

100 (A) - Student accounted for all independent work time during class

60 (D) - Student did not account for independent work time during class

Activity

25 (A) - Student completed the activity

0 (NC) - Activity not completed

If you are enrolled in an Acellus on-line course, then you need to dedicate this time to online course completion as much as possible.

3. Explain the use of the Missing Assignment, No Credit Values, Zero Value in the grade system.

- Students are given a week to make up any missing assignments; some classes have a 10% penalty each day (AP). After a week, students will be given individual circumstances to make up late work beyond the week.

4. Explain Late Work/Make-Up Work practices

- Students who turn in late work will either get unsatisfactory grades in work habits or will get points deducted from the assignment (depends on the instructor/class). Make up assignments will be accepted prior to each grading period (progress report).

5. Consider noting whether you round up grades or not and why.

- FINAL grade is rounded up, especially due to the circumstances right now.

6. Include established, common rubrics

- We do not have a common rubric because we all teach different courses.

7. Include AP courses and singleton course policies

- AP CSP is set to meet AP standards: students are expected to meet the deadline of each assignment that's due. If it's late then students will be penalized 10% each day with the latest day to accept late work is one week or five school days. Students are always encouraged to turn in assignments and not leave it as missing.

PCHS eLearning Grade Policy 9.25.20
 PCHS Department: **Visual & Performing Arts**

Departmental Grading Philosophy

VAPA grades in a variety of ways. We embrace the concept of growth grade particularly because we want to encourage all students to develop their discipline of artistry, not just the students who are considered the “naturally” talented ones. Advanced, intermediate and beginning classes adhere to a criteria based on the topic.

As a department, we follow the following GRADE SCALE:

100-90	A
89-80	B
79-70	C
69-60	D
59-0	NC (No Credit)

A grade of NO CREDIT (NC) indicates that a student will have to retake the course and earn a passing grade of D or better in order to earn PCHS credit. Although a D does earn a student PCHS credit, many colleges including A-G requirements, require that students earn a C or better in any course.

In extreme cases, teachers may assign an INCOMPLETE (INC) grade. Teachers should first discuss this with the student, parent, the student’s counselor, and Dr. Lee. In this extreme case, both the teacher and the student will have an agreed-upon date in which to complete any assignments.

PCHS Make-up Policy

Students are given the opportunity to make up homework, assignments, assessments, and schoolwork that was missed because of school activities, an excused absence, or a suspension. The student shall receive full credit if the work is turned in according to a reasonable makeup schedule, as determined by the teacher. A reasonable makeup schedule includes one class

extension for every class the student has missed. The tests and assignments may differ from the tests and assignments that the pupil missed during the absence. It shall be at the discretion of the individual teachers to allow or not allow students who miss school work, because of truancies or uncleared absences, the opportunity to make up missed work. Should a student need to make-up an assignment/assessment for a class, this should not infringe on another teacher's class time. Teachers must give written permission for students to miss their class in order to make up work for another class. Note: Students are strongly encouraged to get work or schedule assessments from the teacher in advance if the student knows about an absence in advance.

LATE WORK: For every school day an assignment is late, you will lose 10% off your total grade. For example: if an assignment is due on Tuesday but you turn it in on Thursday, the highest grade you can get on that assignment is 80%. Penalties for lateness shall not exceed 40% off. This means that if you turn in an assignment 3 weeks late you will receive a maximum grade of 60%. Late work can be resubmitted for a higher grade minus the late penalty. ZEROS Failure to turn in any assignment can and will result in a grade of zero for the assignment.

LATE WORK: Late Work Policy: Late work is accepted with points off per day late. Late work point deduction never falls below a C. Late work is not accepted after 14 calendar days past the due date. The 2 week late work grace period is due to the fact that 5 minute video assignments can be lengthy to watch each one several times to properly assess. It is not possible to grade months of lengthy films from several students at the end of the semester AND keep up with grading the end of the semester final projects.

UNT GRADING (Ceramics 2)

No categories. Students are 2nd year, and are making varied, independent projects, paced to their full potential.

Students submit weekly progress/completed project pictures.

Prior to completing a new project, students submit planning sketches/images.

Missing Work: If a student does not complete their assignments, the student will not receive points. Missing assignments will lower the grade in the class, and many missing assignments might make it difficult to pass the class. It is the responsibility of the student to communicate with the teacher regarding any difficulties with completing assignments, so the teacher can assist the student with additional help, support, tutoring during office hours, or providing alternative assignments. **Late Work:** Assignments that are turned in late will be accepted without penalty. Students have until the grading period to receive full credit. Work turned in after the grading

period will receive half credit. Progress 1 is October 8, Progress 2 is November 12, Final is December 4th

Elements of the Policy to include:

Department/PLC/SLC Policies

1. Please provide an explanation of any grading system/assessment key terms used by the PLC/SLC (ex: DBQ, FRQ, Performance Task, Practice, Standard Quiz, CER).
2. Provide weighted category values, if used.
3. Explain the use of the Missing Assignment, No Credit Values, Zero Value in the grade system.
4. Explain Late Work/Make-Up Work practices
5. Consider noting whether you round up grades or not and why.
6. Include established, common rubrics
7. Include AP courses and singleton course policies

World Languages Grading Policy

I. Grading scale - Standard Covid 20-21SY (Choose in Gradebook Scale in Grade Setup)

- A: 100-90%
- B: 80-89%
- C: 70-79%
- D: 60-69%
- NC: 0-59%

II. Categories/Weights

- A. Performance - 40% May include:
 - a. Summative projects
 - b. Evaluative assignments designed to show what a kid knows
 - c. Essays and paragraphs
 - d. Presentations
 - e. Discussion posts
 - f. Oral quizzes
 - g. Projects
- B. Practice - 40% May include:
 - a. Formative assignments
 - b. Assignments designed to let kids practice safely
 - c. Graded on completion and effort
 - d. Edpuzzles
 - e. Grammar and vocabulary practices
 - f. Discussion posts
 - g. Quizlet completions
 - h. Peardeck answers
- C. Participation - 20%
 - a. Showing up to meetings and being there on time
 - b. Cameras on with appropriate attire and face visible
 - c. Participation in activities without being on phone or doing other things while in class

III. Other Grading Specifications

- A. Make-ups - Teachers will accept late work for 2 weeks after the due date for 90% of what an assignment would have been given had it been turned in on time.
- B. Extra-credit - Discretion of teacher. (Marginal - Cannot move a student more than 3% of grade.)
- C. Rounding - Discretion of teacher, up to 1%.
- D. Dropping grades - discretion of teacher

- E. **Assessment Integrity** - While we're online, we are facing tremendous issues of academic integrity. Teachers reserve the right to reassess students in a different format at a different time to ensure mastery of material.

AP Policy: Teachers of AP courses will provide their own syllabus with grading scale and grading specifications. If it is a shared 4 and AP class, the teacher will provide his or her own syllabus.

Reopening Protocol for Palisades Charter High School

COVID-19 is a disease caused by a new strain of coronavirus. Formerly, this disease was referred to as '2019 novel coronavirus' or '2019-nCoV.' The virus is transmitted through direct contact with respiratory droplets of an infected person (generated through coughing and sneezing). Individuals can also be infected from and touching surfaces contaminated with the virus and touching their face (e.g., eyes, nose, mouth). The COVID-19 virus may survive on surfaces for several hours, but simple disinfectants can kill it.

Palisades Charter High School, in agreement with the County of Los Angeles Department of Public Health, is adopting a staged approach supported by science and public health expertise, to reopen our school safely for the students we serve. Additionally, the school follows the conditions imposed by the State Public Health Officer and the California Department of Education, and is also in compliance with employee and student safety and infection control protocols addressing the following five key areas:

- Workplace policies and practices to protect employee and student health
- Measures to ensure physical distancing
- Measures to ensure infection control
- Communication with employees, students and families of students and the public
- Measures to ensure equitable access to critical services.

A. WORKPLACE POLICIES AND PRACTICES TO PROTECT STAFF AND STUDENTS

1. COVID-19 Containment, Response, and Control Plan

- a. The COVID-19 Compliance Team is responsible for establishing and enforcing all COVID-19 safety protocols and ensuring that staff and students receive education about COVID-19. The team includes:
 - The Executive Director/Principal
 - The Director of Admissions and Attendance
 - The Director of Student Support Services
 - The Director of Human Resources
 - The Director of Operations
 - The School Nurse – Liaison to Department of Public Health in the event of an outbreak on campus
- b. Upon notification of school officials that any member of the school community (faculty, staff, student, or visitor) tests positive for, or has symptoms consistent

PALISADES CHARTER HIGH SCHOOL

Empowering Educational Excellence.

with COVID-19

- The identified individual will be immediately separated from the school community to self-isolation should the notification occur on-site.
 - Temporary isolation will be provided on-site if arrangements are needed for the individual's return to their home.
 - Factsheets or other informational materials that are to be given to the case (or appropriate family member/s if the case is a child) covering regulations governing self-isolation and links to sites with additional information.
 - The name and contact information of the identified case will be provided to the DPH within 1 business day of notification of case confirmation.
- c. The School Exposure Management Plan will go into effect simultaneously with the identification and isolation of the COVID-19 case.
- Exposed persons on-site will be identified and listed. Written instructions for quarantine and other informational materials will be given to these individuals (or parents if contacts are students), and they will depart campus to quarantine at home as directed. This list and contact information for each person will be provided to the DPH within 1 business day of notification of a confirmed case.
 - Exposed employees will contact their medical provider and identify as an exposed essential worker for prioritized testing.
 - Exposed non-employees will be given a current listing of testing resources. Such individuals may choose to see their own provider.
 - Contact information for the School Nurse will be provided to all exposed individuals to use as needed and/or to share with their selected medical provider or testing site.
 - Exposed individuals will be asked to inform the school of test results. This is important to determine the extent of disease spread at the school and to serve as a basis for further control measures.
- d. A cluster of cases (three or more cases within 14 days) identified on campus will be reported to the Department of Public Health via email at [ACDC-Education@ ph.lacounty.gov](mailto:ACDC-Education@ph.lacounty.gov) or by calling (888) 397-3993 or (213) 240-7821.
- e. A Plan for full or partial closure of in-person school operations is available should that become necessary based on an outbreak (as defined above) in school, or in the community.

PALISADES CHARTER HIGH SCHOOL

Empowering Educational Excellence.

- f. Access to periodic surveillance testing for all school personnel will be provided through Human Resources upon order of the Public Health Department based on local disease trends, and /or resolution of an outbreak at school.
 - o All results of surveillance testing will be reported to the Public Health Department.
2. Employees (those above age 65, and those with chronic health conditions that would place them at high risk if infected) are assigned work that can be done from home whenever possible. Employees in this category should discuss any concerns with their healthcare provider or occupational health services to make appropriate decisions on returning to the workplace.
3. All employees have been told not to come to work if sick or if they have been exposed to a person who has COVID-19. Human Resources has provided information to employees regarding employer or government sponsored leave benefits, including their right to paid sick leave as guaranteed by the Families First Coronavirus Response Act.
4. Use of school facilities for non-school purposes (community meeting or events, on-site clinic visits by people who are neither students nor staff, etc.) is not permitted.
5. Employee Symptom Checks are conducted before employees may enter the workspace. Checks include questions concerning cough, shortness of breath, difficulty breathing and fever or chills and if the employee has had contact with a person known to be infected COVID-19 in the last 14 days.
6. A temperature check with a “no touch” thermometer is included.
7. Anyone entering school property who has contact with others (students, parents, or other employees) is required to wear a cloth face covering.
 - a. Employees who have contact with others are offered, at no cost, an appropriate face covering that covers the nose and mouth. The covering is to be worn by the employee at all times during the workday when in contact or likely to come into contact with others.
 - b. Employees who have been instructed by their medical provider that they should not wear a face covering should wear a face shield with a drape on the bottom edge, to follow State directives, as long as their condition permits it.
 - o A drape that is form fitting under the chin is preferred.
 - c. Masks with one-way valves should not be used.
 - d. Employees need not wear a face covering when the employee is alone in a private office or a cubicle with a solid partition that exceeds the height of the employee when standing.
 - e. A medical grade mask is provided to any employee who cares for sick children or who has close contact with any child with a medical condition that precludes the child’s use of a cloth face covering.
 - f. Staff working with students who are unable to wear a face covering or shield due

PALISADES CHARTER HIGH SCHOOL

Empowering Educational Excellence.

to a medical contraindication will be provided approved and appropriate PPE based on job specific duties and risks and maintain social distancing as much as possible.

- 8. Employees are instructed to wash or replace their face coverings daily. Parents are instructed to ensure that children have clean face coverings.
- 9. All individual employee workstations or areas used by employees working as part of a team allow for separation of at least 6 feet. Classroom furniture is arranged to permit a distance of at least 6 feet between the teacher’s desk and the nearest student(s).
- 10. In compliance with wage and hour regulations, breaks are staggered to ensure that physical distancing can be maintained in break rooms.
- 11. All employees, on-site contractors, vendors, and delivery personnel have been provided instructions regarding maintaining physical distancing and the required use face coverings when around others.

12. Break rooms, restrooms, classrooms, and other common areas used or visited by staff are disinfected frequently, on the following schedule:

- a. Break rooms _____
- b. Restrooms _____
- c. Classrooms _____
- d. Laboratories _____
- e. Nurse’s office _____
- f. Attendance office _____
- g. Counseling office _____
- h. Main office _____
- i. J110 _____
- j. Special Education restroom/laundry room _____
- k. J120 classrooms/meeting room (downstairs) _____
- l. J120 upstairs (Student Support Director and Assistant offices) _____

13. High touch areas in staff breakrooms are frequently disinfected, and commonly shared items, such as coffee pots, pots, and dishes, are replaced with single use items or thoroughly cleaned after each use by a different person.

14. Disinfectant and related supplies are available to employees at the following location(s):

15. Hand sanitizer effective against COVID-19 is available to all employees in or near the following locations:

PALISADES CHARTER HIGH SCHOOL

Empowering Educational Excellence.

- a. Building entrance/s and exit/s
 - b. Building A Offices
 - c. Classrooms
 - d. Faculty breakroom
 - e. Library
 - f. Gyms
 - g. Mercer and Gilbert Halls
16. Soap and water are available to all employees at the following location(s):

17. Employees are offered frequent opportunities to wash their hands.
18. Each employee is assigned their own tools, supplies, equipment, and defined workspace to the extent feasible. Sharing of workspaces and held items is minimized or eliminated.
19. Copies of this Protocol have been distributed to all employees.

B. MEASURES TO ENSURE PHYSICAL DISTANCING BY STAFF, STUDENTS AND VISITORS

1. The maximum number of employees permitted in our school to maximize physical distancing of at least 6 feet or with appropriate physical barriers where 6 feet of distancing is not possible is _____.
2. The maximum number of students permitted in our school to ensure that no more than 10% of the total student body at any one time and to maximize physical distancing of at least 6 feet or with appropriate physical barriers where 6 feet of distancing is not possible is 305.
3. Physical distancing on school busses is ensured by:
 - a. One child is permitted per seat.
 - b. Alternating rows are utilized.
 - c. Staggered school start times to permit more than one trip per bus at school start and close
 - d. School opens at _____ with staff present at drop-off area to assure safety to school building entry.
4. Measures in place to ensure physical distancing as students, parents, or visitors arrive at entry to school include:
 - a. Students exit busses or other vehicles single file through one door
 - b. School employees are deployed to meet incoming busses, cars and students arriving on foot or by bicycle to assure distancing is maintained and avert gatherings.
 - c. Tape is used to help students maintain physical distancing as they line up to enter the school.

PALISADES CHARTER HIGH SCHOOL

Empowering Educational Excellence.

- d. Multiple entrances and exits are used to avoid overcrowding at arrival and dismissal with adequate monitoring of arriving and exiting students and employees.
5. Measures are in place to ensure physical distancing as students, parents or visitors enter and move through the school building. These include:
 - a. Schedules are adjusted to ensure that only one cohort is moving through common areas at one time.
 - b. School employees are deployed at and near doorways to assure physical distancing as students go through symptom checks and proceed to classrooms.
 - c. A maximum of 1 rider at a time is permitted on the elevator; all are required to wear cloth face coverings.
 - d. Stairways are monitored by staff to prevent overcrowding.
6. Physical distancing within classrooms is ensured by:
 - a. A cohorting approach that has been adopted school-wide maintaining a stable group of no more than 12 students and no more than 2 supervising adults in a supervised environment in which supervising adults and students stay together for all activities (including breaks and lunch) and avoid contact with people outside of their group in the setting throughout the entire school day.
 - In-person class size has been limited to 12 students in our high school per class.
 - Online class attendance and participation is offered as an option for all students for all classes.
 - Alternative spaces are used to reduce the number of students within classrooms including:
 - Library
 - Mercer or Gilbert Hall
 - Gymnasium
 - Outdoors
 - b. Classroom furniture is set up to ensure 6 feet between students at their desks/tables and between students and teachers (placement of desks/tables, use of floor markings to indicate required distance, etc.) to the extent feasible. Where 6 feet of distance is not possible, physical barriers are used to minimize close contacts.
 - c. Furniture designed for in-class group activities that bring students closer than 6 feet has been reconfigured or removed from the classroom.
 - d. Teaching methods have been modified to avoid close contact between students in laboratories and other classes that may usually involve group activities
7. Gym class activities are selected to permit physical distancing; contact sports are not permitted.
 - a. We enforce physical distancing in locker rooms by:

PALISADES CHARTER HIGH SCHOOL

Empowering Educational Excellence.

- Offering access to locker rooms only when staff supervision is available.
 - Staggering locker room access
8. Measures in place to maintain physical distancing during school meals include:
 - a. To the extent possible, meals are eaten in classrooms or outdoors, without any mingling of students from different classrooms
 - b. Tape is used to assure a 6-foot distance between any two students in line to pick up food.
 - c. Staff are deployed during meals to maintain physical distancing.
 9. Food preparation and service operations have been redesigned to achieve physical distancing between employees.
 10. Physical distancing in school areas used for student support services is achieved by:
 - a. Student support staff, including school employees (nurses, guidance counselors, therapists, etc.) and employees of adjunct support programs (clinicians, health educators, etc.) maintain a physical distance of at least 6 feet to the extent feasible while engaging in student support activities.
 - b. Furniture and equipment in school areas used for student support services is arranged to promote a 6-foot distance between any two students and/or between students and staff.
 - c. Where feasible and appropriate, therapeutic and support activities are conducted virtually.
 - d. Sharing of equipment and supplies is avoided where possible. Should equipment need to be shared, it must be sanitized before and after each use by a different student and/or employee.
 - e. Staff offering student support services are provided with appropriate PPE per Cal OSHA requirements.
 11. Measures in place to permit physical distancing in administrative areas of the school include:
 - a. Signage alerting visitors to the need to maintain a 6-foot distance from school office personnel.
 - b. Tape or other markings are used to define a 6-foot radius around reception desks or counters.
 - c. Workstations of administrative personnel have been arranged to permit 6 feet between individuals sharing a space or between office personnel and students or other staff required to visit the space.
 - d. Physical barriers are in place when a 6-foot distance is not available.

C. MEASURES TO ENSURE INFECTION CONTROL

1. Screening is conducted before students, visitors and staff may enter the school. Screening includes a check-in concerning cough, shortness of breath or experience of fever and any other symptoms the visitor may be experiencing. These checks can be done remotely (using a digital app or other verifiable approach) or in person upon arrival. A temperature check with a no-touch

PALISADES CHARTER HIGH SCHOOL

Empowering Educational Excellence.

thermometer is included in the symptom check at entry.

- a. Adult visitors and staff who screen positive at entry or who report symptoms at any point during the school day are instructed to return home and self-isolate as required by Health Officer Order of July 1, 2020 (see [July1 Isolation HOO.pdf](#)).
 - b. Students who screen positive at entry or who report symptoms at any point during the school day are given a surgical mask and accompanied to a pre-selected isolation space where they can remain while arrangements are made for their return home.
 - c. The COVID-19 Compliance Team (see Section A) is informed of any positive screening result in the school and initiates the School Exposure Management Plan consistent with DPH directives.
 - d. Adult visitors and staff who have had close contact with an individual who has screened positive are instructed to return home to self-quarantine as required by Health Officer Order of July 1, 2020, until such time as it has been determined that the individual screening positive for COVID-19 symptoms is negative for COVID-19. (see [July 1 Quarantine HOO.pdf](#)).
 - e. Students who have had close contact with an individual who has screened positive for COVID-19 symptoms are accompanied to preselected quarantine space where they can remain until arrangements are made for their return home. This space is apart from the one set aside for symptomatic students. It may be a separate room or an area within the same room that is set apart by a barrier. Once they return home, they are instructed to self-quarantine as required by Health Officer Order of July 1, 2020, until such time as it has been determined that the individual screening positive for COVID-19 symptoms is negative for COVID-19. (see [July 1 Quarantine HOO.pdf](#)).
2. Screening of adults and of high school age students includes a question about close contact with anyone at home, school, or elsewhere that the individual has been told has tested positive for COVID- 19.
- a. Any adult who is screened for exposure and reports close contact with an infected person is instructed to leave the school, return home to initiate self-quarantine, and get testing for COVID- 19.
 - b. Any high school student who is screened for exposure and reports close contact with an infected person is provided with a surgical mask and accompanied to a predetermined space in the school while arrangements are made for them to be picked up by parents in order to initiate quarantine at home. Parents are advised to seek testing for the child.
3. Measures are in place to limit risk of infection due to visits by individuals other than staff and students. Including:
- a. Visits to the school by individuals other than staff and students are avoided

PALISADES CHARTER HIGH SCHOOL

Empowering Educational Excellence.

- whenever feasible. Parents of enrolled students are encouraged to conduct business with school personnel remotely when possible.
- b. Visitors to the school other than parents of enrolled students are limited to those who are essential for the school's operation. Visitors are by appointment only and are pre-registered in a visitor log that includes a visitor's name, phone number and email address. Visitors are instructed to come to their appointments alone. If a visitor must be accompanied by another person (e.g., for translation assistance, or because the visitor is a minor, or has minor students) their information is captured in the visitor log.
 - c. Visitors arriving at the school with non-enrolled children (e.g. younger siblings of students) must ensure that these children stay next to an adult, avoid touching any other person or any item that does not belong to them, and are masked if 2 or older and not at risk due to a respiratory condition.
 - d. Movement of visitors within the school is limited to designated areas such as the reception or lobby area, offices, conference or meeting rooms, and public rest rooms to the extent feasible. Visitors are not permitted to interact with any cohorts.
 - e. Visitors arriving at the school are reminded to wear a face covering at all times while in the school. This applies to all adults and to children 2 years of age and older. Only individuals who have been instructed not to wear a face covering by their medical provider are exempt from wearing one. To support the safety of our employees and other visitors, a face covering should be made available to visitors who arrive without them.
4. The following measures are in place to promote optimal ventilation in the school:
- a. At least 50% of classroom learning, meals, and activities have been moved to outdoor space whenever feasible and weather permitting.
 - b. The school HVAC system is in good, working order.
 - c. HVAC systems are set to maximize indoor/outdoor air exchange unless outdoor conditions (recent fire, very high outside temperature, high pollen count, etc.) make this inappropriate.
 - d. Portable, high-efficiency air cleaners have been installed if feasible.
 - e. Doors and windows are kept open during the school day if feasible and if outdoor conditions make this appropriate.
 - f. Air filters have been upgraded to the highest efficiency possible.
5. Measures are in place to ensure appropriate cleaning and disinfecting of space, surfaces, and objects throughout the school. These include the following:
- a. A cleaning and disinfecting schedule has been established in order to avoid

PALISADES CHARTER HIGH SCHOOL

Empowering Educational Excellence.

both under- and over- use of cleaning products.

- b. Buses are thoroughly cleaned and disinfected daily and after transporting any individual who is exhibiting symptoms of COVID-19. Drivers are equipped with disinfectant wipes and disposable gloves to support disinfection of surfaces as needed during a run. Frequently touched surfaces are disinfected after every completed bus route.
- c. Common areas and frequently touched objects in those areas (tables, doorknobs, light switches, countertops, handles, desks, phones, keyboards, elevator switches and buttons, touch screens, printers/copiers, grab bars, and handrails) are disinfected at least daily and more frequently as resources allow using appropriate products (see below).
- d. Use of shared objects is eliminated wherever possible, for example, water fountains are shut down and individual water bottles are provided as an alternative.
- e. Where individualized alternatives are not feasible, for example, in laboratories and art rooms where some equipment may have to be used by multiple students, objects and surfaces are cleaned and disinfected between users.
- f. Cleaning products that are effective against COVID-19 (these are listed on the Environmental Protection Agency (EPA)-approved list "N") are used according to product instructions.
- g. To reduce asthma risk disinfectant products on list N with asthma-safer ingredients (hydrogen peroxide, citric acid, or lactic acid) are selected. Products which contain peroxyacetic (peracetic) acid, sodium hypochlorite (bleach) or quaternary ammonium compounds are avoided when possible.
- h. Custodial and other staff responsible for cleaning and disinfecting school surfaces and objects are trained on manufacturer's directions, Cal/OSHA requirements for safe use and as required by the Healthy Schools Act, as applicable.
- i. Custodial staff and other staff responsible for cleaning and disinfecting are equipped with appropriate personal protective equipment, including gloves, eye protection, respiratory protection and other appropriate protective equipment as required by the product.
- j. All cleaning products are kept out of children's reach and stored in a space with restricted access.
- k. Ventilation is maximized during cleaning and disinfecting to the extent feasible. If using air conditioning, use the setting that brings in fresh air. Replace and check air filters and filtration systems to ensure optimal air quality.
- l. Enhanced cleaning of school premises is done when students are not at school with adequate time to let spaces air out before the start of the school day.

PALISADES CHARTER HIGH SCHOOL

Empowering Educational Excellence.

- m. Steps are taken to ensure that all water systems and sinks are safe to use after a prolonged facility shutdown to minimize the risk of Legionnaires' disease and other diseases associated with water.
- n. Restrooms, lobbies, break rooms, and lounges and other common areas are being disinfected frequently, on the following schedule:
 - Break rooms

 - Restrooms

 - Classrooms

 - Laboratories

 - Nurse's office

 - Attendance office

 - Counseling office

 - Main office

 - J110 _____
 - Special Education restroom/laundry room _____
 - J120 classrooms/meeting room (downstairs) _____
 - J120 upstairs (Student Support Director and Assistant offices) _____
 - Cafeteria food preparation area
 - Cafeteria food selection area
- 6. Measures are in place to ensure use of appropriate face coverings by all staff, students, and visitors at all times. These include:
 - a. Staff, parents, and students are informed of the requirement for cloth face coverings prior to the start of school and on a regular basis throughout the school year.
 - b. All children over age 2 are required to wear cloth face coverings at all times while

on school property except while eating, drinking, or carrying out other activities that make that preclude use of face coverings.

- c. Staff working with students who are on Individualized Education or 504 Plans or who cannot use or tolerate cloth face coverings or shields due to a medical contraindication will be provided approved and appropriate personal protective equipment (gloves, masks, gowns, etc.). based on job specific duties and risks and maintain social distancing as much as possible.
 - d. Information is provided to staff, parents and students concerning proper use of cloth face covering including the need to wash cloth face coverings after each day's use.
 - e. Signage at the entry to the school, at the entry to the school offices and throughout the school building reinforces this requirement and the depicts proper use of cloth face coverings.
 - f. As feasible, two cloth face coverings are provided to each student at the start of the school year. If that is not feasible, parents and students are given information concerning methods for making their own cloth face coverings.
 - g. Staff who are deployed at school entry or in hallways or other common areas to reinforce physical distancing also remind students of rules concerning use of cloth face coverings.
 - h. Employees engaged in activities (such as provision of physical therapy or personal assistance to individual students) which may not permit physical distancing are equipped with appropriate personal protective equipment (gloves, masks, gowns, etc.). as appropriate.
 - i. Staff taking care of a sick student are provided with a medical grade mask to wear themselves, and a medical grade mask for the student to wear (if it can be tolerated) until the student leaves the building.
 - j. Staff and students who are alone in closed offices, walled cubicles or other private, enclosed spaces are not required to wear cloth face coverings. Students may also remove cloth face coverings when eating or when wearing a cloth face covering is otherwise impracticable (e.g., while showering, etc.).
7. The following measures are in place to ensure frequent hand washing by staff, students, and visitors:
- a. Students and staff are given frequent opportunities to wash their hands for 20 seconds with soap, rubbing thoroughly after application, and use paper towels (or single-use cloth towels) to dry hands thoroughly. Each cohort is required to use a designated bathroom; should more than one cohort be assigned to use the same bathroom; a color-coded system is used to minimize students from different cohorts using the bathroom at the same time.
 - b. Portable handwashing stations have been placed near classrooms to minimize movement and congregations in bathrooms to the extent practicable.

PALISADES CHARTER HIGH SCHOOL

Empowering Educational Excellence.

- c. Staff model frequent, thorough, and complete handwashing at portable handwashing stations, in laboratories within science classes, in art classes, and in the Health Office.
 - d. Ethyl alcohol-based, hand sanitizer is made available to students and staff at strategic locations throughout the school where there is no sink or portable handwashing station (in or near classrooms, rooms in which support services are provided, music and art rooms).
 - e. Hand sanitizer based on isopropyl alcohol is not used in the school given its potential toxicity.
 - f. Faculty and staff are aware of the risk of ingestion of any alcohol-based hand sanitizer and know that they should call Poison Control at 1-800-222-1222 if there is reason to believe that a student has consumed hand sanitizer.
 - g. Hand sanitizer, soap and water, tissues and trash cans are available at or near the entrance of the facility, at reception, and anywhere else inside the workplace or immediately outside where people have direct interactions.
8. Infection control is ensured in the school cafeteria or any other site at which food is served or picked up.in the following ways:
- a. Buffet and family style meals have been eliminated.
 - b. Food options include prepackaged meals and snacks, hot meals served by cafeteria staff and/or food brought by students from home.
 - c. Physical barriers are in place where needed to limit contact between cafeteria staff and students.

D. MEASURES THAT COMMUNICATE TO THE CAMPUS COMMUNITY AND THE PUBLIC

1. Information will provided to parents and students concerning school policies related to the following prior to students coming on campus for supports and services or classroom instruction:
 - a. Isolation and quarantine policies as they apply to students who have symptoms or may have been exposed to COVID-19.
 - b. Options for COVID-19 testing if the student or a family member has symptoms or has been exposed to COVID-19.
 - c. Who to contact at the school if student has symptoms or may have been exposed to COVID-19.
 - d. How to conduct a symptom check before student leaves home.
 - e. The schools' required use of face coverings.

PALISADES CHARTER HIGH SCHOOL

Empowering Educational Excellence.

- f. The importance of student compliance with physical distancing and infection control policies.
 - g. Changes in academic and extracurricular programming in order to avert risk.
 - h. Changes in school meals in order to avert risk.
 - i. School policies concerning parent visits to school and the advisability of contacting the school remotely.
 - j. The importance of providing the school with up-to-date emergency contact information including multiple parent contact options.
 - k. The necessity of a plan to have the student picked up from school as soon as possible when notified by school officials that signs and symptoms of COVID-19 are observed in the student OR that exposure to COVID-19 has occurred.
- ✓ A copy of this protocol is posted at all public entrances to the school.
 - ✓ Signage has been posted throughout the school reminding staff and students of policies concerning physical distancing, use of face coverings, and importance of hand washing.
 - ✓ Signage is posted at each public entrance of the school informing visitors that they should not enter the facility if they have symptoms of COVID-19.
 - ✓ The school has developed and circulated a communication plan in case full or partial closure is required due to a possible cluster of COVID-19 cases.
 - ✓ Online outlets of the school (website, social media, etc.) provide clear, up-to-date information about building hours, visitation policies, changes in academic and extracurricular programming, and requirements concerning use of face coverings, physical distancing, and hand washing.
 - ✓ Online outlets instruct students, parents, employees, and teachers on how to contact the school in case of infection or exposure.

E. MEASURES THAT ENSURE EQUITABLE ACCESS TO CRITICAL SERVICES

1. A plan for updating Individualized Education Plans (IEPs) and 504 Plans of students with special needs has been developed to ensure that education can continue without undue risk to the student.
 - This plan includes a method for proactive school contact with parents at the beginning of the school year to assure that issues related to the child's education and safety are being addressed.
 - Modifications to individual IEPs and 504 plans may involve remote learning, modifications to the classroom to accommodate student needs, school attendance in a separate area with few students, or a hybrid approach combining in-class and remote learning.

- Steps taken to modify IEPs and 504 plans to assure student safety comply with relevant provisions of state and federal law.
- 2. Administrative services or operations that can be offered remotely (e.g., class registration, form submission, etc.) have been moved on-line.

Monthly Revenues vs Expenditures

- Final 3 months of 2021 represent the biggest gap
- During this time period, expenses outpace revenues by \$5.46 Million

Monthly Revenues vs Monthly Expenses

Our cash position indicates a healthy balance, yet the majority of funds have restricted use

- These figures represent our month-end cash balance (after accounting for revenues/expenses = cash that remains)
- Yes, we have enough cash to get us through deferrals. However, the majority of our cash on-hand is restricted.
- PCHS will need to spend PPP funds and explore an inter-fund transfer from Fund 20 (Lifetime Health Benefits)

Our September ending cash balance of \$13.4 Million includes mostly restricted funds

Cash Balance vs Cash Reserve

As of 09/30/2020

CASH RESERVES

Cash Reserves

Cash

- The amount of actual dollars a district has in the bank or treasury at any given time.

Cash Reserve

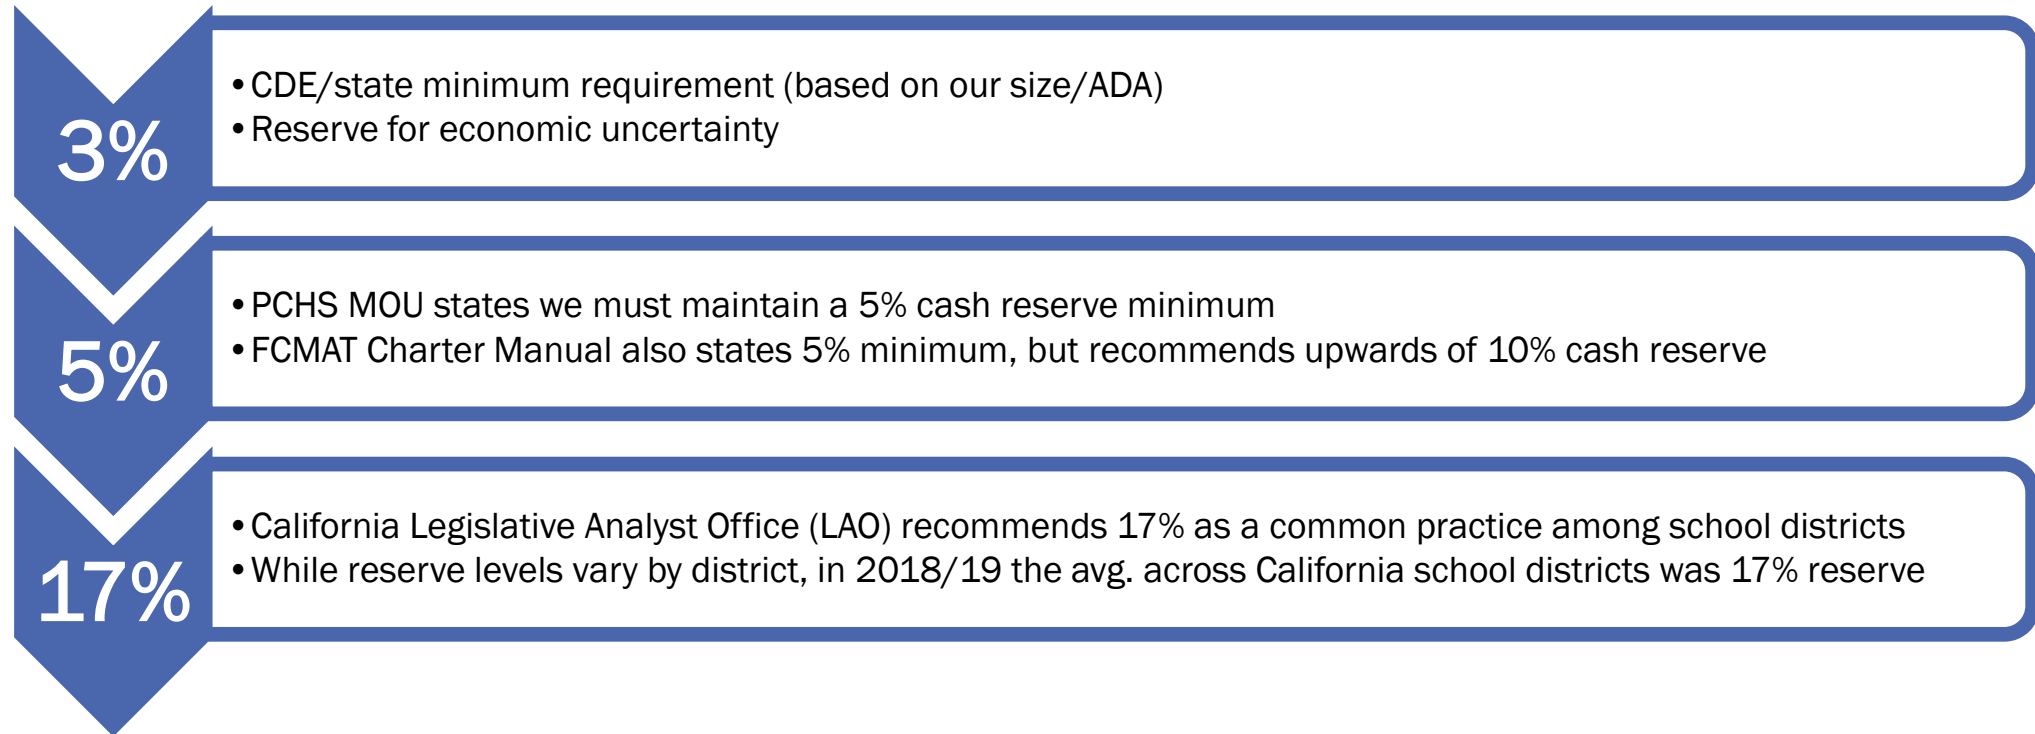

- One-time only funds held by a district.
- Can have many different components
 - *Restricted funds, reserve for economic uncertainty, unallocated, committed*

Importance of Reserves

- Manage cash flow
- Mitigate volatility in funding
- Address unexpected costs
- Save for large purchases
- Obtain higher credit ratings

Cash Reserve Requirements

- Cash reserve requirements are based on a percentage (%) of current year General Fund expenditures

Although our minimum requirement is 5%. We recommend a cash reserve level of **10%**, with a plan to increase to **17%**.

Current Reserves vs Recommended Reserves

- Due to deficit spending in past years, PCHS needs a plan to rebuild reserves
- Keep in mind that as our expenditures grow, our reserve levels must increase appropriately

Current Reserves vs Recommended Reserve Levels

FISCAL PRIORITIES

Fiscal Priorities

- Building Reserves
- Lifetime Health Benefits
- Transportation
- Technology
- STRS/PERS Increases
- Hybrid Model Expenses
- IMA

DISCUSSION

PPP LOAN

PPP Overview

- Loan Amount: \$4,606,000
- Funding Date: 5/14/2020
- Payback Period: 2 years (monthly P&I payment).
 - *Payments deferred for 1st 6 months*
 - *No prepayment penalty*
- Interest: 1%
- Location: Funds are currently in County Treasury (earning 1.5% interest)
- Allowable Expenditures: may be used to cover general operating expenditures
 - *“Payroll costs”*
 - *Costs related to the continuation of group health benefits during periods of paid sickness, medical, or family leave, insurance premiums*
 - *Mortgage interest (but not prepayments or principal payments), rent and utility payments*
 - *Interest payments on any other debt obligations that were incurred before February 15, 2020*
 - *Refinancing an SBA EIDL loan made between January 31, 2020 and April 3, 2020*
- We will be audited

PPP Forgiveness Overview

- Based on our funding date, allowable expenses made within an **8 week OR 24 week** period may be considered for forgiveness
 - *Ex: If we funded on 5/14/20, then only expenses incurred within 24 weeks from that date may be considered for forgiveness. Anything spent outside that window may not be considered/evaluated for forgiveness.*
 - *We can only pick ONE reporting period. Either 8 week or 24 week*
 - *There are other factors/details that may slightly expand the window: payroll/pay-period date, date(s) of incurred expenses, etc.*
- Selecting a 24 week reporting window maximizes our forgivable expenses

Forgiveness Eligibility

- 60/40 Rule
 - *60% of loan must be used on payroll (no independent contractors). No more than 40% spent on mortgage, leases, utilities.*
 - *Payroll expenses are capped for those earning \$100k+:*
- Staffing Requirement: FTE headcount at end of reporting period vs. a “reference period”
 - *A lower headcount may result in pro-rated decrease in PPP forgiveness.*
 - *Does not account for terminations, retirees, etc.*
- Pay Requirement: Must retain at least 75% of total salary

PPP Spending Requirement

- Spend 100% of the remaining funds on allowable payroll expenses over the next 2 pay-periods*

*The total expenditures on this page account to over \$5.1 Million. We will "back-out" payroll expenses over \$100k salary cap to ensure that we only use PPP funds on allowable payroll expenses up to \$4,606,000.

PPP Considerations

- Reporting Period
 - *Propose to adjust this to our payroll cycle.*
 - *Period would begin on 6/10 – the 1st pay cycle AFTER the loan funded*
- Payroll cap on \$100k+ earners
- Need clarification on the following:
 - *Bonus/incentive (1.75%) & retro pay (0.5%)*
 - *Rehiring requirements*
 - *FTE headcount and the reference period*
- Consider a PPP consultant
- Other tax implications (PPP forgiveness is tax free)
- Remember, forgiveness is not a guarantee and we **must plan** for the loan/liability repayment

PALISADES CHARTER HIGH SCHOOL

PCHS BOARD MEMBER ROLES AND RESPONSIBILITIES

The purpose of the Board of Trustees of Palisades Charter High School is to act in the best interest of the residents of the State of California and PCHS’s stakeholders and to ensure that PCHS:

- a) Achieves appropriate results for its students in accordance with the PCHS Mission Statement and Charter (as specified in Board Goals Policies) &
- b) Avoids unacceptable actions and situations (as prohibited in Board-Executive Limitation Policies).

The members of the Board of Trustees have legal and fiduciary responsibilities to the school. These include: Duty of Care, Duty of Loyalty, and Duty of Obedience. The Board is responsible for maintaining fiscal accountability and financial oversight.

Essential Duties:

1. Regularly attends Board meetings, Special Board Meetings, and important related meetings
2. Stays informed about PCHS matters
3. Prepares well for meetings, reviews and comments on minutes and reports
4. Actively participates on a standing committee (Board Committee, Long Term Strategic Planning Committee)
5. Is an active participant in the committee’s annual evaluation and planning efforts
6. Volunteers for and willingly accepts assignments, including (but not limited to) committees, events, fundraising activities, and staff job interviews

Code of Conduct:

1. A Board member’s first obligation is to be informed about the school’s history, missions, and goals, legislation governing education and Charter schools, and current operations and concerns. Accordingly, each Board member will read the approved Charter application and familiarize themselves with a working understanding of all school policies and operating procedures.
2. A Board member must come to meetings prepared, having read proposals from Standing Committees that will be acted upon, having taken time before the public meeting to clarify concerns with the Chair and members of the Standing Committees, having read the minutes of previous meetings, and having prepared themselves with other pertinent materials. Each Board member will ensure that he/she understands an issue before voting.
3. Each Board member must act with care, loyalty, and obedience. Board members must exercise a level of care that a prudent person would exercise (avoid “zoning out” and avoid leaving the room when a discussion is taking place), they must show undivided allegiance (faithfulness) to the school and not to their self-interests, and they must remain obedient to the school’s mission and the student body before their own interests.
4. An individual Board member will never seek to impose a personal agenda on the school’s Executive Director.
5. A Board member must always respect the confidentiality of Closed Sessions.
6. A Board member must not attempt to deal with problems brought to their attention on an individual basis. A Board member who learns of a problem must bring that problem to the attention of the Executive Director or Board Chair.
7. A Board member will recommend that stakeholder concerns follow the PCHS complaint procedures to seek resolution.
8. Each Board member has a fiduciary responsibility for the funds entrusted to the school and for sound budgetary management.
9. Each Board member must in “good faith” make themselves available to all stakeholders (students, staff, parents, and community) for at least one hour per week.

I acknowledge that I have read and understand this information regarding the roles and responsibilities of PCHS Board Members.

Empowering Educational Excellence.

PCHS BOARD MEMBER ROLES AND RESPONSIBILITIES

The purpose of the Board of Trustees (BOT) of Palisades Charter High School is to act in the best interest of the residents of the State of California and PCHS's stakeholders to ensure that PCHS:

- a) Achieves appropriate results, in an appropriate manner, for its students in accordance with its Charter**
- b) Ensures PCHS operates in a fiscally responsible manner and**
- c) Avoids unacceptable actions and situations**

Members of the Board of Trustees have legal and fiduciary responsibilities to the school. The BOT are responsible for maintaining fiscal accountability, financial oversight, and governance oversight.

Code of Conduct:

1. Each Board member has a fiduciary responsibility for the funds entrusted to the school and for sound budgetary management.
2. A Board member informs oneself of PCHS's history, mission, goals, and legislation governing education and Charter schools.
3. A Board member reads the approved Charter and is familiar with school policies.
4. A Board member comes to meetings prepared and ensures the school's interest above their own self-interest.
5. A Board member ensures he/she understands an issue before voting.
6. A Board member understands Governance is not Management.
7. A Board member respects confidentiality of Closed Sessions.
8. An individual Board member does not impose a personal agenda on the Executive Director.
9. A Board member clarifies concerns with the Chair and members of the Standing Committees.
10. A Board member does not deal with problems brought to their attention on an individual basis and brings that problem to the attention of the Executive Director or Board Chair.
11. A Board member recommends all stakeholder concerns follow the [PCHS complaint procedures](#) to seek resolution.
12. A Board member follows sound communication practice, adheres to the Brown Act, and refers all press inquiries to the Executive Director.
13. A Board member regularly attends Board meetings, Special Board Meetings, and related meetings.
14. A Board member actively participates on a standing committee.
15. A Board member is aware of current operations, concerns, and legacy issues.
16. A Board member attends all Board trainings.

PALISADES CHARTER HIGH SCHOOL

Empowering Educational Excellence.

Board Communications/Responses

- What is the protocol when 1 or all Trustees are contacted by a constituent?

The most common governance protocol is to have the Trustee(s) refer the concern to a single point of contact (in our case, Dr. Magee), with a report back to the constituent, (copying Dr. Magee) that you are referring the matter to staff for review and response.

Saying something like “I will research the issue” suggests to the constituent that the Board member will be the lead and is the one ultimately accountable for investigating/responding. This approach is consistent with the concept that the Board sets policy and staff implements the policy; in this case the Board adopts policies (or state law might/does) for the handling of complaints, and staff is responsible for implementing the policy. This distinction between the “what” (policy) and the “how” (implementation by staff) also allows the Board to hold staff accountable when the “what” is not implemented or accomplished.

Trustees do not have the authority to give direction to staff - a Board majority does, but not individual Trustees.

- What should a Trustee’s response be if contacted by the press?

Generally it is a good idea to have a single, designated spokesperson for the school. This ensures consistency of message. Dr Magee would be the person to whom we would refer the press by saying “Dr. Magee is the best person with whom to speak on this subject”. If a Trustee is at a PCHS event and asked to comment about the event, making a comment is fine. It is when there is an on-going situation that referring the press to Dr. Magee is in order.

- Are Trustees permitted to meet with constituents?

Absolutely. Getting information and feedback from constituents is the role of a Trustee. It is important that the Trustees make clear what their “lane” is and stay in their lane. Depending on the purpose of the meeting, it is important that the Trustee make clear that the information they receive should go to staff or will be forwarded to staff, as it is their (staff) responsibility to follow up.

PCHS Recusal Policy

PALISADES CHARTER HIGH SCHOOL RECUSAL POLICY

It is the policy of the Board of Trustees (“Board”) of Palisades Charter High School (“PCHS”), a California nonprofit public benefit corporation that operates a California public charter school, to maintain a Recusal Policy to avoid actual or what may appear to be conflicts of interest and to ensure the highest degree of integrity in the decision- making process.

PURPOSE AND EFFECT

The purpose and effect of this policy is to supplement PCHS’s Conflict of Interest Code and to establish a clear process for when Board members with a conflict of interest or potential conflict of interest know how and when to disqualify/recuse themselves. This policy takes into consideration the requirements of the Political Reform Act of 1974, Government Code Section 1090, Education Code Section 47604.1, and the California Nonprofit Public Benefit Corporation Law. In the event that this Policy conflicts with federal or state laws or regulations, the federal and state laws or regulations will control, to the extent applicable to PCHS.

Conflict of interest laws and regulations apply to all Board of Trustees. Members of the Board that are also employees of Palisades Charter High School face additional certain risks of potential conflicts due to their dual roles with the Corporation. In order to protect the individual Board members, the Board of Trustees, and PCHS from potential liability, the following guidelines are provided.

II. DISQUALIFICATION/RECUSAL

A. Non-Employee Board Members

Non-employee Board members may not participate in open or closed session discussions of the Board involving any of the following topics:

- i. Discussions or actions as to transactions or contracts in which the Board member, or his or her spouse and/or children, has a material financial interest.

B. Employee Board Members

A Board member of PCHS who is also at the same time a PCHS employee shall abstain from voting on, or influencing or attempting to influence another Board member regarding any of the following topics:

- i. Discussions or actions as to transactions or contracts in which the Board member, or his or her spouse and/or children, has a material financial interest;
- ii. Discussions or meetings as to the appointment, employment, compensation,

performance evaluation, discipline, dismissal of, or hearing of complaints, claims or charges brought against a PCHS employee or employees, especially including any employee or employees who are responsible for supervising and/or evaluating the employee Board member. This rule shall not apply to the administrative representative on the Board;

- iii. Discussions or meetings with legal counsel concerning any pending or ongoing legal matters in which a current or former PCHS employee is a party in his or her personal or official capacity;
- iv. Discussions or actions regarding the salaries, salary schedules, or compensation paid in the form of fringe benefits of PCHS's employees;
- v. Any discussions or meetings concerning negotiations with a collective bargaining unit or regarding the formation of a collective bargaining unit for PCHS's employees;
- vi. Consideration of claims made against PCHS for money and/or damages where the claimant is a current or former PCHS employee.
- vii. All matters uniquely affecting the Board member's employment.

III. PROHIBITED CONTRACTS UNDER GOVERNMENT CODE SECTION 1090

A. Non-Employee Board Members

The Board of Directors shall not enter into a contract or transaction in which a non-employee director directly or indirectly has a material financial interest (nor shall the Corporation enter into any contract or transaction with any other corporation, firm, association, or other entity in which one or more of the Corporation's directors are directors and have a material financial interest).

B. Employee Board Members

The Board of Directors shall not enter into a contract or transaction in which an employee director directly or indirectly has a material financial interest. However, the Board of Directors may enter into a contract or transaction involving the general employment of a Director if the employee Board member abstains from voting on, influencing, or attempting to influence another Board member regarding all matters uniquely affecting that member's employment.

IV. MANNER OF DISQUALIFICATION/RECUSAL

For all Board Members required to recuse themselves under this policy, the interested Board member(s) shall disclose the disqualifying interest at the meeting prior to the Board's consideration of the matter taking place. This disclosure shall be made part of the Board's official record. The Board member shall not participate in the decision in any way. By law, this means that the Board member with the disqualifying interest shall not vote on the matter and shall leave the room during Board discussion and final voting. Additionally, the Board member with a disqualifying interest may not attempt to influence Board members or other decision-makers outside of a meeting.

In accordance with PCHS bylaws, if a Board member or members refuses to recuse himself or
Drafted 09/25/19

herself where the Board believes recusal is warranted, the Board may vote to cause involuntary recusal by majority vote, excluding the member or members with the perceived or actual conflict of interest.

ADOPTED: Approved by the Board of Trustees on September 24, 2019

Drafted 09/25/19

Math dept teachers (Name Removed) needs improvement.

The quality of education has not been good for math and science with distant learning. Students need back in the classrooms!!!

Amazing group of people, working hard to give the students the best experience possible.

I think more should be done during this distance learning to teach. Not just give assignments.

On Line learning since COVID-19 was not effective for our child.

Grading policies during quarantine are not fair. Online learning is impossible for some kids. Getting no credit is not the same thing as not being penalized. How is having to retake a class not a penalty? Kids from under served communities and kids with learning disabilities are getting screwed by these policies while kids in the middle are benefitting from higher grades.

Ps the system would not let me submit this unless I checked at least one box in the third question about administration.

The clash between administration (specifically the negotiations team) & faculty must end. I do not want to hear any more empty accolades when neither I nor my students are supported by my principal in any tangible way. Pali is no longer a place I am proud to work at, even though I will always give my all for my students.

I love teaching at PCHS.

Have a great summer

Contract negotiations are not going well.

Teachers and staff need to be compensated appropriately for the amount of work we do for our students. And recognized by admin, instead of feeling pressure from them to do more and take on more, or that we are not doing enough. Pali faculty goes above and beyond to the point of burn out. UTLA is fighting for a tiny sliver for us, and the board and admin keep shooting it down. Without properly compensating good teachers and counselors, there is no learning and no almost immaculate graduation rate. Feeling very frustrated that Pali admin and board extend the negotiations, dilly dally, and did not give us a raise when LAUSD got one 1-2 years ago.

I think the teachers and probably counselors, too, did an extraordinary job in making online work with little to no online training and a moment, it seemed, to prepare. We learned, adapted and performed. I surely appreciate the accolades from admin. on zoom meetings, but when we see lack of action in the negotiations reflecting those accolades, it is below discouraging. It completely invalidates the accolades. I am a hard worker, but with this online learning it was regularly 10 hour days and the stress trying to learn all the new tech was crazy laborious. If the admin. really meant what they said and to some degree I think you all mean it. Why can't some of the surplus money from us not being

at school be given to us as some kind of bonus. Wouldn't you want that for us? If you truly meant what you said, you would want us to have it because you believe in us. This should have nothing to do with negotiations...you just want us to have it. Great leaders actions align with their speech.

(Names Removed) are the heart and sole of the school. Always available, always positive.

I am very fortunate to have students that have been following my daily class routines with regards to submitting assignments within the allotted class period time throughout the physical closure of the school.

I am very fortunate to be at such a wonderful school

thank you to all have helped me. Special shout outs to tech dept, Monica I, and John V

I don't really feel safe answering any questions other than the ones about my teaching and my colleague's teaching. The following events have made me feel uneasy and distrustful unfortunately and I fear retaliation. (Name Removed) has spies she asks to report out after UTLA and faculty only meetings = no voice, for fear of retaliation. The Lawyers have misinterpreted code to silence our teacher voice on the Board. Decision after decision shows that teachers are not valued assets that literally ARE the school- but expendable #s that can be easily replaced- (Name Removed) opinion of National Board Teachers. Administration is top heavy with non-educators making important budget decisions. (Names Removed) are all doing great work. The system that was in place- (Name Removed) having a robust team of NBC Teachers running everything from Testing to teacher support was gutted immediately after our 6 1/2 year WASC Review. Their report literally said that these achievements were only possible because of the structure of the school. The actual fundraising that goes on because of teachers and coaches and the Booster Club is claimed by the non essential (Name Removed) position. Very much waste of money at the top and classrooms bear the burden. :(disappointed.

What a year! Thank you for all your support, guidance, and positivity.

Thank you for your support! I am proud to be part of this school.

I feel that PCHS has the vision of what it wants to be but has a difficult time getting there. There is a lack of trust and communication between the faculty and administration.

Teachers have worked again without a contract and there seems to be no real effort by the administration to resolve this issue.

Teachers really stepped up to the plate when we transitioned to e-learning.

Happy soon to be summer! :)

I have truly enjoyed this school year even with all the difficulties of the fire in October and the COVID-19 closure... its been a great year... just very different than usual.

Expectations should be delineated BEFORE the survey and end of year PLC questions

Very organized, high functioning school, great students, supportive parents

This has been a very eventful and unforgettable first year at Pali but I am ready to take on next year :)

The potential for PCHS is enormous. The gap between what "is" and what "can be" is frustrating.

Transparency would go a long way in healing the credibility of leadership. Checks and balances are needed to better deal with local community agendas and fears when it comes to protecting the diversity of students and staff on campus.

i am very happy here

We may have issues that bubble up but I feel so very fortunate to work here.

Overall, a good environment to work in. Students would greatly benefit from a vastly improved cafeteria. This is the 21st century.

More and more, teacher voice and input are not taken into consideration authentically.

PCHS does not support and value its teachers. We have been working without a contract since last year. Admin and the BOT gives us lip service about how important we are, but then stabs us in the back when it comes to funding (even something as simple as IMA). The school has gone downhill in the past five years but no one on the BOT wants to hear that. Pali squelches any dissenting voices. Pali is more concerned with how we are perceived by outsiders as opposed to what is really going on within. There is a cancer eating away at PCHS that no one in a leadership position wants to address and no amount of "fun and games" or \$5 gift cards will help this. The only reason why the school is successful is because of the teachers not in spite of the teachers.

For the statement "Problems and conflicts are dealt with in a fair and constructive manner." I disagreed. I disagreed because several times throughout the years that I've taught at Pali, I've been given students (sometimes mid year) because other teachers in my PLC can't relate with students on a social and emotional level. It is not fair. Counselors and deans max out my classes because kids don't want to be in other history classes. You are literally punishing the good teachers when you do this, For example, this year two kids were caught cheating in another teacher's class. The solution? Put both kids in my class IN THE SAME PERIOD. Again, this is not fair. Another example, two kids with special needs were put in my class because the same teacher couldn't handle them. Again, this is not fair.

Management and the BoT used NBC teachers as leverage to divide the faculty. Management and the BoT uses a two tiered system for life time health benefits to divide employees.

Management and the BoT did not renew a contract with its employees.

There is a lot of talk about care for the employees but NO action.

What is the process for evaluating Administration?

Disgusting!

If we continue eLearning or we end up doing it again in the future, I think coming together for questions, discussing challenges, and more consistency with policies, etc across the board will be helpful. It was thrown on us this year so there wasn't time for that, but moving forward I think it would need to happen to be more effective.

The E-Learning is new to me. We use Welligent in the special education department and have many requirements for this including tracking, writing IEPs, monitoring goals and that takes up a great deal of time.

I have had some challenges learning the many other online platforms on my own by watching videos, etc. I personally, need more hands-on training and I hope we can get this in person at some point. There is a lot to learn and it has been a little difficult watching videos and being on a screen all day, every day. At times I feel my eyes are getting tired (as I'm sure we all do).

I enjoy working here. This has been a wonderful blessing in my life and I can say that I love what I do here at PCHS.

I watched my daughter be actively engaged with E-Learning and appreciate how hard my colleagues worked through these challenging times. PCHS ROCKS!

Love it. Wouldn't work anywhere else.

Parents are extremely used to pushing teachers to give their children higher grades.

None

Very good collaboration in many areas - see people trying very hard and am grateful to be working with our student population. Certain decisions are differ from my approach and values, but respect everyone's efforts.

yes

Feeling more and more isolated and not just because of teaching from home - even while at school. I had one exceptional PLC that kept me motivated and was the epitome of collaboration. The other "communities" of which I was a member did not have the same level of commitment to each other and to real collaboration and sharing. For years, accountability has become an issue and we are not addressed as individuals as to our responsibilities.

One PLC used the group norms to make a decision and then not everyone followed through with that decision. It is frustrating to work with a group and not everyone is fulfilling their obligations. It is compounded by the constant way in which the misbehavior and irresponsibility of a few people is attributed to the faculty or group as a whole. I have heard more than once "You all need to..." whatever a few didn't do. I feel like decisions are made to account (make-up) for those few people who are not willing to abide the policies, act professionally, address the needs of all students, and fulfill their responsibilities as educators. I am tired of having to fill out forms, change a grading scale, participate in training, etc. because of these individuals. I myself feel like I am not held accountable as an instructor but I make the decision each day to be the best instructor/educator possible. I

would welcome more accountability myself if it meant others would improve (or move on) and we could create a better working and learning environment.

Not at this time

Thank you to all those that dedicated time to make sure that all of our student's concerns and needs were met. This semester proved more than ever that we, the PCHS community, can come together to resolve issues and adapt to any type of challenge. We all did what we needed to do in order to make this a successful semester under such unprecedented and historic circumstances.

Despite the unusual end to the school year, it was a terrific year at Pali!

NO

I think PCHS cares deeply about students. Not so much about teachers. The praise is superficial and verbose, but the actions make those words feel empty. I am not just referring to the lack of a significant raise. More so the ways in which our needs are dismissed, our experiences during covid brushed aside, but the emphasis on the student experience is highly accommodated (which I strongly support, I just thought PCHS would extend that understanding to teachers.) I am referring to having a 3hr Zoom Faculty meeting with professional development on EdPuzzle, that many of us have been using this entire time we are on eLearning. On a Friday, after a grueling week of hosting Zoom after Zoom and staring at a screen more than any of us ever have, we had a 3 hr meeting. No one made accommodations with us in mind. Like, "Hey, let's get right to the nuts and bolts and tell them the important information." Any and all information we were desperately seeking in terms of planning, grading scales and the like were held hostage until the very end of the meeting. That is one of many ways that the teacher experience is overlooked.

I also think the school lowers the standards constantly to avoid conflict, parent push back or litigation. And I am not referring to the covid grading scale. Just an observation on campus. Not once have I heard any discussion of higher level thinking, critical thinking skills, DOK, rigor and relevance etc. This is a very social/emotional based school, which I believe is paramount to the rest, but the rest is the meat of education and can't be overlooked. Kids will meet the standards we set for them. If we don't set them high and provide support for them to succeed, we are indirectly telling them that they are incapable of doing more.

Very proud to be part of PALI. :)

It's not clear what the term "confidential" means at the top of this form, as we don't really know whom we are writing to anyway.

I MISS PALI but don't want to return until it is safe to do so

I miss being on campus & seeing my students and peers

I love Pali.

I am thankful for the short time I had at Pali

Glad to be there! :)

There is a fair amount of tension between teachers and administrators, making it uncomfortable at times.

This has been a disappointing year in many respects. Some of the reasons have been out of our control: fires, Covid-19. But the failure to negotiate a new contract, incompetent financial management, racist and sexist incidents with students, and an administration that constantly touts their appreciation for the faculty without actually showing any sincere appreciation have damaged my connection to the school in a way that feels like a real challenge to overcome. To have your opinion requested and to have it continually ignored is extremely dispiriting. To feel like you have no voice is depressing.

My colleagues in my department are the finest I've ever worked with in my entire career.

Thank you for a great first year at Pali!

I love Pali!

I have had generally positive experiences here, except for several inconsistencies with payroll. I don't have a lot of faith in the PCHS employees in charge of finances and payroll.

I feel that admin needs to handle serious discipline issues better, i.e. the noose issue from two years ago, and the rating of females students this year.

It was definitely a unique way to experience my first year at Pali. But my colleagues have been so helpful and encouraging to me. I feel I was not able to connect with as many people as I would've liked, but that is also my own fault for being tunneled vision and "surviving" in my own classroom. I am very thankful to have moved here from my other school. My work feels more meaningful and I my students have been so incredibly sweet and mature (esp. during the time of distant-learning). I do wish I had more time with the admin to fully show what I am doing in my classroom, but I know there is more years to come.

no not now

Overall good

The cell phone problem is out of control. We need a solution.

We have lost our sense of where we're going and how to be excellent. The school makes decisions based on fear of lawsuits rather than what's in the best interests of the educational program. There is a complacency about academic excellence. We are spending money in the wrong places.

it has been a wonderful and eventful first year at Pali and I look forward to next year already.

Very positive and supportive year. I'm already reflecting on what worked and what didn't work and making adjustments for a better curriculum next semester whether we're in the classroom or teaching remote.

When a negative interaction occurs between Admin and Staff, the Staff eventually hear about it and morale goes down.

Thank you for another great year together!

Love working with the kids and my colleagues. Thank you to the administration

Impose appropriate consequences for student who violate the conduct code and student expectations, be more proactive rather than enabling students with bad attitudes, bad language, disrespect for other students and teachers, etc.

Pali needs to financially support their travelling students, without whom, this school wouldn't survive. A student who travel brings in the same money as a student who walks to school, yet works many times harder to do so. They should be rewarded with transportation and equal access to governance. Students of color need to be protected by holding students, parents, faculty, administrators, and board members accountable for racism and discrimination as well as inaction in the face of racism and discrimination.

Pali is a good place to work; there are, however, strong personalities in each department who believe that, somehow, their practices are superior to others. This makes for tension. Such colleagues tend to look down their noses at educators who may approach their profession differently. Also, I fear that our school does not emphasize learning for learning's sake. The emphasis on g.p.a. and extra-curriculars, while understandable, also tends to turn many students into "achievement robots." Some of these students were only too happy to stop this "game," to sleep more, to find some balance in their lives, to entertain forgotten hobbies, during our unfortunate pandemic.

Improve transparency- need task force

Overall, good.

Go Dolphins! I love Pali!

I really enjoy working at this school and have learned so much from my coworkers. I wish the administration was in the class more and maybe even came on some of our class zoom's during E-learning. I feel a big divide between the teachers and Administration especially working without a contract.

I don't think putting a fence around the school makes students safer. It makes it feel like we are in a prison and creates a false sense of security.

Attendance was my biggest issue. Even when students had a computer and internet access many never or rarely checked in. Some students thought that all they had to do was check in on the attendance, but not do any work. How can we make it clear going forward that work completion and participation are required to earn a passing grade? Perhaps we need to develop a contract that the

students and the parents sign agreeing to participating during school hours and completing their work.

I held Zoom sessions for all of my classes. I did not Zoom for the entire class, but I did make sure everyone understood the assignments and got their questions answered.

One other thing - there are many teachers who would like to teach from our classrooms at Pali and not from home. At school we have access to our materials and for me, much more reliable internet.

Thank you for taking the time to listen.

Very disappointed that certain academic classes/programs that make the school look good have been cut like a slice of cheese without any consultation.

I am proud to be a Pali Dolphin, and I am proud to work with students that are culturally diverse, extremely respectful, and incredibly intelligent. Additionally, I am content working with faculty, staff, and administration. I feel supported by PCHS; however, I feel that our some of our underperforming students do not always get the necessary respect, accommodations, or resources to be successful. What a school year this has been! The online teaching experience has been inspiring in many ways, but no less exhausting, up to the very end. This time, different body parts will need time to heal and repair. Thank you, Admins, for working it from your side!

Very difficult year- the tension seems to be mounting on campus. Very little care and attention to value of students and staff of color.

I think we navigated a brutal year with aplomb and integrity.

It's pathetic and not conducive to the best work environment when there is no contract going into a second year.

none at this time

Pali has not truly addressed many of the issues that have come to light within the past 5-6 years. Such as staff moral and the cultural racism that seems to plague our campus. Our faculty and administration seems to display a "cliquish" type of mentality. The same individuals are able to receive out of classroom positions, auxiliaries, and positions. Certain individuals are accepted at the table, while other are dismissed. Teachers are not acknowledged for their efforts or what they may bring to the table. Unfortunately, when I began at Pali it was not like this, but has declined over the years. I am afraid we may not be able to live up to our mission statement, which is very disconcerting. I use to be proud to say I was a teacher at Pali, now I am embarrassed to acknowledge that fact. The culture on our campus is not welcoming to ALL and is not EQUAL to ALL.

What grade would you give the school?

Re: Initial Proposal for 2020- 2021 Negotiations

Dear Dr. Magee:

This proposal is submitted for purposes of informing the public pursuant to the Government Code 3547. The Palisades Educational Support Personnel United requests that the Palisades Charter High School Board present this proposal at the next scheduled Board meeting.

The Agreement is subject to negotiations at this time. The union proposes to negotiate the following Articles and related Appendices:

ARTICLE 9 – HOURS AND OVERTIME

9.9 There shall be no transfer of work or assignment of work which has been traditionally or customarily performed by Unit Members to non-Unit Members of the employer or to workers not employed by PCHS.

Article 12 - WAGES AND SALARIES, PAY ALLOWANCES, DIFFERENTIALS, AND SPECIAL SALARY PRACTICES

12.1 Wages and Salaries: Amend 12.1 to include the following:

2019-2020: 0.5% on schedule, retro to 7/1/19, and 1.0% off-schedule bonus

2020-2021: 0.75% off-schedule

ARTICLE 15-REDUCTION IN FORCE

~~15.1—A reduction in force is defined as a reduction in the number of hours or number of days in a position due to programmatic changes or a reduction in funds and shall be preceded by sixty (60) days advance written notice to the unit member.~~

~~15.2—If a reduction in force takes place, PCHS will utilize seniority within classification to determine the order of layoff and any applicable bumping rights. In the case of a tie, the~~

~~following criteria will be used as a tiebreaker:~~

- ~~• Qualifications of the unit member~~
- ~~• Expertise within the classification~~
- ~~• Relevant knowledge (i.e. relevant training/certifications, etc.)~~
- ~~• Performance Evaluations~~

~~15.4 Unit members laid off shall be offered a vacant position for which he or she is qualified for a period of up to twenty-four (24) months from the date of layoff. In the event an employee on the re-employment list refuses an employment offer, he or she will be removed from the re-employment list~~

15.1 Layoff shall only be for lack of work, lack of funds, or discontinuance of a particular program that necessitates a reduction in classified staff.

15.2 Layoff Procedures

15.2.1 Seniority – The Order of layoff shall be determined by seniority within the classification of employment. Seniority shall be determined by first date of paid service within the classification. If two (2) or more Unit Members subject to layoff have equal seniority, then the layoff determination shall be made by lot.

15.2.3 Notice of Layoff- The District shall give sixty-(60) calendar day's written notice off layoff. Any notice of layoff shall specify the reason for layoff and identify by name, class and position, the Unit Member designated for layoff.

15.2.4 Bumping Rights - A Unit Member laid off from his/her present position may bump a less senior person within the classification or the Unit Member may bump into any classification in which the Unit Member has previously worked for which the Unit Member has sufficient seniority over others.

15.3 Recall

15.3.1 Laid-off Unit Members are eligible for reemployment in the class from which they were laid off for thirty-nine (39) months and shall be recalled in the reverse order of layoff and in preference to new Unit Members. Unit Member who take voluntary reduction in assigned time in lieu of layoff shall, in addition to the thirty-nine (39) months, be granted an additional twenty-four (24) months of reemployment rights.

15.3.2 If a Unit Member is recalled to a position other than the one from which he/she was laid off, the Unit Member shall have the first right to return to his/her original position.

15.3.3 The recall notice shall be sent by certified, return receipt letter to the laid off Unit Member's last known address.

Article 16 - PROFESSIONAL GROWTH PROGRAM

16.6 During student free days in the ~~2011-2012 school year, there shall be two (2) professional development days scheduled regarding technology, office skills and related subjects.~~ during the 2020-2021 school year, there shall be up to two (2) days of paid voluntary professional development scheduled.

ARTICLE 20 - TERM OF AGREEMENT

20.1 Term: This Agreement shall become effective upon ratification of the parties from July 1, ~~2016~~ 2019 and shall remain in full force and effect, pursuant to its terms, to and including June 30, ~~2019~~, _____ and thereafter extended on a day-to-day basis until canceled by either party upon ten (10) days' written notice.

ADDITIONAL ITEMS:

- The union proposes to list any new position the positions that have been added to the bargaining unit in the Agreement where appropriate and to the salary schedule.
- Open Any Related Appendices to the Article sunshined above
- The Union reserves the right to bring any other issues at a later time.

CHARTER SCHOOL COMPLIANCE MONITORING
2020-2021

Dear Charter School Governing Board President and Charter School Leaders:

As part of its oversight responsibility set forth in California Education Code § 47604.3, the LAUSD, through the Charter Schools Division (CSD), monitors each charter public school's compliance with applicable legal, charter, and policy requirements. The CSD's compliance oversight process encompasses three important actions by each charter school:

- (1) **School Administrator's Certification**: As the CSD continues its focus on ensuring that the well-being of students remains first and foremost, **by October 23, 2020**, (designed to be aligned with the six week deadline for Child Abuse Mandated Reporter training) as part of the school's Q1 electronic submission of documents, we request that the school site administrator submit the attached certification confirming the school's implementation of safety measures at the beginning of the school year. This beginning of the year certification by the school administrator informs the governing board and supports the school in ensuring that critical organizational and management systems are in place as the school year begins, as these requirements greatly impact students, staff and the public. **Please return the entire document with only the school administrator's columns completed, along with the administrator's signature no later than October 23, 2020.**

- (2) **Certification of Board Compliance Review**: As in previous years, and as part of the Governing Board's fulfillment of its fiduciary governance responsibility to ensure that the charter school complies with all applicable laws and other requirements, it is critical that the school's Governing Board periodically review, discuss, monitor, and modify, if necessary, the school's policies and systems for compliance with such requirements. **Please complete and sign the *final* certification at the end of the attached document, *Compliance Monitoring and Certification of Board Compliance Review 2020-2021*, and return the entire document, (including the administrator's certification from the first submission). Please include the relevant Board agenda(s) and minutes as evidence of the Governing Board's review of these items and submit to the Charter Schools Division via Dropbox no later than January 8, 2021.**

The CSD is very much aware and acknowledges that governing boards provide fiduciary oversight and hire a leader (or leaders) to execute day-to-day operations and appropriately delegated functions. Moreover, the charter school's governing board is the first line of charter school oversight. As part of the District's oversight process, this certification is intended to serve as a formal acknowledgement from charter school governing boards of their review and appropriate due diligence in these key areas as part of their own organizational oversight function. This annual certification also provides charter governing boards an opportunity to confirm with their school leadership that systems are/remain in place to fulfill these critical requirements that impact students, staff, and the public.

- (3) Documentation of Compliance: As we have historically done, the CSD will review documentation of compliance with several key legal requirements as part of this year's annual performance-based oversight visit to each charter school. To facilitate effective and efficient compliance review on the day of the visit, please adhere to the guidance provided in the *Annual Performance-Based Oversight Visit Preparation Guide 2020-2021* for the preparation of the school's compliance documentation. Please ensure that this documentation is current, complete, and accurate. The "Supporting Documentation" column of the table in the attached *Compliance Monitoring and Certification of Board Compliance Review 2020-2021* may provide useful support and assistance in this endeavor.

We appreciate your continued collaboration and cooperation as we work together so that all youth achieve in healthy and safe environments. Should you have questions, please contact your assigned CSD administrator.

Best wishes,

José Cole-Gutiérrez
Director, Charter Schools Division

2019-2021 PCHS Schoolwide Goals

Our mission: PCHS will empower our diverse student population to make positive contributions to the global community by dedicating our resources to ensure educational excellence, civic responsibility, and personal growth.

PCHS will improve consistency in instructional curriculum, policies, and practices to increase student-centered learning.

SMART Goal 1: Two **parent information nights** for continuing/current students per year (one each semester); one parent information night for parents of incoming students videotaped, posted on website, and communicated out to the school community.

SMART Goal 2: Increase student information meetings to ensure all students have access to academic resources, advanced level courses, and support systems.

SMART Goal 3: Report back by faculty on PLC Notebook on comments to monitor curriculum consistency. Add rubrics on homework contract and grading. Syllabus Collection on Schoology.

PCHS will utilize communication systems currently in place to convey PCHS's strengths, needs, data, and opportunities for participation so that all stakeholders are well-informed and understood.

SMART Goal 1: PCHS will continue to update and organize the school website, focusing on staff directory and communication of new or proposed schoolwide changes in policies and practices.

SMART Goal 2: PCHS will create a communications audit and directory. The hyperlinked audit will become a resource so that pertinent communication avenues can be promoted at all stakeholder meetings and events.

SMART Goal 3: PCHS will create quick, periodic stakeholder feedback opportunities. These short surveys can take place after events and major announcements via the PCHS parent newsletter.

PCHS will continue to cultivate and expand opportunities for social-emotional wellness development and stress management both inside and outside the classroom.

SMART Goal 1: Faculty and staff will be able to identify socio-emotional student supports and how to access them evidenced by participation in professional development held by October 2, 2019.

SMART Goal 2: Students and parents will be able to access information regarding student socio-emotional support via PCHS social media, website, and flyers evidenced by hits on social media and/or 50% of positive responses on 2020 student and parent surveys.

PCHS will commit to equitable policies and practices to ensure PCHS's diverse student population has access to academic opportunities.

PCHS will maintain a balanced budget and build a fund balance for the future. Identify clear budget priorities.

SMART Goal 1: Increase classroom IMA by 50% from 2018-19 through fundraising.

2019-2021 Schoolwide Goals/Monthly Progress Update
December 2019
May 2020

Our mission: PCHS will empower our diverse student population to make positive contributions to the global community by dedicating our resources to ensure educational excellence, civic responsibility, and personal growth.

PCHS will improve consistency in instructional curriculum, policies, and practices to increase student-centered learning.

Department Policy Review - At the beginning of the 2019-20 school year, PCHS audited all Spring Semester syllabi to verify the inclusion of updated and new school policies. The next step for 2020-21 is a deeper dive into Department and PLC grading policies and practices to ensure consistency and equity.

New policies adopted to reflect current school needs include:

Civility Policy - January 2020
eLearning Policies - March 2020, April 2020
2020 Grade Policy - April 2020.

Schoolwide Professional Development/Training focused on student-centered learning opportunities include:

Recognizing and addressing implicit bias
Culture of Integrity in the Classroom
[Chartering our Future to Opening Doors](#)
-Transgender student presentation
-School Culture: Schoolwide goals review and input
-Culture and Climate: Council and mediation training
-Safety: CPR and Compressions
-Technology: Schoology/PowerSchool updates.

Articulation with Paul Revere Charter Middle School

Administrators from the middle school and high school meet periodically to discuss common interests including recruitment and enrollment, academic programs and placement process, professional development, math articulation and training with the UCLA Curtis Center, and transportation programs. This valuable relationship has been important for the smooth transition of incoming 9th grade students and parents.

Math Success Task Force - This stakeholder group meets quarterly to identify department and student needs and strategies to make math more accessible for students. The Task Force analyzes student progress data and makes recommendations regarding placement practices, course offerings, instruction and intervention strategies, professional development/training, and department/PLC policies.

SMART Goal 1: Two **parent information nights** for continuing/current students per year (one each semester); one parent information night for parents of incoming students videotaped, posted on website, and communicated out to the school community.

TVN and FUN hosted a **Saturday morning Parent Back to School event** (September 21) for parents who were unable to attend Back to School Night. Academic counselors and the College Center advisors provided information. The Study Center opened to assist parents with Infinite Campus and Schoology. Administrators and academic department representatives were on hand to share information. PCHS posted meeting materials on the school website.

PCHS hosted a New Family Informational Breakfast to provide parents with information about PCHS policies, programs, curriculum, and resources. Other parent outreach meetings include:

- The Village Nation Saturday Parent Informational meeting
- Fuerza Unida Parent Info Saturdays (2 meetings)
- Long Term Strategic Planning - Saturday morning and Wednesday evening meetings
- New and Prospective Parent Night
- FOCUS parent education program.

SMART Goal 2: Increase student information meetings to ensure all students have access to academic resources, advanced level courses, and support systems.

2019-20 Student Information meetings include:

- Counseling Office - 4-Year Planning Meetings for all 9th graders
- Grade level meetings (one per semester) facilitated by Class Presidents in the PCHS Gym address resources available to students for academic and mental health support
- College Center parent and student meetings:
 - August 19th, 20th, 21st - Senior Presentations (covers college planning meetings, early decision/early action, letters of recommendations and Naviance Student, Financial aid, UC/CSU requirements, activating senior file, essays, etc.)
 - Individual Senior Planning meetings regarding college choices, selection, requirements, testing, submissions, and application deadlines
 - Information mailed and posted for AP/PSAT
 - Daily (Up to 7 per day) College informational meetings from College Reps – open to all Seniors
 - October 7th – College Fair
 - October 12th CSU/UC Workshops
 - October 16th Financial Aid Workshop (6:30 – 8:30 P.M.)
 - October 23rd Canadian Colleges Fair
 - Ongoing informational updates regarding AP Testing
 - Informational meetings with seniors regarding the entire application process (sending test scores, application submission, and all processes pertaining to applying to college)
 - Senior individual Meetings regarding Letters of Recommendation

- January 25th AP/Subject Tests Information Night
- January 27th, 28th, January 30th and January 31st (Junior Presentations to introduce juniors to the entire college process)
- Ongoing Meetings with Seniors regarding Mid-Years Reports
- February 5th TVN (College Center Rep) To inform African-American Parents on the college process/financial aid process and relevant information
- February 22nd Fuerza Unida (College Center Rep) To work with and inform Latino students on the college process/financial aid process and relevant information
- February 25th Trip to UCSB with students (Presentation by UCSB Representatives on freshman requirements for admission and a tour.
- Santa Monica College ongoing informational meetings - Seniors
- One-on-one Junior Meetings
- Trip to Santa Monica College – cancelled due to COVID-19 closures
- Scheduled SMC Meetings with Seniors - cancelled due to COVID-19 related closures
- One-on-one Junior Meetings.

Fuerza Unida and The Village Nation hosted informational meetings during the school day specifically designed for Latin X and African American students. Presentations from the Counseling Office, College Center, Study Center and Academic Achievement coaches addressed topics such as A-G requirements, the Attack of the Zeros, and Positive Mindsets.

Men's Group Meetings facilitated monthly by the Unification Director focused on improving flow of information and instructional practices. Feedback from the group resulted in changes to counseling office presentations to ensure more students understand A-G requirements and the impact of course selection and completion as 9th graders.

Buzz Feed sessions were initiated during second semester. Each week randomly selected students from all grades participate in a council discussion with the Unification Director and EDP about their experiences at PCHS. A team of three students have been trained to lead the Buzz Feed meetings, collect feedback, and provide recommendations to the administration.

Senior Caucus created to advise the school on alternative culminating activities for the Class of 2020 due to COVID-19 closures.

SMART Goal 3: Report back by faculty on PLC Notebook on comments to monitor curriculum consistency. Add rubrics on homework contract and grading. Syllabus Collection on Schoology.

Fall 2019 Notebooks revolved around evidence collection from these different areas: PLC SMART Goal, PLC meeting minutes, Pacing Plan/Calendar/Unit Plans, Lesson Collaboration and Lesson Study, Common Assessments or Performance Tasks, Graded work samples and subsequent data from them, and a PLC Team reflection on their SMART goal progress. However, we have changed the focus and component of the spring notebook to reflect our highlights in eLearning.

Spring 2020 PLC Folder instructions:

This semester, PLC notebooks highlight eLearning work. PLCs will organize these eLearning highlights by practices promoted by ISTE. ISTE is the foremost organization in teaching technology standards in the classroom. For each ISTE practice, the PLC uploads a document or highlight a practice that provides examples of how the learning community has performed them in eLearning. For more information, please refer to <https://www.iste.org/explore/learning-during-covid-19/10-strategies-online-learning-during-covid-19>.

1. **Digital Equity:** Most families do not have one computer per person. During a school shutdown, parents may also be working from home, meaning several people could be competing for one or two computers. Therefore, make sure all online apps work on mobile devices in case a laptop is not available. Keep in mind that students who have individual education plans (IEPs) need to have access to their specific accommodations during the closure, including video access to aides and logins for apps.
2. **Practice:** Teachers should train themselves and their students on the apps and technology tools they need to use in the event of closure.
3. **Clear expectations:** Everyone's anxiety is high and channels of communication need to be frequent, clear and succinct. Include where to find the daily assignments; a list of sites and tools the students will need, how to log in and what to do if the technology doesn't work; and, finally, the expectations of parents. Prepare a step-by-step guide on how to access and use online learning tools and curriculum. Make sure you present this information in various formats including video and text and include screenshots and screen-casting tutorials. Teachers need to know how to take attendance.
4. **Provide robust learning:** Online learning during a closure – especially during extended closures – should be at least as engaging as the classroom experience (if not more) or students will suffer. Key principles that ISTE recommends are: Break learning into smaller chunks. Be clear about expectations for online participation. Provide immediate (or at least frequent) feedback through online knowledge checks, comments on collaborative documents and chat to keep students motivated and moving forward. Include virtual meetings, live chats or video tutorials to maintain a human connection.
5. **Design independent learning:** It is important to design learning that does not require a lot of support from parents who might already be overwhelmed. Streamline information by creating one place for all the assignments, schedules and expectations. The closer to a checklist you can make these resources, the better.
6. **Address the emotional toll:** Check in with students and coworkers, especially those who are less comfortable with digital tools to see if they need any help or someone to talk to. Being sequestered at home can be isolating and exacerbate the fear of dealing with a global crisis. Taking time to check in about feelings of anxiety is just as important as checking on academics. Some things that can help include: Take regular breaks. Making time to exercise. Keep to a regular sleep schedule. Limit distractions when

possible (turn off social media notifications, for example). Set daily and weekly goals. Make time to socialize, even if virtually.

7. **Choose the right tools and stick with them:** Limit the number of tools, apps and platforms so students and their parents are not overwhelmed. It may be a little harder for students to follow classroom assignments when you are not there face to face. Try to keep online instructions short, simple and clear. Consider making video instructions instead of text. Videoconferencing will take you and your students into each other's homes so it's important to consider privacy. Some programs let users blur your background. Dress as you would for attending school and expect students to do the same. Online learning also presents a great opportunity to review digital etiquette and embed digital citizenship into online collaboration activities.

PCHS will utilize communication systems currently in place to convey PCHS's strengths, needs, data, and opportunities for participation so that all stakeholders are well-informed and understood.

SMART Goal 1: PCHS will continue to update and organize the school website, focusing on staff directory and communication of new or proposed schoolwide changes in policies and practices. Updates will be finalized by Thanksgiving Break 2019.

Updated Staff Directory on the PCHS Website

Go to the website homepage (www.palihigh.org) and click on the **Staff Directory** button in the middle of the page. You will see the photo, name, and department for each teacher and staff member. This information is also viewable in the **Academics** section (top row of buttons on the homepage beside the school crest or click [here](#).)

Email lists for specific groups (transportation, parent groups, grade levels, special interest groups, athletics, etc.) have been created to reduce unwanted, irrelevant email traffic to PCHS parents.

SMART Goal 2: PCHS will create a communications audit and directory. The hyperlinked audit will become a resource so that pertinent communication avenues can be promoted at all stakeholder meetings and events by the end of the school year, 2020.

PCHS periodically adjusts the communications plan to satisfy both external and internal public communications needs. Communications systems are audited to assess our communication practices and to determine which of the PCHS communications tools are working well and identify the areas in which our organization can still strengthen its communications performance. We have identified an ongoing professionally established plan to guide the PCHS communications audit process:

- *Analyze the communications vehicles distributed to our audiences.*
- *Get feedback from all internal audiences.*
- *Review and evaluate traditional media coverage and how our organization is perceived on social media in order to determine what our community knows and thinks about us.*

- *Do a SWOT analysis.*
- *Make changes to the current communications plan based on all data collected and analyzed.*

SMART Goal 3: PCHS will create quick, periodic stakeholder feedback opportunities. These short surveys can take place after events and major announcements via the PCHS parent newsletter and housed centrally in “Tell a Dolphin” tab to establish two access points.

Surveys conducted in 2019-20 include:

Annual Stakeholder Surveys for parents, staff, and students
Professional Development Feedback Surveys
Faculty and Student SnapShot Surveys
Link Crew Training and Orientation Experience Survey
Campus Unification Community Day Survey
Mental Health Student Survey
Pali High Climate Change Community Day
Buzz Feed Surveys
Operations Faculty/Staff Winter Break Survey
Classrooms/Offices Safety Supplies Survey
Brightbytes Technology & Learning Survey
Athletic Program Surveys

PCHS will continue to cultivate and expand opportunities for social-emotional wellness development and stress management both inside and outside the classroom.

The National Alliance on Mental Illness (NAMI) provided presentations for all 9th grade English classes during the months of September and October. Students learned about mental illness, including warning signs, facts, and statistics, and how they can get help for themselves or a friend. For more information about the “Ending the Silence” presentation go to www.namila.org/ending-the-silence/

Roads to Respect Sexual Assault Prevention assemblies provided presentations for all 9th graders through the pods. For more information about the presentations visit www.roadstorespect.org
Both “Ending the Silence” and “Roads to Respect” programs are provided for free.

The first Community Day of the school year focused on mental health and resources available for students.

Reminders about mental health support services available to students are posted periodically on Schoology. Information is also posted on the school website in a section dedicated to COVID-19 related resources and Student Support Services.

The Coordination of Services Team (COST) meets monthly. The team established protocols for referring students to the Mental Health Team. In addition, an Outreach Team was coordinated

in March at the outset of COVID-19 related closures to connect with students who are not checking in to online classes.

LAUSD implemented a new system, the Mental Health Evaluation Team (MHET). This team is intended to provide faster responses than the current Psychiatric Mobile Response Team (PMRT). The team consists of a School Mental Health therapist and a School Police Officer who can assist in evaluating the need for hospitalization and transporting if necessary.

An Outreach Team has been coordinated to identify students in need of support during the transition to eLearning. Daily phone calls and tech support provided to students who had not checked into their online classes or who were not participating. Mental health support providers, tutors, and math paraprofessionals continue working with students throughout spring semester.

PCHS has provided council training for those who are new to these practices and refresher training for those who have previously participated to increase the number of people on campus with conflict resolution and positive communication strategies.

SMART Goal 1: Faculty and staff will be able to identify socio-emotional student supports and how to access them evidenced by participation in professional development held by October 2, 2019.

PCHS has implemented quarterly 2 hour professional development/faculty meeting sessions. All faculty received student support reference sheets with information presented by the Director of Student Support Services. New teacher training addressed social emotional components, using classroom culture setting scenarios. Faculty and staff participated in the Mental Health Resources Community Day.

SMART Goal 2: Students and parents will be able to access information regarding student socio-emotional support via PCHS social media, website, and flyers evidenced by hits on social media and/or 50% of positive responses on 2020 student and parent surveys.

Mental health resources are posted in the COVID-19 Resources and Student Support Services sections of the PCHS website:

A Community Day dedicated to mental health support services was held October, 2019. Information from the presentation is posted on the PCHS website.

The annual parent survey includes questions related to accessing socio-emotional support. The survey was posted on May 13. Results will be analyzed for feedback and indicators of progress.

PCHS will commit to equitable policies and practices to ensure PCHS's diverse student population has access to academic opportunities.

Department Policy Review - At the beginning of the 2019-20 school year, PCHS audited all Spring Semester syllabi to verify the inclusion of updated and new school policies. The next step for 2020-21 is a deeper dive into Department and PLC grading policies and practices to ensure consistency and equity.

The theme for the 2019-20 school year has been "Opening Doors" inspired by the cultural proficiency implementation template created by Trudy Arriaga and Randall Lindsey. PCHS teachers and staff engaged in summer reading and reflection as well as participated in related professional development activities. The September Faculty Meeting incorporated input from staff and students regarding opening doors to equitable, excellent academic opportunities.

The guiding documents providing the road map for equity and excellence at PCHS are as follows:

2020-2025 CHARTER RENEWAL PETITION
WASC ACTION PLAN FOR EQUITY
PCHS EQUITY STUDY
LOCAL CONTROL ACCOUNTABILITY PLAN

PCHS will maintain a balanced budget and build a fund balance for the future. Identify clear budget priorities.

SMART Goal 1: Increase classroom IMA by 50% from 2018-19 through fundraising.

- All teachers have accounts on the PCHS website that were completed in time for Back to School Night.
- PCHS website utilized to enhance and simplify the donation process. Cash for Classrooms teacher site was introduced at a faculty meeting. Classroom giving during Back to School Night increased this year.
- Opportunities for teachers to share successful techniques at least per semester accomplished through faculty PD meetings and new teacher meetings.

Progress to date:

- Overtime decreased by \$12k (comp time).
- Special Education efficiency analysis completed. PCHS will move forward with recommendations as opportunities arise.
- Development efforts have resulted in a 125% increase in fundraising - \$144k over last year (\$115k last year/\$260k this year) More than doubled the number of PCHS donors.
- CTE efforts -CTEIG allocation for 2020-21 is \$173,107k. 2020-21 Perkins allocation is \$34,746. Will continue to seek additional funding through Strong Workforce Grant and add to partnerships and career pathways.

- Pursuing private foundation grants for Pali Starts
- CTE – Create a standard curriculum for labs using industry standards.
- \$46k supplemental fundraising for and with teachers assisted with covering the IMA budget shortfall for 56 teachers.

Questions for Young, Minney, & Corr for FPCC

1) Is it legal for a teacher to serve on the budget and finance committee as long as they abstain from voting on any financial decision that directly affects their own paycheck? For example, could they be a committee member and vote on giving scholarships to students for busing, purchase technology for students, or items like making decisions of faculties improvements?

From the PCHS Charter:

The Budget and Finance Committee shall be open to all non-employee stakeholders of PCHS.

2) Can parents vote in Board or committee meetings on issues that affect themselves, their child or a friend/family member? If not, should a statement be read at the beginning of each meeting reminding members when to abstain to legally protect themselves?

PCHS Recusal Policy:

Non-employee Board members may not participate in open or closed session discussions of the Board involving any of the following topics:

Discussions or actions as to transactions or contracts in which the Board member, or his or her spouse and/or children, has a material financial interest.

3) Can students who are non-voting board members or other students serve on the budget and finance committee or any other committees given that they are under 18 or can they just participate in meetings but not be on committees? Can they vote on any items or do they need to abstain from voting for items that affect themselves, their family or friends?

From PCHS Charter:

The Budget & Finance Committee will consist of the following composition:

- *parents*
- *students*
- *community members*
- *a member representing the Booster Club and a member representing the PCHS Fund and Development Committee – these may be either parent or community members.*

Students currently serve and vote on the B & F Committee.

- 4) Is there any problem with members of any committee or the board itself abstaining from a vote when they think there is a conflict of interest, or should the chairperson ask certain people to abstain if they think there is an issue? (Does the decision come from the individual or the school?)

Any committee member may abstain/recuse themselves if they feel there is a conflict of interest without direction from the Chair.

- 5) As an independent charter school, what are the steps that we need to take in order to grant a student representative the right to vote in Board and Committee meetings? How would age affect this process? In our Charter, the ASB President is written in as a non-voting member of the board, how long will this affect the process?

From the PCHS Charter:

The ASB Student Body President shall serve as a non-voting member of the Board of Trustees.

Our Charter applies through 2025 so we have to wait until that time to change anything.

- 6) Can the Student Representative on the Board attend Closed Session? For Board Committees does this same principle apply? Why or why not?

Closed session occurs when an employee or student issue arises, or some type of litigation, which would preclude employees or the student representative on the board from participating in these meetings. Committee meetings do not have Closed Session.
