Feedback was positive, committee liked the engagement pieces. Feedback to have more lights on the podium area. More tables couldve been helpful. The two student presentation areas couldve been more foot practice. At check in tell more about what the showcases. A couple of students for when they walk in to help with check in. Announce the bar closing
- Cultivating more before, share with people who is coming, and more about trustee engagement- specific asks, bring at least 1 person along
- Reviewed the progress against the charter-- progress against goals and the outcomes

### IV. SY26 Development Committee Charter

#### A. Committee Discusses Charter

The committee reviewed progress against the goals set in the committee charter. Goals and outcomes below:

**New Prospect Goal:** Add at least 25 new high-capacity individual or corporate prospects to the pipeline, with a minimum of 10 qualifying moves (meeting, ask, or cultivation step) by end of Q2

- **Outcome:** There are 24 new high-capacity prospects in our pipeline now, 11 of whom gave a gift of \$1,000 or more in FY26. We remain confident that we will close on many of the others in FY27, and we also believe that new additions to our Committees/Boards will yield additional high-capacity prospects. We have not seen the high-level (\$10,000-\$25,000) transformational gifts from this group yet.
- **Retention & Promotion Goal:** Achieve 80%+ retention of FY25 donors giving \$1,000+ and upgrade 20% of them to a higher giving tier.
  - **Outcome:** Currently at 65% retention \$1,000+; projecting 82% retention for \$5,000+; currently working on \$1,000-\$4,999 level - at 60%. Gift increases from 12% of the entire \$1,000+ group.
- **Board Engagement:** 100% of Development Committee and Board members complete at least one of the following: Personal ask to a donor, host or co-host an event, OR sponsor/co-sponsor a stretch gift
  - **Outcome:** Currently 88% of trustees have made a personally meaningful gift, we feel confident we will have 100% by June 30th. 43% of trustees have referred a gift or supported solicitation efforts.

- **Corporate Sponsors:** Secure at least 5 new corporate sponsors, with a minimum of \$75,000 in new corporate revenue, and establish a tiered sponsorship structure tied to specific events (Toast, Career Networking, etc.).
  - **Outcome:** We secured 3 new sponsors (Bank of America, Barton Gilman, Cross Insurance, plus gifts from Arbella and Cambridge Savings Bank) and upgraded KPMG to from 10k up to 25k. Increasing sponsorships \$22,500. But we lost two SY25 sponsorships (Triple Tree and JP Morgan). Emphasizing the importance of strengthening new sponsorship relationships who are mission aligned. We also solidified two new Corporate gifts at the 1k level, and hope to deepen these relationships.
  
- **Foundation Sponsors:** Submit 15 strategic foundation proposals, including 3 new funders, and secure at least 2 multi-year grants that align with school priority initiatives.

**Outcome:** Submitted or did personal outreach to 15 foundations. We received foundation support from 9 foundations, and are waiting to hear back in late May/Early June from 2 more.
