Human Resources Report Board of Trustees Meeting January 23, 2024

Health Screening

The HR team has coordinated with Self Insured Schools of California (SISC) to offer a free health and wellness screening at Pali on January 25th. This health awareness program includes covered employees and their eligible dependents over the age of 18. Total cholesterol, HDL, blood pressure, pulse, blood glucose, body mass index, and other key biometrics will be checked. The screening will take about 15 minutes and is confidential and protected by HIPAA privacy laws. PCHS was named a "District Champion" in 2022-2023 for placing 5th in participation among similar schools. We hope to meet or beat that record this year while supporting great health for our employees!
