Item: B. Approval to Continue to Meet Virtually
Purpose:
Submitted by:

BACKGROUND:

AB 361 provides that if a state of emergency remains in place, a local agency must make the following findings by majority vote every 30 days, in order to continue using the bill's exemption to the Brown Act teleconferencing rules:

(A) The legislative body has reconsidered the circumstances of the emergency; and

(B) Either of the following circumstances exists:

1. the state of emergency continues to directly impact the ability of board members to meet safely in person, or
2. State or local officials continue to impose or recommend social distancing measures.

Charter school boards are required to vote every 30 days to make the required findings regarding the continuing emergency and vote to continue using the law's exemptions.

RECOMMENDATION:

The School Board has met the finding that a state of emergency continues to directly impact the ability of the members to meet safely in person. Motion to continue the School Board meetings virtually pursuant to AB 361.

EXPENSE REIMBURSEMENT POLICY

The School's policy is to reimburse its employees for reasonable and necessary expenditures or losses incurred in direct consequence of the discharge of their duties. School employees will receive a stipend to cover expenses as categorized below to be paid over 10 months or begin the monthly rate in relation to employment start date.

- Full-time employees: $500 stipend each semester to cover costs related to the use of personal vehicles
- Part-time employees: $250 each semester to cover costs related to the use of personal vehicles
    - The School will pay the part-time employee the hourly rate for time incurred to and from scheduled events and activities

CATEGORY 2:

SPECIAL EDUCATION AND STUDENT SUPPORT

NURSE

VIRTUAL/OUT OF SERVICE AREA EMPLOYEES

- Not eligible for travel stipend
- With prior approval, the employee may complete the mileage reimbursement process when attending local meetings and events once they are in area of school service

CATEGORY 3:

FAMILY LIAISONS

- Full-time employee: $500 stipend each semester to cover costs related to the use of personal vehicles

PART-TIME FAMILY LIAISONS

- $250 each semester to cover costs related to the use of personal vehicles
    - The School will pay the part-time employee the hourly rate for time incurred to and from scheduled events and activities

TRAVEL STIPEND

The stipend is intended to reimburse those employees for vehicle-related expenses, driving related expenses, including, but not limited to wear and tear, fuel and personal auto insurance for travel required in direct consequence of the discharge of their job duties. The School will not be responsible for traffic or parking violations or car repair/maintenance.

If an employee believes the stipend amount is insufficient to cover their employment related travel expenses, the employee must provide the School with receipts and documentation showing that the employee has incurred expenses above their stipend amount within 30 days of incurring the mileage. Employees are responsible for maintaining an accounting of their mileage including locations traveled, reason(s) traveled and documentation of miles on a web-based map such as Google Maps. Employees who believe they will exceed the standard stipend should submit for pre- approval from the Executive Director or designee. The School may periodically request follow-up documentation to verify that the employee is incurring the expense.

The School will pay the per semester stipend in a prorated manner to be paid over 10 months or begin the monthly rate in relation to employment start date. If an employee's employment terminates before the end of any month, the stipend will be prorated to reflect the employee's dates of employment.

MILEAGE REIMBURSEMENT

If the School requires any other employee not receiving a travel stipend to drive their personal vehicles in the course and scope of their employment, the employee will be reimbursed for the reasonable and necessary expense of using their personal vehicle on behalf of the School. Such employees will receive a reimbursement payment from the School for mileage expenses incurred after submitting an expense reimbursement form as set forth below. For those employees that are assigned to a worksite, the employee will receive a reimbursement payment for mileage expenses incurred beyond the employee's normal commute to their assigned worksite.

Employees will be paid for mileage reimbursement at the per mile rate amount designated by the Federal Internal Revenue Service at the time the miles are driven on behalf of the School. Employees are required to accurately submit a report of miles driven on behalf of the School within 30 days of incurring the mileage.

If any employee believes that the mileage reimbursement that he or she receives from the School is insufficient to reimburse the employee for all reasonable expenses necessarily incurred by the employee in using his or her personal vehicle on behalf of the School, the employee must immediately report this expense issue to their Executive Director or designee for review and approval then submit to the Accounting Department. Employees will be required to submit documentation to support any request for additional mileage reimbursement.

HOTELS, MEALS, AND GRATUITY

The Executive Director or designee must pre-approve all out-of-town travel which requires overnight stays.

Hotels

Employees will be reimbursed for pre-approved overnight stays at hotels/motels when the approved event is more than 150 miles from either the employee's residence or the School site, or at the pre-approval of the Executive Director or designee. In the event travel cannot occur within the employees daily working hours, the employee may seek approval from the Executive Director or designee to request a hotel stay. For travel that requires overnight stays, the Charter will pay for the employee's hotel stay. The hotel stay must be approved through the Charter's Request and Approval process. The Executive Director or designee will secure the accommodations unless reimbursement has been approved. In general, accommodations will be $100 - $150 per night.

- Staff may stay at the rate of up to two-times the federal per diem rate with the Executive Director or designee's pre-approval
- Lodging in excess of double the per diem rate (excluding room tax and mandatory additional charges) must have the Executive Director or designee's advance approval
- If any employee exceeds the lodging allowance without prior approval, the Charter will only reimburse up to double the federal per diem rate

1. Gained prior Executive Director or designee's approval to attend a multi-day conference
    a. Meal reimbursement is not for single day conferences or meetings
    b. Meal reimbursement starts on the second day of the conference and is paid daily through the last day of the trip
2. Meal reimbursement cannot be claimed when the conference or airline provided a meal*

<u>Meal Allowance</u>

Meal reimbursements shall not exceed the allowed maximum rate listed in the reimbursement meal rates table listed herein. Meals for which there are no itemized receipts will not be reimbursed; there are no exceptions.

Items needed for Upload: Itemized receipts for meal reimbursements are required.

If the employee has special dietary needs due to medical conditions or food allergies, and meal accommodations are not provided by the hotel or conference, reimbursement may be submitted with an explanation.

MONTHLY STIPEND FOR PHONE AND UTILITIES EXPENSES

Employees who are required to use their personal cell phones and utilities to perform work on behalf of the School will be provided a stipend in the amount of $250 for full-time employees and $125 for part-time employees for the use of personal cell phones and utilities and an additional amount for taxes associated therewith. School employees will receive a stipend as categorized to be paid over 10 months or begin the monthly rate in relation to employment start date.

All employees will be provided with a school hot spot to be used for internet access to perform their job duties.

The School has established this monthly stipend based on its good faith belief that the stipend will more than fully reimburse employees for any reasonable and necessary expenses incurred in using their personal cell phones and utilities to perform work on behalf of the School. If any employee believes that the stipend that he or she receives from the School is insufficient to reimburse the employee for all reasonable expenses necessarily incurred by the employee in using his or her personal cell phone or utilities expenses on behalf of the School, the employee must immediately report this expense issue to the Executive Director or designee for review and approval then submit to the Accounting Department.

Employees will be required to submit documentation to support any request for additional reimbursement in excess of the monthly stipend. Employees that are eligible for this monthly stipend are required to submit a Request for Monthly Stipend form affirming that the employee uses their personal cell phone and utilities to perform work on behalf of the School and that the employee will immediately notify the School if the employee no longer incurs an expense related to the personal use of their cell phone and/or utilities in the discharge of their duties. The School reserves the right to request supporting documentation from employees at any time to support the employees request for the monthly stipend. Failure to provide such documentation as requested may delay or cease further payments of the monthly stipend to the employee.

**Please note that the School may establish varying stipend amounts for personal cell phones, internet expenses and utilities based on multiple factors such as workload, part-time or full-time status of the employee and other relevant factors

OTHER EXPENSES

With the exception of those certain employees who are required to use their personal vehicles, cell phones, internet access and utilities during the course and scope of their employment for the School, it is the School's policy to provide its employees with all necessary equipment to perform their duties on behalf of the School including laptops. The School does not require employees to

purchase any additional equipment in order to perform work for the School. If any employee believes that additional equipment is reasonable and necessary to perform his or her duties on behalf of the School, the employee must immediately notify the Executive Director or designee.

Office Supplies

The purchase of printer ink, paper, miscellaneous desk supplies (e.g. staplers, paper clips, writing utensils and file folders) and/or stamps/mailing charges for School-related correspondence will have a $250 stipend for full-time employees and $125 for part-time employees. School employees will receive a stipend as categorized below to be paid over 10 months or begin the monthly rate in relation to employment start date.

If employees choose to purchase additional equipment or supplies without written authorization from the School, such expenses would not be reasonable or necessarily incurred in connection with work for the School. Those expenses would be optional expenses that employees voluntarily elect to incur and not reasonably necessary expenditures incurred by employees in direct consequence of the discharge of their duties for the School.

If, however, an employee believes that he or she has been required to incur any unexpected necessary and reasonable expense in order to perform his or her duties on behalf of the School, the employee should immediately report that expense to the Executive Director or designee. Employees will be required to submit documentation to support any request for reimbursement of such expenses.

REPORTING

If any employee believes that he or she has not been fully reimbursed for all reasonable and necessary expenses he or she has been required to incur while working for the School, the employee should immediately inform the Executive Director or designee. All reports of possible inadequate reimbursement will be promptly reviewed, including a review of all of the employee's expense related records and receipts. If, as a result of the review, it is determined that the employee has been inadequately reimbursed for actual and necessary school business expenses, the School will promptly reimburse the employee, in full, for all actual, reasonable, and necessary school business-related expenses incurred. It is every employee's responsibility to keep accurate records and receipts of all school business-related expenses for the purpose of requesting reimbursement.

There will be no retaliation against any employee who reports an expense reimbursement issue in good faith or who honestly assists in reviewing such an issue, even if the review produces insufficient evidence that there has been a violation.

CHARTER SCHOOL

Animals at School Policy

The Clarksville Charter or "Charter" School Governing Board recognizes that animals can contribute to Clarksville Charter School's instructional program by being effective teaching aids to students and by assisting individuals with disabilities to access school programs and activities. In addition, instruction related to the care and treatment of animals teaches students a sense of responsibility and promotes the humane treatment of living creatures.

The Executive Director or designee shall develop rules and procedures to ensure that when animals are brought to school, the health, safety, and welfare of students, staff, and the animals are protected. However, the school assumes no liability for the safety of animals allowed on school property.

Charter School staff must allow a service animal to accompany the handler at all times and everywhere on campus, within Charter School property, except where service animals are specifically prohibited due to health, environmental, or safety hazards. Charter School Clarksville staff should direct staff, students, and other persons to refrain from petting, feeding, or deliberately startling a service animal.

Definitions

- A "*service animal*" is any dog (or miniature horse) that is individually trained to perform tasks to the benefit of an individual with a disability. The work or tasks performed [LAC1] by a service animal must be directly related to the individual's disability.

3. Establish Only Service Animals at Resource Center
4.Service Animal Inquiries when on Charter School Property, Facilities, or Sponsored Events

5. Requirement of Service Animals and their Handlers
6. Disruptions and Removal
7. Notice

*Service Animal Agreement and Authorization

1. Use of Animals for Instructional Purposes

Before any student or employee brings an animal to school for an instructional purpose, he/she shall receive written permission from the Executive Director or designee. The Executive Director or designee shall give such permission only after he/she has provided written notification to all parents/guardians of students in the affected class, asking them to verify whether their child has any known allergies, asthma, or other health condition that may be aggravated by the animal's presence. When a parent/guardian has provided notification that his/her child has an allergy, asthma, or other health condition that may be aggravated by the animal, the Executive Director or designee shall take appropriate measures to protect the student from exposure to the animal.

All animals brought to school must be in good physical condition and must be appropriately immunized. The teacher shall ensure that the species of animal is appropriate for the instructional purpose and age and maturity of the students.

All animals brought to school shall be adequately fed, effectively controlled, humanely treated, and properly housed in cages or containers suitable for the species. The teacher shall ensure that cages and containers are cleaned regularly and that waste materials are removed and disposed of in an appropriate manner.
The teacher shall ensure that students receive instructions regarding the proper handling of and personal hygiene around animals.

Except for service animals, as defined below, all animals are prohibited on school transportation services. (Education Code 39839; 13 CCR 1216)

2. Use of Service Animals by Individuals with Disabilities

For an individual with a disability, service animal means any dog that is individually trained to do work or perform tasks related to the individual's disability and for his/her benefit. For example, for an individual who is blind or has low vision, a service animal could mean a dog that helps him/her with vision, navigation, and other tasks; for an individual who is deaf or hard of hearing, a service animal could mean a dog that alerts him/her to the presence of people or sounds; and for an individual with psychiatric or neurological disabilities, a service animal could mean a dog that assists him/her by preventing or interrupting impulsive or destructive behaviors. (28 CFR 35.104)

Individuals with disabilities may be accompanied on school premises and on school transportation by service animals, including specially trained guide dogs, signal dogs, or service

dogs. (Education Code 39839; Civil Code 54.2; 28 CFR 35.136)

504 Plans or Special Education

Any request for a service animal by a student with a 504 plan or a qualifying disability under IDEA will be discussed in the student's 504 or IEP meeting and the respective team team will determine the following:

a. Whether the student requires the service animal in order to access a Free Appropriate Public Education ("FAPE"); and

b. Whether the proposed service animal meets the requirements of this Policy

The Executive Director or designee may permit the use of a miniature horse as a service animal when the horse has been individually trained to do work or perform tasks for the benefit of an individual with a disability, provided that: (28 CFR 35.136)

a. The district's facility can accommodate the type, size, and weight of the horse and whether the facility can accommodate these features.

b. The individual has sufficient control of the horse.

c. The horse is housebroken and;

d. The horse's presence in the specific facility does not compromise legitimate safety requirements of the facility.

The Executive Director or designee may ask any individual with a disability to remove his/her service animal from school premises or transportation if the animal is out of control and the individual does not take effective action to control it or the animal is not housebroken. When an individual's service animal is excluded, he/she shall be given an opportunity to participate in the service, program, or activity without having the service animal present.(Education Code 39839; Civil Code 54.2; 28 CFR 35.136)

3.**Only Service Animal are Permitted at Resource Center**

Only service animals are permitted at the Resource Center. To ensure the safety and security of the school community, students, staff, and community members are not allowed to bring service animals in training to Charter School property and/or facilities or to participate in Charter School-sponsored activities, unless the service animal is being trained for the student, staff or community member's own personal use as an individual with a disability.

Emotional support, therapy, and companion animals, including pets, are not permitted on Charter School property and facilities or at Charter School-sponsored activities.

4.**Service Animal Inquiries when on Charter School Property, Facilities, or Sponsored Events**

Clarksville may make two (2) inquiries to determine whether an animal qualifies as a service animal:

1. Whether the animal is required because of a disability?

2. What work or task the animal has been trained to perform?

Charter School may not ask for:

1. A badge/identification (such as a harness, vest, patch, or tag) for the animal
2. Proof that the animal has been certified/trained
3. Proof that the person has a disability
4. Require a demonstration of the work/tasks

5**. Requirement of Service Animals and their Handlers**

- Identification: The service dog should wear a harness, cape, identification tag or other gear that readily identifies its working status.
- Leash: The service dog must be on a leash at all times, unless the use of a leash would interfere with the service animal's safe, effective performance of work or tasks. If the animals cannot be on a leash for legitimate reasons related to the individual's disability and the necessary tasks to be performed, the service animal must be otherwise under the handler's control (e.g., voice control, signals, or other effective means).
- Control: The handler, including the student if the student is the handler, must be in full control of the service dog at all times.
- Care of Service Dog: The care and supervision of a service dog is solely the responsibility of its handler, including a student handler
- License and Tags: All service dogs should be licensed by the appropriate local agency and wear such license and an owner identification tag, but Charter School will not require documentation.
- Clean Up Rule: The handler must always carry equipment sufficient to clean up the dog's waste, immediately remove the waste, and be responsible for the proper disposal of the dog's waste.
- Vaccinations: The service dog must have a current rabies vaccination.
- Public Appearance Standards: The service animal must be (1) clean, well-groomed with no offensive odor, (2) does not urinate or defecate in inappropriate locations, and (3) treated for and kept free of fleas and ticks.
- Behavior standards: The service animal must not (1) disrupt the normal course of school business; solicit attention, visit or annoy, solicit or steal food or other items from any member of the staff or student population; or vocalize unnecessarily (e.g., barking, growling or whining) or (2) show aggression towards people or other animals (e.g., showing teeth, barking, growling, jumping on individuals).
- General training standards: The service animal must: (1) work calmly and quietly on harness, leash, or other tether, (2) performs tasks in the school setting and lay quietly beside the student handler without blocking aisles, doorways, etc., and(3) be trained to urinate and defecate on command.

6. Disruptions and Removal

Charter School staff should immediately report any disruptive behavior of a service dog to the Executive Director or designee. No attempt should be made by the Charter School staff member to separate a student from their service animal. Charter School staff may ask an individual with a disability to remove a service animal from the premises if—

1. The animal is out of control and the animal's handler does not take effective action to control it; or

2. The animal is not housebroken.

“Out of control” behaviors include, but are not limited to, excessive, unwarranted barking, unprovoked aggressive behavior, failure to follow the handler’s commands, or wandering away from the handler without a specific purpose.

If any service dog behaves aggressively or causes injury or direct threat of safety or health to staff or students, the dog must be immediately removed from the Charter School property and/or facilities until the situation is resolved. Whether a service animal poses a direct threat to health or safety of staff or students will be made on an individualized basis.

Charter School may also deny a service animal on the basis that the presence of the animal fundamentally alters the learning or work environment.

If Charter School properly excludes a service animal, it shall give the individual with a disability the opportunity to participate in the service, program, or activity without having the service animal on the premises.

7**. Notice**

A service dog will not be prohibited due to fear or allergies of other students. If the presence of a service animal causes fear or allergies in other students required to be in the presence of the service animal throughout the school day, the Charter School will make reasonable accommodations for both the affected student and the student with disabilities requiring the service animal to relocate one or both students to another location within the room or a different room, if possible. If your child requires a reasonable accommodation due to fear or allergies, please notify the Executive Director or designee.

8.**. Misrepresentation**

Any person who knowingly and fraudulently represents himself or herself, through verbal or written notice, to be the owner or trainer of a service animal shall be guilty of a misdemeanor punishable by imprisonment up to six months or fine up to $1000.00

Salary Schedule Placement and Advancement Policy

The purpose of the Clarksville Charter School Governing Board approving this Salary Schedule Placement and Advancement Policy is to accomplish the following:

1. Outline the Process for Employee Placement on the Salary Schedule
2. Outline Pathways to Professional Development For Salary Advancement

1. Employee Placement on the Salary Schedule

Salary placement for newly hired employees is contingent upon all documentation (i.e. transcripts, verification of experience, credential accreditation, etc) being received and verified. There are no retroactive salary placements. It is the employees' responsibility to furnish the Human Resources Department with verification of these items upon hire.

Initial salary schedule placement is determined by the number of post-baccalaureate units and the number of years of previous teaching experience.

In order for units to be considered for initial placement on the salary schedule, post-baccalaureate units must meet the following criteria:

- Earned after Bachelor's degree completion date
- Upper-division and/or graduate-level courses
- Relevant to the field of education

Previous teaching work experience may be accepted on a year-for-year basis for up to five years of credit if it meets the following criteria:

- Must have worked with the same employer for at least one year
- Worked in a full-time capacity
- Worked at least 75% of the school year

Note: Substitute teaching experience is not accepted

2. Professional Development For Salary Advancement

Employees who wish to advance their salary beyond their initial placement may receive credit for upper-division and/or graduate level college/university courses up to 6 semester units or two classes per school year. These courses must be pre-approved first by the employee's direct supervisor, and then by a school Director prior to registering for courses. Courses that are commonly accepted are courses that:

- Are related to education
- Are related to the courses the teacher is currently teaching
- Enhance the teacher's teaching abilities

Note: Employees must receive passing grades on their transcripts (C- or higher, or Pass) for those units to qualify toward a salary increase.

Once pre-approved courses have been completed, employees will need to send all post-baccalaureate transcripts, including the newly completed course transcripts, to the Human Resources Department for the information to be added to their employee file. Transcripts must be submitted by June 1st of the current school year for salary schedule consideration for the following school year. No more than 6 units or two classes will be approved per school year for salary advancement purposes.*

*Special consideration may be given to employees who are seeking an advanced degree (such as a Masters or Doctorate) or are working toward completion of additional credentials or certifications. As with other coursework, these require pre-approval from the employee's direct supervisor and a school Director.

NONPUBLIC, NONSECTARIAN SCHOOL/AGENCY SERVICES MASTER CONTRACT

AUTHORIZATION FOR MASTER CONTRACT AND GENERAL PROVISIONS

1. MASTER CONTRACT

This Master Contract (or "Contract") is entered into on July 1, 2022, between_____, hereinafter referred to as the local educational agency ("LEA"), a member of the _____ SELPA and _____. (nonpublic, nonsectarian school or agency), hereinafter referred to as NPS/A or "CONTRACTOR" for the purpose of providing special education and/or related services to students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 *et seq*. and Title 5 of the California Code of Regulations section 3000 *et seq*., AB 490 (Chapter 862, Statutes of 2003) and AB 1858 (Chapter 914, Statutes of 2004). It is understood that this agreement does not commit the LEA to pay for special education and/or related services provided to any student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as "ISA"). Unless otherwise agreed in writing, these forms shall acknowledge CONTRACTOR's obligation to provide all relevant services specified in the student's Individualized Education Program (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of a student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each student served by CONTRACTOR. As available and appropriate, the LEA shall make available access to any electronic IEP system and/or electronic database for ISA development, including invoicing.

Unless placement and/or services is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed settlement agreement between LEA and parent or authorized by LEA for a transfer student pursuant to California Education Code section 56325, LEA is not responsible for the costs associated with NPS placement or NPS/A services until the date on which an IEP team meeting is convened, the IEP team determines that a NPS placement is appropriate, and the IEP is signed by the student's parent.

2. CERTIFICATION AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a NPS/A. All NPS/A services shall be provided consistent with the area of certification and licensure specified by CDE Certification and as defined in California Education Code, section 56366 *et seq* and within the professional scope of practice of each provider's license, certification and/or credential. A current copy of CONTRACTOR's NPS/A certification or a waiver of such certification issued by the CDE pursuant to Education Code section 56366.2 must be provided to LEA on or before the date this

Agreement is executed by CONTRACTOR. This Master Contract shall be null and void if such certification or waiver is expired, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract. Total student enrollment shall be limited to capacity as stated on CDE certification and in Section 24 of the Master Contract.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified and all staff persons providing services to pupils shall be certified and/or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care room and board to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of this State, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

With respect to CONTRACTOR's certification, failure to notify the LEA and CDE in writing of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program may result in the suspension or revocation of CDE certification and/or suspension or termination of this Master Contract by the LEA.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, unless otherwise agreed, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies and regulations. CONTRACTOR shall also comply with all applicable LEA policies and procedures unless, taking into consideration all of the surrounding facts and circumstances, a policy or policies or a portion of a policy does not reasonably apply to CONTRACTOR. CONTRACTOR hereby acknowledges and agrees that it accepts all risks and responsibilities for its failure to comply with LEA policies and shall indemnify LEA under the provisions of Section 16 of this Agreement for all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of CONTRACTOR's failure to comply with applicable LEA policies (e.g., those policies relating to; the provision of special education and/or related services, facilities for individuals with exceptional needs, student enrollment and transfer, student inactive status, corporal punishment, student discipline, and positive behavior interventions).

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract; and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2022 to June 30, 2023 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. Neither the CONTRACTOR nor the LEA is required to renew this Master Contract in subsequent contract years. The parties acknowledge that any subsequent Master Contract is to be re-negotiated prior to June 30, 2023. In the event the contract

negotiations are not agreed to by June 30th, the most recently executed Master Contract will remain in effect for 90 days. (Title 5 California Code of Regulations section 3062(d)) No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of the LEA.

The provisions of this Master Contract apply to CONTRACTOR and any of its employees or independent contractors. Notice of any change in CONTRACTOR's ownership or authorized representative shall be provided in writing to LEA within thirty (30) calendar days of change of ownership or change of authorized representative.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION OR TERMINATION

This Master Contract includes each ISA and they are incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties.

CONTRACTOR shall provide the LEA with information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of current teacher credentials and clearance, insurance documentation and CDE certification. The LEA may require additional information as applicable. If the application packet is not completed and returned to District, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety-day period, all payments shall cease until such time as the new Master Contract for the current school year is signed and returned to LEA by CONTRACTOR. (California Education Code section 56366(c)(1) and (2)). In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students at the discretion of the LEA.

6. INDIVIDUAL SERVICES AGREEMENT ("ISA")

This Agreement shall include an ISA developed for each student to whom CONTRACTOR is to provide special education and/or related services. An ISA shall only be issued for students enrolled with the approval of the LEA pursuant to Education Code section 56366 (a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR, shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students.

Any and all changes to a student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to the student's IEP or by written agreement between the parent and LEA. At any time during the term of this Master Contract, a student's parent, CONTRACTOR, or LEA may request a review of a student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and the LEA agree otherwise in the ISA. (California Education Code sections 56366(a) (5) and 3062(e)). In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify the LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall provide any and all subsequent compensatory service hours awarded to student as a result of lack of provision of services while student was served by the NPS/A.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise or an Interim Alternative Educational Setting is deemed lawful and appropriate by LEA or OAH consistent with Section 1415 (k)(1)(7) of Title 20 of the United States Code. CONTRACTOR shall adhere to all LEA requirements concerning changes in placement.

Disagreements between LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where the LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c) (2).

14. TERMINATION

This Master Contract or ISA may be terminated for cause. The cause shall not be the availability of a public class initiated during the period of the contract unless the parent agrees to the transfer of the student to the public school program at an IEP team meeting. To terminate the contract either party shall give no less than twenty (20) days prior written notice (California Education Code section 56366(a)(4)). To the fullest extent allowed by law, CONTRACTOR shall indemnify and hold LEA and its Board Members, administrators, employees, agents, attorneys, volunteers, and subcontractors ("LEA Indemnities") harmless against all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of this Master *Contract* or its performance, to the extent that such loss, expense, damage or liability was proximately caused by negligence, intentional act, or willful act or omission of CONTRACTOR, including, without limitation, its agents, employees, subcontractors or anyone employed directly or indirectly by it (excluding LEA and LEA Indemnities). LEA represents that it is self-insured in compliance with the laws of the State of California, that the self-insurance covers district employees acting within the course and scope of their respective duties and that its self-insurance covers the LEA's indemnification obligations under this Master Contract.

17. INDEPENDENT CONTRACTOR

Nothing herein contained will be construed to imply a joint venture, partnership or principal-agent relationship between the LEA and CONTRACTOR. CONTRACTOR shall provide all services under this Contract as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Contract shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the parties or any affiliates of the parties, or between the LEA and any individual assigned by CONTRACTOR to perform any services for the LEA.

If the LEA is determined to be a partner, joint venture, co-principle, employer or co-employer of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless the LEA from and against any and all claims for loss, liability, or damages arising from that determination, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that holding.

18. SUBCONTRACTING

CONTRACTOR shall provide written notification to LEA before subcontracting for special education and/or related services pursuant to this Master Contract. In the event LEA determines that it can provide the subcontracted service(s) at a lower rate, LEA may elect to provide such service(s). If LEA

elects to provide such service(s), LEA shall provide written notification to CONTRACTOR within five (5) days of receipt of CONTRACTOR's original notice and CONTRACTOR shall not subcontract for said service(s).

CONTRACTOR shall incorporate all of the provisions of this Master Contract in all subcontracts, to the fullest extent reasonably possible. Furthermore, when CONTRACTOR enters into subcontracts for the provision of special education and/or related services (including, but not limited to, transportation) for any student, CONTRACTOR shall cause each subcontractor to procure and maintain insurance during the term of each subcontract. Such subcontractor's insurance shall comply with the provisions of Section 15. Each subcontractor shall furnish the LEA with original endorsements and certificates of insurance effecting coverage required by Section 15. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. The endorsements are to be on forms as required by the LEA. All endorsements are to be received and approved by the LEA before the subcontractor's work commences. The Commercial General Liability and Automobile Liability policies shall name the LEA/SELPA and the LEA Board of Education as additional insured.

As an alternative to the LEA's forms, a subcontractor's insurer may provide complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by this Master Contract. All Certificates of Insurance must reference the LEA contract number, name of the school or agency submitting the certificate, indication if NPS or NPA, and the location of the school or agency submitting the certificate. In addition, all subcontractors must meet the requirements as contained in Section 45 Clearance Requirements and Section 46 Staff Qualifications of this Master Contract.

The LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to the student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the student is enrolled in CONTRACTOR's school/agency) or whether an assessment of the student is performed or a report is prepared in the normal course of the services provided to the student by CONTRACTOR. To avoid conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, the LEA may not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, the LEA may not fund services through the evaluator whose IEE the LEA agrees to fund. When no other appropriate assessor is available, LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

When CONTRACTOR is a NPA, CONTRACTOR acknowledges that its authorized representative has read and understands Education Code section 56366.3 which provides, in relevant part, that no special education and/or related services provided by CONTRACTOR shall be paid for by LEA if provided by an individual who is or was an employee of LEA within the three hundred and sixty-five (365) days prior to executing this contract. This provision does not apply to any person who is able to provide designated instruction and services during the extended school year because he or she is otherwise employed for up to ten months of the school year by LEA.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of the LEA on a private pay or tuition free "scholarship" basis and concurrently or subsequently advise/request parent(s) to pursue funding for the admitted school year from the LEA through due process proceedings.

20. NON-DISCRIMINATION

CONTRACTOR shall not, in employment or operation of its programs, unlawfully discriminate on the basis of gender, nationality, national origin, ancestry, race, color, ethnicity, ethnic group affiliation, religion, age, marital status, pregnancy or parental status, sex, sexual orientation, gender, gender identity or expression, physical or mental disability, genetic information or any other classification protected by federal or state law or the perception of one or more of such characteristics or association with a person or group with one or more of these actual or perceived characteristics.

LEA shall provide low incidence equipment for eligible students with low incidence disabilities when specified in the student's IEP and ISA. Such equipment remains the property of the SELPA/LEA and shall be returned to the SELPA/LEA when the IEP team determines the equipment is no longer needed or when the student is no longer enrolled in the NPS. CONTRACTOR shall ensure that facilities are adequate to provide LEA students with an environment which meets all pertinent health and safety regulations. CONTRACTOR may charge a student's parent(s) for services and/or activities not necessary for the student to receive a free appropriate public education after: (a) written notification to the student's parent(s) of the cost and voluntary nature of the services and/or activities; and (b) receipt by the LEA of the written notification and a written acknowledgment signed by the student's parent(s) of the cost and voluntary nature of the services and/or activities. CONTRACTOR shall adhere to all LEA requirements concerning parent acknowledgment of financial responsibility.

Voluntary services and/or activities not necessary for the student to receive a free appropriate public education shall not interfere with the student's receipt of special education and/or related services as specified in the student's IEP and ISA unless the LEA, CONTRACTOR, and PARENT agree otherwise in writing.

The NPA providing Behavior Intervention services shall develop a written plan that specifies the nature of their NPA service for each student within thirty (30) days of enrollment and shall be provided in writing to the LEA. School-based services may not be unilaterally converted by CONTRACTOR to a substitute program or provided at a location not specifically authorized by the IEP team. Except for services provided by a CONTRACTOR that is a Licensed Children's Institution (LCI), all services not provided in the school setting require the presence of a parent, guardian or adult caregiver during the delivery of services, provided such guardian or caregiver have a signed authorization by the parent or legal guardian to authorize emergency services as requested. When CONTRACTOR is a NPA and/or related services provider, the total number of minutes per school day provided by CONTRACTOR shall be specified in the student's ISA developed in accordance with the student's IEP.

24. CLASS SIZE

When CONTRACTOR is a NPS, CONTRACTOR shall ensure that class size shall not exceed a ratio of one teacher per twelve (12) students, unless CONTRACTOR and LEA agree otherwise in writing. Upon prior written approval by an authorized LEA representative, class size may be temporarily increased by a ratio of 1 teacher to fourteen (14) students when necessary during the regular or extended school year to provide services to students with disabilities.

In the event a NPS is unable to fill a vacant teaching position responsible for direct instruction to students, and the vacancy has direct impact on the CDE Certification of that school, the NPS shall develop a plan to ensure appropriate coverage of students by first utilizing existing certificated staff. The NPS and the LEA may agree to one 30 school day period per contract year where class size may be increased to ensure coverage by an appropriately credentialed teacher. Such an agreement shall be in writing and signed by both parties. This provision does not apply to a NPA.

Nothing in this Master Contract shall be interpreted to require the LEA to accept any requests for calendar changes.

Unless otherwise specified by the student's IEP, educational services shall occur at the school site. A student shall only be eligible for extended school year services as determined by the IEP team and the provision of such is specifically included in the ISA. Extended school year shall consist of twenty (20) instructional days, unless otherwise agreed upon by the IEP team convened by the LEA. Any days of extended school year in excess of twenty (20) billable days must be mutually agreed to, in writing, prior to the start of the extended school year.

Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

26. DATA REPORTING

CONTRACTOR shall agree to provide to the LEA all data related to student information and billing information with LEA. CONTRACTOR shall agree to provide data related to all sections of this contract, including student discipline as noted below, and requested by and in the format required by the LEA. It is understood that all NPS/A shall utilize the LEA approved electronic IEP system for all IEP development, service tracking documentation, and progress reporting, unless otherwise agreed to by the LEA. Additional progress reporting may be required by the LEA. The LEA shall provide the CONTRACTOR with appropriate software, user training and proper internet permissions to allow adequate access.

Using forms developed by the CDE or as otherwise mutually agreed upon by CONTRACTOR and LEA, CONTRACTOR shall provide LEA, on a monthly basis, a written report of all incidents in which a statutory offense is committed by any LEA student, regardless if it results in a disciplinary action of suspension or expulsion. CONTRACTOR and LEA shall ensure that LRE placement options are addressed at all IEP team meetings regarding students for whom ISAs have been or may be executed. This shall include IEP team consideration of supplementary aids and services, goals and objectives necessary for placement in the LRE and necessary to enable students to transition to less restrictive settings.

When an IEP team has determined that a student should be transitioned into the public school setting, CONTRACTOR shall assist the LEA in implementing the IEP team's recommended activities to support the transition.

28. STATEWIDE ACHIEVEMENT TESTING

When CONTRACTOR is a NPS, per implementation of Senate Bill 484, CONTRACTOR shall administer all statewide assessments within the California Assessment of Student Performance and Progress ("CAASPP"), Desired Results Developmental Profile ("DRDP"), California Alternative Assessment ("CAA"), achievement and abilities tests (using LEA-authorized assessment instruments), the Fitness Gram, , the English Language Proficiency Assessments for California ("ELPAC"), the Alternative English Language Proficiency Assessments for California ("Alternative ELPAC"), and as appropriate to the student, and mandated by LEA pursuant to LEA and state and federal guidelines.

CONTRACTOR shall comply with the requirements of Education Code section 49005, *et seq.*, 56521.1 and 56521.2. LEA students who exhibit behaviors that interfere with their learning or the learning of others must receive timely and appropriate assessments and positive supports and interventions in accordance with the federal law and it's implementing regulations. If the IEP team determines that a student's behavior impedes his or her learning or the learning of others, the IEP team is required to consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a Behavior Intervention Plan ("BIP"), the IEP team may conclude it is sufficient to address the student's behavioral problems through the development of behavioral goals and behavioral interventions to support those goals.

CONTRACTOR shall maintain a written policy pursuant to California Education Code section 56521.1 regarding emergency interventions and behavioral emergency reports. CONTRACTOR shall ensure that all of its staff members are trained in crisis intervention, emergency procedures, and evidenced-based practices and interventions specific to the unique behavioral needs of the CONTRACTOR's pupil population. If the student already has a BIP, the IEP team shall review and modify the BIP if a new serious behavior has been exhibited or existing behavioral interventions have proven to be ineffective. CONTRACTOR shall schedule with LEA an IEP meeting within two (2) days.

Pursuant to Education Code section 56521.2, CONTRACTOR shall not authorize, order, consent to, or pay for the following interventions, or any other interventions similar to or like the following: (1) any intervention that is designed to, or likely to, cause physical pain, including, but not limited to, electric-shock; (2) an intervention that involves the release of noxious, toxic, or otherwise unpleasant sprays, mists, or substances in proximity to the face of the individual; (3) an intervention that denies

Written discipline reports shall include, but not be limited to: the student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. When CONTRACTOR is a NPS, CONTRACTOR shall conduct fire drills as required by Title 5 California Code of Regulations section 550. CONTRACTOR shall be responsible for any structural changes and/or modifications to CONTRACTOR's facilities as required complying with applicable federal, state, and local laws, regulations, and ordinances. Failure to notify the LEA and CDE of any changes in, major modification or relocation of facilities may result in the suspension or revocation of CDE certification and/or suspension or termination of this Master Contract by the LEA.

51. ADMINISTRATION OF MEDICATION

CONTRACTOR shall comply with the requirements of California Education Code section 49423 when CONTRACTOR serves a student that is required to take prescription and/or over-the-counter medication during the school day. CONTRACTOR may designate personnel to assist the student with the administration of such medication after the student's parent(s) provide to CONTRACTOR: (a) a written statement from a physician detailing the type, administration method, amount, and time schedules by which such medication shall be taken; and (b) a written statement from the student's parent(s) granting CONTRACTOR permission to administer medication(s) as specified in the physician's statement. CONTRACTOR shall maintain, and provide to LEA upon request, copies of such written statements. CONTRACTOR shall maintain a written log for each student to whom medication is administered. Such written log shall specify the student's name; the type of medication; the date, time, and amount of each administration; and the name of CONTRACTOR's employee who administered the medication. CONTRACTOR maintains full responsibility for ensuring appropriate staff training in the administration of such medication consistent with physician's written orders. Any change in medication type,

administration method, amount or schedule must be authorized by both a licensed physician and parent.

52. INCIDENT/ACCIDENT REPORTING

CONTRACTOR shall submit within 24 hours, electronically, any accident or incident report to the LEA. CONTRACTOR shall properly submit required accident or incident reports pursuant to the procedures specified in LEA Procedures.

53. CHILD ABUSE REPORTING

CONTRACTOR hereby agrees to annually train all staff members, including volunteers, so that they are familiar with and agree to adhere to its own child and dependent adult abuse reporting obligations and procedures as specified in California Penal Code section 11164 et seq. and Education Code 44691. To protect the privacy rights of all parties involved (i.e., reporter, child and alleged abuser), reports will remain confidential as required by law and professional ethical mandates. A written statement acknowledging the legal requirements of such reporting and verification of staff adherence to such reporting shall be submitted to the LEA.

54. SEXUAL HARASSMENT

CONTRACTOR shall have a Sexual and Gender Identity harassment policy that clearly describes the kinds of conduct that constitutes sexual harassment and that is prohibited by the CONTRACTOR's policy, as well as federal and state law. The policy should include procedures to make complaints without fear of retaliation, and for prompt and objective investigations of all sexual harassment complaints. CONTRACTOR further agrees to provide annual training to all employees regarding the laws concerning sexual harassment and related procedures pursuant to Government Code 12950.1.

55. REPORTING OF MISSING CHILDREN

CONTRACTOR assures LEA that all staff members, including volunteers, are familiar with and agree to adhere to requirements for reporting missing children as specified in California Education Code section 49370. A written statement acknowledging the legal requirements of such reporting and verification of staff adherence to such reporting shall be properly submitted to the LEA. The written statement shall be submitted as specified by the LEA.

FINANCIAL

56. ENROLLMENT, CONTRACTING, SERVICE TRACKING, ATTENDANCE REPORTING, AND BILLING PROCEDURES

CONTRACTOR shall assure that the nonpublic school or nonpublic agency has the necessary financial resources to provide an appropriate education for the students enrolled and will distribute those resources in such a manner to implement the IEP and ISA for each and every student.

CONTRACTOR shall comply with all LEA procedures concerning enrollment, contracting, attendance reporting, service tracking and billing including requirements of electronic billing as specified by the LEA

Procedures, as well as provide all such records requested by LEA concerning the same. CONTRACTOR shall be paid for the provision of special education and/or related services specified in the student's IEP and ISA. All payments by LEA shall be made in accordance with the terms and conditions of this Master Contract and governed by all applicable federal and state laws.

CONTRACTOR shall maintain separate registers for the basic education program, each related service, and services provided by instructional assistants, behavior intervention aides and bus aides. Original attendance forms (i.e., roll books for the basic education program, service tracking documents and notes for instructional assistants, behavioral intervention aides, bus aides, and each related service) shall be completed by the actual service provider whose signature shall appear on such forms and shall be available for review, inspection, or audit by LEA during the effective period of this contract and for a period of five (5) years thereafter. CONTRACTOR shall verify the accuracy of minutes of reported attendance that is the basis of services being billed for payment.

CONTRACTOR shall submit invoices and related documents to LEA for payment, for each calendar month when education or related services were provided. Invoices and related documents shall be properly submitted electronically and in addition, on an LEA form with signatures in the manner prescribed by LEA. At a minimum, each invoice must contain the following information: month of service; specific days and times of services coordinated by the LEA approved calendar unless otherwise specified in the IEP or agreed to by the LEA; name of staff who provided the service; approved cost of each invoice; total for each service and total for the monthly invoice; date invoice was mailed; signature of NPS/NPA administrator authorizing that the information is accurate and consistent with the ISA, CDE certificates and staff notification; verification that attendance report is attached as appropriate; indication of any made-up session consistent with this contract; verification that progress reports have been provided consistent with the ISA (monthly or quarterly unless specified otherwise on the ISA); and name or initials of each student for when the service was provided.

In the event services were not provided, rationale for why the services were not provided shall be included.

Such an invoice is subject to all conditions of this contract. At the discretion of the LEA, an electronic invoice may be required provided such notice has been made in writing and training provided to the CONTRACTOR at no additional charge for such training.

Invoices shall be submitted no later than thirty (30) days after the end of the attendance accounting period in which the services were rendered. LEA shall make payment to CONTRACTOR based on the number of billable days of attendance and hours of service at rates specified in this contract within forty-five (45) days of LEA's receipt of properly submitted hard copy of invoices prepared and submitted as specified in California Education Code Section 56366.5 and the LEA. CONTRACTOR shall correct deficiencies and submit rebilling invoices no later than thirty (30) calendar days after the invoice is returned by LEA. LEA shall pay properly submitted re-billing invoices no later than forty-five (45) days after the date a completely corrected re-billing invoice is received by LEA.

In no case shall initial payment claim submission for any Master Contract fiscal year (July through June) extend beyond December 31st after the close of the fiscal year. In no case shall any rebilling for the Master Contract fiscal year (July through June) extend beyond six (6) months after the close of the fiscal year unless approved by the LEA to resolve billing issues including re-billing issues directly related to a delay in obtaining information from the Commission on Teacher Credentialing regarding teacher qualification, but no later than twelve (12) months from the close of the fiscal year. If the billing or re-billing error is the responsibility of the LEA, then no limit is set provided that the LEA and CONTRACTOR

have communicated such concerns in writing during the 12-month period following the close of the fiscal year. LEA will not pay mileage for NPA employee.

57. RIGHT TO WITHHOLD PAYMENT

LEA may withhold payment to CONTRACTOR when: (a) CONTRACTOR has failed to perform, in whole or in part, under the terms of this contract; (b) CONTRACTOR has billed for services rendered on days other than billable days of attendance or for days when student was not in attendance and/or did not receive services; (c) CONTRACTOR was overpaid by LEA as determined by inspection, review, and/or audit of its program, work, and/or records; (d) CONTRACTOR has failed to provide supporting documentation with an invoice, as required by EC 56366(c)(2); (e) education and/or related services are provided to students by personnel who are not appropriately credentialed, licensed, or otherwise qualified; (f) LEA has not received prior to school closure or contract termination, all documents concerning one or more students enrolled in CONTRACTOR's educational program; (g) CONTRACTOR fails to confirm a student's change of residence to another district or confirms the change of residence to another district, but fails to notify LEA within five (5) days of such confirmation; or (h) CONTRACTOR receives payment from Medi-Cal or from any other agency or funding source for a service provided to a student. It is understood that no payments shall be made for any invoices that are not received by six (6) months following the close of the prior fiscal year, for services provided in that year.

Final payment to CONTRACTOR in connection with the cessation of operations and/or termination of a Master Contract will be subject to the same documentation standards described for all payment claims for regular ongoing operations. In addition, final payment may be withheld by the LEA until completion of a review or audit, if deemed necessary by the LEA. Such review or audit will be completed within ninety (90) days. The final payment may be adjusted to offset any previous payments to the CONTRACTOR determined to have been paid in error or in anticipation of correction of documentation deficiencies by the CONTRACTOR that remain uncorrected.

The amount which may be withheld by LEA with respect to each of the subparagraphs of the preceding paragraph are as follows: (a) the value of the service CONTRACTOR failed to perform; (b) the amount of overpayment; (c) the portion of the invoice for which satisfactory documentation has not been provided by CONTRACTOR; (d) the amount invoiced for services provided by the individual not appropriately credentialed, licensed, or otherwise qualified; (e) the proportionate amount of the invoice related to the applicable pupil for the time period from the date the violation occurred and until the violation is cured; or (f) the amount paid to CONTRACTOR by Medi-Cal or another agency or funding source for the service provided to the student.

If LEA determines that cause exists to withhold payment to CONTRACTOR, LEA shall, within ten (10) business days of this determination, provide to CONTRACTOR written notice that LEA is withholding payment. Such notice shall specify the basis or bases for LEA's withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for LEA's withholding payment or submit a written request for extension of time to correct the deficiencies or submit to LEA written documentation demonstrating that the basis or bases cited by the LEA for withholding payment is unfounded. Upon receipt of CONTRACTOR's written request showing good cause, LEA shall extend CONTRACTOR's time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to LEA specifying the reason it believes

payment should not be withheld. LEA shall respond to CONTRACTOR's notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason LEA believes payment should not be made. If LEA fails to respond within thirty (30) business days or a dispute regarding the withholding of payment continues after the LEA's response to CONTRACTOR's notice, CONTRACTOR may invoke the following escalation policy.

After forty-five (45) business days: The CONTRACTOR may notify the Authorized LEA's Representative of the dispute in writing. The LEA Authorized Representative shall respond to the CONTRACTOR in writing within fifteen (15) business days.

After sixty (60) business days: The LEA or CONTRACTOR may appeal to the County Superintendent of Schools so long as the County Superintendent of Schools is not participating in the Local Plan involved in the NPS/A contract, or a mutually agreed upon mediator. Both parties agree to pay for their own costs and expenses arising out of such mediation. Each party agrees to act in good faith in participating in any mediation process agreed to by the parties.

58. PAYMENT FROM OUTSIDE AGENCIES

CONTRACTOR shall notify LEA when Medi-Cal or any other agency is billed for the costs associated with the provision of special education and/or related services to students. Upon request, CONTRACTOR shall provide to LEA any and all documentation regarding reports, billing, and/or payment by Medi-Cal or any other agency for the costs associated with the provision of special education and/or related services to students. CONTRACTOR shall provide prior written notice of the rights and protections required by Title 34 of the Code of Federal Regulations section 300.154(d) whenever it seeks to use the LEA students'public benefits to pay for special education and related services. Such notice shall be provided before seeking payment from Medi-Cal for the first time and annually.

59. PAYMENT FOR ABSENCES

NONPUBLIC SCHOOL STAFF ABSENCE

Whenever a classroom teacher employed by CONTRACTOR is absent, CONTRACTOR shall provide an appropriately credentialed substitute teacher in the absent teacher's classroom in accordance with California Education Code section 56061. CONTRACTOR shall provide to LEA documentation of substitute coverage pursuant to the LEA Procedures. Substitute teachers shall remain with their assigned class during all instructional time. LEA will not pay for instruction and/or services unless said instruction or service is provided by an appropriately credentialed substitute teacher.

Whenever a related service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section 7 of this agreement and as determined by LEA) substitute. LEA will not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided unless otherwise agreed in student's IEP.

NONPUBLIC SCHOOL STUDENT ABSENCE

If CONTRACTOR is a nonpublic school, no later than the tenth (10^{th}) cumulative day of a student's unexcused absence, CONTRACTOR shall notify the LEA of such absence.

Criteria for a billable day for payment purposes is one (1) day of attendance as defined in California Education Code, sections 46010, 46010.3 and 46307. LEA shall not pay for services provided on days

that a student's attendance does not qualify for Average Daily Attendance (ADA) reimbursement under state law. *Per Diem* rates for students whose IEPs authorize less than a full instructional day may be adjusted on a pro rata basis in accordance with the actual proportion of the school day the student was served. LEA shall not be responsible for payment of related services for days on which a student's attendance does not qualify for Average Daily Attendance ("ADA") reimbursement under state law, nor shall student be eligible for make-up services.

NONPUBLIC AGENCY STAFF ABSENCE

When CONTRACTOR is a nonpublic agency and CONTRACTOR's service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section 7 of this agreement and as determined by LEA) substitute, unless LEA provides appropriate coverage in lieu of CONTRACTOR's service providers. LEA shall not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided. CONTRACTOR shall not "bank" or "carry over" make up service hours under any circumstances, unless otherwise agreed to in writing by CONTRACTOR and LEA. In the event services were not provided, reasons for why the services were not provided shall be included.

NONPUBLIC AGENCY STUDENT ABSENCE

If CONTRACTOR is a nonpublic agency, it shall notify LEA of the absence of a student no later than the fifth (5^{th}) consecutive service day of the student's absence. LEA shall not be responsible for the payment of services when a student is absent.

60. LEA and/or NONPUBLIC SCHOOL CLOSURE DUE TO EMERGENCY

The following shall apply in the event of a LEA or NPS school closure due to an emergency consistent with guidelines followed by LEAs in accordance with Education Code sections 41422 and 46392:

a. If CONTRACTOR remains open, if allowed, during an emergency and serves students appropriately as delineated in the ISA, CONTRACTOR shall receive payment, regardless of whether a sending LEA is open or closed.

b. NPS School Closure- In the event of a NPS School Closure for the reasons set forth in Education Code section 41422, if the LEA is able to obtain alternative placement for the student, CONTRACTOR shall not receive payment for days the student is not in attendance due to CONTRACTOR'S school closure. If the LEA is unable to obtain an alternative placement, CONTRACTOR shall receive payment consistent with the student's approved ISA, as though the student were continuing his/her regular attendance, until an alternative placement can be found and implement LEA student IEP in accordance with Education Code section 56345(a)(9) pertaining to emergency conditions.

c. LEA and NPS School Closure- In the event of the LEA and NPS School Closures, on days the LEA is funded, CONTRACTOR shall receive payment consistent with the student's approved ISA, until an alternative placement can be found and implement LEA student IEP in accordance with Education Code section 56345(a)(9) pertaining to emergency conditions. If the LEA is able to obtain alternative placement for the student, CONTRACTOR shall not receive payment for days the student is not in attendance with CONTRACTOR due to CONTRACTOR'S school closure.

When the emergency school closure is lifted, CONTRACTOR shall notify the LEAs it serves of any lost instructional minutes. CONTRACTOR and LEAs shall work collaboratively to determine the need for

make-up days or service changes, and shall work together to amend IEP and ISA paperwork as appropriate.

61. INSPECTION AND AUDIT

The CONTRACTOR shall maintain and the LEA shall have the right to examine and audit all of the books, records, documents, accounting procedures and practices and other evidence that reflect all costs claimed to have been incurred or fees claimed to have been earned under this Agreement.

CONTRACTOR shall provide access to LEA to all records including, but not limited to: student records as defined by California Education Code section 49061(b); registers and roll books of teachers; daily service logs and notes or other documents used to record the provision of related services; Medi-Cal/daily service logs and notes used to record provision of services provided by instructional assistants, behavior intervention aides, bus aides, and supervisors; absence verification records (parent/doctor notes, telephone logs, and related documents); bus rosters; staff lists specifying credentials held, business licenses held, documents evidencing other qualifications, , dates of hire, and dates of termination; staff time sheets; non-paid staff and volunteer sign-in sheets; transportation and other related service subcontracts; school calendars; bell/class schedules when applicable; liability and worker's compensation insurance policies; state NPS/A certifications; by-laws; lists of current board of directors/trustees, if incorporated; other documents evidencing financial expenditures; federal/state payroll quarterly reports Form 941/DE3DP; and bank statements and canceled checks or facsimile thereof. Such access shall include unannounced inspections by LEA. CONTRACTOR shall make available to LEA all budgetary information including operating budgets submitted by CONTRACTOR to LEA for the relevant contract period being audited.

CONTRACTOR shall make all records available at the office of LEA or CONTRACTOR's offices (to be specified by LEA) at all reasonable times and without charge. All records shall be provided to LEA within five (5) working days of a written request from LEA. CONTRACTOR shall, at no cost to LEA, provide assistance for such examination or audit. LEA's rights under this section shall also include access to CONTRACTOR's offices for purposes of interviewing CONTRACTOR's employees. If any document or evidence is stored in an electronic form, a hard copy shall be made available to the LEA, unless the LEA agrees to the use of the electronic format.

CONTRACTOR shall obtain from its subcontractors and suppliers written agreements to the requirements of this section and shall provide a copy of such agreements to LEA upon request by LEA.

If an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm determines that CONTRACTOR owes LEA monies as a result of CONTRACTOR's over billing or failure to perform, in whole or in part, any of its obligations under this Master Contract, LEA shall provide to CONTRACTOR written notice demanding payment from CONTRACTOR and specifying the basis or bases for such demand. Unless CONTRACTOR and LEA otherwise agree in writing, CONTRACTOR shall pay to LEA the full amount owed as a result of CONTRACTOR's over billing and/or failure to perform, in whole or in part, any of its obligations under this Master Contract, as determined by an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm. CONTRACTOR shall make such payment to LEA within thirty (30) days of receipt of LEA's written notice demanding payment.

62. RATE SCHEDULE

The attached rate schedule (Exhibit A) limits the number of students that may be enrolled and maximum dollar amount of the contract. It may also limit the maximum number of students that can be provided specific services. Per Diem rates for students whose IEPs authorize less than a full instructional day may be adjusted proportionally. In such cases only, the adjustments in basic education rate shall be based on the required minimum number of minutes per grade level as noted in California Education Code Section 46200-46208.

Special education and/or related services offered by CONTRACTOR shall be provided by qualified personnel as per State and Federal law, and the codes and charges for such educational and/or related services during the term of this contract, shall be as stated in Exhibit A.

63. DEBARMENT CERTIFICATION

(a) The CONTRACTOR and any of its shareholders, partners, or executive officers are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency, and

(b) Have not, within a three-year period preceding this contract, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, or receiving stolen property; and are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses.

RECITALS

WHEREAS, School provides public education to students within the confines and limitations of California law, and receives funding in that regard from the State;

WHEREAS, School fosters successful student achievement through a quality, personalized, and standards-based education program featuring unique and hands-on experiential learning experiences;

WHEREAS, Vendor is engaged in the businesses of providing experienced and qualified educational services as ~~set forth~~described in **Exhibit A**; and

WHEREAS, School desires to retain Vendor for the purpose of providing the services described herein for the benefit of the School, families, and students.

NOW, THEREFORE, in consideration of the foregoing recitals, the promises and the mutual covenants contained herein, and for other good, valuable and sufficient consideration, the parties agree as follows:

SECTION 1. TERM and TERMINATION.

a. Term: This Agreement shall be effective as of **[INSERT DATE]**

b. Termination: Vendor may terminate this Agreement for cause after providing sixty (60) days advance written notice to School. School may terminate this Agreement at any time, with or without cause in its sole discretion with same-day written notice. Upon termination, School shall pay Vendor for all necessary and approved Services rendered pursuant to this Agreement and relevant "Enrichment Certificate(s)" (defined below) up to the effective date of termination. School has no obligation to pay Vendor for any Services provided after the effective date of termination. The termination of this Agreement constitutes a termination of any active invoices and Enrichment Certificates.

SECTION 2. SERVICES.

a. Scope of Services: Vendor is hereby engaged by School to perform the student enrichment services specified in **Exhibit A**, incorporated herein by reference ("Services"), subject to the terms and conditions contained herein. Vendor assumes full responsibility for the performance of the Services provided under the terms of this Agreement. School does not guarantee any minimum amount of work by this Agreement.

b. No Authority to Bind School: Vendor understands and agrees that Vendor lacks the authority to bind School contractually, conduct business on School's behalf, or incur any obligations on behalf of School. Specifically, Vendor agrees not to represent himself/herself or any Vendor employees, agents, or contractors as an employee of School in any capacity, including, but not limited to, when interacting with School students, parents, vendors, or employees.

c. Responsibility for Performance: Vendor assumes full responsibility for the performance of Vendor's duties under the terms of this Agreement and warrants that Vendor and its employees, contractors, and other agents are fully qualified in Vendor's specialized skill or expertise to perform such duties. Vendor will not enter into any contract or engagement that conflicts or interferes with Vendor's duties under this Agreement.

d. Compliance with Charter Petition and Law: Except when otherwise expressly required by applicable law, School shall not be responsible for monitoring Vendor's compliance with the law, charter petition, and Agreement. Vendor acknowledges that School must comply with Education Code § 220's prohibitions against discrimination, obligations to provide a free appropriate education to students with exceptional needs pursuant to the Individuals with Disabilities Education Act ("IDEA") and Section 504 of the Rehabilitation Act, and be non-sectarian in its programs. Vendor must be non-sectarian in any Services provided to School students. Vendor shall ensure its performance of its Services complies with these legal and charter petition requirements. If Vendor performs any Services in a manner that is contrary to law, Vendor shall bear all claims, costs, losses and damages (including, but not limited to, reasonable attorneys' fees and costs) arising therefrom.

e. Service Limitations: Vendor shall not serve a School student for more than twelve (12) core academic hours including math, language arts, social studies, science and world language during the school week (Monday to Friday from 8:00 am to 2:30 pm) under this Agreement or any other arrangement (e.g., Student participation in a Vendor program outside of School activities); excepting visual and performing arts, CTE pathways, robotics, and physical activities including dance, gymnastics, karate, and other similar activities, as approved by the supervising teacher.

f.
