*Empowering Educational Excellence.*

## **Academic Accountability Report Board of Trustees Meeting March 19, 2024**

### **February 29, 2024 Meeting Recap**

The AA Committee continued its cycle of department and program presentations this month with representatives from the following programs speaking to the group: Advanced Placement Program (AP) and Dual-Enrollment Meeting minutes and copies of the presentations can be found on the AAC's page on PCHS website.

As the Pali Period Taskforce continues to research and prepare their report, they are wondering what specifics the board is interested in hearing in a report.

The Testing Program and Counseling Department will be presenting at the next meeting.

Next Meeting: March 21, 2024
