have an amazing Allied staff, who will be joining us soon. They build rapport with our students, track about 20,000 steps a day, and I want to give credit to their great work.

- There is an update to our safety plan coming in January.

- We surveyed our student population and one of the questions we asked was if students felt safe on campus. The average response was a 3.8/5. We have done a lot of great work, but have more to do to bring the campus together to ensure everyone feels safe and welcome on Pali's campus.
