Enrollment

Enrollment, and attendance in some cases, is the main driver of school revenue. Good financial oversight must start with understanding enrollment.

Do these changes match your expectations and other discussions about school operations?

Are enrolled students attending on a regular basis?

How does the actual enrollment compare to the budget?

What direction is enrollment trending?

Enrollment & Per Pupil Data			
	<u>Avg-YTD</u>	<u>Forecast</u>	<u>Budget</u>
Average Enrollment	1349	1540	1540
Attendance Rate	91.7%	95.0%	95.0%

Expenses per Student		\$12,118	\$12,162

Is the forecast updated to match the current enrollment?

Revenue

Maintaining a balanced budget means starting with the funds you have, **THEN** allocating them to meet needs.

Is it possible to estimate revenue more accurately in the future?

How does the year-to-date revenue compare to the year end forecast?

How does the change in forecasted revenue compare to the changes in enrollment?

Do delays in funding require more collection activities?

Are particular revenue sources changing from the budget?

Expenses

Properly allocating spending requires understanding the difference between “wants” and “needs” and adjusting based on available resources.

Does the school spending mirror it's priorities?

Are there any significant changes from the budget?

If the school sold all of its assets, collected its receivables and paid off all of its liabilities, the Fund Balance is what would be left over.

Are there significant timing
differences between when
expenses are incurred and
revenue received?

Are there minimum
“reserves” required by the
authorizer or state?

Cash Flow Forecast

There are often significant difference between the time that revenue is received, and bills need to be paid. In addition to maintaining a balanced budget, the school should monitor its expected cash balances throughout the year.

Should the Board set a minimum cash reserve to prepare for the unknown?

Are there any cash shortfalls during the year?

*Will any loans be needed ?
(And what options does the school have?)*

Is the actual cash balance consistent with the budget?

For complaints relating to the LCAP, the date of the alleged violation is the date on which the Charter School Board of Directors approved the LCAP or the annual update was adopted by Charter School.

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and date stamp.

Complaints filed pursuant to this Policy must be in writing and signed. A signature may be handwritten, typed (including in an email) or electronically generated. Only complaints regarding pupil fees or LCAP compliance may be filed anonymously as set forth in this Policy. If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, Charter School staff shall assist the complainant in the filing of the complaint.

- **Step 2: Mediation**

Within three (3) business days of receiving the complaint, the compliance officer may informally discuss with the complainant the possibility of using mediation. If the complainant agrees to mediation, the compliance officer shall make arrangements for this process.

Before initiating the mediation of an unlawful discrimination, harassment, intimidation or bullying complaint, the compliance officer shall ensure that all parties agree to make the mediator a party to related confidential information.

If the mediation process does not resolve the complaint to the satisfaction of the complainant, the compliance officer shall proceed with the investigation of the complaint.

The use of mediation shall not extend Charter School's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time.

- **Step 3: Investigation of Complaint**

The compliance officer is encouraged to hold an investigative meeting within five (5) business days of receiving the complaint or an unsuccessful attempt to mediate the complaint. This meeting shall provide an opportunity for the complainant and/or the complainant's representative to repeat the complaint orally.

The complainant and/or the complainant's representative shall have an opportunity to present evidence or information leading to evidence to support the allegations in the complaint.

A complainant's refusal to provide the compliance officer with documents or other evidence related to the allegations in the complaint, or a complainant's failure or refusal to cooperate in the investigation or the complainant's engagement in any other obstruction of the investigation, may result in the dismissal of the complaint because of a lack of evidence to support the allegation.

Charter School's refusal to provide the compliance officer with access to records and/or other information related to the allegation in the complaint, or its failure or refusal to cooperate in the investigation or its engagement in any other obstruction of the investigation, may result in a finding, based on evidence collected, that a violation has occurred and may result in the imposition of a remedy in favor of the complainant.

• **Step 4: Final Written Decision**

Charter School shall issue an investigation report (the “Decision”) based on the evidence. Charter School’s Decision shall be in writing and sent to the complainant within sixty (60) calendar days of Charter School’s receipt unless the timeframe is extended with the written agreement of the complainant. Charter School’s Decision shall be written in English and in the language of the complainant whenever feasible or as required by law.

The Decision shall include:

1. The findings of fact based on evidence gathered.
2. The conclusion providing a clear determination for each allegation as to whether Charter School is in compliance with the relevant law.
3. Corrective actions, if Charter School finds merit in the complaint and any are warranted or required by law.
4. Notice of the complainant’s right to appeal Charter School’s Decision within thirty (30) calendar days to the CDE, except when Charter School has used its UCP to address complaints that are not subject to the UCP requirements.
5. Procedures to be followed for initiating such an appeal.

If an employee is disciplined as a result of the complaint, the Decision shall simply state that effective action was taken and that the employee was informed of Charter School’s expectations. The Decision shall not give any further information as to the nature of the disciplinary action except as required by applicable law.

Appeals to the CDE

If dissatisfied with the Decision, the complainant may appeal in writing to the CDE within thirty (30) calendar days of receiving the Decision. The appeal shall be accompanied by a copy of the complaint filed with Charter School and a copy of the Decision. When appealing to the CDE, the complainant must specify and explain the basis for the appeal, including at least one of the following:

1. Charter School failed to follow its complaint procedures.
2. Relative to the allegations of the complaint, Charter School’s Decision lacks material findings of fact necessary to reach a conclusion of law.
3. The material findings of fact in Charter School’s Decision are not supported by substantial evidence.
4. The legal conclusion in Charter School’s Decision is inconsistent with the law.

5. In a case in which Charter School's Decision found noncompliance, the corrective actions fail to provide a proper remedy.

Upon notification by the CDE that the complainant has appealed the Decision, the Executive Director or designee shall forward the following documents to the CDE within ten (10) calendar days of the date of notification:

1. A copy of the original complaint.
2. A copy of the Decision.
3. A copy of the investigation file, including but not limited to all notes, interviews, and documents submitted by the parties or gathered by the investigator.
4. A report of any action taken to resolve the complaint.
5. A copy of Charter School's complaint procedures.
6. Other relevant information requested by the CDE.

If the CDE determines the appeal raises issues not contained in the local complaint, the CDE will refer those new issues back to Charter School for resolution as a new complaint. If the CDE notifies Charter School that its Decision failed to address an allegation raised by the complaint and subject to the UCP process, Charter School will investigate and address such allegation(s) in accordance with the UCP requirements and provide the CDE and the appellant with an amended Decision addressing such allegation(s) within twenty (20) calendar days of the CDE's notification. The amended Decision will inform the appellant of the right to separately appeal the amended Decision with respect to the complaint allegation(s) not addressed in the original Decision.

Within thirty (30) calendar days of the date of the CDE's appeal Decision pursuant to 5 C.C.R. section 4633(f)(2) or (3), either party may request reconsideration by the State Superintendent of Public Instruction ("SSPI") or the SSPI's designee. The request for reconsideration shall specify and explain the reason(s) for contesting the findings of fact, conclusions of law, or corrective actions in the CDE's appeal Decision. The SSPI will not consider any information not previously submitted to the CDE by a party during the appeal unless such information was unknown to the party at the time of the appeal and, with due diligence, could not have become known to the party. Pending the SSPI's response to a request for reconsideration, the CDE appeal Decision remains in effect and enforceable, unless stayed by a court.

The CDE may directly intervene in the complaint without waiting for action by Charter School when one of the conditions listed in 5 C.C.R. section 4650 exists, including but not limited to cases in which through no fault of the complainant, Charter School has not taken action within sixty (60) calendar days of the date the complaint was filed with Charter School.

Civil Law Remedies

A complainant may pursue available civil law remedies outside of Charter School's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For unlawful discrimination complaints arising under state law, however, a complainant must wait until sixty (60) calendar days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if Charter School has appropriately, and in a timely manner, apprised the complainant of their right to file a complaint.

Admissions & Enrollment Policy (p. 36-40)

Section: III. Operations
Item: C. Admissions & Enrollment Policy (p. 36-40)
Purpose: Vote
Submitted by:
Related Material: Admissions and Enrollment Policy_CV_01.17.21.pdf

BACKGROUND:

This policy is to expand and replace the school's current Public Random Drawing/Lottery Policy and serves as a technical amendment to Element 8 of the School's charter petition effective for the 2020-21 school year.

Admissions & Enrollment Policy

Clarksville Charter School (“School”) is committed to providing quality education to all students who wish to attend in accordance with applicable law. Based on available resources, it may be necessary to limit admissions, and in that event a Public Random Drawing/Lottery will be held to determine admission.

The School will implement this policy in compliance with Education Code section 220. In addition, enrollment preferences will not limit enrollment access for pupils with disabilities, academically low-achieving pupils, English learners, neglected or delinquent pupils, homeless pupils, or pupils who are economically disadvantaged, as determined by eligibility for any free or reduced-price meal program, foster youth, or pupils based on nationality, race, ethnicity, or sexual orientation.

The purpose of Clarksville Charter School Governing Board approving the Admissions and Enrollment Policy is to accomplish the following:

1. Establish the procedures for admissions and enrollment in Clarksville Charter School (“School”) in accordance with School’s charter petition and applicable law.
2. Establish the procedures under which Clarksville Charter School (“School”) will conduct the School’s public random drawing/lottery in the event that applications for enrollment exceed the School’s capacity.

Application and Enrollment: The School is a nonclassroom-based charter school that operates solely as an independent study program. Admission to the School is open to any student who resides within the boundaries of El Dorado County or an adjacent county. The School will accept all students who wish to attend, so long as it has the capacity to serve them in accordance with Education Code section 47605(e).

1. **Determining Capacity:** The School’s Board or Executive Director will annually determine the maximum enrollment by “grade level” (by specific grade level or encompassing all grade levels served) for each school year based on, among other factors, the annual budget, staffing, applicable legal requirements, and available resources prior to the start of the Open Enrollment Period. The Executive Director may update the School’s capacity throughout the year as needed to meet the needs of the School.
2. **Open Enrollment Period and Application Deadline:** The Board or Executive Director will set an Open Enrollment Period each year. Applications will be accepted during the publicly advertised Open Enrollment Period each year for enrollment for the following school year.

Current Families Required to Confirm Intent to Return: Families with currently enrolled students must submit a form/application to confirm their intent to return to the school next year and/or continue with their current teacher by the end of the Open Enrollment Period to remain enrolled in the School for the following school year. If an enrolled student fails to provide this

form/application, they will not have guaranteed admission for the following school year as a currently enrolled student. This means the student loses their spot and will have to submit another application if they are interested in enrolling in the School for the following school year.

3. Determine if Lottery is Needed: Following the close of the Open Enrollment Period, applications shall be counted to determine whether the School has received more applications than enrollment capacity.
 - If there are more spots available than applicants, the School will not conduct a lottery. The School will enroll all applicants and inform them they are enrolled.
 - If the number of pupils who wish to attend the School exceeds the School's capacity, enrollment in the impacted grade level (or all grade levels) will be determined by a Lottery conducted in accordance with the procedures set forth in this Policy and applicable law. Admission preferences will only be extended consistent with this Policy, the School's charter, and applicable law.

Lottery Procedures: If a Lottery is necessary, the School will conduct a Lottery during the spring semester before the academic year for which enrollment is sought following these procedures:

1. Enrolling Current Students: The following students are exempt from the Lottery and are guaranteed enrollment in the School: (1) students currently enrolled in the School at the close of the Open Enrollment period¹; and (2) students residing within Buckeye Union School District ("District").

Admission preferences in the case of a public random drawing shall be given to students in the following order:

1. Siblings of students admitted to or attending the School ²;
2. Students who are the children of teachers and staff of the School

2. Notice about Lottery

Public notice of the Open Enrollment Period and public random drawing rules, deadlines, dates and times will be communicated in the enrollment applications and on the School's website. Public notice for the date and time of the public random drawing will also be posted once the application deadline has passed. The School will inform parents/guardians of all applicants and all interested parties of the rules to be followed during the public random drawing process via mail or email at least two weeks prior to the lottery date. The School will provide sufficient notice to applicants if the School finds it necessary to change the Lottery date.

3. Lottery Preferences

¹ For the 2021-22 school year, students "currently enrolled in the School" include students who were served by a teacher employed by Clarksville Charter School during the 2020-21 school year or employed by the School as of 2021-22 school year. Students who are enrolled in the network of schools and who move during the course of an academic year into El Dorado County or an adjacent county and wish to attend CCS, shall be deemed "existing students."

²"Sibling" is defined as an applicant (1) who has at least one biological or adoptive parent in common with an admitted pupil; or (2) who has been legally adopted by or placed under the legal guardianship of at least one biological or adoptive parent of an admitted pupil. Step-siblings are only considered siblings if they reside at the same address as the admitted pupil.

There is no weighted priority assigned to most preference categories; rather, students will be drawn from pools beginning with all applicants who qualify for the first preference category, and shall continue with that preference category until all vacancies have been filled. If there are more students in a preference category than there are spaces available, a random drawing will be held from within that preference category until all available spaces are filled. If all students from the preference category have been selected and there are remaining spaces available, students from the second preference category will be drawn in the lottery, and the drawing shall continue until all spaces are filled and preference categories are exhausted in the order provided above.

4. Lottery Procedures

Randomly Drawing Applicants: Admission spaces are pulled by the designated lottery official (appointed by the Executive Director). Unique identifiers will be assigned to each applicant. The conduct of the Lottery will be open to the public and families are encouraged, but not required, to attend.

Creation of Lottery Waitlist: Once the enrollment cap has been reached, all students who were not granted admission due to capacity shall be given the option to put their name on a waitlist according to their draw in the lottery. This waitlist will allow students the option of enrollment in the case of an opening during the current school year. In no circumstance will a waitlist carry over to the following school year.

Supporting Siblings: The Board recognizes that schools that serve families are more effective because of the enhanced ability for parents and children to align around a single, unified set of learning and behavioral objectives. If multiple children from the same family apply, the family will be assigned one number total, to ensure equity with other applicants. If the family number is pulled, all siblings will be admitted in furtherance of the School's mission to effectively serve families.

5. Notifying Applicants After Lottery

The School will notify applicants who were successfully drawn from the Lottery to offer admission.

Following the Lottery, students who are offered admission at the School at the time of the Lottery will have 10 calendar days, or another deadline as may be set by the Executive Director, to complete the registration process. If the Executive Director establishes a different deadline, this deadline will be communicated to families when admission is offered after the Lottery. If a student fails to timely complete the registration process, the spot will be filled from the waitlists and student will be presumed to no longer have interest in enrolling with the School.

If a student is extended an offer of admission due to one of the preferences noted in this Policy and the School's charter, the School may request supporting documentation as part of the enrollment process. The School will conduct a verification of such documentation before finalizing the student's enrollment and may disqualify an applicant who submitted materially false information.

After the Lottery process, and once an offer has been accepted by the family, additional information may be requested as part of the registration process in accordance with applicable law. School shall not request a pupil's academic records or require the family to submit pupil's academic records before enrollment in accordance with Education Code section 47605(e).

Enrollment offers are valid only for the academic year for which the Lottery is conducted. There is no option to defer an offer of enrollment. Students accepting enrollment must generally

complete required independent study agreements within seven (7) days of the beginning of the school year, unless otherwise advised by the School.

Waitlist Management: If a spot becomes available because an accepted student declines enrollment or fails to timely complete the enrollment process, a student leaves the School after the start of the academic year, or as spots become available, the School may notify families on the waitlist in the order they appear on the waitlist.

Students drawn from a waitlist will have 10 calendar days, or another deadline as may be set by the Executive Director, to complete the registration process. Applicants must complete the registration process by the deadline given by the School to confirm enrollment. If a student is offered a spot in writing twice and does not respond or does not complete the application in full, the student shall be removed from the waitlist.

Students who are not offered a spot for the academic school year for which the Lottery was held may remain on the waitlist for that academic year unless the parent or guardian requests that the student be removed from the waitlist earlier.

If there is no waitlist and there is capacity during the school year, School shall admit applicants in accordance with the School's charter petition and applicable law. If School did not conduct a Lottery because spots were available but gets oversubscribed during the school year, School should create a waitlist and add students to the waitlist on a first come, first served basis.

School waitlists shall not carry over from one year to the next. Students who have not been admitted will be required to submit a new enrollment application for the next school year and are required to participate in the Lottery if space is limited.

This Policy serves as a technical amendment to Element 8 of the School's charter petition effective for the 2020-21 school year.
