**I. Opening Items**

Sara Margiotta called a meeting of the board of trustees of Palisades Charter High School to order on Tuesday Dec 13, 2022 at 5:10 PM.

**B. Record Attendance and Guests**

**C. Public Comment**

Charlie Shore: I would like to have Pali adopt Meatless Mondays. Meatless meals are delicious and we began because of the environmental cause. There are many benefits and it would be an easy and simple way to introduce healthy habits and a better future for our students. Please consider introducing Meatless Mondays at Palisades Charter High School.

Maggie Nance: Apologies for not opening the online public comment and it was not in an attempt to silence any voices. It was simply an oversight in the madness of finals and the end of the semester. No online public comment to report.

**D. Approve Minutes**

Maggie Nance made a motion to approve the minutes from Board Meeting on 11-15-22. Andrew Paris seconded the motion.  
The board **VOTED** to approve the motion.

## **II. Organizational Reports**

### **A. Student Report**

Peter Garff: Thank you for the student public comment from Charlie.

So far students are stressed during finals week, but thank you to Lin Lim and the Mental Health team, as well as the College Center for posting resources and supporting students.

Frosh Elections have concluded and we have a new class president and new representatives.

Holiday Spirit week was a success after Thanksgiving Break.

We are supportive of our boys basketball team, who won in their home opener.

The Leadership Class hears the concerns of students and will reflect on this over break to find solutions.

Thank you to Booster Club for support with the Leadership Show.

### **B. Parent Report**

Saken Sherkanov: Parents are asking for additional tickets to Homecoming Dance.

Melissa Schilling: As a parent, I would be very supportive of Meatless Mondays.

### **C. Classified Staff Report**

Andy Paris: Meatless Monday sounds wonderful!

The classified Special Education TAs are spread thin covering multiple students a day and are struggling to provide sufficient support. We are winding down a great semester and thank you everyone for their support.

### **D. Faculty Report**

Maggie Nance: Everyone is fine and just busy grading.

Lisa Saxon: Faculty is very appreciative for all the coffee and pastries that help support us and congratulations to classified for reaching an agreement. Everyone is looking forward to a successful close to the semester. Classified has come to me and is appreciative of getting their checks in time for the holidays. There is just one outstanding matter that is a change of classification and they are hoping that is taken care of soon.

#### **E. Human Resources Director (HR) Report**

Martha Monahan: Report stands as submitted.

All teachers must have a CLAD Certificate. This is a requirement of the state of CA and we have one preliminary teacher working on this certification and the Board must approve that she continues working this year until clearing the credential, which is expected in March or April.

Sara Margiotta: So she is in the process of getting the CLAD certification?

Martha Monahan: Yes, she is in the process of attaining the CLAD certification.

Maggie Nance made a motion to approve Debra Demontreaux to continue teaching art without a CLAD certification at PCHS while she gets her CLAD certification.

Melissa Schilling seconded the motion.

The board **VOTED** to approve the motion.

#### **F. Director of Operations Report**

Don Parcell: Report stands as submitted.

Sara Margiotta: You mention eRate for wireless network upgrade. Is this new?

Don Parcell: No, it is the next recurrence of every 5-7 years to upgrade the infrastructure. This will cost us half of what it would normally cost.

Sara Margiotta: You mention using the one-time grant money. Will this be included in the survey?

Don Parcell: When the time comes, we will talk about how it will be funded. We will discuss that at that time.

#### **G. Admin. Safety and Security Team**

Brian Banducci: Brooke King is working with myself and the rest of the administrative team on an upcoming presentation for the Board on Safety and Security.

#### **H. Director of Development Report**

Mike Rawson: Report stands as submitted.

#### **I. Chief Business Officer (CBO) Report**

Juan Pablo Herrera reviewed CBO report noting that Parent Square is a new system we are introducing and we are getting a 3 month free trial and will see if this is something our parents and families are interested in. We will bring this back to the March BoT meeting.

Karen Ellis: Is this replacing Schoology?

Juan Pablo Herrera: This will be used more for communication and surveys. We are also exploring NFHS, which will give us streaming capabilities and access to live high school sports around the country. We have confirmed with the IT team that our infrastructure can support this. No major cost to the school.

Maggie Nance: We lost about 27 students recently and I am curious if we have exhausted our waitlist for 9th graders.

Juan Pablo Herrera: The Attendance Office has that data, I do not have it on-hand. The waitlist has been exhausted and the admissions and attendance team is working on recruiting students.

Maggie Nance: What is stopping us from looking at 10th and 11th graders?

Juan Pablo Herrera: It would create issues with the master schedule and the continuity of classes would be interrupted.

Maggie Nance: Are there big demographic changes for fewer kids in the future?

Dr. Pam Magee: This is a trend and the Attendance Office is working on ensuring enrollment is meeting expectations.

Juan Pablo Herrera: Other school districts are facing this issue and we are in a good place because we can take students from outside our school boundaries.

Melissa Schilling: This is also an issue in higher education.

Lisa Saxon: We are also getting children from outside the country.

## **J. Executive Director/Principal (EDP) Report**

Dr. Pam Magee: Report stands as submitted. Everyone is working hard and we are happy to be wrapping up the semester and getting ready for 2023.

Sara Margiotta: Where is the campus mural going?

Dr. Pam Magee: The wall above the A building, facing the quad.

Sara Margiotta: Where are the funds coming from for that?

Dr. Pam Magee: Campus beatification funds.

Sara Margiotta: The DataLinks updates have been very helpful, but I am wondering how are we going to put in place all of the recommendations?

Dr. Pam Magee: There is a lot of discussion that needs to happen. We are working in PLCs and Departments to find active solutions.

Sara Margiotta: They are talking about the school going 1-1 with devices and we need to make sure the technology plan that is submitted is vetted by B&F and the BOT.

Dr. Pam Magee: We learned a lot of lessons and will not do that.

## **III. Board Committees (Stakeholder Board Level Committees)**

### **A. Academic Accountability Committee Update**

David Pickard IV: We met in November and discussed the strengths and weaknesses of Pali Period. Logan Milburn, the Pali Period Coordinator, was in attendance and was part of the conversation. A Pali Period survey went out to teachers and we will be looking at that data.

We also met on December 8, 2022 and had a presentation from the English Department, as well as a CAASPP Data presentation from Paul Mittelbach. Our school test scores, when compared to LAUSD and the state, are above average.

**B. Budget & Finance Committee Update**

Sara Margiotta: The Budget and Finance Committee met and reviewed/approved the first interim Financial Update that Juan Pablo Herrera will be presenting, as well as the Parent Square contract and monitoring the fencing project.

**C. Election Committee Update**

Nothing to report.

**IV. Board Committees (Board Members Only)**

**A. Board Members Only- Committee Updates**

Survey Committee: Started talking about ways to collect feedback to help support the College Center.

**V. Finance**

**A. 2022-23 First Interim Financial Report**

Juan Pablo Herrera:

Presented on the First Interim and Assumptions Financial Report.

Maggie Nance: Is Datalinks the way to go or is there a loss by not having someone on campus?

Dr. Pam Magee: The turnover in that position has been so much that this is working for what we need.

Lisa Saxon: How much is the chronic absenteeism?

Juan Pablo Herrera: I do not have that data.

Maggie Nance made a motion to approve the 2022-23 First Interim Financial Report.

Lisa Saxon seconded the motion.
