##### **I. Opening Items**

**A. Record Attendance**

**B. Call the Meeting to Order**

S. Rasmussen called a meeting of the board of directors of SC Whitmore School to order on Thursday Dec 8, 2022 at 9:00 AM.

**C. Public Comments**

No Public Comments.

**II. Finance**

**A. Financial Discussion**

Michael Ikano, Prestige School Solutions, discussed the outstanding liability with the building, continue with current arrangements and what to do with the excess cash. Described CD's and wants SCWS to continue to learn about LFIP. LGIP is an investment tool that is available to local government entities in South Carolina. Access to the money is available within 24 hours.

Several Charter schools already use this option. The LGIP option will also make sure the school is in compliance with the FDIC limit using the "ladder" approach. Michael will confer with other colleagues to make sure a 30 days cash on hand is in the LFIP account.

The second item today is the debt on the building. No penalty for paying off the building early. No large expenses in the future are expected that would erode the cash balance. SCWS could pay the building off and then use the money saved for student trips. The board would like to provide scholarships to students who would like to attend the Washington DC trip.

Motion to pay off the building mortgage.

The board **VOTED** unanimously to approve the motion.

Motion to follow the ladder and LGIP plan upon advice of financial professionals.

The board **VOTED** unanimously to approve the motion.

**III. Other Business**

**A. Other Business for Board Discussion**

No comments for discussion.

**IV. Closing Items**

**A. Adjourn Meeting**

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 3:33 PM.

Respectfully Submitted,  
S. Rasmussen
