# WASC & Community Connections

## E1 Parent and Community Engagement

- Community Connections is a program in each school that offers field trips and local events.
  - [Community Connections newsletters](#) are sent out monthly by Community Coordinators directly to families that have signed up to be informed. Another [school wide Community Connections newsletter](#) is sent every other week to all registered families and staff with links to all regional newsletters.
  - The Annual Project Fair is one event where students can come and present a project or area of learning they would like to share with others.
  - Each fall our school holds an [Annual Impact Day](#) where parents, students and teachers come together to help beautify their local community. A [slide show](#) was made after the inaugural Impact Day in November 2019.
  - The CC team rapidly shifted to [Virtual events during COVID](#). The team will continue to offer some virtual events next school year after seeing the increased accessibility for those who may struggle to attend our in-person events.

## E2. School Culture and Environment

- The school implements behavior guidelines for students during field trips and Community Connections events. Parents attend these events, and they are responsible for their students. Postings for Community Connections (CC) events and field trips on the Field Trips and Events (FTE) page indicate parent responsibilities during events.
  - During the COVID-19 pandemic, the school held virtual events for students. The guidelines for these events were shared during the events and through school newsletters.
  - [Virtual Guidelines](#) for CC Virtual Events
- Community Coordinators and HSTs use [incident reports](#) to document injuries during CC events and field trips.
  - HSTs and Community Coordinators utilize sign-in and sign-out procedures to make sure students are safe during events and in-person testing sessions. Families complete [Transportation waivers](#) if they are carpooling to events, including field trips and testing.

# Community Connections = answer for LCAP too

1. **Basic Services** - credentialed teachers and student safety - Sign in sheets, Guidelines & Expectations, Parent supervision expectations, incident reports, transportation waivers
2. **CA academic standards** -enrichment curriculum offered related to CC events that support standards based instruction
3. **Parent Engagement** - consistent communication & parent involvement- parent input
4. **Student Achievement** - Test prep, writing samples, math performance tasks, presentation skills  
“. . . incentive to create polished work when the children knew their peers would view their presentation boards and speeches”
5. **Student Engagement** -”*Seeing the same teachers and families multiple times at local events helped us make some connections”* “. . . unique field trips with community feel and familiar faces.”
6. **School Climate** - *“The kids LOVE these times of connection”* CC provides “. . . a sense of belonging to the school.”
7. **Course Access** - n/a
8. **Other Student Outcomes** - CC supports Our North Schools’ Mission & Vision Statement - *unparalleled enrichment opportunities & diverse and dynamic learning pathways -developing responsible citizens* “. . . participate in a clean up day at the park and afterwards activities were planned.”

Emily Allen asked to hear from the board regarding board training. Board members indicated that the training was informative.

Emily Allen is interested in revisiting the waiver for in person services. Since some counties have students returning to in classroom instruction, it seems to be equitable to let Clarksville students attend in person services, especially for special education students. Dr Johnson responded that they received new California Department of Public Health guidance in August and have consulted with legal and county health from each county. Student services have been prioritized based on guidance.

Emily Allen requests that the agenda contain the page number on which an item can be found in the packet.

  - 25 to 1 or
  - Equivalent PTR of the largest unified school district in county or counties in which the charter school operates

## II. THE BUDGET PROCESS

*Development, Approval, Monitoring and Forecast Updates*

# Developing the Budget Draft

---

## January - April

- Charter Impact reviews Governor's proposed state budget for the upcoming fiscal year and identifies the likely range of revenues for the school's upcoming fiscal year (July 1 - June 30) based on projected enrollment.
- Once the revenue estimates are complete, Charter Impact and the Principal develop the remainder of the budget including:
  - staffing levels,
  - instructional funds,
  - fixed costs, and
  - discretionary spending
- Then a five-year budget projection is developed in accordance with the schools' established strategic and growth plans.

# Budget Approval

---

## May - June

- Charter Impact and the Principal reviews revenue projections subsequent to the Governor’s annual “May Revise” that is released in early May. This is the last estimate that the school receives prior to approval.
- The budget is then fine-tuned for the upcoming fiscal year to accommodate any changes. Typically changes are not large, FY20-21 was an exception due to the COVID-19 pandemic.
- The Board reviews and formally adopts a budget for upcoming fiscal year before June 30. A copy of the final budget is provided to the charter-granting agency.

# Monitoring and Forecasting

---

## July - December

- The budget is reviewed subsequent to the adoption of the state Budget Act and necessary adjustments are made.
- At the end of the first full week of school, the Principal reviews the Charter School's actual enrollment figures and notifies Charter Impact if changes are needed to the financial projections.
- On a monthly basis, the Principal and Board reviews current year actual versus budgeted revenues and expenditures, updated forecast based on current enrollment and spending trend and other financial reports as presented by Charter Impact.

## III. REVIEWING A FINANCIAL STATEMENT PACKAGE

*What you should be looking for and when to ask questions.*

# Financial Package Elements

---

The financial statement package provided on a monthly basis is intended to give both a retrospective and prospective view of the organizations financial condition. The possible elements included in the monthly package include:

- *Executive Summary*
- *Monthly Cash Flow/Forecast*
- *Budget vs. Actual*
- *Statement of Financial Position*
- *Statement of Cash Flows*
- *AP Aging*

# Enrollment

Enrollment, and attendance in some cases, is the main driver of school revenue. Good financial oversight must start with understanding enrollment.

*Do these changes match your expectations and other discussions about school operations?*

*Are enrolled students attending on a regular basis?*

*How does the actual enrollment compare to the budget?*

*What direction is enrollment trending?*

<i>Enrollment &amp; Per Pupil Data</i>			
	<u>Avg-YTD</u>	<u>Forecast</u>	<u>Budget</u>
Average Enrollment	1349	1540	1540
Attendance Rate	91.7%	95.0%	95.0%
Revenue per Student		\$12,130	\$12,611
Expenses per Student		\$12,118	\$12,162

*Is the forecast updated to match the current enrollment?*

# Revenue

Maintaining a balanced budget means starting with the funds you have, **THEN** allocating them to meet needs.

*Is it possible to estimate revenue more accurately in the future?*

*How does the year-to-date revenue compare to the year end forecast?*

*How does the change in forecasted revenue compare to the changes in enrollment?*

*Do delays in funding require more collection activities?*

*Are particular revenue sources changing from the budget?*

# Expenses

Properly allocating spending requires understanding the difference between “wants” and “needs” and adjusting based on available resources.

*Does the school spending mirror it's priorities?*

*Are there any significant changes from the budget?*

Are there significant timing differences between when expenses are incurred and revenue received?

Are there minimum “reserves” required by the authorizer or state?

# Cash Flow Forecast

There are often significant difference between the time that revenue is received, and bills need to be paid. In addition to maintaining a balanced budget, the school should monitor its expected cash balances throughout the year.

*Should be Board set a minimum cash reserve to prepare for the unknown?*

*Are there any cash shortfalls during the year?*

*Will any loans be needed ?  
(And what options does the school have?)*

*Is the actual cash balance consistent with the budget?*

**WHEREAS**, each School employs certificated teachers designated as having the responsibility for the general supervision of their students’ independent study pursuant to Education Code § 51747.5(a);

**WHEREAS**, the sharing of services performed by the Shared Personnel among all of the Parties cooperatively is in the mutual interest of each of the Parties and in furtherance of their shared goal to successfully implement their respective education programs in an efficient and cost effective manner; and

**WHEREAS**, the Parties intend to coordinate the services provided by the Shared Personnel to the Parties and to allocate costs among the Parties according to the terms and conditions set forth in this MOU.

**NOW, THEREFORE**, in consideration of their mutual promises set forth in this MOU, the Parties desire to, and hereby agree as follows:

**1. Shared Personnel.** During the term of this MOU, the Parties shall coordinate with each other for shared personnel (“**Shared Personnel**”) to perform the educational services described in Attachment A (the “**Services**”) under the terms and conditions set forth herein. All shared personnel shall be documented between the Lessor and Lessee Schools, as defined herein, pursuant to Attachment B as outlined in a written process to be mutually agreed upon between the parties. Nothing in this MOU shall create a joint venture between the Parties. Each Party shall remain solely responsible for its own governance, operations and educational program.

**3. Allocation.** Each Party's right to receive Services and obligation to pay fees under this MOU shall be determined based upon their proportionate share using the formulas set forth in Attachment A (the "**Allocation**"), as it may be adjusted from time to time by written agreement of the Parties. The total cost shall be fixed as of the date of execution of this MOU and may thereafter be subject to change only with the agreement of all Parties. Any such changes, notating the effective date, shall be memorialized by the Parties in Attachment C, which may be updated as a matter of contract administration without the need for a formal amendment to this MOU.

No Party shall have the right to grant a license, sublicense, or any other use or rights to the intellectual property of another Party. A Party's use of another Party's intellectual property under this MOU shall not create any ongoing license or other right to continuing use of that intellectual property after the termination of this MOU. Upon termination of this MOU, the intellectual property of each Party in the possession of any other Party shall be returned and/or destroyed. Any work product created by or on behalf of a Party pursuant to this MOU, shall be and remain the property of that Party.

Confidential Information does not include any information which (i) is rightfully known to the recipient prior to its disclosure; (ii) is released to any other person or entity (including governmental agencies) without restriction; (iii) is independently developed by the recipient without use of or reliance on Confidential Information; (iv) is or later becomes publicly available without violation of this MOU or may be lawfully obtained by a Party from a non-party; or (v) which is a public record under California law.

b. If disclosure of Confidential Information is requested pursuant to law, statute, rule or regulation (including a subpoena, a request made to a Party under the California Public Records Act, or other similar form of process), the Party to which the request for disclosure is made shall (other than in connection with routine supervisory examinations by regulatory authorities with jurisdiction and without breaching any legal or regulatory requirement) provide the applicable Party(ies) with prior prompt written notice thereof to the extent practicable, and if practicable under the circumstances, shall allow the applicable Party(ies) to seek a restraining order or other appropriate relief.

c. Upon the termination or expiration of this MOU, Confidential Information of each Party in the possession of the other Party shall be returned and/or destroyed. Section 10 shall survive

termination of this MOU.

**11. Student Information.** Each Party is responsible for its compliance with the federal Family Educational Rights and Privacy Act (20 U.S.C. § 1232g) (“*FERPA*”) and other applicable state and federal laws pertaining to student information and privacy.

a. To the extent necessary, the Lessor shall be designated as having a legitimate educational interest in accessing a Lessee’s student education records, as that term is defined by and for purposes of FERPA, thereby allowing Lessor to access personally identifiable information from student education records from the Lessee as part of its performance of the Services. For purposes of this MOU, the term “personally identifiable information” (“*PII*”) means any information that can be used on its own or with other information to (i) distinguish one person from another, (ii) identify, contact, or locate a single person, or (iii) de-anonymize anonymous data.

b. Lessor shall not use or disclose pupil records, including PII, received from or on behalf of another Party except as necessary with respect to the performance of the Services, as required by law, or as otherwise authorized in writing by the applicable Lessee. Lessor shall protect the student education records it receives from or on behalf of another Party no less rigorously than it protects its own student education records. In the event of an unauthorized disclosure of PII, Lessor shall notify the affected Lessee(s) as soon as practicable, and shall, upon the affected Lessee’s request, notify affected parents, legal guardians and eligible pupils using reasonably available technological means such as electronic mail.

**12. Insurance.** Lessor shall procure and maintain in full force and effect for the duration of this MOU, the following insurance in connection with Lessor’s performance under this MOU and the provision of Services by Shared Personnel:

a. California Workers' Compensation Insurance, insurance as required by the State of California and consistent with Labor Code section 3602(d)(1), with statutory limits, and Employer’s Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease, covering all Shared Personnel provided under this MOU.

b. General Liability Insurance including coverage for personal injury, death, property damage and sexual abuse/molestation (if not included with ELL) with a combined single limit of no less than One Million Dollars (\$1,000,000) per occurrence, and a minimum annual aggregate of Two Million Dollars (\$2,000,000).

c. Employment Practices Liability Insurance with a combined single limit of no less than One Million Dollars (\$1,000,000) per occurrence.

d. Professional Liability Insurance, which may also be called Educator’s Legal Liability Insurance (or ELL), with a combined single limit of no less than One Million Dollars (\$1,000,000) per claim, and Two Million Dollars (\$2,000,000) policy aggregate.

e. Lessor will provide additional insured coverage and policy endorsements for Lessees and their officers, directors, employees, volunteers or agents (collectively referred to as the “*Additional Insureds*”) under the General Liability, Workers’ Compensation, Employment Practices and Professional Liability policies as specified above. The coverage shall contain no special limitations on the scope of protection afforded to the Additional Insureds. Lessor’s insurance shall be primary as respects to Additional Insureds, and any insurance, self-insurance or other coverage maintained by Additional Insureds shall be excess to Lessor’s insurance and shall not contribute to it.

f. Except for Workers' Compensation and Professional Liability coverages Lessor hereby agrees to waive rights of subrogation which any insurer of Lessor may acquire from Lessor by virtue of the payment of any loss. Lessor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation.

g. At commencement of this MOU, and upon any renewal of this MOU, and upon request at any time, Lessor shall furnish any Lessee with original Certificates of Insurance including all required amendatory endorsements (or copies of the applicable policy language effecting coverage required by this Section) and a copy of the Declarations and Endorsement Page of the policy listing all policy endorsements. Failure to obtain the required documents prior to the work beginning shall not waive Lessor's obligation to provide them. Lessees reserve the right to require complete, certified copies of all required insurance policies, including endorsements, herein required, at any time.

h. Lessor will provide thirty (30) days prior written notice to Lessee(s) in the event of any material modification or cancellation of insurance required by this MOU. If any of the required coverages expire during the term of this MOU, Lessor shall deliver the renewal certificate(s) including the additional insured endorsements to Lessees at least ten (10) days prior to the expiration date.

i. Except as indicated above, all policies shall be provided on an occurrence basis. If any of the required policies provide coverage on a claims-made basis: (i) the retroactive date must be shown and must be before the date of the MOU or the beginning of the work; (ii) insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of the work; (iii) if coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a retroactive date prior to the contract effective date, the Lessor must purchase "extended reporting" coverage for a minimum of five (5) years after completion of contract work if possible.

**13. Liability.** Each Party shall be and remain responsible for its own debts and obligations. Nothing in this MOU shall be construed as imposing on a Party any liability arising out of the operations of any other Party, except as such liability may result from the performance of the first Party's obligations under this MOU.

**14. Indemnification.** Each Party shall defend, indemnify, and hold harmless the other Parties, and their employees, officers, directors, agents, and insurers from and against any liability, loss, claims, demands, damages, expenses, lawsuits and costs (including attorneys' fees, expert witness fees, and other costs of litigation or other proceedings) of every kind or nature arising in any manner out of any breach of duties under this MOU and/or negligence, wrongdoing or willful misconduct of that Party, including its employees (including Leased Personnel), officers, directors, and agents. In no event shall any Party be required to defend, indemnify or hold harmless any other Party for its sole negligence, sole wrongdoing or singular willful misconduct.

This indemnification shall extend to claims occurring after this MOU is terminated as well as while it is in force. The indemnification and defense obligations set forth in this provision are separate and independent from the insurance provisions set forth in Section 12 herein; and do not limit, in any way, the applicability, scope, or obligations set forth in those insurance provisions.

**15. Assignment.** No Party shall assign this MOU, any interest in this MOU, or its rights or obligations under this MOU without the express prior written consent of the other Parties. This MOU shall be binding on, and shall inure to the benefit of, the Parties and their respective successors and assigns.

**16. Fiduciary Obligations.** The governing body for each Party has reviewed this MOU in good faith, and in a manner in which it believes to be in its best interests, and with such care, including

reasonable inquiry, as an ordinary prudent person in a like position would use under similar circumstances, and has determined that the MOU is in the best interests of its Party and that the cost allocation to be paid is fair and reasonable.

**17. Dispute Resolution.** If there is any dispute or controversy between the Parties arising out of or relating to this MOU, the Parties agree to confidentially meet in good faith to discuss a mutually amicable resolution to the dispute. If informal efforts at dispute resolution are not successful, the Party with the complaint shall give written notice of the dispute and the desired resolution to the other Party. The Parties agree that, within thirty (30) days of the date of written notice of the failure to resolve the dispute despite good faith efforts, they will again meet with a mutually agreeable mediator for non-binding mediation in good faith, with a principal of each of the Parties present. If the Parties are still unable to come to a resolution within thirty (30) days of the external mediation, the Parties may agree to arbitrate the dispute in El Dorado County, or another jurisdiction upon mutual agreement by the Parties in dispute, before a retired California state or federal court judge under the Comprehensive Arbitration Rules of JAMS, rather than resorting to litigation.

**18. Notice.** All notices, requests, demands, or other communications (collectively “*Notice*”) given to or by the Parties under this MOU shall be in writing and shall be deemed to have been duly given on the date of receipt if transmitted by email or personally served on the Party(ies) to whom Notice is to be given, or seventy-two (72) hours after mailing by United States mail first class, registered or certified mail, postage prepaid, addressed to the Party(ies) to whom Notice is to be given, at the applicable address set forth below:

Participating local educational agencies (LEAs) included in the Special Education Local Plan Area (SELPA) local plan must be identified in Attachment I.

**Special Education Local Plan Area—Local Plan Requirements**

1. Describe the geographic service area covered by the local plan:

The El Dorado Charter SELPA is composed of local educational agency charters (LEAs) located inside and outside the geographic boundaries of El Dorado County. The El Dorado Charter SELPA has designated the El Dorado County Office of Education as the Responsible Local Agency/Administrative Unit (RLA/AU) and the County Superintendent of Schools as the Superintendent of the RLA/AU. It is the intent of the El Dorado Charter SELPA to provide options for charter schools in terms of SELPA membership. While it is always preferable for a charter school to participate with their geographic SELPA, the Charter SELPA has been developed to allow for a viable alternative for SELPA membership within the State of California.

2. Describe the SELPA regional governance and administrative structure of the local plan. Clearly define the roles and structure of a multi-LEA governing body, or single LEA administration as applicable:

Upon entry into the Charter SELPA, the governing board for each LEA charter shall approve the Agreement for Participation and the Local Plan for Special Education. The Charter SELPA Local Plan is approved by the SELPA governing board (CEO Council) with review from the County Superintendent of Schools for El Dorado County.

Amendments to the Local Plan to revise LEA membership shall be approved through the process as identified in Charter SELPA policies.

The CEO Council will hold the required public hearings and approve the Annual Service Plan and the Annual Budget Plan.

As described within the Local Plan and adopted policies of the Charter SELPA, the Boards of Education delegates the ongoing policy-making process, the Allocation Plan process, and administrative procedures for carrying out that responsibility to the governance structure of the Charter SELPA.

Section B: Governance and Administration

SELPA

Fiscal Year

3. Describe the SELPA's regional policy making process. Clearly define the roles of a multi-LEA governing body, or single LEA administration as applicable related to the policy making process for coordinating and implementing the local plan:

The Charter SELPA CEO Council membership consists of the CEO or designee of each charter LEA member. Each charter LEA member has one vote. Organization partners that operate more than one charter school, may have a single representative for all schools operated, but such representative shall have a number of votes equal to the number of charter LEAs represented.

Charter SELPA CEO Council meetings are subject to California Open Meeting laws, specifically the Brown Act (Government Code 54950-54963), which requires that CEO Council members conduct business at properly noticed and agendized public meetings.

A majority of the LEAs present at a regularly scheduled and posted CEO Council meeting shall constitute a quorum.

The Charter SELPA CEO Council will meet regularly with the El Dorado County Superintendent of Schools and/or designee to direct and supervise the implementation of the Local Plan. The Council has exclusive authority to make and take all reasonable and appropriate steps to implement all decisions which may have a material effect on any and/or all Charter SELPA policies, practices, operations, organization, services, functions, and any other purpose related to the purpose for which the Charter SELPA is established. A minimum of two meetings per year will be held.

The Charter SELPA CEO Council is responsible to approve Charter SELPA policies and administrative regulations.

The Charter SELPA CEO Council is responsible to approve the Allocation Plan, which is the framework for distribution of funds within the Charter SELPA.

Material changes to the Local Plan, other than for membership changes, shall be approved by the Charter SELPA CEO Council and reviewed by the El Dorado County Superintendent of Schools.

4. Clearly define the roles of the County Office of Education (COE) as applicable, and/or any other administrative supports necessary to coordinate and implement the local plan:

The El Dorado Charter SELPA has designated the El Dorado County Office of Education as the Responsible Local Agency/Administrative Unit (RLA/AU) and the County Superintendent of Schools as the Superintendent of the RLA/AU. The Charter SELPA administrative unit coordinates and implements the local plan under the supervision of the County Superintendent

Section B: Governance and Administration

SELPA

Fiscal Year

5. Describe the policies and procedures of the SELPA that allow for the participation of charter schools in the local plan:

Per CEO Council Policy 22, any charter school may apply to the Charter SELPA to become an LEA member of the SELPA. The Charter SELPA will establish an annual timeline for submission of applications. Once granted membership, the charter LEA will participate in the governance of the SELPA in the same manner as all other charter LEA members in the SELPA. The timeline for submission may be amended by the Charter SELPA RLA/AU Superintendent/designee for unique circumstances, including State Board of Education charter approvals. The applicant, not an expansion of an existing member, will be deemed a member of the SELPA upon approval of the Charter SELPA Selection Committee. The applicant charter LEA board must also take action to approve membership. The Charter SELPA Selection Committee will inform the CEO Council members of their decision. Applications for additional schools of a current Charter SELPA member, shall be approved by the Charter SELPA RLA/AU Designee, pursuant to AR 22, and are not required to be reviewed by the Charter SELPA Selection Committee. Because they are current members, the Charter SELPA RLA/AU Designee has significant documentation available to assess the new charter LEA capacity. The applicant member, an expansion of an existing member, will be deemed a member of the SELPA after approval by the Charter SELPA RLA/AU Designee. The applicant member charter LEA board must also take action to approve membership.

6. Identify and describe the representation and participation of the SELPA community advisory committee (CAC) pursuant to EC Section 56190 in the development of the local plan:

The Community Advisory Committee shall be composed of parents of individuals with exceptional needs, enrolled in public or private schools, parents of other pupils enrolled in school, pupils and adults with disabilities, regular education teachers, special education teachers and other school personnel, representatives of other public and private agencies, and persons concerned with the needs of individuals with exceptional needs. Terms of CAC participation are outlined in the CAC bylaws.

Because of the geographic diversity within the El Dorado Charter SELPA, meetings may take place through teleconference. For purposes of this section, “teleconference” means a meeting where the members are in different locations, connected by electronic means, through either audio, video, or both.

## Section B: Governance and Administration

SELPA Fiscal Year 

7. Describe the SELPA's process for regular consultations regarding the plan development with representative of special education and regular education teachers, and administrators selected by the groups they represent and parent members of the CAC:

The purpose of the Community Advisory Committee shall be to act in support of individuals with exceptional needs by representing broad interests in the community and promoting maximum interaction of parents and community members with the the LEA charter schools in accordance with the Education Code and the El Dorado Charter Local Plan. Per the CAC bylaws, the Community Advisory Committee may be composed of parents of individuals with exceptional needs, enrolled in public or private schools, parents of other pupils enrolled in school, pupils and adults with disabilities, regular education teachers, special education teachers and other school personnel, representatives of other public and private agencies, and persons concerned with the needs of individuals with exceptional needs pursuant to EC Section 56193. Through the regularly scheduled CAC meetings, the SELPA will ensure that the development, amendment, and review of the Local Plan pursuant to EC sections 56205(a)(12)(E) and 56194. The CAC will be given at least 30 days to conduct a review. The SELPA shall review and consider comments from the CAC pursuant to EC section 56205(b)(7).

8. Identify and describe the responsible local agency (RLA), Administrative Unit (AU), or other agency who is responsible for performing tasks such as the receipt and distribution of funds, provision of administrative support, and coordination and implementation of the plan:

The El Dorado Charter SELPA has designated the El Dorado County Office of Education as the Responsible Local Agency/Administrative Unit (RLA/AU) and the County Superintendent of Schools as the Superintendent of the RLA/AU. The Superintendent oversees the SELPA administrative staff in the receipt and distribution of funds, provision of administrative support, and the coordination and implementation of the SELPA Allocation and Local Plans.

9. Describe the contractual agreements and the SELPA's system for determining the responsibility of participating agency for the education of each student with special needs residing within the geographical area served by the plan:

As members of the El Dorado Charter Special Education Local Plan Area (SELPA), each charter (as identified by the CDS (County, District, School) code issued by the State Board of Education) is considered an LEA (Local Education Agency) for purposes of special education. Each charter school, as their own LEA for special education accountability is responsible for the students within their jurisdiction including any and all contractual agreements. There are no additional contractual agreements that supersede education code.

Section B: Governance and Administration

Charter SELPA CEO Council meetings are subject to California Open Meeting laws, specifically, the Brown Act (Government Code 54950-54963), which requires that CEO Council members conduct business at properly noticed and agendized public meetings.

A majority of the LEAs present at a regularly scheduled and posted CEO Council meeting shall constitute a quorum.

The Charter SELPA CEO Council will meet regularly with the El Dorado County Superintendent of Schools and/or designee to direct and supervise the implementation of the Local Plan. The Council has exclusive authority to make and take all reasonable and appropriate steps to implement all decisions which may have a material effect on any and/or all Charter SELPA policies, practices, operations, organization, services, functions, and any other purpose related to the purpose for which the Charter SELPA is established. 1414(a)(1)) The Charter LEAs shall not be required to obtain informed consent from the parent/guardian of a student for an initial evaluation to determine whether the student is a student with a disability if any of the following situations exists 1. Despite reasonable efforts to do so, the Charter LEAs cannot discover the whereabouts of the parent/guardian of the student. 2. The rights of the parent/guardian of the student have been terminated in accordance with California law. 3. The rights of the parent/guardian to make educational decisions have been subrogated by a judge in accordance with California law and consent for an initial evaluation has been given by an individual appointed by the judge to represent the student. (Education Code 56301; 20 USC 1414(a)(1)) As part of the assessment plan, the parent/guardian shall receive written notice that: 1. Upon completion of the administration of tests and other assessment materials, an IEP team meeting that includes the parent/guardian or his/her representative shall be scheduled pursuant to Education Code, section 56341. At this meeting, the team shall determine whether or not the student is a student with disabilities as defined in Education Code, section 56026 and shall discuss the assessment, the educational recommendations, and the reasons for these recommendations. A copy of the assessment report and the documentation of determination of eligibility shall be given to the parent/guardian. 2. If the parent/guardian disagrees with an assessment obtained by the Charter LEAs, the parent/guardian has the right to obtain, at public expense, an independent educational assessment of the student from qualified specialists, in accordance with 34 CFR §300.502. If the Charter LEAs observed the student in conducting its assessment, or if its assessment procedures make it permissible to have in-class observation of a student, an equivalent opportunity shall apply to the independent educational assessment. This equivalent opportunity shall apply to the student's current placement and setting as well as observation of the Charter LEA's proposed placement and setting, regardless of whether the independent educational assessment is initiated before or after the filing of a due process hearing proceeding. 3. The Charter LEAs may initiate a due process hearing pursuant to Education Code 56500- 56508 to show that its assessment is appropriate. If the final decision resulting from the due process hearing is that the assessment is appropriate, the parent/guardian maintains the right for an independent educational assessment but not at public expense. If the parent/guardian obtains an independent educational assessment at private expense, the results of the assessment shall be considered by the Charter LEAs with respect to the provision of a free appropriate public education to the student, and may be presented as evidence at a due process hearing regarding the student. If the Charter LEAs observed the student in conducting its assessment, or if its

assessment procedures make it permissible to have in-class observation of a student, an equivalent opportunity shall apply to an independent educational assessment of the student in the student's current educational placement and setting, if any, proposed by the Charter LEAs, regardless of whether the independent educational assessment is initiated before or after the filing of a due process hearing. 4. If a parent/guardian proposes a publicly financed placement of the student in a nonpublic school, the Charter LEAs shall have an opportunity to observe the proposed placement and, if the student has already been unilaterally placed in the nonpublic school by the parent/guardian, the student in the proposed placement. Any such observation shall only be of the student who is the subject of the observation and may not include the observation or assessment of any other student in the proposed placement unless that student's parent/guardian consents to the observation or assessment. The results of any observation or assessment of another student in violation of Education Code, section 56329(d) shall be inadmissible in any due process or judicial proceeding regarding the free appropriate public education of that other student. (Education Code 56329; 34 CFR 300.502) An IEP required as a result of an assessment shall be developed within a total time not to exceed 60 days from the date of the receipt of the parent/guardian's consent for assessment, unless the parent/guardian agrees to an extension in writing. The 60-day period does not include any days between the student's regular school sessions/terms, or days of school vacation in excess of five school days. (Ed Code § 56043)

However, when a referral is made within 30 days of the end of the regular school year, an IEP required as a result of an assessment shall be developed within 30 days after the commencement of the subsequent regular school year as determined by each district's school calendar. In the case of school vacations, the 60-day time shall recommence on the date that school reconvenes. (Ed. Code § 56344 (a).) A meeting to develop an initial IEP for the pupil shall be conducted within 30 days of a determination that the pupil needs special education and related services. (Ed. Before entering kindergarten or first grade, children with disabilities who are in a preschool program shall be reassessed to determine if they still need special education and services. The IEP teams shall identify a means of monitoring the continued success of children who are determined to be eligible for less intensive special education programs to ensure that gains made are not lost by a rapid removal of individualized programs and supports for these individuals. Under California law, due process hearings pursuant to the IDEA (20 USC 1400-et seq) are held only at the state level. Related rights and procedures for due process are set forth in Education Code §§ 56501et. Seq. and 5 CCR §§ 3080 et. seq. When California law provides greater protections to students and parents, it supersedes federal law. Due process hearing rights extend to the student only if he/she is an emancipated student or a ward or dependent of the court with no available parent or surrogate parent. (Ed. Code § 56501; see AR 6159.3 - Appointment of Surrogate Parent for Special Education Students.) Informal ADR Process/Pre-Hearing Mediation Conference Before requesting a due process hearing, the Charter Chief Executive Officer or designee of the Charter LEA and a parent/guardian may agree to meet informally to resolve any dispute relating to the identification, assessment or education and placement of a student with disabilities. The Charter Chief Executive Officer or designee shall have the authority to resolve the dispute through an informal alternative dispute resolution (“ADR”) process. (Ed. Code § 56502) In addition, either party may file a request with the Superintendent of Public Instruction for a Pre- Hearing Mediation Conference (commonly referred to as “mediation only”) to be conducted by a person designated by the California Department of Education. Based on the Pre-Hearing Mediation Conference, the Charter Chief Executive Officer or designee may resolve the issue(s) in any manner that is consistent with state and federal law, and is to the satisfaction of both parties. (Education Code 56500.3) Attorneys may not attend the Informal ADR session or the Prehearing Mediation Conference. Attorneys may attend, or otherwise participate in, only those mediation conferences that are scheduled pursuant to a request for a due process hearing. (Ed. Code §§ 56500.3, 56501) If the parties do not resolve their dispute through Informal ADR and/or a Pre-Hearing Mediation Conference, either party may file a request for a due process hearing. Due Process Complaint Notice and Hearing Procedures Due process hearing procedures may be initiated by a parent/guardian, the Charter LEA, and/or a student who is emancipated or a ward or dependent of the court, under the following circumstances. 1. There is a

proposal to initiate or change the identification, assessment or educational placement of the student or the provision of a free, appropriate public education to the student 2. There is a refusal to initiate or change the identification, assessment or educational placement of the student or the provision of a free, appropriate public education to the student 3. The parent/guardian refuses to consent to an assessment of his/her child; and/ or 4. There is a disagreement between a parent/guardian and the Charter LEA regarding the availability of a program appropriate for the student, including the question of financial responsibility. (20 USC § 1415(b); Education Code 56501) Prior to initiating a due process hearing, the party requesting the hearing, or the party's attorney, must provide the opposing party a confidential due process complaint notice, specifying: 1. The student's name 2. The student's address or, in the case of a student identified as homeless pursuant to the McKinney-Vento Homeless Assistance Act (42 USC 11434a(2)), any available contact information for that student 3. The name of the school the student attends 4. A description of the nature of the student's problem relating to the proposed or refused initiation or change, including facts relating to the problem 5. A proposed resolution to the problem to the extent known and available to the complaining party at the time (20 USC § 1415(b); 34 CFR § 300.508 (b).) Resolution Session When a parent seeks to initiate a request for due process, before their request is filed, they must provide the Charter LEA with the opportunity to resolve the matter by convening a resolution session, which is a meeting between the parents and the relevant members of the IEP team who have specific knowledge of the facts identified in the due process hearing request. (20 USC § 1415[f][1][B]; 34 CFR § 300.510) The Charter LEA has fifteen (15) days from the date it received the parents' due process hearing request to convene the resolution session. The sessions shall include a representative of the LEA who has decision-making authority and not include an attorney of the school LEA unless the parent is accompanied by an attorney. The parent of the child may discuss the due process hearing issue and the facts that form the basis of the due process hearing request. The resolution session is not required if the parent and the Charter LEA agree in writing to waive the meeting. If the Charter LEA has not resolved the due process hearing issue within thirty (30) days, the due process hearing may occur. If a resolution is reached, the parties shall execute a legally binding agreement. (20 USC § 1415[f][1][B]; 34 CFR § 300.51) A due process complaint must be filed within two years of the date that the parent/guardian or Charter LEA knew or should have known about the situation that forms the basis of the complaint. the Charter LEAs in the El Dorado Charter SELPA ensure that all students who require special education will participate in the California Reading Initiative, just as do all other students in the El Dorado Charter LEAs. In order to facilitate that effort, the Charter LEAs assure that special education instructional personnel will participate in staff development inservice opportunities in the area of literacy, including: a. information about current literacy and learning research; b. state-adopted student content standards and frameworks; and c. research-based instructional strategies for teaching reading to a wide range of diverse learners Each of the Charter LEAs will include special education staff in their curriculum materials selection process, in order to support alignment with State standards. Each will also include all special education staff in all staff development on phonemics and phonics, as well as in any additional state or regional training based on new legislation, e.g., the California Reading and Literature Subject Matter Project, the rollouts on the frameworks, AB466 training. The goals of the Charter LEAs are to increase the participation of students with disabilities in statewide student assessments, to increase the percentage of children with disabilities who are literate, and to assure that students with disabilities attain higher standards in reading. In order to reach these goals, we assure that students with disabilities will have full access to: 1. all required core curriculum including state-adopted core curriculum textbooks and supplementary textbooks; and 2. instructional materials and support.

The Charter SELPA is responsible for monitoring all required areas of compliance with federal, state and Charter SELPA policies. The purpose of all monitoring and oversight activities is to ensure legal and effective LEA practices are in place to meet the needs of students with disabilities. This policy outlines areas of oversight and indicators that may cause the initiation of a Charter SELPA review process. Charter SELPA administration will keep the CEO Council informed of SELPA oversight activities and determinations.

If compliance, performance and/or student population data for an LEA in the Charter SELPA varies significantly from expected results or standards, it may be an early warning for the Charter SELPA to initiate contact. In this case, the Charter SELPA will contact the LEA to confirm the data, discuss any underlying issues which may impact the data, and identify how the Charter SELPA can assist the LEA in any necessary corrective action.

The Charter SELPA will monitor special education practices and data continuously to determine whether practices are in line with the LEA’s responsibilities to students with disabilities and SELPA policies. Data will be collected and reviewed by the Charter SELPA. Examples of existing indicators and standards include but are not limited to:

- Identification rate of special education students that is below 4% or greater than 14%
- State Performance Plan Indicators
- Significant swings in enrollment and/or enrollment trends that are not aligned to the LEA’s instructional calendar
- Pattern of compliance complaints or due process hearings
- Evidence of exclusionary practices
- Significant and/or abrupt change in leadership or staff
- No/low participation or engagement in the Charter SELPA (CEO Council, Steering Committee, professional development offerings, etc.)
- Unspent funds greater than 25%
- Annual independent audit which shows serious fiscal solvency issues

**SELPA REVIEW PROCESS**  
 If one or more of the preceding triggers indicates a potential problem, the Charter SELPA may initiate a program and/or fiscal review. Program and fiscal reviews are facilitated by the appropriate Charter SELPA administrator. Charter SELPA’s goal in each review process is to clearly identify the areas of SELPA concern, discuss any underlying issues which may be impacting the findings, and identify how the Charter SELPA can assist the LEA in any necessary corrective action. The Charter SELPA may request additional information as necessary to resolve identified concerns.

When multiple or connected concerns exist, the Charter SELPA may implement an Integrated Review Team (IRT) visit. An Integrated Review Team (IRT) visit consists of Charter SELPA program and business administrators meeting directly with the charter LEA leadership team.

**CHARTER SCHOOLS AT-RISK**  
 Whether through a Charter SELPA review process or other source, or if significant matters arise that are potentially harmful to students, demonstrate negligence, may harm the SELPA, or there is a concern that funds are not being spent appropriately for special education, Charter SELPA administration is empowered to act in the best interests of the SELPA as a whole. Such matters include, but are not limited to:

- Pattern of noncompliance with federal, state or Charter SELPA regulations
- Notice of revocation
- Notice of bankruptcy
- FCMAT extraordinary audit
- Annual audit with material findings and identification of operational issues that cause concern regarding the long-term viability of the organization
- Other circumstances that create a concern that a loss to the SELPA is possible or funds are not being spent appropriately for special education

Charter SELPA administration may make a determination and proceed to:

- Notify appropriate public agencies;
- Notify the LEA’s governing board;
- Withhold state and/or federal funding;
- Move an LEA to reimbursement-based state funding, requiring

 Education Code Section 56040(a) states: "Every individual with exceptional needs, who is eligible to receive special education instruction and related services under this part, shall receive that instruction and those services at no cost to his or her parents or, as appropriate, to him or her." Related services means transportation and such developmental, corrective, and other supportive services as are required to assist a child with a disability to benefit from special education [34 CFR 300.34(a)]. Transportation as a related service includes travel to and from school and between schools, travel in and around school buildings; and specialized equipment (such as special or adapted buses, lifts, and ramps), if required to provide special transportation for a child with a disability [34 CFR 300.34(c)(16i-iii)]. LEAs/districts should not automatically assign students to transportation based on the students' disability without considering the students individual needs and the continuum of placements [Hopkinton (MA) Pub. Schs., 108 LRP 41626 (OCR 2007)].  
 For students with medical needs, 34 CFR 300.34(a)(ii) limits the responsibility of a public agency to appropriately monitor and maintain medical devices that are needed to maintain the health and safety of the child, including breathing, nutrition, or operation of other bodily functions, while the child is transported to and from school.

The standards and timeline as determined by the SELPA shall, at a minimum, provide the LEA a reasonable opportunity for prior written notice and an opportunity to be heard by the Membership Appeals Committee.

## **6. DISPUTE RESOLUTION**

Should a dispute arise relating to the responsibility for service provision, governance activities, the distribution of funding, if a party believes that an action taken by the CEO Council will create an undue hardship, or that the action taken exceeds the authority granted to the CEO Council within the Local Plan and/or state or federal statute, the aggrieved party may request a review of the action with the appropriate governing body or CDE as appropriate.
