p130

AB 2555 changed the requirements for reclassifying English learners, effective September 27, 2026. Our team is updating the English Learner Plan and related forms, but those revisions will not be ready for approval at the upcoming meeting.

This resolution allows the Board to:

Acknowledge the new requirements and the school's responsibility to follow them.

Provide clear direction to staff to implement the changes now while the written plan is being finalized.

Prevent outdated criteria from delaying student reclassification.

Establish accountability by requiring the completed plan, or a progress report and completion timeline, to return to the Board.

The resolution documents the Board's direction and our work toward updating the plan. It does not postpone the legal requirements; staff must follow the provisions already in effect.
