Jenell Sherman, Principal  
Clarksville Charter School  
4818 Golden Foothill Pkwy  
El Dorado Hills, California 95762

Dear Jenell Sherman:

The Accrediting Commission for Schools, Western Association of Schools and Colleges (ACS WASC) announces the action taken at the Spring 2021 Commission Meeting. The ACS WASC Commissioners have determined Clarksville Charter School (TK-12) meets the ACS WASC criteria for accreditation. This accreditation status is based on all of the information provided by the school, including the school's report, and the satisfactory completion of the accreditation visit.

It is the decision of the Commission to grant six-year accreditation status with a Two-day Mid-cycle Visit, through June 30, 2027.

Clarksville Charter School is required to prepare an in-depth Progress Report for the Mid-cycle Visit. The report and visit should demonstrate that the school has: 1) addressed the critical areas for follow-up through the schoolwide action plan; 2) made appropriate progress on the implementation of the schoolwide action plan; and 3) improved student achievement relative to the schoolwide learner outcomes and the academic standards.

Accreditation status is conditioned upon Clarksville Charter School's continued adherence with the ACS WASC policies, procedures, and criteria for accreditation. This includes a requirement that an accredited school annually contribute members to participate on visiting committees. Failure to maintain compliance with said policies, procedures, and standards is grounds for modification and/or withdrawal of the accreditation.

The Commission looks forward to Clarksville Charter School's anticipated success and continuing improvement in keeping with ACS WASC's pursuit of excellence in elementary, secondary, and adult education.

Sincerely,

Gregory A. Franklin  
Commission Chairperson

*Thank you  
For serving our  
school!*

As part of the terms of Haycock’s Employment Agreement and addendum effective as of July 1, 2021, Haycock and LVCS agree that LVCS may be on loan to WCS, CCS and FRCS in the roles designated herein.

**WHEREAS**, CCS entered into an employment agreement effective as of July 1, 2021, with Jenell Sherman as the Executive Director of CCS. As part of the terms of Sherman’s Employment Agreement and addendum effective July 1, 2021, Sherman and CCS agree that Sherman may be on loan to LVCS, WCS and FRCS in the roles designated herein.

**WHEREAS**, the Parties seek to share the services of: (i) Haycock as an Executive Director for LVCS and WCS and as Vice Principal for CCS and FRCS; and (ii) Sherman as an Executive Director for CCS and FRCS and Vice Principal for LVCS and WCS (collectively, the “Shared Personnel”) among them cooperatively in order to achieve cost savings and other benefits for each Party, so that each Party may have access to additional, valuable and/or specialized personnel services that might otherwise not be available to them;

**WHEREAS**, the sharing of services performed by the Shared Personnel among all of the Parties cooperatively is in the mutual interest of each of the Parties and in furtherance of their shared goal to successfully implement their respective education programs in an efficient and cost effective manner; and

**WHEREAS**, the Parties intend to coordinate the services provided by the Shared Personnel to the Parties and to equitably and appropriately allocate and document costs among the Parties according to the terms and conditions set forth in this MOU.

**NOW, THEREFORE**, in consideration of their mutual promises set forth in this MOU, the sufficiency of which is acknowledged, the Parties hereby agree as follows.

**AGREEMENT**

1. **Shared Personnel Services.** During the term of this MOU, the Parties shall coordinate with each other for the Shared Personnel to perform the services described in **Attachment A** (the “Services”) under the terms and conditions set forth herein.

2. **Relationship of Parties.** The Parties acknowledge that Shared Personnel are and shall remain employees of LVCS and CCS (as set forth in the above Recitals), which shall constitute the sole employers and “Lessors” of Services performed by Shared Personnel under this MOU. The non-Lessor

Parties entitled to receive Services from Shared Personnel pursuant to the terms of the MOU shall constitute the “Lessees.” Shared Personnel shall be subject to the ultimate oversight, direction and control of Lessors and their respective governing boards, officers, and designated representatives, but may also be subject to the supervision and direction of Lessees when performing Services on their behalf. The termination of this MOU shall not terminate the Shared Personnel’s employment relationship with their respective Lessors. Lessees are not, and nothing in this MOU shall cause Lessees to become, third party beneficiaries to the Lessors’ respective employment agreements with the Shared Personnel. Nothing in this MOU shall confer upon any Party any rights or remedies, including any right to employment, as an employee of any other Party. Nothing in this MOU shall create a joint venture between the Parties. Each Party shall remain solely responsible for its own governance, operations and educational program.

3. **Allocation.** Each Party’s right to receive Services and obligation to pay fees under this MOU shall be determined based upon their proportionate share using the formula set forth in **Attachment B (the “Allocation”)**.

4. **Allocation of Services.** Each Party will have the right to receive Services from Shared Personnel in an amount reasonably equivalent to that Party’s Allocation. The Parties shall work cooperatively with each other and the Shared Personnel to coordinate the performance of such Services. Any Party which asserts that it has not received its Allocation of Services from Shared Personnel, must provide written notice to the Parties, describing in detail the alleged deficiency and allowing thirty (30) days to cure before seeking any other remedy.

5. **Allocation of Fees and Expenses.** As consideration for the Services provided by Shared Personnel, each Lessee shall pay to the Lessors the fees and expenses set forth herein.

a. **Fees.** Each Lessee shall pay to the Lessors a fee that is calculated based on their Allocation of the annual total cost incurred by Lessors in employing the respective Shared Personnel as set forth in **Attachment B**. The total cost shall be fixed as of July 1 for each year of this MOU and may thereafter be subject to change only with the agreement of all Parties. Any such changes, notating the effective date, shall be memorialized by Lessors in **Attachment B**.

b. **Expenses.** Reasonable and necessary expenses incurred by Shared Personnel in the course of performing Services under this MOU shall be split evenly between those Parties on whose behalf the expenses were incurred. Expenses in excess of \$1,000 must be approved in advance by the affected Parties. Invoices for expenses shall be sent by Lessors within [thirty (30)] days of payment to Shared Personnel and shall include copies of supporting documentation (e.g. receipts). If the reasonable and necessary expense is incurred by Shared Personnel by one Party, that Party shall be responsible for the full cost of the expense.

6. **Monthly Payment.** Lessors shall provide monthly statements to the non-Lessor parties which shall include the billing period, the fees and any expenses owed and a description of the method by which the fees and expenses were calculated. Each non-Lessor Party shall submit payment to Lessors within thirty (30) days after receipt of the invoice. Any disputes concerning invoices must be directed to Lessors in writing within thirty (30) days after receipt of the invoice. Lessors shall provide access to reasonable backup documentation for such fees upon request and subject to privacy considerations.

7. **Lessor Responsibilities.** In addition to any other promises and covenants identified herein, Lessors shall have the following responsibilities under this MOU as it pertains to their respective employee:

a. Comply with all applicable federal, state and local laws and regulations,

including laws prohibiting harassment, discrimination and retaliation.

b. Comply with all applicable federal, state and local laws, regulations and orders concerning workplace safety.

c. Timely pay Shared Personnel consistent with applicable law and their employment agreements, if any.

d. Ensure that Shared Personnel maintain the qualifications and competency necessary to provide the Services, including but not limited to: (i) complete all required training, including, but not limited to initial and annual training on mandated child abuse and neglect reporting; (ii) are free from active tuberculosis; (iii) have passed a criminal background check through the Department of Justice; (iv) have not been convicted of a serious or violent felony (as defined by Penal Code §§ 667.5 and 1192.7); (v) are eligible to work in the United States; and (vi) maintain in good standing all applicable licenses and credentials.

e. Supervise and evaluate Shared Personnel and make and implement, in its sole discretion all employment related communications and decisions with respect to Shared Personnel, including, but not limited to matters relating to discipline, termination, accommodations, disability claims, complaints, leaves of absence, compensation and benefits.

f. Administer trainings, leaves of absence, disability accommodations and other duties of an employer as required by applicable law.

**8. Lessee Responsibilities.** In addition to any other promises and covenants identified herein, each Lessee shall have the following responsibilities under this MOU:

a. Comply with all applicable federal, state and local laws and regulations, including laws prohibiting harassment, discrimination and retaliation.

b. Comply with all applicable federal, state and local laws, regulations and orders concerning workplace safety.

c. Provide to Shared Personnel, in writing, copies of any of Lessee's policies and procedures applicable to the Services.

d. Provide a safe working environment for Shared Personnel.

e. Supervise and direct Shared Personnel when providing Services on behalf of the Lessee in order to ensure that Shared Personnel meet their performance obligations and comply with all of Lessee's applicable policies and procedures.

f. Provide feedback to Lessors regarding the performance of Shared Personnel.

**9. Term and Termination.**

a. Term. The MOU is effective as of July 1, 2021 and shall remain in effect until June 30, 2022 (the "Initial Term"). This MOU shall automatically renew for consecutive additional one (1) year terms unless a Party provides written notice of non-renewal to the other at least ninety (90) days prior to the expiration of the then-current term (each, a "Renewal Term"). The Initial Term and any Renewal Term(s) are referred to as the Term. Termination under this subsection shall not relieve the terminating

Party of any of its obligations under this MOU prior to the effective date of such termination. Termination by a Lessee will not automatically terminate this MOU as to the remaining Parties. In the event a Lessee's participation in this MOU is terminated, the remaining Parties' Allocation shall be re-assessed consistent with Section 3 of this MOU.

b. Termination With Cause. Any Party may terminate its participation in this MOU for cause as defined below. All notices required under this subdivision must be simultaneously provided to all Parties in writing.

- i. Material Breach. Any Party may terminate this MOU the event of another Party's material or persistent breach of any one or more of the terms of this MOU, which breach is not remedied within thirty (30) days after written notice is provided to all Parties. If after thirty (30) days the non-breaching Party determines that the breach has not been remedied or appropriate actions have not commenced to cure the breach, the non-breaching Party may terminate its participation in the MOU effective immediately. Following termination under this subsection, the breaching Party remains responsible for paying its Allocation of fees through the last day of the month in which the MOU is terminated.
- ii. Charter Revocation/Non-Renewal. Upon the revocation or non-renewal of the charter of a Party, that Party may terminate their participation in the MOU. Notice of any such revocation or non-renewal shall be provided as soon as possible.
- iii. Termination for Change in Shared Personnel. Any Party may terminate this MOU upon a change in the employment status of Shared Personnel. A legally protected leave of absence taken by Shared Personnel shall not constitute a change in employment status under this subdivision and shall not give cause for termination of this MOU. In the event Shared Personnel are on an extended leave of absence or are no longer employed by the respective Lessor, that Lessor and applicable Lessees may mutually agree upon a replacement. In the event Shared Personnel are terminated which results in a severance, the terminating party shall be responsible for paying for any severance required by that contract

c. Termination by Agreement of All Parties. This MOU may be terminated at any time upon a written agreement of all Parties.

**10. Intellectual Property; Work Product.** Any intellectual property owned by a Party that is used by or on behalf of another Party in the context of providing Services, shall remain the property of the originating Party. No Party shall have the right to grant a license, sublicense, or any other use or rights to the intellectual property of another Party. A Party's use of another Party's intellectual property under this MOU shall not create any ongoing license or other right to continuing use of that intellectual property after the termination of this MOU. Upon termination of this MOU, the intellectual property of each Party in the possession of any other Party shall be returned and/or destroyed. Any work product created by or on behalf of a Party pursuant to this MOU, shall be and remain the property of that Party.

**11. Confidentiality.** Each Party acknowledges that during the term of this MOU, it may have access to certain Confidential Information of the other Parties as defined below. Each Party shall maintain and enforce reasonable administrative, technical, and physical safeguards, including but not limited to restricting access to Confidential Information, in order to reasonably protect the confidentiality of the other Parties' Confidential Information. The Parties' obligations hereunder with respect to

Confidential Information shall survive termination of this MOU.

a. Scope. “Confidential Information” means non-public information marked either “confidential” or “proprietary,” or that otherwise should be understood by a reasonable person to be confidential in nature. Confidential Information may include but is not limited to trade secrets, policies, procedures, closed session records and communications, student education records, intellectual property, business or strategic plans, contractual arrangements or negotiations, fundraising and marketing strategies, financial information and employee information. Confidential Information does not include any information which (i) is rightfully known to the recipient prior to its disclosure; (ii) is released to any other person or entity (including governmental agencies) without restriction; (iii) is independently developed by the recipient without use of or reliance on Confidential Information; (iv) is or later becomes publicly available without violation of this MOU or may be lawfully obtained by a Party from a non-party; or (v) which is a public record under California law.

b. Notice. If disclosure of Confidential Information is requested pursuant to law, statute, rule or regulation (including through a subpoena or request under the California Public Records Act, but excluding requests in connection with routine supervisory examination by regulatory authorities with jurisdiction and without breaching any legal or regulatory requirement), the Party to which the request for disclosure is made shall provide the Party(ies) whose Confidential Information is requested with prior prompt written notice thereof to the extent practicable, and if practicable under the circumstances, shall allow the affected Party(ies) to seek a restraining order or other appropriate relief.

c. Return. Upon the termination or expiration of this MOU, Confidential Information of each Party in the possession of the other Party shall be returned.

**12. Student Information.** Each Party is responsible for its compliance with the federal Family Educational Rights and Privacy Act (20 U.S.C. § 1232g) (“FERPA”) and other applicable state and federal laws pertaining to student information and privacy.

a. To the extent necessary, the Lessors shall be designated as having a legitimate educational interest in accessing each Lessee’s student education records, as that term is defined by and for purposes of FERPA, thereby allowing Shared Personnel to access personally identifiable information from student education records from the Lessees as needed to perform the Services. For purposes of this MOU, the term “personally identifiable information” (“PII”) means any information that can be used on its own or with other information to (i) distinguish one person from another, (ii) identify, contact, or locate a single person, or (iii) de-anonymize anonymous data.

b. Lessors shall not use or disclose pupil records, including PII, received from or on behalf of another Party except as necessary with respect to the performance of the Services, as required by law, or as otherwise authorized in writing by the applicable Lessees. Lessors shall protect the student education records it receives from or on behalf of another Party no less rigorously than it protects its own student education records. In the event of an unauthorized disclosure of PII, Lessors shall notify the affected Lessee(s) as soon as practicable, and shall, upon the affected Lessee’s request, notify affected parents, legal guardians and eligible pupils using reasonably available technological means such as electronic mail.

**13. Conflicts.** In the event an actual or potential conflict arises between the Parties, the affected Parties shall seek to resolve the conflict, while taking reasonable measures to protect from disclosure any Confidential Information.

**14. Insurance.** Lessors shall procure and maintain in full force and effect for the duration of

this MOU, the following insurance in connection with Lessors' performance under this MOU and the provision of Services by Shared Personnel.

a. California Workers' Compensation Insurance, as required by the State of California and consistent with Labor Code section 3602(d)(1), with statutory limits, and Employer's Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease, covering all Shared Personnel provided under this MOU.

b. General Liability Insurance including coverage for personal injury, death, property damage and sexual abuse/molestation (if not included with ELL) with a combined single limit of no less than One Million Dollars (\$1,000,000) per occurrence, and a minimum annual aggregate of Two Million Dollars (\$2,000,000).

c. Employment Practices Liability Insurance with a combined single limit of no less than One Million Dollars (\$1,000,000) per occurrence.

d. Professional Liability Insurance, which may also be called Educator's Legal Liability Insurance (or ELL), with a combined single limit of no less than One Million Dollars (\$1,000,000) per claim, and Two Million Dollars (\$2,000,000) policy aggregate.

e. Lessors will provide additional insured coverage and policy endorsements for Lessees and their officers, directors, employees, volunteers or agents (collectively referred to as the "Additional Insureds") under the General Liability and Employment Practices policies. The coverage shall contain no special limitations on the scope of protection afforded to the Additional Insureds. Lessors' insurance shall be primary as respects Additional Insureds, and any insurance, self-insurance or other coverage maintained by Additional Insureds shall be excess to Lessors' insurance and shall not contribute to it.

f. Lessors hereby agree to waive rights of subrogation which any insurer of Lessors may acquire from Lessors by virtue of the payment of any loss. Lessors agree to obtain any endorsement that may be necessary to affect this waiver of subrogation.

g. Upon request at any time, Lessors shall furnish any Lessee with original Certificates of Insurance including all required amendatory endorsements (or copies of the applicable policy language affecting coverage required by this Section) and a copy of the Declarations and Endorsement Page of the CGL policy listing all policy endorsements. Failure to obtain the required documents prior to the work beginning shall not waive Lessors' obligation to provide them. Lessees reserve the right to require complete, certified copies of all required insurance policies, including endorsements, herein required, at any time.

h. Lessors will provide 30 days prior written notice to applicable Lessees in the event of any material modification or cancellation of insurance required by this MOU. If any of the required coverages expire during the term of this MOU, Lessors shall deliver the renewal certificate(s) including the additional insured endorsements to Lessees at least ten (10) days prior to the expiration date.

i. Except as indicated above, all policies shall be provided on an occurrence basis. If any of the required policies provide coverage on a claims-made basis, then the following terms shall be provided to the extent possible: (i) the retroactive date must be shown and must be before the date of the MOU or the beginning of the work; (ii) insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of the work; (iii) if coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a retroactive date prior to the

contract effective date, the Lessors must purchase “extended reporting” coverage for a minimum of five (5) years after completion of contract work.

**15. Liability.** Each Party shall be and remain responsible for its own debts and obligations. Nothing in this MOU shall be construed as imposing on a Party any liability arising out of the operations of any other Party, except as such liability may result from the performance of the first Party’s obligations under this MOU.

**16. Indemnification.** Each Party shall defend, indemnify, and hold harmless the other Parties, and their employees, officers, directors, and agents, from and against any liability, loss, claims, demands, damages, expenses, lawsuits and costs (including attorneys’ fees, expert witness fees, and other costs of litigation or other proceedings) of every kind or nature arising in any manner out of any breach of duties under this MOU and/or negligence or willful misconduct of that Party, including its employees, officers directors and agents. In no event shall any Party be required to defend, indemnify or hold harmless any other Party for its sole negligence or willful misconduct.

**17. Assignment.** No Party shall assign this MOU, any interest in this MOU, or its rights or obligations under this MOU without the express prior written consent of the other Parties. This MOU shall be binding on, and shall inure to the benefit of, the Parties and their respective successors and assigns.

**18. Fiduciary Obligations.** The governing body for each Party has reviewed this MOU in good faith, and in a manner in which it believes to be in its best interests, and with such care, including reasonable inquiry, as an ordinary prudent person in a like position would use under similar circumstances, and has determined that the MOU is in the best interests of its Party and that the cost allocation to be paid is fair and reasonable.

**19. Dispute Resolution.** If there is any dispute or controversy between the Parties arising out of or relating to this MOU, the Parties agree to confidentially meet in good faith to discuss a mutually amicable resolution to the dispute. If informal efforts at dispute resolution are not successful, the Party with the complaint shall give written notice of the dispute and the desired resolution to the other Party. The Parties agree that, within thirty (30) days of the date of written notice of the failure to resolve the dispute despite good faith efforts, they will again meet with a mutually agreeable mediator for non-binding mediation in good faith, with a principal of each of the Parties present. If the Parties are still unable to come to a resolution within thirty (30) days of the external mediation, the Parties may agree to arbitrate the dispute in El Dorado County before a retired California state or federal court judge under the Comprehensive Arbitration Rules of JAMS, rather than resorting to litigation.

**20. Notice.** All notices, requests, demands, or other communications (collectively “Notice”) given to or by the Parties under this MOU shall be in writing and shall be deemed to have been duly given on the date of receipt if transmitted by email or personally served on the Party(ies) to whom Notice is to be given, or seventy-two (72) hours after mailing by United States mail first class, registered or certified mail, postage prepaid, addressed to the Party(ies) to whom Notice is to be given, at the applicable address set forth below:

**22. Amendments.** This MOU may be amended by the mutual written consent of all Parties.

**WHEREAS**, Schools are nonclassroom-based public charter schools using the same educational model dedicated to providing students with a flexible personalized learning experience that empowers families to tailor a program designed around the specific needs of each student;

**WHEREAS**, each School employs certificated teachers designated as having the responsibility for the general supervision of their students’ independent study pursuant to Education Code § 51747.5(a);

**WHEREAS**, the sharing of services performed by the Shared Personnel among all of the Parties cooperatively is in the mutual interest of each of the Parties and in furtherance of their shared goal to successfully implement their respective education programs in an efficient and cost effective manner; and

**WHEREAS**, the Parties intend to coordinate the services provided by the Shared Personnel to the Parties and to equitably and appropriately allocate and document costs among the Parties according to the terms and conditions set forth in this MOU.

**NOW, THEREFORE**, in consideration of their mutual promises set forth in this MOU, the Parties desire to, and hereby agree as follows:

1. **Shared Personnel.** During the term of this MOU, the Parties shall coordinate with each other for shared personnel (“**Shared Personnel**”) to perform the educational services described in Attachment A (the “**Services**”) under the terms and conditions set forth herein. All shared personnel shall be documented between the Lessor and Lessee Schools, as defined herein, pursuant to Attachment B as outlined in a written process to be mutually agreed upon between the parties. No third party shall have the authority to unilaterally impose the sharing of personnel between the Parties.

2. **Lessor and Lessee Schools.** The Parties acknowledge each School may both (i) employ an individual who will provide Services to another School; and (ii) receive Services from an individual employed by another School. The term “**Lessor**” refers to a School leasing its employee(s) to another School pursuant to the terms of the MOU. The term “**Lessee**” refers to a School receiving Services from another School’s employee(s) pursuant to the terms of the MOU. Each Party may serve as a Lessor and Lessee under this MOU, and shall meet the obligations set forth in this MOU depending on their role as a Lessor and/or Lessee. Shared Personnel shall be subject to the ultimate oversight, direction and control of Lessor and its governing board, officers, and designated representatives, but may also be subject to the supervision and direction of Lessees when performing Services on their behalf. The termination of this

MOU shall not terminate the Shared Personnel's employment relationship with the Lessor. Lessees are not, and nothing in this MOU shall cause Lessees to become third party beneficiaries to Lessor's employment agreements with the Shared Personnel. Nothing in this MOU shall confer upon any Party any rights or remedies, including any right to employment, as an employee of any other Party. Nothing in this MOU shall create a joint venture between the Parties. Each Party shall remain solely responsible for its own governance, operations and educational program.

3. **Allocation.** Each Party's right to receive Services and obligation to pay fees under this MOU shall be determined based upon their proportionate share using the formulas set forth in Attachment A (the "**Allocation**"), as it may be adjusted from time to time by written agreement of the Parties. The Allocation shall be assessed at the intervals set forth in Attachment A during the Term of this MOU and upon termination as set forth in Section 8.

4. **Allocation of Services.** Each Party will have the right to receive Services from Shared Personnel in an amount reasonably equivalent to that Party's Allocation. The Parties shall work cooperatively with each other and the Shared Personnel to coordinate the performance of such Services. Any Party which asserts that it has not received its Allocation of Services from Shared Personnel, must provide written notice to the Parties, describing in detail the alleged deficiency and allowing thirty (30) days to cure before seeking any other remedy.

5. **Allocation of Fees and Expenses.** As consideration for the Services provided by Shared Personnel, each Lessee shall pay to Lessor the fees and expenses set forth herein.

a. **Fees.** Each Lessee shall pay to Lessor a fee that is calculated based on their Allocation of the annual total cost incurred by Lessor in employing the Shared Personnel as set forth in Attachment C (including total gross wages, benefits, workers' compensation costs, statutory benefits, retirement benefit system contributions, and employment taxes). The total cost shall be fixed as of the date of execution of this MOU and may thereafter be subject to change only with the agreement of all Parties. Any such changes, notating the effective date, shall be memorialized by the Parties in Attachment C, which may be updated as a matter of contract administration without the need for a formal amendment to this MOU.

b. **Expenses.** Reasonable and necessary expenses incurred by Shared Personnel in the course of performing Services under this MOU shall be divided by relative Allocation between those Parties on whose behalf the expenses were incurred. Expenses in excess of \$1,000.00 must be approved in advance by the affected Parties. To the extent such expenses are not incorporated in the total costs outlined in Attachment C, invoices for expenses shall be sent within thirty (30) days of payment to Shared Personnel and shall include copies of supporting documentation (e.g. receipts).

c. **Invoicing.** Each Party shall invoice the other Parties monthly for all fees and expenses incurred ("Monthly Invoice"). Each Monthly Invoice shall contain a brief description of the method by which the fees and expenses were calculated.

d. **Payment Terms.** Payment is due thirty (30) days from the date of delivery of the Monthly Invoice.

e. **Disputes.** Any disputes concerning invoices must be directed to the Lessor in writing within thirty (30) days after receipt of the Monthly Invoice. Lessor shall provide access to reasonable backup documentation for such fees upon request and subject to privacy considerations.

**6. Lessor Responsibilities:** In addition to any other promises and covenants identified herein, Lessor shall have the following responsibilities under this MOU:

*a.* Comply with all applicable federal, state and local laws and regulations, including laws prohibiting harassment, discrimination and retaliation.

*b.* Comply with all applicable federal, state and local laws, regulations and orders concerning workplace safety.

*c.* Timely pay Shared Personnel consistent with applicable law and their employment agreements, if any.

*a.* Work cooperatively with Lessee to ensure compliance with all applicable wage and hour laws for nonexempt Shared Personnel, including, but not limited to, providing work schedules (including compliant scheduled meal and rest periods) to Shared Personnel and timely paying Shared Personnel for all overtime and meal and rest period premiums, if applicable, and providing accurate wage statements.

*b.* Ensure that Shared Personnel maintain the qualifications and competency necessary to provide the Services, including but not limited to: (i) complete all required training, including, but not limited to initial and annual training on mandated child abuse and neglect reporting; (ii) are free from active tuberculosis; (iii) have passed a criminal background check through the Department of Justice; (iv) have not been convicted of a serious or violent felony (as defined by Penal Code §§ 667.5 and 1192.7), sex offense as defined by Education Code § 44010, or a controlled substance offense (as defined by Education Code § 44011); (v) are eligible to work in the United States; and (vi) maintain in good standing all applicable licenses and credentials.

*c.* Supervise and evaluate Shared Personnel and make and implement, in its sole discretion, all employment-related communications and decisions with respect to Shared Personnel, including, but not limited to matters relating to discipline, termination, accommodations, disability claims, complaints, leaves of absence, compensation and benefits.

*d.* Administer trainings, leaves of absence, disability accommodations and other duties of an employer as required by applicable law.

*e.* Assuming Lessor participates in CalSTRS or CalPERS, the Parties acknowledge Shared Personnel are employees of the Lessor for CalSTRS or CalPERS purposes.

*f.* If Lessee reports Shared Personnel misconduct to Lessor that violates Lessor or Lessee policies or procedures or law, Lessor shall promptly take corrective action which may include, but is not limited to, conducting an investigation, disciplining the individual, or terminating the individual and making good faith efforts to hire a replacement in accordance with Section 6(j).

*g.* If a Shared Personnel's employment ends with Lessor, Lessor shall make good faith efforts to replace the individual within thirty (30) days of termination, unless the other Parties provide written consent that a replacement for such individual is not necessary.

**2. Lessee Responsibilities:** In addition to any other promises and covenants identified

herein, each Lessee shall have the following responsibilities under this MOU:

- a. Comply with all applicable federal, state and local laws and regulations, including laws prohibiting harassment, discrimination and retaliation.
- b. Comply with all applicable federal, state and local laws, regulations and orders concerning workplace safety.
- c. Provide to Shared Personnel, in writing, copies of any of Lessee's policies and procedures applicable to the Services.
- d. Provide a safe working environment for Shared Personnel.
- e. Supervise and direct Shared Personnel when providing Services on behalf of the Lessee in order to ensure that Shared Personnel meet their performance obligations and comply with all of Lessee's applicable policies and procedures.
- f. Provide feedback to Lessor regarding the performance of Shared Personnel, including, but not limited to, reporting misconduct to Lessor by a Shared Personnel that violates Lessee policies or procedures or law.
- g. Work cooperatively with Lessor to ensure compliance with all applicable wage and hour laws for nonexempt Shared Personnel, including, but not limited to, ensuring that nonexempt Shared Personnel adhere to their schedule as provided by Lessor, including taking meal and rest periods, and ensuring nonexempt Shared Personnel accurately record/track all hours worked for Lessee. Lessee agrees to timely report to Lessor any non-compliant meal or rest periods and any overtime worked by nonexempt Shared Personnel while working on behalf of Lessee.

### **3. Term and Termination.**

- a. Term. The MOU is effective as of July 1, 2021 and shall remain in effect until June 30, 2022 (the "**Term**"). This MOU shall automatically terminate unless renewed in writing by the Parties. Termination under this subsection shall not relieve the terminating Party of any of its obligations under this MOU prior to the effective date of such termination. Termination of participation by any Party(ies) shall not terminate the MOU as to any other Party.
- b. Termination With Cause. Any Party may terminate its participation in this MOU for cause as defined below. All notices required under this subdivision must be simultaneously provided to all Parties in writing.
  - i. Material Breach. Any Party may terminate this MOU in the event of another Party's material or persistent breach of any one or more of the terms of this MOU, which breach is not remedied within thirty (30) days after written notice. If after thirty (30) days the non-breaching Party determines that the breach has not been remedied or appropriate actions have not commenced to cure the breach, the non-breaching Party may terminate its participation in the MOU effective immediately. If termination pursuant to this section is based upon a failure to pay an invoice in a timely fashion as outlined in Section 5(d) then the nonpaid Party may terminate the agreement with the non paying Party if that material breach has not been remedied within ten (10) business days of written notification of the material breach.

- ii. Charter Revocation/Non-Renewal. Upon the revocation or non-renewal of the charter of a Party, that Party may terminate its participation in the MOU effective upon the winding up of that charter's business, as set forth in any closure resolution. Notice of any such revocation or non-renewal shall be provided as soon as possible.
- iii. Duty to Pay Severance to Shared Personnel Upon Termination. In the event termination of this MOU results in termination of Shared Personnel's employment without cause thereby triggering a requirement to pay severance to Shared Personnel under their employment agreement with Lessor, the terminating party shall be responsible for paying for severance, if any in the Shared Personnel's contract, up to two weeks of salary, or in the event of a termination by more than one Party, any such severance shall be paid according their relative Allocation.
- iv. Termination of Shared Personnel Arrangements. Any Lessor or Lessee may terminate a Shared Personnel arrangement for teachers or other instructional staff who directly support students at any time, with or without cause or advance notice. If a Lessor or Lessee seeks to terminate a Shared Personnel arrangement for an administrative staff position who does not typically directly serve students, Lessee and Lessor shall provide sixty (60) days' written notice to other Parties before such termination. If there are any disputes concerning termination of Shared Personnel arrangements, the Parties agree to meet and confer to seek a resolution in good faith.

**4. Intellectual Property; Work Product.** Any intellectual property owned by a Party that is used by or on behalf of another Party in the context of providing Services, shall remain the property of the originating Party. No Party shall have the right to grant a license, sublicense, or any other use or rights to the intellectual property of another Party. A Party's use of another Party's intellectual property under this MOU shall not create any ongoing license or other right to continuing use of that intellectual property after the termination of this MOU. Upon termination of this MOU, the intellectual property of each Party in the possession of any other Party shall be returned and/or destroyed. Any work product created by or on behalf of a Party pursuant to this MOU, shall be and remain the property of that Party.

**5. Confidentiality.** Each Party acknowledges that during the term of this MOU, it may have access to certain Confidential Information of the other Parties as defined below. Each Party shall maintain and enforce reasonable administrative, technical, and physical safeguards, including but not limited to restricting access to Confidential Information, in order to reasonably protect the confidentiality of the other Parties' Confidential Information. The Parties' obligations hereunder with respect to Confidential Information shall survive termination of this MOU.

a. **"Confidential Information"** means non-public information marked either "confidential" or "proprietary," or that otherwise should be understood by a reasonable person to be confidential in nature. Confidential Information may include but is not limited to trade secrets, policies, procedures, student education records, intellectual property, business or strategic plans, contractual arrangements or negotiations, fundraising strategies, financial information and employee information. Confidential Information does not include any information which (i) is rightfully known to the recipient prior to its disclosure; (ii) is released to any other person or entity (including governmental agencies) without restriction; (iii) is independently developed by the recipient without use of or reliance on Confidential Information; (iv) is or later becomes publicly available without violation of this MOU or may be lawfully obtained by a Party from a non-party; or (v) which is a public record under California law.

b. If disclosure of Confidential Information is requested pursuant to law, statute, rule or regulation (including a subpoena, a request made to a Party under the California Public Records Act, or other similar form of process), the Party to which the request for disclosure is made shall (other than in connection with routine supervisory examinations by regulatory authorities with jurisdiction and without breaching any legal or regulatory requirement) provide the applicable Party(ies) with prior prompt written notice thereof to the extent practicable, and if practicable under the circumstances, shall allow the applicable Party(ies) to seek a restraining order or other appropriate relief.

c. Upon the termination or expiration of this MOU, Confidential Information of each Party in the possession of the other Party shall be returned and/or destroyed. Section 10 shall survive termination of this MOU.

**6. Student Information.** Each Party is responsible for its compliance with the federal Family Educational Rights and Privacy Act (20 U.S.C. § 1232g) (“*FERPA*”) and other applicable state and federal laws pertaining to student information and privacy.

a. To the extent necessary, the Lessor shall be designated as having a legitimate educational interest in accessing a Lessee’s student education records, as that term is defined by and for purposes of FERPA, thereby allowing Lessor to access personally identifiable information from student education records from the Lessee as part of its performance of the Services. For purposes of this MOU, the term “personally identifiable information” (“*PII*”) means any information that can be used on its own or with other information to (i) distinguish one person from another, (ii) identify, contact, or locate a single person, or (iii) de-anonymize anonymous data.

b. Lessor shall not use or disclose pupil records, including PII, received from or on behalf of another Party except as necessary with respect to the performance of the Services, as required by law, or as otherwise authorized in writing by the applicable Lessee. Lessor shall protect the student education records it receives from or on behalf of another Party no less rigorously than it protects its own student education records. In the event of an unauthorized disclosure of PII, Lessor shall notify the affected Lessee(s) as soon as practicable, and shall, upon the affected Lessee’s request, notify affected parents, legal guardians and eligible pupils using reasonably available technological means such as electronic mail.

**7. Insurance.** Lessor shall procure and maintain in full force and effect for the duration of this MOU, the following insurance in connection with Lessor’s performance under this MOU and the provision of Services by Shared Personnel:

a. California Workers' Compensation Insurance, insurance as required by the State of California and consistent with Labor Code section 3602(d)(1), with statutory limits, and Employer’s Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease, covering all Shared Personnel provided under this MOU.

b. General Liability Insurance including coverage for personal injury, death, property damage and sexual abuse/molestation (if not included with ELL) with a combined single limit of no less than One Million Dollars (\$1,000,000) per occurrence, and a minimum annual aggregate of Two Million Dollars (\$2,000,000).

c. Employment Practices Liability Insurance with a combined single limit of no less than One Million Dollars (\$1,000,000) per occurrence.

d. Professional Liability Insurance, which may also be called Educators Legal Liability Insurance (or ELL), with a combined single limit of no less than One Million Dollars (\$1,000,000) per claim, and Two Million Dollars (\$2,000,000) policy aggregate.

e. Lessor will provide additional insured coverage and policy endorsements for Lessees and their officers, directors, employees, volunteers or agents (collectively referred to as the “**Additional Insureds**”) under the General Liability, Workers’ Compensation, Employment Practices and Professional Liability policies as specified above. The coverage shall contain no special limitations on the scope of protection afforded to the Additional Insureds. Lessor’s insurance shall be primary as respects to Additional Insureds, and any insurance, self-insurance or other coverage maintained by Additional Insureds shall be excess to Lessor’s insurance and shall not contribute to it.

f. Except for Workers’ Compensation and Professional Liability coverages Lessor hereby agrees to waive rights of subrogation which any insurer of Lessor may acquire from Lessor by virtue of the payment of any loss. Lessor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation.

g. At commencement of this MOU, and upon any renewal of this MOU, and upon request at any time, Lessor shall furnish any Lessee with original Certificates of Insurance including all required amendatory endorsements (or copies of the applicable policy language effecting coverage required by this Section) and a copy of the Declarations and Endorsement Page of the policy listing all policy endorsements. Failure to obtain the required documents prior to the work beginning shall not waive Lessor’s obligation to provide them. Lessees reserve the right to require complete, certified copies of all required insurance policies, including endorsements, herein required, at any time.

h. Lessor will provide thirty (30) days prior written notice to Lessee(s) in the event of any material modification or cancellation of insurance required by this MOU. If any of the required coverages expire during the term of this MOU, Lessor shall deliver the renewal certificate(s) including the additional insured endorsements to Lessees at least ten (10) days prior to the expiration date.

i. Except as indicated above, all policies shall be provided on an occurrence basis. If any of the required policies provide coverage on a claims-made basis: (i) the retroactive date must be shown and must be before the date of the MOU or the beginning of the work; (ii) insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of the work; (iii) if coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a retroactive date prior to the contract effective date, the Lessor must purchase “extended reporting” coverage for a minimum of five (5) years after completion of contract work if possible.

**8. Liability.** Each Party shall be and remain responsible for its own debts and obligations. Nothing in this MOU shall be construed as imposing on a Party any liability arising out of the operations of any other Party, except as such liability may result from the performance of the first Party’s obligations under this MOU.

**9. Indemnification.** Each Party shall defend, indemnify, and hold harmless the other Parties, and their employees, officers, directors, agents, and insurers from and against any liability, loss, claims, demands, damages, expenses, lawsuits and costs (including attorneys’ fees, expert witness fees, and other costs of litigation or other proceedings) of every kind or nature arising in any manner out of any breach of duties under this MOU and/or negligence, wrongdoing or willful misconduct of that Party, including its employees (including Leased Personnel), officers, directors, and agents. In no event shall

any Party be required to defend, indemnify or hold harmless any other Party for its sole negligence, sole wrongdoing or singular willful misconduct.

This indemnification shall extend to claims occurring after this MOU is terminated as well as while it is in force. The indemnification and defense obligations set forth in this provision are separate and independent from the insurance provisions set forth in Section 12 herein; and do not limit, in any way, the applicability, scope, or obligations set forth in those insurance provisions.

**10. Assignment.** No Party shall assign this MOU, any interest in this MOU, or its rights or obligations under this MOU without the express prior written consent of the other Parties. This MOU shall be binding on, and shall inure to the benefit of, the Parties and their respective successors and assigns.

**11. Fiduciary Obligations.** The governing body for each Party has reviewed this MOU in good faith, and in a manner in which it believes to be in its best interests, and with such care, including reasonable inquiry, as an ordinary prudent person in a like position would use under similar circumstances, and has determined that the MOU is in the best interests of its Party and that the cost allocation to be paid is fair and reasonable.

**12. Dispute Resolution.** If there is any dispute or controversy between the Parties arising out of or relating to this MOU, the Parties agree to confidentially meet in good faith to discuss a mutually amicable resolution to the dispute. If informal efforts at dispute resolution are not successful, the Party with the complaint shall give written notice of the dispute and the desired resolution to the other Party. The Parties agree that, within thirty (30) days of the date of written notice of the failure to resolve the dispute despite good faith efforts, they will again meet with a mutually agreeable mediator for non-binding mediation in good faith, with a principal of each of the Parties present. If the Parties are still unable to come to a resolution within thirty (30) days of the external mediation, the Parties may agree to arbitrate the dispute in El Dorado County, or another jurisdiction upon mutual agreement by the Parties in dispute, before a retired California state or federal court judge under the Comprehensive Arbitration Rules of JAMS, rather than resorting to litigation.

**13. Notice.** All notices, requests, demands, or other communications (collectively “*Notice*”) given to or by the Parties under this MOU shall be in writing and shall be deemed to have been duly given on the date of receipt if transmitted by email or personally served on the Party(ies) to whom Notice is to be given, or seventy-two (72) hours after mailing by United States mail first class, registered or certified mail, postage prepaid, addressed to the Party(ies) to whom Notice is to be given, at the applicable address set forth below:

As detailed in Attachment C, the allocation of cost per school will be determined in one of three ways

**Category 1:** Allocation by Student Roster Count Served Directly (e.g., fee charged to School on a per-student served basis)

**Category 2:** Allocation by Total Enrollment. Each Party’s Allocation for Category 2 personnel shall be determined by dividing their enrollment by the combined enrollment of all Parties to this MOU, as set forth below:

Party	Total Enrollment	Allocation
Clarksville Charter School	1600 estimated	37%
Feather River Charter School	1800 estimated	42%
Lake View Charter School	635 estimated	15%
Winship Community School	300 estimated	6%

**Category 3:** Allocation by Number of Students in a Particular Group

Party	SPED Enrollment	Allocation
-------	-----------------	------------

Clarksville Charter School		
Feather River Charter School		
Lake View Charter School		
Winship Community School		
<b>Party</b>	<b>Student Support Enrollment</b>	<b>Allocation</b>
Clarksville Charter School		
Feather River Charter School		
Lake View Charter School		
Winship Community School		

Lessee schools shall be charged based on the allocation method agreed upon for each position as shown herein and in Attachment C. The amount charged will be the percentage of the total cost per Shared Personnel.

Each Party's Allocation shall be determined and reassessed at the following intervals:

1. First Assessment for Category 2 Personnel. The Parties shall determine the Allocation no later than July 1, based upon each Party's second principal apportionment report (P-2) for the prior school year and staffing.
2. Second Assessment for Category 2 Personnel Shared by ADA. The Parties shall re-assess the Allocation no later than December 15, based upon each Party's ADA as of that date, and any resulting adjustments shall be effective as of January 1.
3. Assessment for Category 3 Personnel. Enrollment for the Category 3 specific student groups described above will be updated each month at the snapshot, and each Party's share of costs for the upcoming month will be updated accordingly.

**WHEREAS**, Schools are nonclassroom-based public charter schools using the same educational model dedicated to providing students with a flexible personalized learning experience that empowers families to tailor a program designed around the specific needs of each student;

**WHEREAS**, each School employs certificated teachers designated as having the responsibility for the general supervision of their students’ independent study pursuant to Education Code § 51747.5(a);

**WHEREAS**, the sharing of services performed by the Shared Personnel among all of the Parties cooperatively is in the mutual interest of each of the Parties and in furtherance of their shared goal to successfully implement their respective education programs in an efficient and cost effective manner; and

**WHEREAS**, the Parties intend to coordinate the services provided by the Shared Personnel to the Parties and to equitably and appropriately allocate and document costs among the Parties according to the terms and conditions set forth in this MOU.

**NOW, THEREFORE**, in consideration of their mutual promises set forth in this MOU, the Parties desire to, and hereby agree as follows:

1. **Shared Personnel.** During the term of this MOU, the Parties shall coordinate with each other for shared personnel (“**Shared Personnel**”) to perform the educational services described in Attachment A (the “**Services**”) under the terms and conditions set forth herein. All shared personnel shall be documented between the Lessor and Lessee Schools, as defined herein, pursuant to Attachment B as outlined in a written process to be mutually agreed upon between the parties. No third party shall have the authority to unilaterally impose the sharing of personnel between the Parties.

2. **Lessor and Lessee Schools.** The Parties acknowledge each School may both (i) employ an individual who will provide Services to another School; and (ii) receive Services from an individual employed by another School. The term “**Lessor**” refers to a School leasing its employee(s) to another School pursuant to the terms of the MOU. The term “**Lessee**” refers to a School receiving Services from another School’s employee(s) pursuant to the terms of the MOU. Shared Personnel shall be subject to the ultimate oversight, direction and control of Lessor and its governing board, officers, and designated representatives, but may also be subject to the supervision and direction of Lessees when performing Services on their behalf. The termination of this

MOU shall not terminate the Shared Personnel's employment relationship with Lessor. Lessees are not, and nothing in this MOU shall cause Lessees to become, third party beneficiaries to Lessor's employment agreements with the Shared Personnel. Nothing in this MOU shall confer upon any Party any rights or remedies, including any right to employment, as an employee of any other Party. Nothing in this MOU shall create a joint venture between the Parties. Each Party shall remain solely responsible for its own governance, operations and educational program.

**3. Allocation.** Each Party's right to receive Services and obligation to pay fees under this MOU shall be determined based upon their proportionate share using the formulas set forth in Attachment A (the "**Allocation**"), as it may be adjusted from time to time. The Allocation shall be assessed at the intervals set forth in Attachment A for each year of this MOU and upon termination as set forth in Section 8.

**4. Allocation of Services.** Each Party will have the right to receive Services from Shared Personnel in an amount reasonably equivalent to that Party's Allocation. The Parties shall work cooperatively with each other and the Shared Personnel to coordinate the performance of such Services. Any Party which asserts that it has not received its Allocation of Services from Shared Personnel, must provide written notice to the Parties, describing in detail the alleged deficiency and allowing thirty (30) days to cure before seeking any other remedy.

**5. Allocation of Fees and Expenses.** As consideration for the Services provided by Shared Personnel, each Lessee shall pay to Lessor the fees and expenses set forth herein.

*a.* **Fees.** Each Lessee shall pay to Lessor a fee that is calculated based on their Allocation of the annual total cost incurred by Lessor in employing the Shared Personnel as set forth in Attachment C (including total gross wages, benefits, workers' compensation costs, statutory benefits, retirement benefit system contributions, and employment taxes). The total cost shall be fixed as of the date of execution of this MOU and may thereafter be subject to change only with the agreement of all Parties. Any such changes, notating the effective date, shall be memorialized by the Parties in Attachment C, which may be updated as a matter of contract administration without the need for a formal amendment to this MOU.

*b.* **Expenses.** Reasonable and necessary expenses incurred by Shared Personnel in the course of performing Services under this MOU shall be divided by relative Allocation between those Parties on whose behalf the expenses were incurred. Expenses in excess of \$1,000.00 must be approved in advance by the affected Parties. To the extent such expenses are not incorporated in the total costs outlined in Attachment C, invoices for expenses shall be sent within thirty (30) days of payment to Shared Personnel and shall include copies of supporting documentation (e.g. receipts).

*c.* **Invoicing.** Each Party shall invoice the other Parties monthly for all fees and expenses incurred ("Monthly Invoice"). Each Monthly Invoice shall contain a brief description of the method by which the fees and expenses were calculated.

*d.* **Payment Terms.** Payment is due thirty (30) days from the date of delivery of the Monthly Invoice.

*e.* **Disputes.** Any disputes concerning invoices must be directed to Lessor in writing within thirty (30) days after receipt of the Monthly Invoice. Lessor shall provide access to reasonable backup documentation for such fees upon request and subject to privacy considerations.

*e.* Ensure that Shared Personnel maintain the qualifications and competency necessary to provide the Services, including but not limited to: (i) complete all required training, including, but not limited to initial and annual training on mandated child abuse and neglect reporting; (ii) are free from active tuberculosis; (iii) have passed a criminal background check through the Department of Justice; (iv) have not been convicted of a serious or violent felony (as defined by Penal Code §§ 667.5 and 1192.7), sex offense as defined by Education Code § 44010, or a controlled substance offense (as defined by Education Code § 44011); (v) are eligible to work in the United States; and (vi) maintain in good standing all applicable licenses and credentials.

*g.* Administer trainings, leaves of absence, disability accommodations and other duties of an employer as required by applicable law.

*h.* Assuming Lessor participates in CalSTRS or CalPERS, the Parties acknowledge Shared Personnel are employees of the Lessor for CalSTRS or CalPERS purposes.

*i.* If Lessee reports a Shared Personnel misconduct to Lessor that violates Lessor or Lessee policies or procedures or law, Lessor shall promptly take corrective action which may include, but is not limited to, conducting an investigation, disciplining the individual, or terminating the individual and making good faith efforts to hire a replacement in accordance with Section 6(i).

*j.* If a Shared Personnel's employment ends with Lessor, Lessor shall make good faith efforts to replace the individual within thirty (30) days of termination, unless the other Parties provide written consent that a replacement for such individual is not necessary.

**7. Lessee Responsibilities:** In addition to any other promises and covenants identified herein, each Lessee shall have the following responsibilities under this MOU:

g. Work cooperatively with Lessor to ensure compliance with all applicable wage and hour laws for non-exempt Shared Personnel, including, but not limited to, ensuring that nonexempt Shared Personnel adhere to their schedule as provided by Lessor, including taking meal and rest periods, and ensuring nonexempt Shared Personnel accurately record/track all hours worked for Lessee. Lessee agrees to timely report to Lessor any non-compliant meal or rest periods and any overtime worked by non-exempt Shared Personnel while working on behalf of Lessee.

## **8. Term and Termination.**

a. Term. The MOU is effective as of July 1, 2021 and shall remain in effect until June 30, 2022 (the "**Term**"). This MOU shall automatically terminate unless renewed in writing by the Parties. Termination under this subsection shall not relieve the terminating Party of any of its obligations under this MOU prior to the effective date of such termination. Termination under this subsection shall not relieve the terminating Party of any of its obligations under this MOU prior to the effective date of such termination. Termination of participation by any Party(ies) shall not terminate the MOU as to any other Party.

b. Termination With Cause. Any Party may terminate its participation in this MOU for cause as defined below. All notices required under this subdivision must be simultaneously provided to all Parties in writing.

i. Material Breach. Any Party may terminate this MOU in the event of another Party's material or persistent breach of any one or more of the terms of this MOU, which breach is not remedied within thirty (30) days after written notice. If after thirty (30) days the non-breaching Party determines that the breach has not been remedied or appropriate actions have not commenced to cure the breach, the non-breaching Party may terminate its participation in the MOU effective immediately. If termination pursuant to this section is based upon a failure to pay an invoice in a timely fashion as outlined in Section 5(d) then the nonpaid Party may terminate the agreement with the nonpaying Party if that material breach has not been remedied within ten (10) business days of written notification of the material breach.

ii. Charter Revocation/Non-Renewal. Upon the revocation or non-renewal of the charter of a Party, that Party may terminate its participation in the MOU effective upon the

winding up of that charter's business, as set forth in any closure resolution. Notice of any such revocation or non-renewal shall be provided as soon as possible.

- iii. Duty to Pay Severance to Shared Personnel Upon Termination. In the event termination of this MOU results in termination of Shared Personnel's employment without cause thereby triggering a requirement to pay severance to Shared Personnel under their employment agreement with Lessor, the terminating party shall be responsible for paying for any severance, if any in the Shared Personnel's contract, up to two weeks of salary, or in the event of a termination by more than one Party, any such severance shall be paid according their relative Allocation.
- iv. Termination of Shared Personnel Arrangements. Any Lessor or Lessee may terminate a Shared Personnel arrangement for teachers or other instructional staff who directly support students at any time, with or without cause or advance notice. If a Lessor or Lessee seeks to terminate a Shared Personnel arrangement for an administrative staff position who does not typically directly serve students, Lessee and Lessor shall provide sixty (60) days' written notice to other Parties before such termination. If there are any disputes concerning termination of Shared Personnel arrangements, the Parties agree to meet and confer to seek a resolution in good faith.

**9. Intellectual Property; Work Product.** Any intellectual property owned by a Party that is used by or on behalf of another Party in the context of providing Services, shall remain the property of the originating Party. No Party shall have the right to grant a license, sublicense, or any other use or rights to the intellectual property of another Party. A Party's use of another Party's intellectual property under this MOU shall not create any ongoing license or other right to continuing use of that intellectual property after the termination of this MOU. Upon termination of this MOU, the intellectual property of each Party in the possession of any other Party shall be returned and/or destroyed. Any work product created by or on behalf of a Party pursuant to this MOU, shall be and remain the property of that Party.

**10. Confidentiality.** Each Party acknowledges that during the term of this MOU, it may have access to certain Confidential Information of the other Parties as defined below. Each Party shall maintain and enforce reasonable administrative, technical, and physical safeguards, including but not limited to restricting access to Confidential Information, in order to reasonably protect the confidentiality of the other Parties' Confidential Information. The Parties' obligations hereunder with respect to Confidential Information shall survive termination of this MOU.

a. **"Confidential Information"** means non-public information marked either "confidential" or "proprietary," or that otherwise should be understood by a reasonable person to be confidential in nature. Confidential Information may include but is not limited to trade secrets, policies, procedures, student education records, intellectual property, business or strategic plans, contractual arrangements or negotiations, fundraising strategies, financial information and employee information. Confidential Information does not include any information which (i) is rightfully known to the recipient prior to its disclosure; (ii) is released to any other person or entity (including governmental agencies) without restriction; (iii) is independently developed by the recipient without use of or reliance on Confidential Information; (iv) is or later becomes publicly available without violation of this MOU or may be lawfully obtained by a Party from a non-party; or (v) which is a public record under California law.

b. If disclosure of Confidential Information is requested pursuant to law, statute, rule or regulation (including a subpoena, a request made to a Party under the California Public Records Act, or other similar form of process), the Party to which the request for disclosure is made shall (other

than in connection with routine supervisory examinations by regulatory authorities with jurisdiction and without breaching any legal or regulatory requirement) provide the applicable Party(ies) with prior prompt written notice thereof to the extent practicable, and if practicable under the circumstances, shall allow the applicable Party(ies) to seek a restraining order or other appropriate relief.

c. Upon the termination or expiration of this MOU, Confidential Information of each Party in the possession of the other Party shall be returned and/or destroyed. Section 10 shall survive termination of this MOU.

**11. Student Information.** Each Party is responsible for its compliance with the federal Family Educational Rights and Privacy Act (20 U.S.C. § 1232g) (“*FERPA*”) and other applicable state and federal laws pertaining to student information and privacy.

a. To the extent necessary, the Lessor shall be designated as having a legitimate educational interest in accessing a Lessee’s student education records, as that term is defined by and for purposes of FERPA, thereby allowing Lessor to access personally identifiable information from student education records from the Lessee as part of its performance of the Services. For purposes of this MOU, the term “personally identifiable information” (“*PII*”) means any information that can be used on its own or with other information to (i) distinguish one person from another, (ii) identify, contact, or locate a single person, or (iii) de-anonymize anonymous data.

b. Lessor shall not use or disclose pupil records, including PII, received from or on behalf of another Party except as necessary with respect to the performance of the Services, as required by law, or as otherwise authorized in writing by the applicable Lessee. Lessor shall protect the student education records it receives from or on behalf of another Party no less rigorously than it protects its own student education records. In the event of an unauthorized disclosure of PII, Lessor shall notify the affected Lessee(s) as soon as practicable, and shall, upon the affected Lessee’s request, notify affected parents, legal guardians and eligible pupils using reasonably available technological means such as electronic mail.

**12. Insurance.** Lessor shall procure and maintain in full force and effect for the duration of this MOU, the following insurance in connection with Lessor’s performance under this MOU and the provision of Services by Shared Personnel:

a. California Workers' Compensation Insurance, insurance as required by the State of California and consistent with Labor Code section 3602(d)(1), with statutory limits, and Employer’s Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease, covering all Shared Personnel provided under this MOU.

b. General Liability Insurance including coverage for personal injury, death, property damage and sexual abuse/molestation (if not included with ELL) with a combined single limit of no less than One Million Dollars (\$1,000,000) per occurrence, and a minimum annual aggregate of Two Million Dollars (\$2,000,000).

c. Employment Practices Liability Insurance with a combined single limit of no less than One Million Dollars (\$1,000,000) per occurrence.

d. Professional Liability Insurance, which may also be called Educator’s Legal Liability Insurance (or ELL), with a combined single limit of no less than One Million Dollars (\$1,000,000) per claim, and Two Million Dollars (\$2,000,000) policy aggregate.

e. Lessor will provide additional insured coverage and policy endorsements for Lessees and their officers, directors, employees, volunteers or agents (collectively referred to as the “**Additional Insureds**”) under the General Liability, Workers’ Compensation, and Employment Practices and Professional Liability policies as specified above. The coverage shall contain no special limitations on the scope of protection afforded to the Additional Insureds. Lessor’s insurance shall be primary as respects Additional Insureds, and any insurance, self-insurance or other coverage maintained by Additional Insureds shall be excess to Lessor’s insurance and shall not contribute to it.

f. Except for Workers’ Compensation and Professional Liability coverages, Lessor hereby agrees to waive rights of subrogation which any insurer of Lessor may acquire from Lessor by virtue of the payment of any loss. Lessor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation.

g. At commencement of this MOU, and upon any renewal of this MOU, and upon request at any time, Lessor shall furnish any Lessee with original Certificates of Insurance including all required amendatory endorsements (or copies of the applicable policy language affecting coverage required by this Section) and a copy of the Declarations and Endorsement Page of the policy listing all policy endorsements. Failure to obtain the required documents prior to the work beginning shall not waive Lessor’s obligation to provide them. Lessees reserve the right to require complete, certified copies of all required insurance policies, including endorsements, herein required, at any time.

h. Lessor will provide thirty (30) days prior written notice to Lessee(s) in the event of any material modification or cancellation of insurance required by this MOU. If any of the required coverages expire during the term of this MOU, Lessor shall deliver the renewal certificate(s) including the additional insured endorsements to Lessees at least ten (10) days prior to the expiration date.

i. Except as indicated above, all policies shall be provided on an occurrence basis. If any of the required policies provide coverage on a claims-made basis: (i) the retroactive date must be shown and must be before the date of the MOU or the beginning of the work; (ii) insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of the work; (iii) if coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a retroactive date prior to the contract effective date, the Lessor must purchase “extended reporting” coverage for a minimum of five (5) years after completion of contract work if possible.

**13. Liability.** Each Party shall be and remain responsible for its own debts and obligations. Nothing in this MOU shall be construed as imposing on a Party any liability arising out of the operations of any other Party, except as such liability may result from the performance of the first Party’s obligations under this MOU.

**14. Indemnification.** Each Party shall defend, indemnify, and hold harmless the other Parties, and their employees, officers, directors, agents, and insurers from and against any liability, loss, claims, demands, damages, expenses, lawsuits and costs (including attorneys’ fees, expert witness fees, and other costs of litigation or other proceedings) of every kind or nature arising in any manner out of any breach of duties under this MOU and/or negligence, wrongdoing, or willful misconduct of that Party, including its employees (including Leased Personnel), officers, directors, and agents. In no event shall any Party be required to defend, indemnify or hold harmless any other Party for the other Party’s sole negligence, sole wrongdoing or singular willful misconduct.

This indemnification shall extend to claims occurring after this MOU is terminated as well as while it is in force. The indemnification and defense obligations set forth in this provision are

separate and independent from the insurance provisions set forth in Section 12 herein; and do not limit, in any way, the applicability, scope, or obligations set forth in those insurance provisions.

**15. Assignment.** No Party shall assign this MOU, any interest in this MOU, or its rights or obligations under this MOU without the express prior written consent of the other Parties. This MOU shall be binding on, and shall inure to the benefit of, the Parties and their respective successors and assigns.

**16. Fiduciary Obligations.** The governing body for each Party has reviewed this MOU in good faith, and in a manner in which it believes to be in its best interests, and with such care, including reasonable inquiry, as an ordinary prudent person in a like position would use under similar circumstances, and has determined that the MOU is in the best interests of its Party and that the cost allocation to be paid is fair and reasonable.

**17. Dispute Resolution.** If there is any dispute or controversy between the Parties arising out of or relating to this MOU, the Parties agree to confidentially meet in good faith to discuss a mutually amicable resolution to the dispute. If informal efforts at dispute resolution are not successful, the Party with the complaint shall give written notice of the dispute and the desired resolution to the other Party. The Parties agree that, within thirty (30) days of the date of written notice of the failure to resolve the dispute despite good faith efforts, they will again meet with a mutually agreeable mediator for non-binding mediation in good faith, with a principal of each of the Parties present. If the Parties are still unable to come to a resolution within thirty (30) days of the external mediation, the Parties may agree to arbitrate the dispute in El Dorado County, or another jurisdiction upon mutual agreement by the Parties in dispute, before a retired California state or federal court judge under the Comprehensive Arbitration Rules of JAMS, rather than resorting to litigation.

**18. Notice.** All notices, requests, demands, or other communications (collectively “*Notice*”) given to or by the Parties under this MOU shall be in writing and shall be deemed to have been duly given on the date of receipt if transmitted by email or personally served on the Party(ies) to whom Notice is to be given, or seventy-two (72) hours after mailing by United States mail first class, registered or certified mail, postage prepaid, addressed to the Party(ies) to whom Notice is to be given, at the applicable address set forth below:

## ADMINISTRATIVE SUPPORT SERVICES AGREEMENT

This Administrative Support Services Agreement (“**Agreement**”) is entered into as of July 1, 2021 (“**Effective Date**”) by and between Sequoia Grove Charter Alliance, a California nonprofit public benefit corporation (“**SGCA**”) and Clarksville Charter School, a California nonprofit public benefit corporation (“**School**”), each of which may be referred to herein as a “**Party**” or collectively as the “**Parties**”, with respect to the following:

**WHEREAS**, SGCA formed to serve as a supporting organization pursuant to Internal Revenue Code Section 501(c)(3) by providing task-related administrative support services and goods to the public charter schools operated by its members, and under the supervision and ultimate decision-making authority of the governing body of its members.

**WHEREAS**, School is a member of SGCA pursuant to Corporations Code Section 5056 and the Bylaws of SGCA. School operates a California public charter school by the same name, Clarksville Charter School, pursuant to a charter authorized by the Buckeye Union School District for a term of five years from July 1, 2020 through June 30, 2025 (“**Charter**”).

**WHEREAS**, School desires to contract with SGCA for administrative support services pursuant to the terms and conditions of this Agreement.

**WHEREAS**, the Parties acknowledge and intend that the terms of this Agreement shall at all times be consistent with the terms of the School’s Charter, and that this Agreement provides for SGCA to deliver task-related services that are performed at the direction of the governing body of the School and for which the governing body of the School retains ultimate decision-making authority.

**NOW, THEREFORE**, in consideration of their mutual promises set forth in this Agreement, the Parties agree as follows:

**1. Relationship of the Parties; Scope of Authority.** SGCA will deliver task-related services and goods pursuant to this Agreement that are performed at the direction of the governing body of the School and for which the governing body of the School retains ultimate decision-making authority. The Parties understand and agree as follows:

a. The governing body of the School shall at all times retain its duty to exercise its statutory, contractual, and fiduciary responsibilities governing the operation of the School. The governing body of the School, and not SGCA, has fiduciary responsibility for the School. The governing body of the School is ultimately responsible for ensuring that the School adheres to all applicable law and is accountable to its authorizer pursuant to the Charter.

b. School shall at all times remain an independent, self-governing public body that shall comply with applicable laws, including but not limited to the California Brown Act, Public Records Act, Political Reform Act, and the provisions of Government Code section 1090, *et seq.*

c. To the extent not otherwise specified as a duty of SGCA pursuant to the scope of Services, all duties applicable to the proper operation of the School’s public charter schools and maintenance of applicable academic standards shall remain the responsibility of School.

d. While SGCA may make recommendations to the governing body of the School

regarding any arrangements for legal services for School pursuant to the scope of Services, School and its governing body may hire legal counsel as School may deem appropriate and necessary.

e. SGCA will not be required to provide any service set forth in this Agreement to the extent that it is or becomes impracticable, in any material respect, as a result of a cause or causes outside SGCA's and/or School's reasonable control, would require SGCA or School to violate applicable law, or cause SGCA to be considered an "entity managing a charter school" pursuant to the Charter Schools Act.

f. SGCA will use, pursuant to the terms and conditions described in this Agreement, best efforts to provide all Services in a manner it believes to be in the best interests of School and with due care, in good faith, and in exchange for reasonable compensation taking into account that SGCA is a nonprofit that is exempt from income taxation pursuant to Internal Revenue Code Section 501(c)(3).

g. To the extent there are any conflicts between the terms of the School's Charter and the terms of this Agreement, the terms of the Charter shall control.

h. SGCA will not have the authority to enter into or bind the School in any contract or other obligation absent express written authority from School.

**2. Independent Service Provider.** The Parties acknowledge that School is a member of SGCA pursuant to California Corporations Code Section 5056. The relationship created by this Agreement is that of SGCA as a service provider to School, it does not create a partnership, joint venture, or employment relationship. Nothing in this Agreement shall confer upon any SGCA or School employee any rights or remedies, including any right to employment, as an employee of the other Party. The Parties agree as follows:

a. All SGCA employees providing services to School shall be and remain employed by SGCA and shall at all times be subject to the direction, supervision and control of SGCA. All School employees shall be and remain employed by School and shall at all times be subject to the direction, supervision and control of School.

b. School shall not have any right to terminate the employment of any SGCA employee providing services to the School. SGCA shall not have any right to terminate the employment of any School employee.

c. The Parties agree that SGCA shall not lease its employees to the School. School shall employ all of its personnel, including certificated personnel responsible for the delivery of instruction. School shall determine and manage compensation (salary and benefit) plans for its employees; provided, however, that School shall oversee and may consult with SGCA and SGCA will assist with providing payroll and related services pursuant to the scope of Services.

d. SGCA certifies that any of its employees who perform school-site services or transportation services for School, or who may have substantial contact with students at School as determined by School in its reasonable discretion, shall be screened in compliance with Education Code section 45125.1 and SGCA shall otherwise comply with that statute.

**3. Services Provided by SGCA.** During the term of this Agreement, SGCA shall provide to School the goods and services, including the staff necessary to provide the services, listed in Attachment A to this Agreement (the "Services"). SGCA is not obligated to devote all of its time or efforts to School, but shall devote the time, effort, and skill reasonably necessary to provide the Services to School. SGCA

reserves the right to subcontract with third parties for the provision of the Services. The Parties may mutually agree to modify the Services at any time by amending Attachment A in writing; provided, however, the Parties will also adjust the Annual Fee commensurately pursuant to Section 5, if necessary, and SGCA shall only deliver task-related services that are performed at the direction of the governing body of the School and for which the governing body of the School retains ultimate decision-making authority.

**4. Term.** The term of this Agreement shall commence on July 1, 2021 and continue through June 30, 2022 and shall automatically renew for consecutive one (1) year terms unless otherwise terminated pursuant to section 14, subject to any amendments to the Services or Annual Fee in accordance with Sections 3 and 5. This Agreement may be amended in accordance with Section 22 or terminated in accordance with Section 14.

**5. Annual Fee.** As compensation for the Services during the first year of the Term (the 2021- 22 fiscal year), School shall pay SGCA an annual fee of nine percent (9%) of the School's annual "Revenue" while the Parties determine SGCA's actual costs for performing such Services. For purposes of this Agreement, Revenue shall mean the amount received in the current fiscal year from the local control funding formula calculated pursuant to Education Code Section 42238.02 and implemented by Section 42238.3. Revenue shall not include charitable contributions made to the School, one-time or federal restricted grant funds such as PCSGP grants, or other federal funding programs.

a. The Annual Fee shall be paid by School to SGCA in twelve (12) monthly installments per fiscal year with each payment being due no later than the tenth (10<sup>th</sup>) day of each month in which a payment is due.

b. At the end of each fiscal quarter and annually no later than June 30, SGCA shall reconcile its actual expenses to provide the Services to its four (4) members per quarter and in said year. In the event that the total revenue that SGCA receives exceeds its actual expenses, SGCA shall refund the school's proportionate share of said overpayment to School within thirty (30) days of the end of the fiscal year. In the event that the total amount of the Annual Fee paid by School for the subject year is less than the school's share of SGCA's actual expenses based on the third quarter financials, SGCA will request the governing board of the school to approve an additional payment by the end of the fiscal year.

c. The Annual Fee shall be reviewed and renegotiated by the SGCA and its members at the end of each fiscal year based on SGCA's projected annual costs to provide the Services for the coming fiscal year. In addition, any member or SGCA may propose at any time during the term

adjustments to increase or decrease the Annual Fee, taking into account that SGCA is organized as a 501(c)(3) tax-exempt supporting organization. The SGCA and its members shall negotiate any such adjustments in good faith, and any adjustment of the Annual Fee shall be documented in writing approved by both Parties' governing bodies.

**6. Costs.** In addition to the Annual Fee, School shall reimburse SGCA for direct "pass through" costs and expenses, according to the pass through agreement, incurred in performing the Services specifically for School with prior approval of the school consistent with school fiscal policies and procedures, including, but not limited to: equipment, materials, or supplies purchased from third parties at the request of the School; platform subscription or license fees; filing or corporate fees; marketing communication, and development costs (e.g. print materials, postage for mailers, and costs of newspaper, radio, television, billboard or other broadcast advertisements); and fees of other third parties consulted by SGCA at the request of the School. However, no pass-through costs will be owed for expenses that are built into SGCA's Annual Fee, including services provided by subcontractors.

a. In the event that SGCA purchases equipment, materials, or supplies at the request of the School pursuant to this Agreement, SGCA shall be responsible for compliance with the procurement policies and processes approved by the governing body of the School and shall not include any mark-up, added fees or charges with the cost of equipment, materials, and supplies purchased from third parties. Any equipment, materials, or supplies that SGCA purchases on behalf of the School shall be and remain the property of the School.

b. Marketing, communication and development costs charged to School with prior approval shall be limited to those costs specific to the School's program, and shall not include any costs for the marketing of the Sequoia Grove Charter Alliance brand or development of SGCA goods, service or intellectual property.

c. All reimbursable costs of SGCA charged to School shall be itemized on SGCA invoices, with reference to specific dollar amounts and with backup documentation for such costs (e.g. copies of receipts or purchase orders).

**7. Annual Notice.** As a supporting organization for its members, SGCA shall, at least annually, provide School with a copy of its most recent Form 990, a description of the support, in services and otherwise, provided to its members, and its most current articles and bylaws, not later than the 5<sup>th</sup> day of the 5<sup>th</sup> month after the close of the year for which the Form 990 is filed.

**8. Cooperation.** School shall make available to SGCA, in a timely manner, all data, files, documents, and other information and records necessary or appropriate for SGCA to provide the Services under this Agreement. School staff, and the governing body of the School as necessary, shall work closely and cooperatively with SGCA to facilitate SGCA's effective performance and delivery of the Services.

**9. Conflicts of Interest.** The Parties recognize that it is important that School be assured that SGCA staff acts at all times with integrity. School has adopted a conflict of interest code under the California Political Reform Act. SGCA acknowledges that School may require certain SGCA staff to file annual financial interest disclosures as consultants under that code and abide by the disclosure and disqualification provisions of that act.

**10. Intellectual Property.** The intellectual property, including any work product, materials, products, inventions, works, and deliverables ("**Intellectual Property**"), developed or prepared by SGCA pursuant to this Agreement is and shall remain the exclusive property of SGCA. Similarly, any Intellectual Property owned by School, or another member of SGCA, and used by SGCA related to this Agreement is and shall remain the property of School, or the other member of SGCA. No Party shall have the right to grant a license, sublicense, or any other use or rights to the Intellectual Property of the other Party. Upon expiration or termination of this Agreement, the Intellectual Property of each Party in the possession of the other Party shall be returned and/or destroyed, as applicable.

**11. Confidentiality.** Each Party acknowledges that during the term of this Agreement, it will have access to certain Confidential Information of the other Party, as defined below. Each Party shall maintain and enforce reasonable administrative, technical, and physical safeguards to reasonably protect the confidentiality of the other Party's Confidential Information.

- a. "**Confidential Information**" means non-public information marked either "confidential" or "proprietary," or that otherwise should be understood by a reasonable person to be confidential in nature. Confidential Information does not include any information which (i) is rightfully known to the recipient prior to its disclosure; (ii) is released to any other person or entity (including governmental

agencies) without restriction; (iii) is independently developed by the recipient without use of or reliance on Confidential Information; (iv) is or later becomes publicly available without violation of this Agreement or may be lawfully obtained by a Party from a non-party; or (v) which is a public record under California law.

b. If disclosure of Confidential Information is requested pursuant to law, statute, rule or regulation (including a subpoena, a request made to School under the California Public Records Act, or other similar form of process), the Party to which the request for disclosure is made shall (other than in connection with routine supervisory examinations by regulatory authorities with jurisdiction and without breaching any legal or regulatory requirement) provide the other Party with prior prompt written notice thereof to the extent practicable, and if practicable under the circumstances, shall allow the other Party to seek a restraining order or other appropriate relief.

c. The Parties understand and acknowledge that School's financial, educational, and student records are School property and may be subject to the California Public Records Act. SGCA shall make all School records physically or electronically available to School, upon School's request.

d. The finance and other records of the School maintained by SGCA shall be made available to the School's independent auditor upon request.

e. Upon the termination or expiration of this Agreement, Confidential Information of each Party in the possession of the other Party shall be returned and/or destroyed.

**12. Student Information.** The Parties will each comply with the federal Family Educational Rights and Privacy Act (20 U.S.C. § 1232g) ("**FERPA**"), federal Children's Online Privacy and Protection Act (15 U.S.C. §§ 6501–6506) ("**COPPA**"), and other applicable state and federal laws pertaining to student information and privacy. SGCA is a "third party" which may receive pupil records under California Education Code Section 49073.1(d)(6).

a. SGCA shall be designated as having a legitimate educational interest in accessing School's student education records, as that term is defined by and for purposes of FERPA, thereby allowing SGCA to access personally identifiable information from student education records from School in order to provide its services. For purposes of this Agreement, the term "personally identifiable information" ("PII") means any information that can be used on its own or with other information to (i) distinguish one person from another, (ii) identify, contact, or locate a single person, or (iii) de-anonymize anonymous data.

b. SGCA shall not use or disclose pupil records, including personally identifiable information, received from or on behalf of School except as necessary to provide the Services, as required by law, or as otherwise authorized in writing by School. SGCA shall protect the pupil records it receives from or on behalf of School in full compliance with state and federal law. SGCA will designate and train responsible individuals to ensure the security and confidentiality of pupil records. SGCA shall develop, implement, maintain and use reasonable administrative, technical and physical security measures to preserve the confidentiality and availability of all electronically transmitted pupil records received from or on behalf of School. In the event of an unauthorized disclosure of PII, SGCA shall notify School as soon as practicable, and shall, upon School's request, notify affected parents, legal guardians and eligible pupils using reasonably available technological means such as electronic mail.

b. SGCA shall not use PII in pupil records to engage in targeted advertising contrary to California law.

- c. Within 60 days of the termination or expiration of this Agreement, SGCA shall certify in writing that protected student information in the possession of SGCA shall be returned and/or destroyed.

### **13. Insurance.**

a. School shall maintain customary and reasonable insurance coverage, including professional liability for errors or omissions and/or directors and officers coverages, comprehensive general liability coverage, and automobile liability coverage. School shall name SGCA as an additional insured under all School's policies.

b. SGCA shall maintain customary and reasonable insurance coverage, including professional liability for errors or omissions and/or directors and officers coverages, comprehensive general liability coverage, and automobile liability coverage. SGCA shall name School as an additional insured under all SGCA's policies.

c. Each Party shall be responsible for obtaining and maintaining workers' compensation coverage and unemployment insurance for its employees.

d. The Parties' insurance coverages shall take into consideration that staff at the School are employees of the School, and not employees of SGCA.

### **14. Termination.**

a. Either Party may terminate this Agreement without cause or a financial penalty upon at least sixty (60) days' written notice to the other Party, and such termination shall be effective as of the end of the then-current school year to minimize disruptions to the School's operations and the other members of SGCA.

b. Either Party may terminate this Agreement for breach of a material term or condition of this Agreement upon sixty (60) days' written notice to the other Party. Such written notice shall identify the breach and provide thirty (30) days for the other Party to cure.

c. In the event that any new enactment, repeal, or change of any federal, state, or local law, regulation, or court or administrative decision or order materially affects the performance of the Parties in conformity with this Agreement, the Parties shall promptly commence negotiations in good faith regarding a mutually agreeable approach (including without limitation, an amendment to the Agreement) to address the changes. If, despite such good faith negotiations, the Parties are unable to agree upon an acceptable approach, then either Party may elect to terminate the Agreement without further obligation or liability to the other, by delivering written notice of termination to the other at least ninety (90) days in advance of the effective date of such termination, or in such lesser time as is reasonable under the circumstances.

d. In the event of termination for any reason, the following conditions shall apply:

i. School shall pay SGCA any due and unpaid portion of the Annual Fee and costs for Services performed by SGCA through the effective date of termination.

ii. SGCA shall provide reasonable assistance to School to transition to another service provider, during which time School shall reimburse SGCA for all reasonable expenses incurred by SGCA in providing such transition assistance.

iii. SGCA shall work with schools to assign any equipment, vehicle or facility leases used solely by or for the benefit of or use by School.

iv. As soon as practicable, SGCA shall return to School and destroy all student-related, fiscal, human resources data, and all other records of School maintained by SGCA, whether held in electronic or physical form. SGCA shall additionally: complete a full data migration of the School's data and records in a disaggregated and accessible/usable format; migrate Google accounts from current domain to a new domain, if applicable; configure new G-Suite domains, if applicable; any transfer any ownership rights in the School's Intellectual Property, including domain name(s), website (including information on and from the website), logos, mascots, etc.

**15. Liability.** Each Party shall remain and be responsible for its own debts and obligations. Nothing in this Agreement shall be construed as imposing on a Party any liability arising out of the operations of the other Party, except as such liability may result from the performance of the first Party's obligations under this Agreement.

**16. Indemnification.** The Parties shall defend, indemnify, and hold each other, their employees, officers, directors, and agents, free and harmless against any liability, loss, claims, demands, damages, expenses, and costs (including attorneys' fees, expert witness fees, and other costs of litigation or other proceedings) of every kind or nature arising in any manner out of the performance of their obligations under this Agreement, except for such loss or damage caused solely by the negligence or willful misconduct of the other Party.

**17. Fiduciary Obligations.** The governing bodies for both Parties have reviewed the scope of Services and compensation provided in this Agreement in good faith, and in a manner in which they believe to be in the best interests of their respective organizations, and with such care, including reasonable inquiry, as an ordinary prudent person in a like position would use under similar circumstances, and have determined that the Services contained herein are in the best interests of their respective organizations, and that the compensation to be paid is fair and reasonable.

**18. Assignment.** No Party shall assign this Agreement, any interest in this Agreement, or its rights or obligations under this Agreement without the express prior written consent of the other Party. This Agreement shall be binding on, and shall inure to the benefit of, the Parties and their respective permitted successors and assigns.

**19. Dispute Resolution.** If a dispute arises out of, or in connection with this Agreement, and the Parties do not resolve some or all of the dispute through negotiation, then the Parties agree to attempt to resolve the matter through mediation prior to the filing of any litigation. Following negotiations, either Party may submit a notice of intent to mediate. This notice shall be in writing and shall specify the issue(s) in dispute. The Parties agree to jointly select a mediator. Each Party shall be responsible for its own costs and expenses related to participation in mediation. Each Party shall cooperate fully and fairly with the mediator and shall attempt to reach a mutually satisfactory compromise of the matter in dispute.

**20. Notice.** All notices, requests, demands, or other communications (collectively "Notice") given to or by the Parties under this Agreement shall be in writing and shall be deemed to have been duly given on the date of receipt if transmitted by email or personally served on the Party to whom Notice is to be given, or seventy-two (72) hours after mailing by United States mail first class, registered or certified mail, postage prepaid, addressed to the Party to whom Notice is to be given, at such Party's address set forth below:

**21. Headings.** The descriptive headings of the sections and/or paragraphs of this Agreement are inserted for convenience only, are not part of this Agreement, and do not in any way limit or amplify the terms or provisions of this Agreement.

**22. Amendments.** No supplement, modification, or amendment of this Agreement shall be binding unless in writing and executed by both Parties. The Parties anticipate additional and/or revised services to be provided through amendments to Attachment A and commensurate adjustment of the Annual Fee, if necessary. Such amendments may be negotiated directly by staff of School and SGCA at any time, and shall be brought to the governing body of each Party to approve, if necessary.

**23. Entire Agreement.** This Agreement constitutes the entire agreement between the Parties with respect to the subject matter contained herein and supersedes all agreements, representations and understandings of the Parties with respect to such subject matter made or entered into prior to the date of this Agreement. If School seeks to enter into a lease, promissory notes or other negotiable instruments, other agreement, or to enter into a lease-purchase agreement or other financing relationships with SGCA, such agreements shall be separate documents and not be incorporated into this Agreement or any amendments thereto. **24. **25. No Waiver.** No waiver of any provision of this Agreement shall constitute, or be deemed to constitute, a waiver of any other provision, nor shall any waiver constitute a continuing waiver. No waiver shall be binding unless executed in writing by the Party making the waiver.

**26. Severability.** If any provision of this Agreement is invalid or contravenes California law, such provision shall be deemed not to be a part of this Agreement and shall not affect the validity or enforceability of its remaining provisions, unless such invalidity or unenforceability would defeat an essential purpose of this Agreement.

**27. Governing Law.** This Agreement shall be governed by and interpreted under California law.

**28. Authority to Contract.** Each Party warrants to the other that it has the authority to enter into this Agreement, that it is a binding and enforceable obligation of said Party, and that the undersigned has been duly authorized to execute this Agreement.

Re: Informed Consent and Waiver with Regard to Conflicts of Interest

Dear Board Members:

Procopio, Cory, Hargreaves & Savitch, LLP (the "Firm") currently provides legal counsel to Feather River Charter School, Clarksville Charter School, Lake View Charter School and Winship Community School (collectively, the "Schools"), including to assist with the formation and operation of Sequoia Grove Charter Alliance ("Sequoia Grove"). We understand that the Schools currently provide shared services and resources to each other, including shared staff resources, and that many administrative tasks and resources will be undertaken by Sequoia Grove and performed by Sequoia Grove and its staff pursuant to services agreements with the Schools. Each of the Schools serves as a corporate member of Sequoia Grove, with the authority to designate a representative on Sequoia Grove's governing board, to approve Sequoia Grove's chief administrator, and to oversee Sequoia Grove's services to the Schools.

**procopio.com**

We have been asked to represent Sequoia Grove with respect to its operations, such as to develop employment contracts for staff hired by Sequoia Grove who would ultimately perform the administrative tasks that support the Schools, to develop the agreements by which Sequoia Grove would provide administrative tasks and resources to the Schools and other agreements between the Schools and Sequoia Grove, and to assist with Sequoia Grove's ongoing operations.

Our joint and continued representation of the Schools and Sequoia Grove may create certain conflicts of interest, in that the interests and objectives of each client individually on certain issues may become inconsistent with the interests and objectives of the others. The joint representation of multiple clients may result in economic and/or tactical advantages. However, you should be aware that multiple representation also involves significant risks. First, it may result in divided, or at least shared, attorney-client loyalties. It may also limit the lawyer's ability to recommend or advocate all possible positions that each client might take because of the lawyer's duty of loyalty to the other clients. Also, the lawyer might not be able to offer alternatives that would otherwise be available to each of the clients absent the joint representation.

Although we are not currently aware of any actual or reasonably foreseeable adverse effects of such divided or shared loyalty, it is possible that issues may arise as to which our representation of any of you individually may be materially limited by our representation of all of you. As an example, Sequoia Grove may seek to hire employees of the Schools pursuant to the terms and conditions of the employment contracts we would develop and, in turn, the services and support that Sequoia Grove provides to the Schools pursuant to the services agreement would be based, in part, by those hired employees and the terms of their employment. The interests of the Schools, individually or collectively, may potentially or actually conflict with the interests of Sequoia Grove in developing the employment contracts or services agreements, resulting in our divided or shared loyalty.

Furthermore, because we will be jointly retained by each of you, in the event of a dispute among you, the attorney-client privilege generally will not protect communications that have taken place between each of you and attorneys in our firm. Moreover, pursuant to this joint client arrangement, anything any of you discloses to us may be disclosed by us to the others. You may not communicate to us any information which you do not wish to be communicated to any other client whom we are representing pursuant to this arrangement.

In the event of a dispute or conflict between the Schools and Sequoia Grove, there is a risk that we may be disqualified from representing you absent written consent from you at that time. We anticipate that if such a conflict or dispute were to arise, we would continue to represent the Schools, notwithstanding any adversity between you. Accordingly, we are asking that you consent to our continued and future representation of the Schools and agree not to assert any conflict of interest or seek to disqualify us from representing the Schools, notwithstanding any adversity that may develop. By signing and returning to us the agreement and consent set forth at the end of this letter, you are consenting to such arrangement and are waiving any conflicts regarding that arrangement. Notwithstanding such waiver and consent, depending on the circumstances, there remains some degree of risk that we could be disqualified from representing any of you in the event of a dispute.

As attorneys, we are governed by specific rules relating to our representation of clients when actual or potential conflicts of interest exist, or where there is a significant risk that our representation of each of you may be materially limited by our duties to other clients we are representing in the

engagement. In particular, Rule 1.7 of the Rules of Professional Conduct of the State Bar of California provides in relevant part:

- (a) A lawyer shall not, without informed written consent from each client and compliance with paragraph (d), represent a client if the representation is directly adverse to another client in the same or separate matter.
- (b) A lawyer shall not, without informed written consent from each affected client and compliance with paragraph (d), represent a client if there is a significant risk the lawyer's representation of the client will be materially limited by the lawyer's responsibilities to or relationships with another client, a former client, a third person or by the lawyer's own interests.

\*\*\*

- (d) Representation is permitted under this rule only if the lawyer complies with paragraphs (a) [and] (b) ..., and:
  - (1) the lawyer reasonably believes that the lawyer will be able to provide competent and diligent representation to each affected client;
  - (2) the representation is not prohibited by law; and
  - (3) the representation does not involve the assertion of a claim by one client against another client represented by the lawyer in this same litigation or proceeding before a tribunal.
- (e) For purposes of this rule, "matter" includes any judicial or other proceeding, application, request for a ruling or other determination, contract, transaction, claim, controversy, investigation, charge, accusation, arrest or other deliberation, decision or action that is focused on the interests of specific persons, or a discrete and identifiable class of persons.

Under the Rules of Professional Conduct, "Informed consent" means a person's agreement to a proposed course of conduct after the lawyer has communicated and explained (i) the relevant circumstances and (ii) the material risks, including any actual or reasonably foreseeable adverse consequences of the proposed course of conduct. "Informed written consent" means that the disclosure and the consent required must be in writing.

Notwithstanding these risks, you have advised us that in this matter at the present time you do not desire to seek other counsel but instead you desire that we represent your multiple interests. Because the interests of any one of you may become inconsistent with the interests of the others, under the ethical standards discussed above, we are required to bring this matter to your attention and to obtain your consent before representing you in this matter.

Accordingly, we request that you signify your informed written consent to this representation by signing this letter below. We encourage you to seek independent counsel regarding the import of this consent, if you so desire, and we emphasize that you remain completely free to seek independent counsel at any time even if you decide to sign the consent set forth below. If these conditions are

acceptable, please sign where indicated below and return a copy to me. If you have any questions, please contact me. Thank you very much for your cooperation.

Sincerely,

Kevin M. Davis

**INFORMED CONSENT AND WAIVER**

Procopio, Cory, Hargreaves & Savitch LLP has explained to each of the undersigned that there exist potential conflicts of interest in the joint representation of the undersigned in connection with the above-described matter and has informed each of the undersigned of the possible consequences of such.

Each of the undersigned will immediately notify Procopio, Cory, Hargreaves & Savitch LLP in writing if you believe any issues arise where your interests diverge with the other clients listed below and a conflict may exist.

Each of the undersigned understands that it has the right to, and has been encouraged to, consult with independent counsel before signing this agreement.

Each of the undersigned consents to the joint representation of the undersigned by Procopio, Cory, Hargreaves & Savitch LLP on the terms outlined above.

## Animals at School Policy

**Section:** III. Operations  
**Item:** C. Animals at School Policy  
**Purpose:** Vote  
**Submitted by:**  
**Related Material:** Animals at School Policy\_-\_Clarksville.pdf

**BACKGROUND:**

The purpose this Animals at School Policy is to accomplish the following in accordance with Administrative Regulation 6163.2:

- Establish Use of Animals for Instructional Purposes. Animals can be effective teaching aids to students and by assisting individuals with disabilities to access school programs and activities
- Establish Use of Service Animals by Individuals with Disabilities
- Executive Director or designee shall develop rules and procedures to ensure that when animals are brought to school, the health, safety, and welfare of students, staff, and the animals are protected

**RECOMMENDATION:**

Recommended for Board approval.

## Animals at School Policy

### Animals at School Policy

The Clarksville Charter School Governing Board recognizes that animals can contribute to Clarksville Charter School's instructional program by being effective teaching aids to students and by assisting individuals with disabilities to access school programs and activities. In addition, instruction related to the care and treatment of animals teaches students a sense of responsibility and promotes the humane treatment of living creatures.

The Executive Director or designee shall develop rules and procedures to ensure that when animals are brought to school, the health, safety, and welfare of students, staff, and the animals are protected. However, the school assumes no liability for the safety of animals allowed on school property.

The purpose of the Clarksville Charter School Governing Board approving this Animals at School Policy is to accomplish the following:

1. Establish Use of Animals for Instructional Purposes
2. Establish Use of Service Animals by Individuals with Disabilities

#### **1. Use of Animals for Instructional Purposes**

Before any student or employee brings an animal to school for an instructional purpose, he/she shall receive written permission from the Executive Director or designee. The Executive Director or designee shall give such permission only after he/she has provided written notification to all parents/guardians of students in the affected class, asking them to verify whether their child has any known allergies, asthma, or other health condition that may be aggravated by the animal's presence. When a parent/guardian has provided notification that his/her child has an allergy, asthma, or other health condition that may be aggravated by the animal, the Executive Director shall take appropriate measures to protect the student from exposure to the animal.

All animals brought to school must be in good physical condition and must be appropriately immunized. The teacher shall ensure that the species of animal is appropriate for the instructional purpose and age and maturity of the students.

All animals brought to school shall be adequately fed, effectively controlled, humanely treated, and properly housed in cages or containers suitable for the species. The teacher shall ensure that cages and containers are cleaned regularly and that waste materials are removed and disposed of in an appropriate manner.

The teacher shall ensure that students receive instructions regarding the proper handling of and personal hygiene around animals.

Except for service animals, as defined below, all animals are prohibited on school transportation services. (Education Code 39839; 13 CCR 1216)

## **2. Use of Service Animals by Individuals with Disabilities**

For an individual with a disability, service animal means any dog that is individually trained to do work or perform tasks related to the individual's disability and for his/her benefit. For example, for an individual who is blind or has low vision, a service animal would mean a dog that helps him/her with vision, navigation, and other tasks; for an individual who is deaf or hard of hearing, a service animal would mean a dog that alerts him/her to the presence of people or sounds; and for an individual with psychiatric or neurological disabilities, a service animal would mean a dog that assists him/her by preventing or interrupting impulsive or destructive behaviors. (28 CFR 35.104)

Individuals with disabilities may be accompanied on school premises and on school transportation by service animals, including specially trained guide dogs, signal dogs, or service dogs. (Education Code 39839; Civil Code 54.2; 28 CFR 35.136)

The Executive Director or designee may permit the use of a miniature horse as a service animal when the horse has been individually trained to do work or perform tasks for the benefit of an individual with a disability, provided that: (28 CFR 35.136)

1. The district's facility can accommodate the type, size, and weight of the horse.
2. The individual has sufficient control of the horse.
3. The horse is housebroken.
4. The horse's presence in the specific facility does not compromise legitimate safety requirements of the facility.

The Executive Director or designee may ask any individual with a disability to remove his/her service animal from school premises or transportation if the animal is out of control and the individual does not take effective action to control it or the animal is not housebroken. When an individual's service animal is excluded, he/she shall be given an opportunity to participate in the service, program, or activity without having the service animal present. (Education Code 39839; Civil Code 54.2; 28 CFR 35.136)

## Safe Return to In-Person Instruction Plan

**Section:** III. Operations  
**Item:** D. Safe Return to In-Person Instruction Plan  
**Purpose:** FYI  
**Submitted by:**  
**Related Material:** COVID\_19\_Model\_Prevention\_Program\_\_CCSv.1\_1.21.21\_-\_signed.pdf  
returnplantemplate (1).pdf

**BACKGROUND:**

The Interim Final Requirements issued by U.S. Department of Education outlines several requirements for all LEAs that receive ESSER III funds, including that LEAs have in place a plan for ensuring safety during in-person instruction (either in-progress or planned) as well as ensuring continuity of services should the LEA be required to close temporarily for COVID-19-related public health reasons in the future.

This template has been created to assist LEAs in the creation of these plans and to ensure all required elements are met.

## **COVID-19 Prevention Program (CPP) for Clarksville Charter School**

This CPP is designed to control exposures to the SARS-CoV-2 virus that may occur in our workplace. Clarksville Charter School has a Resource Center. The CPP is written in relation to the Resource Center.

**Date: January 22, 2021**

### **Authority and Responsibility**

**Jenell Sherman** has overall authority and responsibility for implementing the provisions of this CPP in our workplace. In addition, all certificated and classified employees are responsible for implementing and maintaining the CPP in their assigned work areas.

All employees are responsible for using safe work practices, following all directives, policies and procedures, and assisting in maintaining a safe work environment.

### **Identification and Evaluation of COVID-19 Hazards**

We will implement the following in our workplace:

- Conduct workplace-specific evaluations using the **Appendix A: Identification of COVID-19 Hazards** form.
- Evaluate employees' potential workplace exposures to all persons at, or who may enter, our workplace.
- Review applicable orders and general and industry-specific guidance from the State of California, Cal/OSHA, and the local health department related to COVID-19 hazards and prevention.
- Evaluate existing COVID-19 prevention controls in our workplace and the need for different or additional controls.
- Conduct periodic inspections using the **Appendix B: COVID-19 Inspections form** as needed to identify unhealthy conditions, work practices, and work procedures related to COVID-19 and to ensure compliance with our COVID-19 policies and procedures.

### **Employee participation**

Employees and their authorized employees' representatives are encouraged to participate in the identification and evaluation of COVID-19 hazards by attending mandatory training offered by county or state agencies or representatives. All employees must complete this training to its completion and provide evidence that such training has been accomplished.

### **Family Education**

Families will view the COVID-19 Reopening Plan on the school's website and receive a letter from administration with COVID-19 related safety plans for both students and staff.

### **Employee Screening**

We screen our employees by directly screening employees when they come to work, and having them self-screen according to CDPH guidelines prior to leaving for work. We ensure that face coverings are used during screening by both screeners and employees and we measure temperatures with a non-contact thermometer.

### **Student Screening**

Students will have their temperature checked at the front of the school, and/or at the staff

parking lot entrance. There will be spaces marked for students to wait to be checked in order to maintain social distancing. If they have a fever of 100.4 F or higher, they will not be allowed to attend school that day. If their parent is not on campus, the student will go to the isolation area and parent/guardian will be contacted for immediate pick up.

### **Correction of COVID-19 Hazards**

Unsafe or unhealthy work conditions, practices or procedures will be documented on the **Appendix B: COVID-19 Inspections** form, and corrected in a timely manner based on the severity of the hazards, as follows:

Commonly used areas such as restrooms, staff rooms, dining areas, and recreation areas will be cleaned and disinfected immediately after use. Cleaning and disinfecting materials will be accessible at all areas used by staff. The onsite custodian (if available) will perform such duties. If one is not available, it is the responsibility of the staff member to perform the duty of disinfecting the area(s) used.

### **Control of COVID-19 Hazards**

#### **Physical Distancing**

Where possible, we ensure at least six feet of physical distancing at all times in our workplace by:

- Reducing the number of persons in an area at one time, including visitors.
- Visual cues such as signs and floor markings to indicate where employees and others should be located or their direction and path of travel.
- Staggered break times.
- Reference section [3205\(c\)\(6\)](#) for details

Individuals will be kept as far apart as possible when there are situations where six feet of physical distancing cannot be achieved.

#### **Entrance, Egress and Movement Within the School**

- Students will enter the resource center and will be separated at least 6 feet apart and wearing masks.
- Students will have their temperature checked at the front of the resource center, and/or at the staff parking lot entrance. There will be spaces marked for students to wait to be checked in order to maintain social distancing. If they have a fever of 100.4 F or higher, they will not be allowed to attend school that day. If their parent is not at the resource center, the student will go to the isolation area and parent/guardian will be contacted for immediate pick up.
- Resource center access will be limited to staff, students, and parents/guardians on official business ONLY. (No volunteers and visitors on campus.)

#### **Face Coverings**

We provide clean, undamaged face coverings and ensure they are properly worn by employees over the nose and mouth when indoors, and when outdoors and less than six feet away from another person, including non-employees, and where required by orders from the California Department of Public Health (CDPH) or local health department. If a student or staff member is in need of a face covering, WCS will provide one. In case of loss, a replacement face cover will be available.

#### **STAFF:**

All staff must use face coverings in accordance with CDPH guidelines unless Cal/OSHA

standards require respiratory protection. If a staff member encounters a colleague not using a face covering, they are encouraged to remind their colleague of the practice of wearing face coverings. If a staff member does not feel comfortable confronting his/her colleague or the colleague refuses to adhere to the policy, he/she may report the incident to the supervisor on site.

The following are exceptions to the use of face coverings in our workplace:

- When an employee is alone in a room.
- While eating and drinking at the workplace, provided employees are at least six feet apart and outside air supply to the area, if indoors, has been maximized to the extent possible.
- Employees who cannot wear face coverings due to a medical or mental health condition or disability, or who are hearing-impaired or communicating with a hearing-impaired person. Alternatives will be considered on a case-by-case basis.
- Persons exempted from wearing a face covering due to a medical condition, as confirmed by school district health team and therapists, must wear a non-restrictive alternative, such as a face shield with a drape on the bottom edge, as long as their condition permits it.
- In limited situations where a face covering cannot be used for pedagogical or developmental reasons, (e.g., communicating or assisting young children or those with special needs) a face shield with a drape (per CDPH guidelines) can be used instead of a face covering while in the classroom as long as the wearer maintains physical distance from others. Staff must return to wearing a face covering outside of the classroom.
- Workers or other persons handling or serving food must use gloves in addition to face coverings.
- Employers should consider where disposable glove use may be helpful to supplement frequent handwashing or use of hand sanitizer; examples are for workers who are screening others for symptoms or handling commonly touched items.

Any employee not wearing a face covering, face shield with a drape or other effective alternative, or respiratory protection, for any reason, shall be at least six feet apart from all other persons unless the unmasked employee is tested at least twice weekly for COVID-19.

### **STUDENTS:**

Students and staff will be frequently reminded not to touch the face covering and to wash their hands frequently.

Students in all grade levels K-8 are required to wear face coverings at all times, while at school, unless exempted. A cloth face covering or face shield should be removed for meals, snacks, naptime, or when it needs to be replaced. When a cloth face covering is temporarily removed, it should be placed in a clean, safe area, clearly marked with the student's name and date, until it needs to be put on again.

In order to comply with this guidance, schools must exclude students from campus if they are not exempt from wearing a face covering under CDPH guidelines and refuse to wear one provided by the school.

Face covering policies apply on school buses and any vehicle affiliated with the LEA used to transport students, staff, or teachers to and/or from a school site.

### **Engineering controls**

We implement the following measures for situations where we cannot maintain at least six feet between individuals: Staff members will always have the benefit of at least six feet from another staff member. If not, staff members will always wear face coverings.

We maximize, to the extent feasible, the quantity of outside air for our buildings with

mechanical or natural ventilation systems by:

- Heating and air systems will be checked properly by professionals if there appears to be a malfunction.
- Ventilation systems will have filters replaced periodically in order to maintain a clean flow of filtered air.

### **Cleaning and disinfecting**

We implement the following cleaning and disinfection measures for frequently touched surfaces:

- Adequate and appropriate state approved supplies are provided to the staff for the cleaning and disinfecting of commonly used areas. A custodian will clean and disinfect the commonly used areas immediately after use.
- Signs are located in all commonly used areas reminding staff to properly disinfect the area they used or to inform custodial staff.
- Frequently-touched surfaces at school will be cleaned daily
- Outdoor playgrounds/natural play areas only need routine maintenance. Children will wash or sanitize their hands before and after using these spaces .
  - Note: When hand hygiene is emphasized, cleaning of outdoor structures play is not required between cohorts.

Should we have a COVID-19 case in our workplace, we will implement the following procedures:

Should a COVID-19 case occur in our workplace, the custodial staff will immediately disinfect all areas in which the case was present. They will wear proper protection equipment (gloves, face covering, etc), and all staff, students, and personnel will be kept at a distance from said area(s).

### **Shared tools, equipment and personal protective equipment (PPE)**

PPE must not be shared, e.g., gloves, goggles and face shields.

Items that employees come in regular physical contact with, such as phones, headsets, desks, keyboards, writing materials, instruments and tools must also not be shared, to the extent feasible. Where there must be sharing, the items will be disinfected between uses by our custodial staff or staff member in charge by using the cleaning materials provided. This will be done immediately after use of the equipment.

### **Hand sanitizing**

In order to implement effective hand sanitizing procedures, we:

- Provide sanitary handwashing facilities.
- Provide hand sanitizer in all classrooms or commonly used areas.
- Encouraging and allowing time for employee handwashing.
- Providing employees with an effective hand sanitizer, and prohibit hand sanitizers that contain methanol (i.e. methyl alcohol).
- Encouraging employees to wash their hands for at least 20 seconds each time.

### **Personal protective equipment (PPE) used to control employees' exposure to COVID-19**

We evaluate the need for PPE (such as gloves, goggles, and face shields) as required by CCR Title 8, section 3380, and provide such PPE as needed.

When it comes to respiratory protection, we evaluate the need in accordance with CCR Title 8 section 5144 when the physical distancing requirements are not feasible or maintained. **[see section 3205(c)(E) of the Department of Industrial Relations for details on required respirator and eye protection use.]**

(†) A contact is defined as a person who is within 6 feet from a case for more than 15 minutes cumulative within a 24-hour period, regardless of face coverings. In some school situations, it may be difficult to determine whether individuals have met this criterion and an entire stable group, classroom, or other group may need to be considered exposed, particularly if people have spent time together indoors.

### Investigating and Responding to COVID-19 Cases

This will be accomplished by using the **Appendix C: Investigating COVID-19 Cases** form.

Employees who had potential COVID-19 exposure in our workplace will be:

- Offered COVID-19 testing at no cost during their working hours.
- The information on benefits described in Training and Instruction, and Exclusion of COVID-19 Cases, below, will be provided to them.

### System for Communicating

Our goal is to ensure that we have effective two-way communication with our employees, in a form they can readily understand, and that it includes the following information:

- If an employee is experiencing COVID-19 symptoms, they will immediately report it to their site supervisor
- That employees can report symptoms and hazards without fear of reprisal.
- Our procedures or policies for accommodating employees with medical or other conditions that put them at increased risk of severe COVID-19 illness.
- Employees will be encouraged to take COVID-19 test to ensure that the virus is not brought back to the workplace.
- In the event we are required to provide testing because of a workplace exposure or outbreak, we will communicate the plan for providing testing and inform affected employees of the reason for the testing and the possible consequences of a positive test.
- Information about COVID-19 hazards employees (including other employers and individuals in contact with our workplace) may be exposed to, what is being done to control those hazards, and our COVID-19 policies and procedures.
- If there is a positive

### Training and Instruction

We will provide effective training and instruction that includes:

- Our COVID-19 policies and procedures to protect employees from COVID-19 hazards.
- Information regarding COVID-19-related benefits to which the employee may be entitled under applicable federal, state, or local laws.
- The fact that:
  - COVID-19 is an infectious disease that can be spread through the air.
  - COVID-19 may be transmitted when a person touches a contaminated object and then touches their eyes, nose, or mouth.
  - An infectious person may have no symptoms.
- Methods of physical distancing of at least six feet and the importance of combining physical distancing with the wearing of face coverings.
- The fact that particles containing the virus can travel more than six feet, especially indoors, so physical distancing must be combined with other controls, including face coverings and hand hygiene, to be effective.
- The importance of frequent hand washing with soap and water for at least 20 seconds and using hand sanitizer when employees do not have immediate access to a sink or hand washing facility, and that hand sanitizer does not work if the hands are soiled.
- Proper use of face coverings and the fact that face coverings are not respiratory protective equipment - face coverings are intended to primarily protect other individuals from the wearer of the face covering.
- COVID-19 symptoms, and the importance of obtaining a COVID-19 test and not coming to work if the employee has COVID-19 symptoms.

**Appendix D: COVID-19 Training Roster** will be used to document this training.

### Exclusion of COVID-19 Cases

Where we have a COVID-19 case in our workplace, we will limit transmission by:

- Ensuring that COVID-19 cases are excluded from the workplace until our return-to-work requirements are met.
- Excluding employees with COVID-19 exposure from the workplace for 14 days after the last known COVID-19 exposure to a COVID-19 case.
- Continuing and maintaining an employee's earnings, seniority, and all other employee rights and benefits whenever we've demonstrated that the COVID-19 exposure is work related.
- Providing employees at the time of exclusion with information on available benefits.

### Reporting, Recordkeeping, and Access

It is our policy to:

- Report information about COVID-19 cases at our workplace to the local health department whenever required by law, and provide any related information requested by the local health department.
- Report immediately to Cal/OSHA any COVID-19-related serious illnesses or death, as defined under CCR Title 8 section 330(h), of an employee occurring in our place of employment or in connection with any employment.
- Maintain records of the steps taken to implement our written COVID-19 Prevention Program in accordance with CCR Title 8 section 3203(b).
- Make our written COVID-19 Prevention Program available at the workplace to employees, authorized employee representatives, and to representatives of Cal/OSHA immediately upon request.
- Use the **Appendix C: Investigating COVID-19 Cases** form to keep a record of and track all COVID-19 cases. The information will be made available to employees, authorized

employee representatives, or as otherwise required by law, with personal identifying information removed.

### Return-to-Work Criteria

- COVID-19 cases with COVID-19 symptoms will not return to work until all the following have occurred:
    - At least 24 hours have passed since a fever of 100.4 or higher has resolved without the use of fever-reducing medications.
    - COVID-19 symptoms have improved.
    - At least 10 days have passed since COVID-19 symptoms first appeared.
  - COVID-19 cases who tested positive but never developed COVID-19 symptoms will not return to work until a minimum of 10 days have passed since the date of specimen collection of their first positive COVID-19 test.
  - A negative COVID-19 test will not be required for an employee to return to work.
  - If an order to isolate or quarantine an employee is issued by a local or state health official, the employee will not return to work until the period of isolation or quarantine is completed or the order is lifted. If no period was specified, then the period will be 10 days from the time the order to isolate was effective, or 14 days from the time the order to quarantine was effective.

**Appendix A: Identification of COVID-19 Hazards**

All persons, regardless of symptoms or negative COVID-19 test results, will be considered potentially infectious. Particular attention will be paid to areas where people may congregate or come in contact with one another, regardless of whether employees are performing an assigned work task or not. For example: meetings, entrances, bathrooms, hallways, aisles, walkways, elevators, break or eating areas, cool-down areas, and waiting areas.

Evaluation of potential workplace exposure will be to all persons at the workplace or who may enter the workplace, including coworkers, employees of other entities, members of the public, customers or clients, and independent contractors. We will consider how employees and other persons enter, leave, and travel through the workplace, in addition to addressing fixed work locations.

## Additional Consideration #1

### Multiple COVID-19 Infections and COVID-19 Outbreaks

This section of CPP will stay in effect until there are no new COVID-19 cases detected in our workplace for a 14-day period.

#### COVID-19 testing

- We will provide COVID-19 testing to all employees in our exposed workplace except for employees who were not present during the period of an outbreak identified by a local health department or the relevant 14-day period. COVID-19 testing will be provided at no cost to employees during employees' working hours.
- COVID-19 testing consists of the following:
  - All employees in our exposed workplace will be immediately tested and then tested again one week later. Negative COVID-19 test results of employees with COVID-19 exposure will not impact the duration of any quarantine period required by, or orders issued by, the local health department.
  - After the first two COVID-19 tests, we will continue to provide COVID-19 testing of employees who remain at the workplace at least once per week, or more frequently if recommended by the local health department, until there are no new COVID-19 cases detected in our workplace for a 14-day period.
  - We will provide additional testing when deemed necessary by Cal/OSHA.

#### Exclusion of COVID-19 cases

We will ensure COVID-19 cases and employees who had COVID-19 exposure are excluded from the workplace in accordance with our CPP **Exclusion of COVID-19 Cases** and **Return to Work Criteria** requirements, and local health officer orders if applicable.

#### Investigation of workplace COVID-19 illness

We will immediately investigate and determine possible workplace-related factors that contributed to the COVID-19 outbreak in accordance with our CPP **Investigating and Responding to COVID-19 Cases**.

#### COVID-19 investigation, review and hazard correction

In addition to our CPP **Identification and Evaluation of COVID-19 Hazards** and **Correction of COVID-19 Hazards**, we will immediately perform a review of potentially relevant COVID-19 policies, procedures, and controls and implement changes as needed to prevent further spread of COVID-19.

The investigation and review will be documented and include:

- Investigation of new or unabated COVID-19 hazards including:
  - Our leave policies and practices and whether employees are discouraged from remaining home when sick.
  - Our COVID-19 testing policies.
  - Insufficient outdoor air.
  - Insufficient air filtration.
  - Lack of physical distancing.
- Updating the review:
  - Every thirty days that the outbreak continues.
  - In response to new information or to new or previously unrecognized COVID-19 hazards.
  - When otherwise necessary.

- Implementing changes to reduce the transmission of COVID-19 based on the investigation and review. We will consider:
  - Moving indoor tasks outdoors or having them performed remotely.
  - Increasing outdoor air supply when work is done indoors.
  - Improving air filtration.
  - Increasing physical distancing as much as possible.
  - Respiratory protection.
  - [describe other applicable controls].

#### **Notifications to the local health department**

- Immediately, but no longer than 48 hours after learning of three or more COVID-19 cases in our workplace, we will contact the local health department for guidance on preventing the further spread of COVID-19 within the workplace.
- We will provide to the local health department the total number of COVID-19 cases and for each COVID-19 case, the name, contact information, occupation, workplace location, business address, the hospitalization and/or fatality status, and North American Industry Classification System code of the workplace of the COVID-19 case, and any other information requested by the local health department. We will continue to give notice to the local health department of any subsequent COVID-19 cases at our workplace.

## **Additional Consideration #2**

### **Major COVID-19 Outbreaks**

This section of CPP will stay in effect until there are no new COVID-19 cases detected in our workplace for a 14-day period.

#### **COVID-19 testing**

We will provide twice a week COVID-19 testing, or more frequently if recommended by the local health department, to all employees present at our exposed workplace during the relevant 30-day period(s) and who remain at the workplace. COVID-19 testing will be provided at no cost to employees during employees' working hours.

#### **Exclusion of COVID-19 cases**

We will ensure COVID-19 cases and employees with COVID-19 exposure are excluded from the workplace in accordance with our CPP **Exclusion of COVID-19 Cases** and **Return to Work Criteria**, and any relevant local health department orders.

#### **Investigation of workplace COVID-19 illnesses**

We will comply with the requirements of our CPP **Investigating and Responding to COVID-19 Cases**.

#### **COVID-19 hazard correction**

In addition to the requirements of our CPP **Correction of COVID-19 Hazards**, we will take the following actions:

- In buildings or structures with mechanical ventilation, we will filter recirculated air with Minimum Efficiency Reporting Value (MERV) 13 or higher efficiency filters if compatible with the ventilation system. If MERV-13 or higher filters are not compatible with the ventilation system, we will use filters with the highest compatible filtering efficiency. We will also evaluate whether portable or mounted High Efficiency Particulate Air (HEPA) filtration units, or other air cleaning systems would reduce the risk of transmission and implement their use to the degree feasible.
- We will determine the need for a respiratory protection program or changes to an existing respiratory protection program under CCR Title 8 section 5144 to address COVID-19 hazards.
- We will evaluate whether to halt some or all operations at our workplace until COVID-19 hazards have been corrected
- Implement any other control measures deemed necessary by Cal/OSHA.

#### **Notifications to the local health department**

We will comply with the requirements of our **Multiple COVID-19 Infections** and **COVID-19 Outbreaks-Notifications to the Local Health Department**.

## American Rescue Plan Act Elementary and Secondary School Relief Fund (ESSER III) Safe Return to In-Person Instruction Local Educational Agency Plan Template

### Background on ESSER

The American Rescue Plan Act (ARP) signed into law on March 11, 2021, provided nearly \$122 billion for the Elementary and Secondary School Relief Fund (ESSER). ARP ESSER, also known as ESSER III, funds are provided to State educational agencies in the same proportion as each State received under Title I-A of the Elementary and Secondary Education Act (ESEA) in fiscal year (FY) 2020. The U.S. Department of Education (ED) published Interim Final Requirements (IFR) on April 22, 2021 requiring Local Educational Agencies (LEAs) receiving ESSER III funds to submit an LEA Plan for the Safe Return to In-Person Instruction and Continuity of Services. If an LEA had already developed a plan for safe return to in-person instruction and continuity of services prior to the enactment of ARP that meets the statutory requirements of section 2001(i) but did not address all of the requirements in the IFR, the LEA must revise and post its plan no later than six months after receiving its ESSER III funds. This applies even if an LEA has been operating full-time in-person instruction but does not apply to fully virtual schools and LEAs.

The IFR and ARP statute, along with other helpful resources, are located here:

## Purpose of the Template

The IFR issued by ED outlines several requirements for all LEAs that receive ESSER III funds, including that LEAs have in place a plan for ensuring safety during in-person instruction (either in-progress or planned) as well as ensuring continuity of services should the LEA or one or more of its schools be required to close temporarily for COVID-19-related public health reasons in the future. LEAs who had a plan in place by March 11, 2021, which incorporated opportunity for public comment and was posted publicly have six months from the date their ESSER III Assurances were completed to update and revise the plans to meet those requirements. Examples of previous plans that may be allowable would be a completed Cal/OSHA or Assembly Bill 86 plan, as long as it meets the requirements previously stated. LEAs which did not have a statutorily compliant plan in place as of March 11, 2021, must create and post this plan within 30 days of completing their ESSER III Assurances. If you have questions as to which category applies to your LEA, please contact [EmergencyServices@cde.ca.gov](mailto:EmergencyServices@cde.ca.gov). Plans are required for all LEAs, regardless of operating status, unless an LEA is fully virtual with no physical location. All plans must be reviewed, and, as appropriate, revised, at least every six months to incorporate new or revised CDC guidance and other changed factors.

This template has been created to assist LEAs in the creation of these plans and to ensure all required elements are met. The following requirements and assurances pertain to both the statutory requirements and the IFR published by ED. LEAs may provide any additional information they believe are helpful in assessing their plan. If you have any questions, please contact [EmergencyServices@cde.ca.gov](mailto:EmergencyServices@cde.ca.gov).

CCS provided appropriate tiered supports that promote and sustain positive social/emotional development as well as increased academic achievement for all students. The school continued to refine the MTSS Intervention support with online direct instruction and purchased new licenses for online learning. CCS focused on an Assistant Director to build an online direct instruction for the EL population. Professional Learning Communities were formed with the monthly meetings with school leadership and teachers. CCS continued to build a system that supports more students in direct instruction. The school recognized the importance of direct instruction and the benefits that it provides for not only within the MTSS and EL, but for the school as a whole.

CCS increased student, parent, staff, and community engagement through collaboration, transparency, and communication and provided a broad course of study. The Foster/Homeless Youth Liaison position implemented policies, procedures and supports for this population. The new position provided insight to the school to continue to build support with academic, social-emotional, and intervention for the student population. CCS will continue to focus on this student population with additional support with a multi-year strategic plan.

## Annual Update for the 2020–21 Learning Continuity and Attendance Plan

The following is the local educational agency’s (LEA’s) analysis of its 2020-21 Learning Continuity and Attendance Plan (Learning Continuity Plan).

## In-Person Instructional Offerings

### Actions Related to In-Person Instructional Offerings

Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
Expenditures associated with researching and access to virtual and access to community resources, including museum, Nature program, STEM Experiences, Aerospace Museum, Virtual, Guided Learning Experiences specifically for unduplicated students who have challenges paying for the programs	\$1,000	\$0	Y

A description of any substantive differences between the planned actions and/or budgeted expenditures for in-person instruction and what was implemented and/or expended on the actions.

CCS anticipated costs associated in relation to In-Person Instructional Offerings. The expenditure related to virtual access to community resources lended to the families signing up for their own experiences with the given instructional amounts. With the nature of virtual resources, there was an extraordinary number of opportunities for students to tailor to personalized learning virtual experiences. The need wasn't what was anticipated with the creation of the expenditure. Students though utilized the state-aligned materials more during the 20-21 School year.

### Analysis of In-Person Instructional Offerings

A description of the successes and challenges in implementing in-person instruction in the 2020-21 school year.

Being a non-classroom-based charter, students primarily school at home. An adjustment was the inability to utilize the community partners for enrichment opportunities.

## Distance Learning Program

### Actions Related to the Distance Learning Program

Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
Professional learning for staff and parents related to incorporating trauma-informed practices into lessons, specifically in a distance learning format	\$2,500	\$0	Y
STAR360 diagnostic/interim assessments: Implement a variety of assessments to monitor student progress and continual assessment to provide targeted instruction and intervention	\$19,711	\$19,353	Y
Additional devices, including Chromebooks for English learners, students living in poverty, students placed in foster care, students experiencing homelessness, and those with exceptional needs. This will provide access to online curriculum, online community partners and other resources to support students in academic progress	\$10,000	\$23,981	Y
MobyMax and other instructional material/resources to help EL	\$17,725	\$17,725	Y
Technology to support EL Designees to support communication with our students legibly via zoom. Provide modeling and scaffolding during these lessons.	\$1,800	\$1,800	Y
Costs to implement Community Connections program include hot spots for connectivity, web cameras/tripods for the Community Coordinators to host/produce the workshops	\$1,500	\$1,500	N

A description of any substantive differences between the planned actions and/or budgeted expenditures for the distance learning program and what was implemented and/or expended on the actions.

The expenditures related to implementing distance learning planned to be as estimated when the LCP was drafted. Given the state of the State of California, we shifted the focus to Social Emotional Learning instead of trauma informed practices. With the COVID-19 Pandemic, fortunately there was a wealth of free programs and offerings to support our staff and parents with professional learning incorporating SEL into their day. Therefore, we didn't need to utilize the funds towards SEL. The other expenditures were what our school anticipated spending to be which were budgeted for.

## Analysis of the Distance Learning Program

A description of the successes and challenges in implementing each of the following elements of the distance learning program in the 2020-21 school year, as applicable: Continuity of Instruction, Access to Devices and Connectivity, Pupil Participation and Progress, Distance Learning Professional Development, Staff Roles and Responsibilities, and Support for Pupils with Unique Needs.

Being a non-classroom based charter school, we didn't have the traditional distance learning model as a traditional public school. Challenges that our students faced were the increased need for connectivity and usage of devices with the online options in enrichment, curriculum, online learning opportunities, and synchronous learning online with our teachers. Our staff, also continuing to work from home, needed reliable internet and resources to teach remotely.

## Pupil Learning Loss

### Actions Related to the Pupil Learning Loss

Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
Homeschool Teachers to provide instruction for all students, Provide school counselors to support students in targeted services with social and academic wellness: in-person/distance learning platform, provide junior high virtual academy coordinator and lead teacher, provide high school virtual academy coordinator, special education teachers, intervention specialists, Executive Director/Assistant Principals/Specialists provide instructional coaching for teachers; lead "data talks" discussions and analysis on student assessment results, monitor and supervise services for EL; and monitor student attendance and participation schoolwide, student intervention support, school psychologists, high school success coordinator * 10% of certificated salaries will be funded with LCFF Supplemental & Concentration funds (contributing column) and the remaining 90% with LCFF Base Funds	\$659,397	\$659,397	Y
Staff and parent training related to understanding our MTSS, and expressly what resources are provided at each tier	\$1,500	\$0	Y
Staff and parent training related to understanding our English Language Development strategies	\$1,000	\$0	Y

A description of any substantive differences between the planned actions and/or budgeted expenditures for addressing pupil learning loss and what was implemented and/or expended on the actions.

In regard to pupil learning loss, again due to the in-staff PD that were already developed, we didn't have a need to purchase any additional training for our staff and parents. Our staff and parents did receive training understanding MTSS and ELD, but we utilized staffing, resources that were already embedded into our budget. Again, as stated above, there were additional free resources this year, unlike before, that our school was able to utilize to support these vital areas of training.

## **Analysis of Pupil Learning Loss**

A description of the successes and challenges in addressing Pupil Learning Loss in the 2020-21 school year and an analysis of the effectiveness of the efforts to address Pupil Learning Loss to date.

As a non-classroom based independent study charter school, homeschooling students were able to continue the different modes of learning with teacher-directed, online and within the blended instructional model. Teachers communicated and met with students through digital platforms. Students chose to enroll in new direct-instruction opportunities such as HSVA and JHVA in core subjects which provided instruction at home. One challenge that the school had was the 10-15% percentage of students that participated in the benchmark diagnostic (STAR) in English language arts and mathematics. Feedback from families who took the benchmark felt they have been doing so much learning online, technology overload, COVID related life circumstances, it was another online time for their student to be on technology. With COVID there is a changed family dynamic that have made testing difficult in a student's home. Although all students have access to technology and internet access, there are a few areas where student connectivity is still in question, due to the location of a student's home. There was an increase in our Intervention classes during 20-21, as more students needed additional support without the in-person academic enrichment opportunities normally offered.

## **Analysis of Mental Health and Social and Emotional Well-Being**

A description of the successes and challenges in monitoring and supporting mental health and social and emotional well-being in the 2020-21 school year.

The school completed the Care backpacks for our homeless population through collaboration with the teacher and family. A Social Emotional Website was launched along with items such as Mindset Mondays, dedicated time with counselors, online SEL supports, Community Connections events to bring students together, JHVA and HSVA also provided learning and social opportunities for students to connect. The Multicultural Diversity and Inclusion Program brought new and a continued awareness of our diverse world

and student population which brought a new heightened awareness for our school and community. Results from the parent survey showed 56% of parents did not find our students mental wellbeing concerning.

## Analysis of Pupil and Family Engagement and Outreach

A description of the successes and challenges in implementing pupil and family engagement and outreach in the 2020-21 school year.

Teachers continued to meet virtually with their students to provide continued student engagement with checks, office hours, scheduled live synchronous sessions, participation in diagnostic assessment and completion of assignments as documented in our student information system. Many families chose to attend our virtual community events that had series on different topics both educational and enrichment. Families also opted to join many of the parent education nights and Multicultural and Diversity Inclusion Program opportunities for additional connection. Families were able to connect with one another with thematic virtual events held by Community Connections. The JHVA had an online science fair. Our NHS held outreaches too for the students to engage with one another online. With connectivity being a challenge, our school provided technology and access to the Internet for students that needed this. We also provided online curriculum options for students that provided supplemental and full online curriculum options to enhance learning. Our interim benchmark assessment assisted in data collection, analysis, and planning for learning loss. With COVID-19, parent education workshops online provided much needed support. Our staff received a social emotional wellness PD from a keynote speaker in January. Based on our parent survey results 57% of our parents are not concerned in this period of uncertainty.

## Analysis of School Nutrition

A description of the successes and challenges in providing school nutrition in the 2020-21 school year.

As a non-classroom based independent study charter school, we do not have facilities to serve meals.

**Overall Analysis**

An explanation of how lessons learned from implementing in-person and distance learning programs in 2020-21 have informed the development of goals and actions in the 2021–24 LCAP.

CCS continued with the three educational models during the 20-21 School Year. With the additional synchronous instruction options for junior high, high school, English learners, and intervention classes, this placed a foundation for students. With the dynamics of student’s homes with parents working while students are schooling, more students took the opportunity to participate in the courses. The school saw a gain in student engagement and test scores with the online direct instruction and has planned to continue and increase course offerings in the future. Professional Development during the 20-21 School year was more targeted, and data driven tailored to the internal benchmark diagnostics. Building community in the virtual world along with course offerings lended to be a strength during COVID. With the increase in student engagement in academic course offerings and desire for in person activities, the school will continue to build programs to support the elementary aged students. The continued need for the support of mental health and social-emotional well-being will continue to be on the forefront for our schools and for schools for the next three year, and most probably more. Our Student Services side developed and will continue to develop more programs, offerings, opportunities to support students and staff.

An explanation of how pupil learning loss continues to be assessed and addressed in the 2021–24 LCAP, especially for pupils with unique needs.

For the 2021-24 LCAP’s, as stated above, there will be a continued focus on direct instruction to address pupil learning loss for our unduplicated and students with disabilities elementary to high school students in core and enrichment subjects. Our EL students will continue to receive asynchronous English Language Development focused on grade level bans and EL levels determined by ELPAC results. Our Unduplicated students and SWD will be offered asynchronous instruction courses, as well as opportunities for intervention courses. Our staff will continue to focus on data driven practices from our benchmark assessments to deliver instructional strategies

and curriculum to support students' specific learning needs. We will provide a pre and post assessment to help gauge academic progress.

A description of any substantive differences between the description of the actions or services identified as contributing towards meeting the increased or improved services requirement and the actions or services implemented to meet the increased or improved services requirement.

There were no substantive differences between the actions/services identified as contributing towards meeting the increased or improved services requirement.

## **Overall Analysis of the 2019-20 LCAP and the 2020-21 Learning Continuity and Attendance Plan**

A description of how the analysis and reflection on student outcomes in the 2019-20 LCAP and 2020-21 Learning Continuity and Attendance Plan have informed the development of the 21-22 through 23-24 LCAP.

Student outcomes along with stakeholder feedback from the 2019-20 LCAP and 2020-21 Learning Continuity and Attendance Plan have informed the development of the 21-22 through 23-24 with a more data driven approach. Our team has utilized the Dashboard, internal benchmarks, teacher data from Learning Period Meetings, and external data analyst companies to assist in driving a focus pertaining to increasing student achievement, both individually and collectively within unduplicated student groups. As the team reflected on data, along with stakeholder input, these components helped to guide CCS in an approach to educate not only the academics but also the social-emotional well-being of students.

## Plan Summary [2021-22]

### General Information

A description of the LEA, its schools, and its students.

Clarksville Charter School (CCS) opened in the fall of the 2017-18 school year. Clarksville Charter School is a WASC accredited, non-classroom based public charter school authorized by Buckeye Union Elementary School District in El Dorado County serving approximately 1180 students in El Dorado, Amador, Alpine, Sacramento & Placer Counties from transitional kindergarten through 12th-grade. We take great pride in being able to offer our students flexible personalized learning experiences through our many unique and dynamic programs. Our school values and supports parent choice and personalized learning for all students. CCS Home School Teachers are California credentialed teachers who partner with families to nurture, guide and enhance a student's educational needs. A focus of collaboration with academic achievement and the development of the whole child with personalized learning is pivotal. At Clarksville Charter School, we have goals for our students that are known as Schoolwide Learner Outcomes (SLOs). SLOs are a part of our school culture: they reflect our school vision, the College and Career Readiness standards, and the education of the whole child. CCS teachers collaborate with parents/learning coaches to create Learning Plans for students each learning period that outlines the lessons to be completed during a specified time frame. All students have access to online all access curriculum as well as curriculum to support educational standards. Internal benchmark diagnostic assessment data gathered from a computerized adaptable test, taken each fall, winter and spring, for grades TK-12, pinpoints the proficiency level of students across a range of subjects. The benchmark diagnostic assessments are specifically designed to provide meaningful information for gauging student progress toward mastery of the skills measured by the summative assessments. This data along with learning styles are used to build the individualized learning path for each student to target specific learning objectives and standards. Regular assessment determines the level of mastery and individualizing the Learning Plan helps students progress quickly. Teachers can provide instruction and support either in person or online through web-conference platforms. This tool allows for teacher collaboration and instruction by using video, voice, text, and shared writing space. Students have twenty-four-hour access to all curricula, and learning can take place at a variety of locations according to student and family preference, including libraries and the students' residences. CCS has implemented an online direct instruction platform (varying from four to six-week intervention courses for mathematics and language arts), and other programs so that all students have the critical thinking skills to be successful in college and career pathways. CCS's tiered level of support is robust and differentiated for different learning styles. CCS is continuously planning and adjusting programs to meet the needs of the student population served. Clarksville Charter School's leadership and staff look forward to continuing their collaboration with the district in providing an option to students looking for an Independent study/homeschool program. Being part of Clarksville Charter School ensures our students are guided to become critical thinkers, responsible citizens, and innovative leaders prepared for academic and real-life success in the 21st century. It is our mission to provide an individualized

Learning Plan for each student that is developed with both teacher, parent, and student with a focus on learning style fostering learning based on the student's natural interests and abilities. We are here to serve, support, and inspire the community within our school and all families on an educational journey with their children.

## Reflections: Successes

A description of successes and/or progress based on a review of the California School Dashboard (Dashboard) and local data.

Clarksville Charter School has implemented an online direct instruction platform (four-to-six-week direct instruction, intervention courses for mathematics and language arts), and other programs so that all students have the critical thinking skills to be successful in college and career pathways. Additionally we offered three (3) separate, three (3) week cycles of study skills intervention which included direct instruction on test taking skills in order to support students who scored yellow on the Winter STAR 360. The Junior High Virtual Academy (JHVA) and High School Virtual Academy (HSVA) were developed this year to support students. Both programs were developed to teach live online instruction providing standards aligned courses by credentialed teachers. Due to COVID restrictions CDE did not release the 2020 Dashboard with all state indicators, but the CDE released Dashboard 2020 results for two state indicators College and Career Indicator, and Graduation Rate Indicator. Reviewing our 2019 Dashboard results, we have received the highest performance score Blue on both our Chronic Absenteeism (0%) and Suspension rate indicator (0%). Proceeding within these indicators all the subgroups with a score performed at a blue performance score, which includes Low SES, SWD's, Hispanic, White, and Two or More Races subgroups. For our Academic Indicator English Language Arts we have improved by 7.2 distance from standard points. We have also improved on our Academic Indicator Math by 1.3 distance from standard points. Our Graduation Rate on the 2020 dashboard is 89.5% and have shown to have maintained a higher graduation rate compared to the statewide results. Additionally, we have performed at Standard Met for all Local Indicators on the California Dashboard. Analyzing the students who participated in the AP exam, we had 100% of our students score at a 3 or higher which is a really positive accomplishment for our high school department. We are continuously working on achieving student academic success in each of the state indicators and continue to monitor our progress each year.

## Reflections: Identified Need

A description of any areas that need significant improvement based on a review of Dashboard and local data, including any areas of low performance and significant performance gaps among student groups on Dashboard indicators, and any steps taken to address those areas.

Clarksville Charter School is a strong believer of how we can improve and support our students in achieving their academic goals based on student academic performance data. When reviewing our California School Dashboard results we can have identified certain areas of need where we will focus and prioritize to improve our students' academic performance. The Graduation Rate Indicator on the 2020 Dashboard we had a rate of 89.5% of our students graduating, which is a decline of 6.9% from the 2019 Dashboard results although this is not where we anticipated to be we have been working to increase our overall graduation rate. We have started closely monitoring our cohort graduates ensuring any potential dropouts are provided a more intensive one to one guidance and assisted in reaching their educational goals. On the 2020 College and Career Indicator 12.5% of our students are prepared which is a 23.2% decline from the 2019 performance score, which has been due to a low student participation in our CTE program. We are working to review and implement new CTE course pathways that are more appealing to our students, based on the feedback we received from our stakeholders: community partners, parents, and students. Additionally, our Academic Indicator Math received a performance score of "Orange" at 87.9 points below standard, and within this indicator our subgroup

which scored at a “Red” performance score are Low SES. In order to help all our students with an increased focus on unduplicated student groups to increase their performance score on the state assessments we have started implementing an online direct instruction intervention platform, which includes four-to-six-weeks of direct intervention instruction. Intervention courses targeted the core content areas of mathematics, reading, and writing. Additionally we offered three (3) separate, three (3) week cycles of study skills intervention which included direct instruction on test taking skills in order to support students who scored yellow on the Winter STAR 360. When we reviewed for any performance gaps amongst our subgroups on any state indicator, we found there were no performance gaps amongst any of our subgroups. We are hoping the additional online direct instruction will assist in student performance growth not only for our unduplicated students but for all subgroups.

## LCAP Highlights

A brief overview of the LCAP, including any key features that should be emphasized.

Clarksville Charter School takes state accountability measures very seriously and understands that there are areas we need to prioritize and create new policies or procedures to address and improve to achieve student academic success. Some identified areas of need based on the 2020 California Dashboard include the Graduation Rate Indicator and College and Career Indicator. For the 2019 California Dashboard and identified area of need based on a “Orange” performance score include the Academic Indicator Math. Based on both the 2019 and 2020 California Dashboard no student group performance gaps were identified. CCS has supported SWD's need for targeted language arts instruction by adding Reading Specialists, structured multi-sensory literacy programming as well as reading programs for specialized academic instruction. To maintain this, we have taken steps such as providing additional support for our unduplicated students such as professional learning for families and staff focused on instructional strategies to help students reach their academic potential. We will implement and assess formative and interim assessments to be able to monitor our students throughout the year. With the provided data, we disaggregate the information to provide the individualized support needed for each student before the administration of the state assessments. This action plan will help students improve their overall scores on the state assessments and strengthen their academic performance. Addressing the need of improvement on the College and Career Indicator, we have added a variety of action items to improve our student's performance. To increase the number of students who are college and career ready, we will increase the number of course offerings in college and career indicators providing students with more opportunities to meet the requirements within this state indicator. Graduation Rate Indicator is also an area of focus for CCS, we have created new roles and procedures to be able to monitor data regarding student dropout rates. Our school has continued to build professional development about CCI indicators and implemented an additional planning tool on our Individualized Graduation Plan for student, parent, and teacher future planning. At Clarksville it is our top priority to ensure every student achieves academic success and we are here to support and provide the tools necessary for them to reach their goals.

## Stakeholder Engagement

A summary of the stakeholder process and how the stakeholder engagement was considered before finalizing the LCAP.

Before developing the process of LCAP, our school initially conducted several meetings with different departments within our school. We began this process by gaining insight and perspective to what our teachers and staff felt our areas of focus should be within each department. We also sent our surveys to our stakeholders: community partners, staff, parents, and students to receive feedback regarding what they feel our school strategies, policies, or procedures should include for next year as actions items we can implement. The surveys we received from our stakeholders were analyzed thoroughly to gain insight on what overarching goals should be for our school and within those goals how we can create actions to meet the needs of our community. Our team presented to the School Board a series of LCAP presentations which consisted of information related to proposed goals and actions for the upcoming years to foster collaboration, transparency, and to gather input. Meetings occurred with the English Learners Advisory Committee which consists of parents of our English Learners. Presentations to Charter department staff were held to gather department feedback. A charter wide staff presentation was conducted at a monthly staff meeting. Lastly, we collaborated with our SELPA where we asked for any feedback regarding our proposed goals and actions for the coming years.

Describe and summarize the stakeholder feedback provided by specific stakeholders. A sufficient response to this prompt will indicate ideas, trends, or inputs that emerged from an analysis of the feedback received from stakeholders.

When analyzing the feedback, we received with various stakeholders we received an immense amount of positive feedback regarding the current set policies and procedures and what we have planned for the coming years. The feedback from our parents of English Learners Advisory Committee consisted of great positivity regarding our English Language Development courses and parents felt very supported with our current program. Some suggestions the committee felt would be beneficial for the program consisted of offering more paper based English Language Development supplemental programs rather than a complete online based program. The Committee also suggested offering more afternoon zoom courses, having access to Star 360 interim benchmark assessments in the parental portal, and having the weekly newsletter contain information regarding what teachers are working on in classes. Analyzing the feedback received from our parents through the surveys we received great suggestions which we have incorporated into our LCAP as action items and almost all our parents were extremely satisfied with the current policies and procedures of our school. The feedback received consisted of adding more parent workshops related to strengthening student achievement and resuming in person activities for students, which was suspended due to COVID restrictions. The staff

feedback received from the surveys was very positive regarding how the school is working collaboratively and aligning curriculum programs with state standards. When asked which state priorities the school should focus on, much of the staff felt we should prioritize the following state priorities Basic Services (Teacher credential, instructional materials), Course Access (Student access to a broad course of study), and Parent Involvement (Efforts to seek parent input and participation). We have thoroughly gone through the feedback received from each of our stakeholders and have been actively working on how we can incorporate the recommendations received to meet the needs of our community. We thank our stakeholders for their participation in the surveys.

#### A description of the aspects of the LCAP that were influenced by specific stakeholder input.

Clarksville Charter School believes in putting the community we serve first and addressing their individual needs as action, to be able to create an optimal learning environment for the families we serve. After receiving feedback from our stakeholders, many of their recommendations regarding our programs within each department of our school were considered when proceeding with developing our planned goals, actions, and metrics for the 2020-21 LCAP. Our English Learner population is an area we are always looking to improve and create more supportive learning for our students and parents. From the feedback we received from our English Learners Advisory Committee we are implementing actions such as professional learning for families and staff which will focus on instructional strategies and being able to collaborate with parents and help support our English Learner population to reach their academic goals. The goals and actions we specifically added from our ELAC input include:

- Goal 2, Action 2: Hire and maintain certificated staff to provide online/synchronous instruction, programs, and support for our English Learners. This will contribute to our plans to offer more creative English Language Development support options available both online and paper based.

From the feedback we received from our surveys to our parents we found there was a need for additional professional development for our families to ensure they have all the information they need about our curriculum and programs for all our students and specifically our unduplicated students. To address this area of need we have specifically implemented:

- Goal 1 Action 1: Professional Learning related to student learning needs, particularly for English learners, foster youth, students who qualify for free or reduced lunch
- Goal 1 Action 2: Professional Learning related to student learning needs, particularly for Students with Disabilities.

We also received feedback from our High school graduate students for this year through our grad survey sent out by our High School department. Analyzing the responses, we received regarding our CTE program and our college and career readiness programs led us to create Goal 3: Increase the number of students who are high school, college, career, and life ready and within the goal create the following action items:

- Goal 3 Action 2: Provide College Readiness Assessments and Preparatory Workshops
- Goal 3 Action 1: Increase number of course offerings in college and career indicators

Lastly, we met with our SELPA and received feedback in terms of prioritizing the needs of our students with special needs which led us to create the following Goal and actions:

- Goal 3 Action 3: Partnership with Earn and Learn Organization and additional secondary support programs
- Goal 3 Action 4: Individualized Graduation Plan

We hope to ensure the implementation of these actions will provide us with the growth we are expecting in the coming school years and be able to optimize our student achievement data. Overall, we are very thrilled for the new changes in the coming years and how we were able to meet with each of our stakeholders, parents, and students and be able to use the feedback we receive into action items for our schools future planning.

## Goals and Actions

### Goal

Goal #	Description
1	<p>CCS will continue to develop plans and utilize data to strengthen student achievement for all students.</p> <p>List priorities</p> <p>Priority 1: Basic (Conditions of Learning)</p> <p>Priority 2: State Standards (Conditions of Learning)</p> <p>Priority 7: Course Access (Conditions of Learning)</p>

An explanation of why the LEA has developed this goal.

Clarksville Charter School is a strong believer in data driven decision making and how we can constantly monitor student academic data to maintain or improve current set policies and procedures. We are working on using various lenses of approach to identify areas of need and focus on implementing new strategies and techniques to increase student achievement. The actions we have initiated will directly contribute to utilizing student achievement data to progress on California state dashboard indicators. We had created these actions and metrics because we saw a performance gap for certain student groups and on specific dashboard indicators and needed to close the achievement gap. Our actions provide additional support and the tools needed to help our student groups performing at a red or orange performance level reach their higher achievement level goals.

On our state assessment results for CAASPP our students' distance from standard (DFS) score for English Language Arts was -31.7 and for Mathematics was -87.9 to increase the number of students scoring at standard we have purchased the STAR 360 program to monitor the progress of our students by conducting these interim assessments throughout the year. The administration of these assessments will allow for us to collect data in relation to where our students are performing before the state assessments and be able to provide additional individualized support where needed for our students.

## Actions

Action #	Title	Description	Total Funds	Contributing
1	Professional Learning related to student learning needs, particularly for English Learners, foster youth, students who qualify for free or reduced lunch	We will provide professional learning for families and staff focused on instructional strategies as well as the importance and impacts of state testing. We are aware that certain student groups such as English Learners, foster youth, and students who qualify for free or reduced lunch are in most need of academic support. For example, we will meet with families to provide learning resources and strategies. We will also meet once a month as a Professional Learning Community as an entire staff and additionally as a smaller group to focus on professional learning.	\$52,407	Y
2	Professional Learning related to student learning needs, particularly for Students with Disabilities	We will provide professional learning for families and staff focused on instructional strategies as well as the importance and impacts of state testing. We are aware that certain groups such as our Students with Disabilities are in most need of academic support. For example, we will meet with families to provide learning resources and strategies. We will also meet once a month as a Professional Learning Community as an entire staff and additionally as a smaller group to focus on professional learning.	\$244,747	Y
3	Implement and assess formative and interim assessments	Our dashboard shows that schoolwide our students are 31.7 points below standard for ELA and 87.9 points below standard for Math. We will implement assessments regularly to help us determine whether and to what degree students are making progress toward expected learning outcomes. We will focus on programs for students who are not demonstrating proficiency in ELA and Math from prior CAASPP and STAR 360. This action will improve services for our unduplicated groups and students with disabilities because it will add to our current program. This action will be implemented schoolwide; however, we believe our unduplicated student groups will benefit principally because these groups are less likely to have academic support at home. These are the best use of funds because our data demonstrates that these students need additional support which, as a school we will be able to closely monitor with a data driven model to focus target instruction to mitigate a potential increase in student learning loss. This action aligns with Clarksville's Special Education Plan Element 3c.	\$28,466	Y

	workshops for Elementary level grades	<p>We are creating and implementing a TK-6 academic online program with instruction from our teachers. This program will consist of online/synchronous classes and rotating workshops focusing on standards-based mathematics and language arts foundational concepts. We will target students who are working towards proficiency in ELA and Math from prior CAASPP and STAR 360 testing data. This program will increase and improve services for our unduplicated groups and is in addition to our current program offerings. It will be implemented schoolwide, however, our unduplicated student groups will benefit principally, as students in these groups are more likely to need additional academic support. These are the best use of funds because our data demonstrates that these students need additional support which can be provided by our credentialed teaching staff who can model and closely monitor student understanding.</p>		
5	Purchase additional technology	<p>We will provide mobile internet connectivity and technology for student use for connectivity at home. The goal is schoolwide and is important because most of our resources and curriculum are offered online. An example is to provide a standards-based online curriculum for our unduplicated students. Another example is providing hotspots to ensure that our unduplicated students can attend our live or synchronous classes for academic and social emotional well-being. Schoolwide, however, we know priority groups will benefit due to financial restraints of these students.</p>	\$24,000	Y

Additionally, we will hire and maintain certificated staff to create online/synchronous instruction support programs for students who are not demonstrating proficiency in ELA and Math from prior CAASPP and STAR 360. This action will increase and improve services for our unduplicated groups because it will add to a current program. 		school closures and the pandemic there is an increase in student learning loss which we hope to mitigate with this action.		
7	Purchase of resources to support Multi-Tiered System of Support (MTSS), Student Study Team (SST), & Section 504 access, process, and compliance	We will purchase digital and paper resources, software, and workshops to assist staff, teachers and families with student services and the processes within the department. We are aware that student services have certain documents, processes and needs associated with compliance. The purchase of these will help in streamlining the process for our schools. An example of an expenditure is for our Student Study Team and Section 504 processes, Beyond SST will promote a digital manner for making referrals, scheduling, and holding meetings, creating Intervention and 504 plans as well as tracking data. Unduplicated students will benefit from the purchase of resources as some families have requested to remain off technology, therefore the ability to purchase printed materials will accommodate and support their educational requests. This will also support child find and create a continuum of supports and services for students.	\$1,374	Y

An explanation of why the LEA has developed this goal.

This goal was developed to ensure all students including priority group students including foster youth, English learners, and students who qualify for free or reduced lunch are receiving the additional support they need. Our high school dropout rate was 5.45%. To address this area of concern, we will hire personnel to monitor these students and address any individualized needs to be able to provide any additional support. For our 2019-20 school year we had 2.7% of our English Learners reclassified, to improve these results we will fund support staff for unduplicated student support, which includes hiring a bilingual family liaison to support our non-English speaking populations. We hope these actions will contribute to improving our overall Goal to promote a safe, healthy, and engaged learning environment for all our students.

## Actions

Action #	Title	Description	Total Funds	Contributing
1	Fund support staff for unduplicated student support	We will fund foster/homeless youth and family liaison positions to address specific needs of unduplicated and students with disabilities including augmented communication with families to receive information and support in the appropriate language. For example, we will utilize our foster/homeless youth liaison position to partner with families to assist in meeting the educational, social, and emotional needs of students. We will also hire family liaisons who also speak another language besides English, to support our non-English speaking populations.	\$30,000	Y
2	Hire and maintain certificated staff to provide online/ synchronous instruction, programs, and support for our English Learners.	Our reclassification results for 2019-20 show 2.7% our English Learners reclassified. To address this area of need to improve and increase our academic support for English learners including those with disabilities, we will refine and improve our English language development curriculum and instructional delivery. Expenditures related to this action are the hiring of additional certificated staff and programs.	\$32,701	Y
3	Fund School Counselor/SST Coordinator	According to our parent survey 43% of our parents who participated in the survey were concerned with their child's mental health. To support our families and provide a resource we will fund the School Counselor/SST coordinator. This position will oversee and provide social-emotional and counseling services, supports and referrals.	\$32,076	Y

		<p>The Coordinator will work to hold virtual SST meetings. The Counselor/SST Coordinator will offer group sessions/1:1, check in with students, lead SST meetings with a whole child perspective with Social Emotional Learning, academic, suicide risk assessment, students in crisis, dedicated time with unduplicated, collecting community-based resources for families. Although this is a schoolwide support, the position will focus on our priority group of students in need of academic intervention which includes foster youth, low SED backgrounds, special education, and English learners. This position will provide support to students clinically and educationally. For example, counselors will address social and emotional needs of students through a variety of ways including workshops, whole group practices, small group interventions, and individualized learning activities. Another example is that our counselor will provide ongoing training and support to charter staff.</p>		
4	Fund positions for monitoring student achievement data	<p>Our Calpads report shows our high school dropout rate for 2019-20 school year is 5.45%, in order to decrease our dropout rate, we will hire personnel for students, focusing on priority group students such as EL, FY, or SED background, who did not re-enroll with the following school year, as well as those that leave during the school year to decrease the dropout rates in middle and high school. This will improve and increase services with a dedicated staff member to collaborate with families, High School Counselors, and the High School Department to assist our priority groups and schoolwide students. Our priority group students will benefit from this position as it will partner with our translators to assist, if needed also.</p> <p>For example, we will hire a position to monitor and review student achievement data focusing on priority group students including students with disabilities, monitor the California Dashboard, and work with the high school counselors in monitoring at-risk students.</p>	\$81,566	Y

### Goal

Goal #	Description
3	<p>Increase the number of students who are high school, college, career, and life ready.</p> <p>List priorities:</p> <ul style="list-style-type: none"> <li>Priority 3: Parental Involvement (Engagement)</li> <li>Priority 5: Pupil Engagement (Engagement)</li> <li>Priority 6: School Climate (Engagement)</li> </ul>

An explanation of why the LEA has developed this goal.

This goal was developed to increase college and career readiness amongst our high school students. We had about 8% of our students who graduated with A-G requirements fulfilled, to address this area of need we will increase the number of course offerings in college and career indicators. The 2020 California Dashboard results showed 33.9% of our students were approaching prepared or prepared on the college and career indicator. In addition, for students participating in AP exams we had approximately six (6) students who scored at a three (3) or higher. To address this area of need and overall increase the number of students participating and improving in college assessments we will provide students with College Readiness Assessments and Preparatory Workshops to ensure they are supported in every way. We hope to ensure all our students in secondary education increase their performance on all college and career readiness measures with the additional support we have planned as actions for the coming school year. We are planning to add additional AG courses to facilitate AG completion. We will collaborate with the College Board to offer onsite locations that offer PSAT, SAT and AP testing. Students have had a difficult time taking AP tests at outside institutions and this will solve that problem. We will add credentialed teacher-taught CTE courses in HSVA in addition to the CTE opportunities available through e-Dynamic/Edmentum and at community colleges. We will offer courses through HSVA that offer more

support to the struggling student to help our CAASPP scores in English, math, and science specifically. We will offer military science and leadership courses through HSVA that will help students reach the two (2) year requirement for preparedness in that area. We will contract with Earn and Learn, an organization that facilitates internship opportunities and helps students achieve the capstone course portion of the CTE pathway, making full completion more likely. Additionally, we will continue to encourage concurrent enrollment with local community colleges and seek out opportunities to partner with local colleges to offer dual enrollment to ensure we can continue to create more opportunities for our students to meet the state college and career preparedness requirements. Lastly, we will establish a contact and relationship with the Department of Rehabilitation in order to support our students with disabilities. We will also offer college and career awareness support, services, and workshops to our students with disabilities.

## Actions

1	Increase number of course offerings in college and career indicators	From our graduation survey results we found that 65.5% of our graduates were not aware of our CTE program. Our dashboard shows that schoolwide 12.5% of our students are prepared on the college and career indicator. We will expand course offerings and analyze student data to find where a-g completion rates drop-off and expand course offerings. This action will increase and improve services for our unduplicated groups because it will add to a current	\$60,222	Y

		<p>program. The action will be implemented schoolwide; however, we believe our unduplicated student groups will benefit principally because these groups are less likely to have academic support at home and the offerings will support viable skills outside of schools. Our unduplicated students will have more opportunities for post-high school career opportunities. These are the best use of funds because our data demonstrates that these students need additional support due to school closures and the pandemic there is an increase in student learning loss which we hope to mitigate with this action. Expenditures associated with this action include: For example, we will add CTE course offerings to our High School Virtual Academy. We will also add more A-G course offerings for students to be able to make progress towards A-G Completion.</p>		
<p>2</p>	<p>Provide College Readiness Assessments and Preparatory Workshops</p>	<p>Our CCI Indicator shows that 0% of our students scored at the prepared level through the AP pathway. To improve on the CCI indicator we will increase the number of students participating on ACT, PSAT, SAT, and AP end of course exams. Although this is a schoolwide action, we will focus our resources and staff towards our unduplicated students and students with disabilities to provide them with more opportunities, workshops, and resources to prepare for college readiness.</p> <p>For example, we will offer preparatory workshops for college readiness assessments such as the PSAT, SAT, and ACT. We will support students with disabilities by offering additional college and career awareness classes and workshops. <p>3</p>	<p>Partnership with Earn and Learn Organization and additional secondary support programs</p>	<p>Our Dashboard shows schoolwide that our students are 12.5% prepared in CCI. To increase college and career readiness, we will partner with Earn and Learn, an organization that facilitates internship opportunities. This will increase and improve services for our priority groups because it will provide an additional avenue other than a university, college, or community college to gain career exploration. An example is that Earn and Learn will provide resources to support and deepen career pathways for learners including contacts to industry, tools to organize work-based learning, and a collaborative community of peers.</p>	<p>\$2,934</p>	<p>Y</p>

		We will also be working to develop a contact and relationship with the Department of Rehabilitation to support students with disabilities.		
4	Individualized Graduation Plan	<p>Our Graduation Rate on the 2020 California Dashboard is at 89.5%, although we maintained our graduation rate from the previous year, we did have a performance score of Orange. To improve our graduation rate and performance score we have set procedures to revamp our Individualized Graduation Plan to raise awareness among our teachers so that they understand the actions that make our students classified as CCI prepared. They will be asked to choose a path that culminates in each student qualifying as prepared in a way best suited to their individual needs. We are also setting up free advisory classes, submitted to the College Board for AG credit and led by the counselor. This will assist students/families in making choices that will benefit themselves and our dashboard. We have several strategies that are foundational for the training/support offered above. This is offering more so that CCI preparedness offerings are more readily available</p> <p>Students with disabilities will have a High School Counselor, Home School Teacher, Special Education Teacher, and parent present at their IEP to assist in developing their course of study in conjunction with their independent transition plan.</p>	\$0	N

# Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students [2021-22]

Percentage to Increase or Improve Services	Increased Apportionment based on the Enrollment of Foster Youth, English Learners, and Low-Income students
6.94%	\$48,992

## Required Descriptions

For each action being provided to an entire school, or across the entire school district or county office of education (COE), an explanation of (1) how the needs of foster youth, English learners, and low-income students were considered first, and (2) how these actions are effective in meeting the goals for these students.

- ✓ **Goal 1: Action 1 Professional Learning related to student learning needs, particularly for English Learners, foster youth, students who qualify for free or reduced lunch.** We will provide professional learning for families and staff focused on instructional strategies as well as the importance and impacts of state testing. We are aware that certain student groups such as English Learners, foster youth, and students who qualify for free or reduced lunch are in most need of academic support. For example, we will meet with families to provide learning resources and strategies. We will also meet once a month as a Professional Learning Community as an entire staff and additionally as a smaller group to focus on professional learning.
- ✓ **Goal 1: Action 2 Professional Learning related to student learning needs, particularly for Students with Disabilities.** We will provide professional learning for families and staff focused on instructional strategies as well as the importance and impacts of state testing. We are aware that certain groups such as our Students with Disabilities are in most need of academic support. For example, we will meet with families to provide learning resources and strategies. We will also meet once a month as a Professional Learning Community as an entire staff and additionally as a smaller group to focus on professional learning.
- ✓ **Goal 1: Action 3 Implement and assess formative and interim assessments.** Our dashboard shows that schoolwide our students are 31.7 points below standard for ELA and 87.9 points below standard for Math. We will implement assessments regularly to help us determine whether and to what degree students are making progress toward expected learning outcomes. We will focus on programs for students who are not demonstrating proficiency in ELA and Math from prior CAASPP and STAR 360. This action will improve services for our unduplicated groups and students with disabilities because it will add to our current program. This action will be implemented schoolwide; however, we believe our unduplicated student groups will benefit principally because these groups are less likely to have academic support at home. These are the best use of funds because our data demonstrates that these students need additional support which, as a school we will be able to closely monitor with a data driven model to focus target instruction to mitigate a potential increase in student learning loss. This action aligns with Clarksville's Special Education Plan Element 3c. Expenditures associated with this action include: Purchase of assessment(s) that is aligned with California State Standards in mathematics and English Language arts to monitor the progress of students who typically need the most academic support including special education and homeless subgroups.
- ✓ **Goal 1: Action 4 Increase the number of live or synchronous classes/ workshops for Elementary level grades.** Our dashboard shows that schoolwide our students are 31.7 points below standard for ELA and 87.9 points below standard for Math. We are creating and implementing a TK-6 academic online program with instruction from our teachers. This program will consist of online/synchronous

classes and rotating workshops focusing on standards-based mathematics and language arts foundational concepts. We will target students who are working towards proficiency in ELA and Math from prior CAASPP and STAR 360 testing data. This program will increase and improve services for our unduplicated groups and is in addition to our current program offerings. It will be implemented schoolwide, however, our unduplicated student groups will benefit principally, as students in these groups are more likely to need additional academic support. These are the best use of funds because our data demonstrates that these students need additional support which can be provided by our credentialed teaching staff who can model and closely monitor student understanding.

Expenditures associated with this action include: Hiring of staff to implement new program, purchase of curriculum, collaboration with intervention, EL, and Special Education staff for broad focus of support for unduplicated students

- ✓ **Goal 1: Action 5 Purchase additional technology.** We will provide mobile internet connectivity and technology for student use for connectivity at home. The goal is schoolwide and is important because most of our resources and curriculum are offered online. An example is to provide a standards-based online curriculum for our unduplicated students. Another example is providing hotspots to ensure that our unduplicated students can attend our live or synchronous classes for academic and social emotional well-being. Schoolwide, however, we know priority groups will benefit due to financial restraints of these students.
- ✓ **Goal 1: Action 6 Hire and maintain certificated staff to provide online/synchronous instruction, programs, and support.** Our dashboard shows that schoolwide our students are 31.7 points below standard for ELA and 87.9 points below standard for Math. We will hire certificated staff to expand our middle school direct instruction courses for English Language Arts and Math. Additionally, we will hire and maintain certificated staff to create online/synchronous instruction support programs for students who are not demonstrating proficiency in ELA and Math from prior CAASPP and STAR 360. This action will increase and improve services for our unduplicated groups because it will add to a current program. This action will be implemented schoolwide; however, we believe our unduplicated student groups will benefit principally because these groups are less likely to have academic support at home. These are the best use of funds because our data demonstrates that these students need additional support due to school closures and the pandemic there is an increase in student learning loss which we hope to mitigate with this action.
- ✓ **Goal 1: Action 7 Purchase of resources to support Multi-Tiered System of Support (MTSS), Student Study Team (SST), & Section 504 access, process, and compliance.** We will purchase digital and paper resources, software, and workshops to assist staff, teachers and families with student services and the processes within the department. We are aware that student services have certain documents, processes and needs associated with compliance. The purchase of these will help in streamlining the process for our schools. An example of an expenditure is for our Student Study Team and Section 504 processes, Beyond SST will promote a digital manner for making referrals, scheduling and holding meetings, creating Intervention and 504 plans as well as tracking data. Unduplicated students will benefit from the purchase of resources as some families have requested to remain off of technology, therefore the ability to purchase printed materials will accommodate and support their educational requests. This will also support child find and create a continuum of supports and services for students.
- ✓ **Goal 2: Action 1 Fund support staff for unduplicated student support.** We will fund foster/homeless youth and family liaison positions to address specific needs of unduplicated and students with disabilities including augmented communication with families to receive information and support in the appropriate language. For example, we will utilize our foster/homeless youth liaison position to partner with families to assist in meeting the educational, social, and emotional needs of students. We will also hire family liaisons who also speak another language besides English, to support our non-English speaking populations.
- ✓ **Goal 2: Action 2 Hire and maintain certificated staff to provide online/ synchronous instruction, programs, and support for our English Learners.** Our reclassification results for 2019-20 show 2.7% our English Learners reclassified. To address this area of need to improve and increase our academic support for English learners including those with disabilities, we will refine and improve

our English language development curriculum and instructional delivery. Expenditures related to this action are the hiring of additional certificated staff and programs.

- ✓ **Goal 2: Action 3 Fund School Counselor/SST Coordinator.** We will fund the School Counselor/SST coordinator. This position will oversee and provide social-emotional and counseling services, supports and referrals. The Coordinator will work to hold virtual SST meetings. The Counselor/SST Coordinator will offer group sessions/1:1, check in with students, lead SST meetings with a whole child perspective with Social Emotional Learning, academic, suicide risk assessment, students in crisis, dedicated time with unduplicated, collecting community-based resources for families. Although this is a schoolwide support, the position will focus on our priority group students in need of academic intervention which includes foster youth, low SED backgrounds, special education, and English learners. This position will provide support to students clinically and educationally. For example, counselors will address social and emotional needs of students through a variety of ways including workshops, whole group practices, small group interventions, and individualized learning activities. Another example is that our counselor will provide ongoing training and support to charter staff.
- ✓ **Goal 2: Action 4 Fund positions for monitoring student achievement data.** Our Calpads report shows our high school dropout rate for 2019-20 school year is 5.45%, in order to decrease our dropout rate, we will hire personnel's for students, focusing on priority group students such as EL, FY, or SED background, who did not re-enroll with the following school year, as well as those that leave during the school year to decrease the dropout rates in middle and high school. This will improve and increase services with a dedicated staff member to collaborate with families, High School Counselors and the High School Department to assist our priority groups and schoolwide students. Our priority group students will benefit from this position as it will partner with our translators to assist, if needed also. For example, we will hire a position to monitor and review student achievement data focusing on priority group students including students with disabilities, monitor the California Dashboard, and work with the high school counselors in monitoring at-risk students.
- ✓ **Goal 3: Action 1 Increase number of course offerings in college and career indicators.** We will expand course offerings and analyze student data to find where a-g completion rates drop-off and expand course offerings. For example, we will add CTE course offerings to our High School Virtual Academy. We will also add more A-G course offerings for students to be able to make progress toward A-G Completion. Another example is utilizing staff to provide additional communication and target high school students and families.
- ✓ **Goal 3: Action 2 Provide College Readiness Assessments and Preparatory Workshops.** Our CCI Indicator shows that 0% of our students scored at the prepared level through the AP pathway. To improve on the CCI indicator we will increase the number of students participating on ACT, PSAT, SAT, and AP end of course exams. Although this is a schoolwide action, we will focus our resources and staff towards our unduplicated students and students with disabilities to provide them with more opportunities, workshops, and resources to prepare for college readiness. For example, we will offer preparatory workshops for college readiness assessments such as the PSAT, SAT, and ACT. We will support students with disabilities by offering additional college and career awareness classes and workshops. Another example is that we will rent facilities where students can participate in these assessments
- ✓ **Goal 3: Action 3 Partnership with Earn and Learn Organization and additional secondary support programs.** Our Dashboard shows schoolwide that our students are 12.5% prepared in CCI. To increase college and career readiness, we will partner with Earn and Learn, an organization that facilitates internship opportunities. This will increase and improve services for our priority groups because it will provide an additional avenue other than a university, college, or community college to gain career exploration. An example is that Earn and Learn will provide resources to support and deepen career pathways for learners including contacts to industry, tools to organize work-based learning, and a collaborative community of peers. We will also be working to develop a contact and relationship with the Department of Rehabilitation to support students with disabilities.

A description of how services for foster youth, English learners, and low-income students are being increased or improved by the percentage required.

CCS understands the importance of equity vs. equality and how our unduplicated students require the additional support in reaching their educational goals for all our created schoolwide actions in the coming years. Our school has approximately 32.4% of our students who qualify as either foster youth, English learners, or low-income, for which we receive \$705,940 known as supplemental concentration funds as pursuant to 5 CCR 15496(a)(5). To provide the additional needed support we are increasing or improving services for our unduplicated students (Foster Youth, English Learners, and Low-Income Students) by 6.94% which is approximately \$48,992. We have planned in our LCAP as action items to specifically use these additional funds for Professional Learning, additional technology, and funds for additional staff which will help support our unduplicated student group where needed. The LCAP actions were created with the feedback from our stakeholders, parents, students, and staff ensuring we can identify the area where the additional support is required. We want to pursue being able to address and close the achievement gaps amongst all our student groups while prioritizing our unduplicated students.

School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

**Related Material:** Clarksville Revised Nonprofit Conflict of Interest Policy.pdf

**BACKGROUND:**

This is a copy of the current Conflict of Interest Policy. No changes are expected for 2021-22. Governing Board members will sign new Conflict of Interest Code in July 2021.

Points of discussion:

- Gained material interest
- Influence as a board member

**REVISED NONPROFIT CONFLICT OF INTEREST POLICY  
OF  
CLARKSVILLE CHARTER SCHOOL**

**Article I  
Purpose**

**Section 1.1. This Revised Nonprofit Conflict of Interest Policy** (this “Policy”) has been adopted and approved by the Board of Directors of Clarksville Charter School (the “Corporation”) for the purposes of (1) protecting the Corporation’s interest when it is contemplating entering into a transaction or arrangement that might benefit the private interest of an Interested Person (as defined hereinafter) or might result in a possible excess benefit transaction; and (2) establishing policies and procedures to be adhered to and implemented by the Corporation whenever it is contemplating entering into such transactions or arrangements, and whenever determining appropriate levels of compensation, direct and indirect, including benefits and perquisites for any Interested Person. The Corporation and each director, officer, member of a committee with Board-delegated powers, and key employee intends to comply with this Policy in such a manner so as to avoid any “excess benefit transaction” that would be subject to intermediate sanctions and excise taxes under section 4958 of the Internal Revenue Code of 1986, as amended (the “Code”). This Policy also is intended to supplement, but not replace, any applicable federal or state laws governing conflicts of interest applicable to nonprofit and charitable corporations, and the Corporation shall comply with the requirements of each such federal or state law in addition to the requirements of this Policy.

**Section 1.2.** The Corporation is a nonprofit corporation duly organized and existing under the laws of the state of California, which shall apply for a determination by the Internal Revenue Service that the Corporation is exempt from income tax under section 501(c)(3) of the Code, and as such is organized and operated exclusively for charitable, educational, and scientific purposes, not for pecuniary profit, and no part of the net earnings of the Corporation shall inure to the benefit of any person or non-exempt entity.

**Article II  
Definitions**

**Section 2.1. Interested Person**

Any director, officer, member of a committee with Board-delegated powers, or key employee, as defined below, who has a direct or indirect financial interest, as defined below, is an interested person (“Interested Person”).

**Section 2.2. Financial Interest**

A person has a “financial interest” if the person has, directly or indirectly, through business, investment or family, any of the following:

- a. an ownership or investment interest in any entity with which the Corporation has a transaction or arrangement, or
- b. a compensation arrangement with the Corporation or with any entity or individual with which the Corporation has a transaction or arrangement, or

- c. a potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which the Corporation is negotiating a transaction or arrangement.

“Compensation” includes direct and indirect remuneration, as well as gifts or favors that are not insubstantial, benefits, perquisites, reimbursements for personal expenses, or entitlements relating to personal uses of property or service rights of the Corporation.

A financial interest is not necessarily a conflict of interest. Under Section 3.2, a person who has a financial interest may have a conflict of interest only if the appropriate governing board or committee decides that a conflict of interest exists.

### **Section 2.3. Key Employee**

A person is a “key employee” if he or she meets the three tests set forth for that term in the Glossary to the Instructions to Form 990 Return of Organization Exempt from Income Tax. Those tests generally provide that a key employee is an employee who has (i) reportable compensation from the Corporation and all related organizations, for the calendar year, in excess of \$150,000; (ii) responsibilities similar to officers and directors or manages a discrete segment of the Corporation that represents at least 10% of its activities, assets, income, expenses, or capital budget; and (iii) is one of the 20 employees with the highest reportable compensation from the organization and related organizations for the calendar year.

## **Article III Conflict Procedures**

### **Section 3.1. Duty to Disclose**

In connection with any actual or possible conflict of interest, an Interested Person must disclose the existence of his or her financial interest and all material facts to the Board of Directors of the Corporation (the “Board”) or to any special committees with Board-delegated powers (e.g., conflicts or compensation committees) considering the proposed transaction or arrangement.

### **Section 3.2. Determining Whether a Conflict of Interest Exists**

After disclosure of the financial interest and all material facts, and after any discussion with the Interested Person, he/she shall excuse himself/herself from the Board or committee meeting while the determination of whether a conflict of interest exists is discussed and voted upon. The remaining Board or committee members shall determine whether a conflict of interest exists.

### **Section 3.3. Procedures for Addressing the Conflict of Interest**

- a. An Interested Person may make a presentation at the Board or committee meeting, but after such presentation, he/she shall leave the meeting during the discussion of, and the vote on, the transaction or arrangement that results in the possible conflict of interest.

- b. The Board or the committee shall undertake, or appoint a disinterested person or committee to undertake, an appropriate due diligence investigation, including an

analysis of all material facts related to the possible conflict of interest, collection of data on comparable arrangements or transactions, and the development and investigation of alternatives to the proposed transaction or arrangement.

c. After exercising due diligence, the Board or committee shall determine whether the Corporation can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.

d. If a more advantageous transaction or arrangement is not reasonably attainable under circumstances that would not give rise to a conflict of interest, the Board or committee shall determine by a majority vote of the disinterested directors whether the transaction or arrangement is in the Corporation's best interest and for its own benefit and charitable, educational, and scientific purposes and whether the transaction is fair and reasonable to the Corporation, and shall make its decision as to whether to enter into the transaction or arrangement in conformity with such determinations.

e. Compliance with California Corporations Code section 5233 regarding self-dealing transactions in applicable circumstances shall constitute compliance with the requirements of this policy.

#### **Section 3.4. Violations of the Conflict of Interest Policy**

a. If the Board or committee has reasonable cause to believe that a director, officer, or key employee has failed to disclose an actual or possible conflict of interest, it shall inform such person of the basis for such belief and afford such person an opportunity to explain the alleged failure to disclose.

b. After hearing the response of such person and making such further investigation as may be warranted under the circumstances, if the Board or committee determines that the director, officer, or key employee is an Interested Person and has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action. Prompt corrective action must be required in order to avoid the second-tier penalty tax under section 4958 of the Code and other additional liability and must include full restitution to the Corporation.

### **Article IV Records of Proceedings**

**Section 4.1.** The minutes of the Board and any special committee with Board-delegated powers shall contain the following:

a. The names of the persons who disclosed or otherwise were found to have a financial interest in connection with an actual or possible conflict of interest, the nature of the financial interest, any action taken to determine whether a conflict of interest was present, and the decision of the Board or committee as to whether a conflict of interest exists.

b. The names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection therewith.

## **Article V Compensation Procedures**

**Section 5.1.** No Interested Person shall vote on any matter relating to his or her compensation, irrespective of whether said compensation is received directly or indirectly from the Corporation. No Interested Person, however, is prohibited from providing information to the Board or a committee regarding compensation, including factual data on comparable compensation for comparable services or the reasonableness of the proposed compensation.

**Section 5.2.** The Corporation shall endeavor to ensure that all compensation arrangements affecting Interested Persons are objectively reasonable, based on the relevant market for persons of comparable skills, training, education and experience and performing similar duties for comparable organizations under similar conditions and circumstances. The Corporation shall consider and give due weight to studies published by third parties regarding rates of compensation whenever and, to the extent that, such studies are reliable, comparable and available.

## **Article VI Annual Statements**

**Section 6.1.** Each director, officer, member of a committee with Board-delegated powers, and key employee shall annually sign a statement which affirms that such person:

- a. has received a copy of this Policy of the Corporation,
- b. has read and understands this Policy,
- c. has agreed to comply with this Policy, and
- d. understands that the Corporation is a charitable organization and that in order to maintain its federal tax exemption, it must engage primarily in activities which accomplish one or more of its stated charitable, educational, and scientific purposes and do not result in private inurement or unreasonable or excessive economic benefit to private individuals or entities.

## **Article VII Periodic Reviews**

**Section 7.1.** To ensure that the Corporation operates in a manner consistent with its charitable, educational, and scientific purposes and that it does not engage in activities that could jeopardize its status as an organization exempt from federal income tax, the Corporation shall conduct periodic reviews of its compensation arrangements and any other transactions or arrangements that may provide a financial interest to any Interested Person. The periodic reviews shall, at a minimum, include the following subjects:

- a. Whether compensation arrangements are reasonable, based on competent survey information, and the result of arms-length bargaining,
- b. Whether transactions of the Corporation result in private inurement or impermissible private benefit,

c. Whether transactions and arrangements with third parties conform to written policies, including this Policy, are properly recorded, reflect reasonable payments for goods and services, further the Corporation's charitable, educational, and scientific purposes, and do not result in private inurement, impermissible private benefit or in an excess benefit transaction, and

d. Whether the Corporation's expense reimbursement procedures are adequate in terms of required documentation, whether persons seeking reimbursement are complying with these procedures, and whether such expenses relate to furthering the Corporation's charitable, educational, and scientific purposes and do not result in private inurement or impermissible private benefit.

### **Article VIII Use of Outside Experts**

**Section 8.1.** In determining whether a conflict of interest exists, determining compensation or conducting the periodic reviews required by this Policy, the Corporation may, but need not, use outside advisors and consultants. If outside experts are used, their use shall be documented, but shall not relieve the Board of its responsibility for ensuring that periodic reviews are conducted in accordance with this Policy.

### **Article IX California Government Code section 1090**

**Section 9.1.** To the extent required by law, the Corporation shall comply with Article 4 (commencing with section 1090) of Chapter 1 of Division 4 of Title 1 of the California Government Code as applicable and with regard to its charter school operations.

### **Article X**
