Section 3 - Employment

EMPLOYMENT APPLICATIONS

We rely upon the accuracy of information contained in the employment application and the accuracy of other data presented throughout the hiring process and employment. Any misrepresentations, falsifications, or material omissions in any of this information or data may result in exclusion of the individual from further consideration for employment or, if the person has been hired, termination of employment.

EQUAL EMPLOYMENT OPPORTUNITY

Our School is an equal opportunity employer. In accordance with applicable law, our School prohibits discrimination, harassment, intimidation, and bullying based on

actual or perceived ancestry, age, color, disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sex, sexual orientation, actual or potential parental, family, marital status, or association with a person or a group with one or more of these actual or perceived characteristics. Our School will ensure that applicants and employees are treated equally in all aspects of employment without unlawful discrimination because of these or any other protected basis. Such aspects of employment include, but are not limited to, recruitment, hiring, promotion, demotion, transfer, layoff, termination, compensation, and training. Additionally, in accordance with applicable law, our School prohibits all forms of unlawful harassment of a sexual or other discriminatory nature. Any conduct contrary to this policy is prohibited. This policy applies to all applicants and employees of your School.

To comply with applicable laws ensuring equal employment opportunities to qualified individuals with a disability, your School will make a good faith effort to provide reasonable accommodations for the known physical or mental limitations of an otherwise qualified applicant or employee with a disability, unless undue hardship would result to your School. An applicant or employee who believes he or she requires an accommodation in order to perform the essential functions of the job should contact Human Resources and request such an accommodation, specifying what accommodation he or she needs to perform the job. Our School will analyze the situation, engage in an interactive process with the individual, and respond to the individual's request. If the employee believes they have been subjected to discrimination, please follow the complaint procedure outlined below.

HARASSMENT

It is the policy of your School to ensure equal employment opportunity without discrimination, harassment, intimidation, or bullying based on actual or perceived ancestry, age, color, disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sex, sexual orientation, actual or potential parental, family, marital status, or association with a person or a group with one or more of these actual or perceived characteristics. Our School prohibits any such discrimination or harassment. In addition, we prohibit abusive conduct/workplace bullying in the work environment. It is our mission to provide a professional work and learning environment free of harassment, discrimination and/or workplace bullying that maintains equality, dignity, and respect for all. This policy protects all employees of the School as well as interns, volunteers, and potential employees (applicants). All employees of the School are required to abide by this policy, regardless of position or status, including supervisors, administration, and co-workers. In addition, this policy prohibits unlawful harassment by third parties, including students, parents, vendors for both curriculum and enrichment along with community partners or other third parties, who have workplace contact with our employees. This policy applies to all applicants and employees (or other listed individuals), whether related to conduct engaged in by fellow employees or someone not directly connected to your School (e.g. an outside community partner, consultant or customer). Conduct prohibited by these policies is unacceptable in the workplace and in any work-related setting outside the

workplace, such as during business or field trips, meetings and business or school-related social events.

What is Harassment?

- Harassment can take many forms. As used in this Employee Handbook, the terms “discrimination” and “harassment” includes all unwelcome conduct that comprises the following behavior pertaining to any of the above protected categories or characteristics:
- Offensive remarks, comments, jokes or slurs pertaining to an individual's race, religion, sex, sexual orientation, gender or gender identity or gender expression, age, national origin or ancestry, disability, citizenship, veteran status, or any other protected status as defined by law or regulation whether verbally or by electronic means including email, and/or text messages
- Offensive sexual remarks, sexual advances, flirtations, or requests for sexual favors regardless of the gender of the individuals involved and whether verbally or by electronic means
- Offensive physical conduct, including, but not limited to, touching, blocking normal movement or interfering with another's work regardless of the gender of the individuals involved, including, but not limited to threats of harm, violence or assault
- Offensive pictures, drawings or photographs or other communications, including email, text messages, or other forms of electronic communication
- Holding work functions in inappropriate venues
- Sex or gender based practical jokes, sexual favoritism
- Threatening reprisals due to an employee's refusal to respond to requests for sexual favors or for reporting a violation of this policy
- Unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature, regardless of gender, when:
 - Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment;
 - Submission to, or rejection of, such conduct by an individual is used as a basis for employment decisions affecting such individual;
 - Such conduct has the purpose or effect of substantially interfering with the individual's work performance or creating an intimidating, hostile or offensive working environment.

What is abusive conduct/workplace bullying?

- Conduct of an employee in the workplace that a reasonable person would find hostile, threatening, intimidating, humiliating and unrelated to an employer's legitimate business interests
- Use of derogatory remarks, insults and/or epithets
- Verbal or physical conduct that sabotages or undermines a person's work performance that is threatening, humiliating or intimidating
- Bullying, gossip, profanity, abusive conduct and negative comments are

destructive to our School culture, create false rumors, disrupt school operations and interfere with the privacy of others

What is Retaliation?

Retaliation against an individual for reporting harassment, discrimination, abusive conduct or for participating in an investigation of a claim of such is a serious violation of this policy and, like harassment or discrimination itself, will be subject to disciplinary action. Acts of retaliation should be reported immediately to Human Resources and will be promptly investigated and addressed.

As used in this policy, “retaliation” means taking any adverse employment action against an employee because the employee engaged in protected activity pursuant to this policy. Protected activity may include, but is not necessarily limited to, opposing a practice or conduct the employee reasonably believes to be unlawful, reporting or assisting in reporting suspected violations of this policy, cooperating or participating in investigations or proceedings arising out of a violation of this policy, or engaging in any other activity protected by applicable law.

As used in this policy, an “adverse employment action” means conduct or an action that materially affects the terms and conditions of the employee’s employment status or is reasonably likely to deter the employee from engaging in further protected activity. An adverse employment action may include, but is not limited to, the following: demotion, suspension, reduction in pay, denial of merit salary increase, failure to hire, refusing to promote, denying employment opportunities, changing work assignments or otherwise treating an employee differently.

Any retaliatory adverse action because of a protected activity will not be tolerated. If an employee believes he/she has been subjected to, has witnessed, or has knowledge of retaliation in violation of this policy, please follow the complaint procedure outlined below.

Responsibility

All School employees have a responsibility for keeping our work environment free of harassment, discrimination, retaliation and abusive conduct in accordance with this policy.

Reporting

School encourages reporting of all perceived incidents of discrimination, harassment, abusive conduct or retaliation, regardless of the offender’s identity or position. Individuals who believe that they have been subjected to such conduct should immediately discuss their concerns with their immediate supervisor, Executive Director or Human Resources. Do not report your complaint to any individual who has allegedly engaged in the inappropriate behavior that is the subject of your complaint. In addition, our School encourages individuals who

believe they are being subjected to such conduct to promptly advise the offender that his or her behavior is unwelcome and request that it be discontinued. Often this action alone will resolve the problem. Our School recognizes, however, that an individual may prefer to pursue the matter through formal complaint procedures. Every effort will be made to keep such reports as confidential as possible, although anonymity cannot be guaranteed. Our School is serious about enforcing its policy against harassment; however, your School cannot resolve a harassment problem that it does not know about. Therefore, employees are responsible for bringing any such problems to your School's attention so it can take whatever steps are necessary to correct the problems.

Supervisors must report any and all alleged conduct of which they are made aware, which violates, or may violate, policies regarding discrimination, unlawful harassment, or retaliation to Human Resources, the Executive Director or the Chair of the Board of Directors, if appropriate. Supervisors who fail to report alleged violations may be subject to disciplinary action, up to and including termination.

Title IX provides for separate processes and procedures for sexual harassment and sexual assault when the type of conduct falls within the definitions of sexual harassment and sexual assault as provided in 34 C.F.R. § 106.30. In addition, the conduct must have taken place at school locations, events or circumstances over which the School exercised substantial control over both the individual who has been accused of sexual harassment and/or assault and the context in which the sexual harassment occurs. For these types of complaints, the School will follow the Title IX policy processes and procedures, which may be found in the School's Title IX grievance policy. If the conduct does not fall within Title IX, this policy will be followed. There may be instances where the conduct falls within both policies and the School will follow both policies.

The School's Title IX Coordinators are stated on each school's websites under Title IX.

If an employee has a complaint about Title IX, contact the Title IX Coordinator listed in the Title IX Policy. The employee has 180 days of the date of the alleged discrimination, unless the time for filing is extended for good cause by the Title IX Coordinator. Although the employee is not required to utilize the School's internal grievance procedure, the employee may do so prior to filing a complaint with the Office of Civil Rights (OCR). If the employee uses the School's internal grievance process, the Title IX complaint must be filed with the Office of Civil Rights within 60 days after the last act of the School's grievance process. Complaints pertaining to Title IX issues should be filed by using the Title IX Sexual Harassment Policy and Grievance Procedure and those procedures will be followed to resolve the complaint.

Questions, concerns or complaints regarding compliance with Title IX employee issues, please contact the Human Resources Director. Questions, concerns or complaints regarding harassment, discrimination, intimidation and bullying, please contact the Title IX Coordinator:

Title IX Coordinator: Deanna Moreno, Director of Human Resources
Clarksville Charter School

El Dorado Hills, CA 95762

Transgender and Gender Nonconforming Students Policy: Your school is committed to fostering an educational environment that is safe, welcoming, and free from stigma and discrimination for all students, regardless of gender identity or expression; facilitating compliance with local, state and federal laws concerning bullying, harassment, privacy and discrimination; and ensuring that all students have the opportunity to express themselves and live authentically. To review the policy, please visit the school's board webpage.

Universal Complaint Procedure

All complaints of harassment, discrimination, retaliation or abusive conduct will be promptly investigated. Our School encourages the prompt reporting of complaints or concerns so that rapid and appropriate remedial action can be taken before relationships become irreparably strained. Therefore, while no fixed reporting period has been established, early reporting and intervention have proven to be the most effective method of resolving actual or perceived incidents of harassment.

Our School's investigation methods will vary depending on the nature of the complaint, the allegations, the witnesses, and other factors. The investigation may include individual interviews with the parties involved and, where necessary, with individuals who may have observed the alleged conduct or may have other relevant knowledge. All complaints will be handled as confidentially as possible and information will be disclosed only as it is necessary to complete the investigation and resolve the matter. All employees are required to fully cooperate with your School's investigation which includes, but is not limited to, providing all pertinent information in a truthful manner, submitting pertinent documents in their possession, not interfering with the investigation in any manner, and maintaining an appropriate level of discretion regarding the investigation. Failure to do so may result in disciplinary action, up to and including termination.

Our School will strive to complete its investigation as efficiently as possible in light of the allegations, and will reach any conclusions based on the evidence collected and credibility of the witnesses. Your School may investigate conduct in the absence of a formal complaint if our School has reason to believe that an individual has engaged in conduct that violates School policies or applicable law. Further, our School may continue its investigation even if the original complainant withdraws

his or her complaint during the course of the investigation. Any conduct which our School believes constitutes harassment, discrimination, abusive conduct, or retaliation in violation of this policy will be dealt with appropriately. Corrective action may include, for example; training, referral to counseling, and/or disciplinary action such as warning, reprimand, withholding of a promotion or pay increase, reassignment, temporary suspension without pay or termination, as our School believes appropriate under the circumstances. Due to privacy protections, our School may not be able to disclose its entire decision regarding corrective action to the complainant. False and malicious complaints of harassment, discrimination, abusive conduct, or retaliation as opposed to complaints, which, even if erroneous, are made in good faith, may be the subject of appropriate disciplinary action. The employee may view the Universal Complaint Procedure on our school's website.

Conclusion

This policy was developed to ensure that all employees could work in an environment free from harassment, discrimination, abusive conduct and retaliation. Your School will make every reasonable effort to ensure that all concerned are familiar with these policies and aware that any complaint in violation of such policies will be investigated and resolved appropriately. Any employee who has questions or concerns about these policies should talk with Human Resources or the Executive Director. Finally, these policies should not, and may not, be used as a basis for excluding or separating individuals of a particular gender, or any other protected characteristic, from participating in business or work-related social activities or discussions. In other words, no one should make the mistake of engaging in discrimination or exclusion in order to avoid allegations of harassment. The law and the policies of your School prohibit disparate treatment on the basis of sex or any other protected characteristic, with regard to terms, conditions, privileges and prerequisites of employment. The prohibitions against harassment, discrimination, abusive conduct, and retaliation are intended to complement and further those policies, not to form the basis of an exception to them.

If the employee believes they have experienced discrimination, harassment, or abusive conduct the employee may file a Department of Fair Employment and Housing ("DFEH") or Equal Employment Opportunity Commission complaint. For information contact the DFEH or EEOC.

Training Requirements

Our School requires all employees to abide by California's training requirements, which includes training within six months of hire and retraining as legally required, thereafter. Employees who fail to complete this required training will be subject to disciplinary action, up to and including termination.

AT-WILL EMPLOYMENT

We believe that an employment relationship is successful as long as both parties are mutually satisfied. Accordingly, both the employee and the School will have the right to terminate employment and all related compensation and benefits at any time, with or without cause and with or without notice. In addition, the School may eliminate or change any term or condition of employment (including but not limited to job assignment, duties, or salary) at-will, at any time, for any reason not prohibited by law, with or without cause and with or without previous notice.

This is called “employment at-will,” and no one other than the Executive Director of your School with the approval of the Board of Directors, has the authority to alter the employee’s employment at-will status, to enter into an agreement for employment for a specified period of time, or to make any agreement contrary to this policy. Further, any such agreement must be in writing and must be signed by the Executive Director. Statements of specific grounds for termination set forth in this Handbook, or elsewhere, are not all-inclusive and are not intended to restrict your School’s right to terminate at-will.

PROFESSIONAL DEVELOPMENT FOR SALARY ADVANCEMENT

Employees who wish to advance their salary beyond their initial placement may receive credit for upper-division and/or graduate level college/university courses up to 6 semester units or two classes per school year. These courses must be pre-approved first by the employee’s direct supervisor, and then by a school Director prior to registering for courses. Courses that are commonly accepted are courses that:

- Are related to education
- Are related to the courses the teacher is currently teaching
- Enhance the teacher’s teaching abilities

Note: Employees must receive passing grades on their transcripts (C- or higher, or Pass) for those units to qualify toward a salary increase.

Once pre-approved courses have been completed, employees will need to send all post-baccalaureate transcripts, including the newly completed course transcripts, to the Human Resources Department for the information to be added to their employee file. Transcripts must be submitted by June 1st of the current school year for salary schedule consideration for the following school year. No more than 6 units or two classes will be approved per school year for salary advancement purposes.*

*Special consideration may be given to employees who are seeking an advanced degree (such as a Masters or Doctorate) or are working toward completion of additional credentials or certifications. As with other coursework, these require pre-approval from the employee's direct supervisor and a school Director.

EMPLOYEE PLACEMENT ON SALARY SCHEDULE

Salary placement for newly hired employees is contingent upon all documentation (i.e. transcripts, verification of experience, credential accreditation, etc) being received and verified. There are no retroactive salary placements. It is the employees' responsibility to furnish the Human Resources Department with verification of these items upon hire.

Initial salary schedule placement is determined by the number of post-baccalaureate units and the number of years of previous teaching experience.

In order for units to be considered for initial placement on the salary schedule, post-baccalaureate units must meet the following criteria:

- Earned after Bachelor's degree completion date
- Upper-division and/or graduate-level courses
- Relevant to the field of education

Previous teaching work experience may be accepted on a year-for-year basis for up to five years of credit if it meets the following criteria:

- Must have worked with the same employer for at least one year
- Worked in a full-time capacity
- Worked at least 75% of the school year

Note: Substitute teaching experience is not accepted

OPEN COMMUNICATION POLICY

We want to hear from our employees. Our School strongly encourages employee participation in decisions affecting their employment and their daily professional responsibilities. Our greatest strength lies in our employees and our ability to work together. We encourage open communication about all aspects of our school and organization. Employees are encouraged to openly discuss with their supervisors any problems or suggestions they believe would make our organization better and stronger. Our School is interested in all of our employee's success and fulfillment. We welcome all constructive suggestions and ideas.

Employees who have work-related concerns or complaints are encouraged to discuss them with their supervisor, Executive Director or Human Resources. Employees are

encouraged to raise their work-related concerns as soon as possible after the events that cause concern. Your School will attempt to keep the employee's concerns and complaints and any potential investigation confidential to the extent feasible. However, in the course of an investigation and/or in resolving the matter, some dissemination of information to others may be necessary, appropriate, and/or required by law. Employees with concerns or complaints relating to harassment, discrimination or retaliation should follow the reporting procedure outlined in this Handbook.

LACTATION ACCOMMODATION POLICY

Your School provides a reasonable amount of break time to accommodate a lactating employee's need to express breast milk for the employee's infant child. For those employees who are working at a school location, the School will also make a reasonable effort to provide the employee with the use of a room or other private location in close proximity to the employee's work area for the employee to express milk in private. The location will also meet the following requirements: not be a bathroom; be free from intrusion; be shielded from view; be safe, clean, and free of hazardous materials; contain a surface to place a breast pump and personal items; contain a place to sit; and have access to electricity or alternative devices, including, but not limited to, extension cords or charging stations, needed to operate an electric or battery-powered breast pump. In addition, the School shall provide access to a sink with running water and a refrigerator suitable for storing milk in close proximity to the employee's work area. If a refrigerator cannot be provided, the School may provide another cooling device suitable for storing milk, such as a School-provided cooler.

The School reserves the right to deny an employee's request for a lactation break if the additional break time will seriously disrupt operations. Employees requesting an accommodation under this policy should comply with the following requirements:

- The employee should complete an accommodation request form and contact the employee's supervisor or Human Resources to request designation of a location and time to express breast milk under this policy. The School will respond accordingly, generally within two business days.
- The requested break time should, if possible, be taken concurrently with other scheduled break periods. Nonexempt employees should clock out for any lactation breaks that do not run concurrently with normally scheduled rest periods. Any such breaks will be unpaid.

Retaliation for making a lactation accommodation request is strictly forbidden. If the employee believes she has been retaliated against it should be reported immediately to her supervisor, Human Resources or Executive Director. Discrimination against and harassment of lactating employees in any form is unacceptable, a form of prohibited sex/gender discrimination, will not be tolerated at your School and will be handled in accordance with your School's policy on discrimination and harassment. If any employee believes that he or she has experienced retaliation or discrimination as a result of conduct protected by this policy, the employee may file a complaint with his or her supervisor and/or the Labor Commissioner's Office. For more information,

contact the Labor Commissioner's Office by phone at 213-897-6595 or visit a local office by finding the nearest one on our website: www.dir.ca.gov/dlse/DistrictOffices.htm The Labor Commissioner's Office provides an interpreter at no cost to the employee, if needed.

An employee who wishes to report a suspected violation of law or School Policy may do so by contacting the Executive Director or Human Resources.

Your School expressly prohibits any form of retaliation, including harassment, intimidation, adverse employment actions, or any other form of retaliation, against employees who raise suspected violations of law, cooperate in inquiries or investigations, or identify potential violations of School policy. Any employee who engages in retaliation will be subject to discipline, up to and including termination.

Any employee who believes that he or she has been subjected to any form of retaliation as a result of reporting a suspected violation of law or policy should immediately

report the retaliation to one of the following: the Executive Director or Human Resources. Any supervisor, manager, or human resources staff member that receives complaints of retaliation must immediately inform the Executive Director or Chair of the Board of Directors, if appropriate.

Reports of suspected violations of law or policy and reports of retaliation will be investigated promptly and in a manner intended to protect confidentiality as much as possible (although anonymity cannot be guaranteed) and consistent with a full and fair investigation. School administration (and/ or an administrative designee) will conduct the investigation or designate other internal or external parties to conduct the investigations. The investigating parties will notify the concerned individuals of their findings as appropriate.

Section 4 - The Employment Process

EMPLOYEE STATUS AND CLASSIFICATIONS

Each School employee is either a “full-time,” “part-time,” or “temporary” employee and either an “exempt” or “non-exempt” employee. Some of the policies and benefits described in this handbook depend on whether the employee is full-time or part-time. Full-time employees are those employees regularly scheduled to work 30 or more hours each week. Part-time employees are those regularly scheduled to work less than 30 hours each week. Temporary employees are those employed for short-term assignments or in connection with a specific project or event. In order to accommodate the needs of our school(s), it may be necessary to change individual work schedules on either a short- term or long-term basis. All employees are expected to be available by phone, email or in-person with scheduled meeting(s)/event(s). If the employee needs to modify their schedule, request the change with Human Resources or their supervisor. All schedule changes or modifications must be approved by the Executive Director or their supervisor.

Your School reserves the right to assign employees to jobs other than their usual assignment when necessary, provided the employee is capable of performing the essential functions of the alternate assignment.

Non-exempt employees are not to work before or to continue working after their scheduled hours unless specifically assigned by the supervisor. ATTENDANCE AND PUNCTUALITY

Employees are expected to observe regular attendance and be punctual. Each of our employees is critical to our success. Therefore, regular attendance and punctuality is considered an essential function of all positions. If the employee is unable to report for work on any particular day, the employee must call their supervisor at least one hour before the time scheduled to begin working for that day. If the employee calls in less than one hour before the scheduled time to begin work, the employee will be considered late for that day. Absent extenuating circumstances or a medical provider's order excusing the employee from work for a period of time, the employee must call in on any day the employee is scheduled to work and will not report to work. The School understands that in some cases, advance notice is not possible. In these cases, notify the supervisor personally at the earliest possible moment. In some circumstances, the employee may be required to provide verification of the reason or documentation for the absence.

If a non-exempt employee or instructional employee has more than three instances of being late during any twelve-month period, it will be considered excessive. Any unexcused absence is considered excessive. If the employee fails to report for work without any notification to the employee's supervisor and the absence continues for a period of three business days, the School will determine that the employee has abandoned their job and voluntarily terminated their employment.

PROFESSIONAL DEVELOPMENT

Employees are expected to attend and participate in all professional development sessions and other scheduled school sponsored trainings. While we understand that scheduling conflicts may arise, consistent tardiness, absenteeism or early departures may result in disciplinary action. When an employee attends a school sponsored professional development and/or training, the time spent in attendance shall be counted as time worked.

For virtual attendance, video registration/chat or signing in on a Google Doc/Survey will serve as attendance. For in-person meetings, either online document or paper documentation will be required for the purpose of record keeping. These records will

serve as the official roster of attendance. Your School will pay hourly employees for attendance at mandatory trainings, lectures, and meetings outside of regular working hours at the employee's hourly rate. As exempt employees, salaried staff may be required to attend training seminars that may be outside of your School's normal business hours with no additional pay. In the event that an employee must leave early or is unable to attend a scheduled training (i.e. Professional Development sessions), during their normal work hours, an employee **MUST** put in a time-off request according to the time-off policy. Employees may also be required to attend make-up sessions of any missed training. Failure to comply with this policy may result in disciplinary action.

TIME RECORDS (NON-EXEMPT EMPLOYEES)

Non-exempt employees must accurately complete time records within the School's time keeping system on a daily basis. Each time record must show the exact time work began and ended, the meal periods taken, and employee signature. Absences and overtime must be accurately identified on the employee's time record. Non-exempt employees are not allowed to work "off the clock." All time actually worked must be recorded. Each employee must sign and submit his or her own time record. [Incomplete and late timesheets will be held until the next pay period. No non-exempt employee will be paid until a correctly completed timesheet is submitted.](#)

Exempt employees must report full days of absence from work. Deductions from an exempt employee's salary will be made only in accordance with applicable law. Employees should immediately contact Human Resources with any questions concerning their pay so that inadvertent errors can be corrected.

OVERTIME

All non-exempt employees are required to obtain approval from their supervisor prior to working overtime or double-time. Failure to obtain such approval may subject an employee to discipline, up to and including termination. However, in all cases, the School will compensate its non-exempt employees for all hours worked.

OFF THE CLOCK WORK

Your School prohibits all non-exempt employees from working off the clock at any time. All time worked must be recorded on the employee's timesheet. This includes the use of laptops, computers, PDAs or cell-phones to check work email, voicemail or to send text messages after hours.

MEAL AND REST PERIODS (NON-EXEMPT EMPLOYEES)

All non-exempt employees are provided with an opportunity to take meal and rest periods consistent with the law. During the meal periods and rest periods, employees may not work at all and are excused from all duties. Required meal or rest periods may not be combined in order to take a longer break. Employees may not miss a required meal or rest period in order to start work later or leave work earlier. In the rare event that an employee believes they cannot take a meal or rest period, or is unable to take a full meal or rest period pursuant to School policy or must begin the meal period more than five hours after the work period began, they must notify Human Resources in advance whenever possible and as soon as possible so that the proper measures may

be taken. Failure to comply with the School’s policy regarding meal and/or rest periods can lead to discipline, up to and including termination.

Meal Periods

Non-exempt employees (hourly employees) scheduled to work more than five hours in a day are given a 30-minute duty-free unpaid meal period. The meal period must be taken before the fifth (5th) hour of work. For example, if the employee begins working at 7:00 a.m., then the employee must clock out to begin his or her meal period no later than 12:00 p.m. (noon). The employee may waive this meal period if his/her workday will be completed within a total of six hours or less. To waive a meal period, the employee must receive prior written approval from their supervisor and complete a “Meal Period Waiver” form.

If an employee’s day exceeds ten hours of work time, the employee is entitled to an additional 30 minute duty-free meal break. The employee only may waive this second meal period if he/she has taken the required first meal break of at least 30 minutes and his/her workday will not exceed 12 hours. To waive the second meal period, the employee must receive prior written approval from their supervisor and complete a “Second Meal Period Waiver” form.

Non-exempt employees must observe assigned working hours, the time allowed for meal periods, and report any missed, late or short meal periods on that days’ time record and to the employee’s supervisor immediately. The meal period must be accurately recorded on the employee’s timesheet. Meal periods are unpaid time and employees are free to leave the premises, if working at a site. Meal periods may not be combined with rest periods or used to come in later or leave earlier on a workday.

Rest Periods

Non-exempt employees are authorized and permitted to take a 10-minute rest period for each four (4) hours of work or major portion thereof. The supervisor may schedule the rest periods. Rest periods should be taken as close to the middle of a work period as possible and cannot be taken in conjunction with a meal period. Rest periods are paid work time and cannot be waived by the employee in order to shorten the workday or used towards additional time off.

Hours Worked	Number of Rest Periods
3.5 hours to 6 hours	One 10-minute rest period
Over 6 hours to 10 hours	Two 10-minute rest periods
Over 10 hours to 14 hours	Three 10-minute rest periods

Non-exempt employees must observe assigned working hours, the time allowed for rest periods, and report any missed rest period immediately as set forth below.

Employees are encouraged to report any concerns regarding meal or rest periods to Human Resources.

Reporting Missed, Late or Short/Interrupted Meal and Rest Periods

Any employee who misses a meal or rest period or who experiences a late, short, or interrupted meal period – for any reason – must immediately report this issue in writing (via email) to Human Resources on the same workday that he or she experienced the non-compliant meal or rest period. The employee must include a description providing a thorough explanation for the non-compliant meal or rest period.

If an employee voluntarily chooses to miss a meal or rest period or take a late, short, or interrupted meal period (e.g., I chose to take my lunch later in the day or I chose to refuse an “authorized” meal period at the time provided by your school), the employee is not entitled to premium pay (one additional hour of pay). If an employee involuntarily experiences a missed meal or rest period or a late, short, or interrupted meal period (e.g., my supervisor asked me to handle a client call or meeting that caused me to miss or take a late meal period), the employee is entitled to premium pay. Employees must report the reason for the non-compliant meal or rest period to Human Resources.

PAYDAYS

Employees are paid semi-monthly in accordance with the School’s payroll schedule. Employees who do not have direct deposit will receive their checks via mail. If a normally scheduled pay day falls on a weekend or holiday, paychecks will be mailed the preceding business day.

A written, signed authorization is required for mail delivery or for delivery of a paycheck to any other person other than the employee. If automatic deposit is used for the paycheck, the funds will be deposited to the financial institution requested by the employee by the end of business on the scheduled payday. While an automatic deposit may actually credit to the employee's account before the actual “payday,” the School is not responsible for automatic payments or withdraws dated prior to the actual payday and the employee should not depend on early deposits of pay. If a wage garnishment order is received by your School for an employee, the school is obligated by law to comply with the demand. The affected employee will receive notice from his or her supervisor or Human Resources as soon as possible.

DEFERRED PAY

Starting in the 2023-2024 school year, the Sequoia Grove Schools are moving to a 10.5 month (21 pay period) for all Salary Schedule A & B staff and an 11 month (22 pay period) for all Salary Schedule C staff payroll year. This is to assist the Charters with better aligning employment contracts, pay schedules, and staff calendars.

The schools are offering an optional deferral (summer hold back program) starting in the 2022-2023 school year to assist staff with creating a paycheck for the remaining

two (2) or three (3) pay periods in the 2023-2024 school year. This will not impact the total salary of an employee.

Employees will have the opportunity to opt-in or opt-out of the summer hold back program. Employees who choose to opt-in to the program, will be able to choose the deferred amount per paycheck to be withheld allowing flexibility on the amount that will be paid on the two (2) or three (3) “deferred” paychecks. Once the amount is selected and set by the Payroll Team, it cannot be changed for that school year.

PAYROLL WITHHOLDINGS

The School is required by law to withhold Federal Income Tax, State Income Tax, Social Security (FICA), State Teachers Retirement Service (STRS for eligible credentialed faculty) and State Disability Insurance from each employee’s paycheck as outlined below. Additionally, if a garnishment, tax levy, or an order to withhold child support payments should be delivered, the School must comply with that order within the time allowed by law, and cannot postpone the payroll deduction for any reason. Voluntary deductions, which must be authorized in writing by employees, may include retirement plans, employee portion of insurance premiums, or any other benefit made available to employees.

If an employee believes an error has been made in his or her pay or deductions the School will work in good faith to resolve errors as soon as possible. The employee should notify the Payroll Coordinator or his or her designee of any errors in pay or deductions withheld within seven (7) days from the date paid.

Every deduction from the employee’s paycheck is explained on the check voucher/paystub. If the employee does not understand the deduction, then he or she should ask Human Resources to explain it. The employee may change the number of withholding allowances he or she wishes to claim for Federal and/or State Income Tax purposes before any pay period by filling out a new W4 or DE4 form and submitting it to Human Resources.

Section 5 - Conditions of Employment

IMMIGRATION LAW COMPLIANCE

The School employs only those authorized to work in the United States in compliance with the Immigration and Control Act of 1986. Each new employee, as a condition of employment, must complete the Employment Eligibility Verification Form I-9 and present original documentation establishing identity and employment eligibility as outlined on the I-9 instruction forms. Former employees who are rehired must also complete the form if they have not completed an I-9 with the School within the past three years or if the previous I-9 is no longer retained or valid.

CREDENTIAL REQUIREMENTS

All credentialed employees must provide copies of credentials, official transcripts, and/or test scores prior to the first day of work. Failure to provide these documents may delay an employee's ability to begin work. Employees are also responsible for keeping required certificates, credentials, and registrations current and in good standing, for paying the costs associated with renewal, and for providing both the Executive Director and the School with verification of renewals. Failure to provide these updated documents to the School may result in suspension without pay until such time as the necessary documentation has been provided. If an employee fails to obtain the appropriate credential, or allows a credential, certificate, registration, or required course deadline to expire, or fails recertification, training, or testing, the School reserves the right to suspend the teacher without pay until the teacher's credential is cleared, or release the teacher from at-will employment as necessary.

TEACHER INDUCTION

The school does not offer Teacher Induction. Please refer to the California Commission on Teacher Credentialing and board policy in relation to the schools' Teacher Induction Policy.

RESIDENCY REQUIREMENTS

All employees with in-person requirements as part of their job description are required to live and reside in California, in the region where students are served. All approved out of area employees will have this listed within their employment contract, i.e. 100% virtual contract.

TEMPORARY RESIDENCY

Temporary Residency for Certificated Employee: All certificated employees (with in-person requirements as part of their job description) who are seeking to relocate with a temporary residence are required to write a "Temporary Residency Request" to their supervisor and Executive Director or designee minimum of 5 days prior to departing primary residence.

Certificated employees must obtain written approval from their supervisor and Executive Director or designee for the Temporary Residency to be granted. Failure to do so, will result in a dock in pay for days absent. Temporary Residency may be approved for a maximum of two weeks and the Certificated employee is expected to continue and perform all job duties per their job description, communicate and execute all job duties with students, colleagues, and all work-related entities. All full time Certificated employees are expected to continue to be available between the scheduled hours of 8:30am-5:00pm Pacific Time. Though a temporary residency may not be the norm, employees are encouraged to review the other leave policies outlined in the Employee Handbook that may be deemed more appropriate for the circumstance. Temporary Residency is not to be construed as a vacation, as only employees working over 210 days have PTO in their contract. All Certificated staff: please refer to the Leave policies or Human Resources for more clarification.

TUBERCULOSIS TEST

Before the first day of employment, all new employees must have had a tuberculosis test as described in Education Code 49406 or a TB Risk Assessment (pursuant to AB1667) within the past 60 days. Employees transferring from other public or private schools within the State of California must either provide proof of an examination or a completed Risk Assessment within the previous 60 days or a certification showing that he or she was examined within the past four (4) years and was found to be free of communicable tuberculosis. The current physician's statement or Risk Assessment must be on file in the office before the first day of employment. Failure to provide documentation on time may result in delay of the employee's ability to begin work or termination.

TB Clearance is good for four years and it is the employee's responsibility to remain in compliance and ensure the School has a valid certificate on file.

CRIMINAL BACKGROUND CHECK

As required by law, all individuals working or volunteering at the School will be required to submit to fingerprinting and a criminal background investigation. The School shall, on a case-by-case basis, determine whether a volunteer will have more than limited contact with pupils or consider other factors requiring a criminal background check for such a volunteer.

CHILD ABUSE AND NEGLECT REPORTING ACT

Since employees work directly with children, they are in a position to detect instances of child abuse and neglect. It is the School's policy that all employees shall comply with the California State law regarding child abuse reporting procedures. Section 11166 of the California Penal Code mandates the reporting to designated authorities of cases of suspected child abuse as follows:

"Any child care custodian, health practitioner, or employee of a child protective agency who has knowledge of or observes a child in his or her professional capacity or within the scope of his or her employment whom he or she knows or reasonably suspects has been the victim of child abuse shall report the known or suspected instance of child abuse to a child protective agency immediately or as soon as practically possible by telephone and shall prepare and send a written report thereof within 36 hours of receiving the information concerning the incident."

While each employee has the responsibility to ensure the reporting of any child he/she suspects is a victim of abuse, the employee is not to verify the suspicion or prove that abuse has occurred. Teachers or staff who become aware of suspected child abuse should report the suspicions as required. All employees will be mandated child abuse reporters and will participate in annual training, follow all applicable reporting laws and the same policies. The School's Child Abuse and Neglect Policy will contain detailed policies and procedure for the immediate reporting of suspected child abuse and neglect. All appropriate staff are required to certify knowledge of the policy annually, and employees shall receive mandated reporter training annually. The school will

provide this training, as well as other trainings, mandated by law during the first month of the school year, or the first month of employment, should an employee start after the beginning of the school year.

It is extremely important that School employees comply with the requirements of the Child Abuse and Neglect Reporting Act (CANRA). No mandated reporter can be held civilly or criminally liable for any report required or authorized by CANRA. In addition, any other person who voluntarily reports a known or suspected incident of child abuse or neglect will not incur civil or criminal liability unless it is proven that the report was false and the person knew the report was false or made the report with reckless disregard of its truth or falsity. Your direct supervisor is available to answer any questions employees may have about their responsibilities under CANRA, or to assist an employee in making a report under CANRA. If an employee makes a report pursuant to CANRA without the School's assistance, he or she is required to notify the School of the report if it is based on incidents he or she observed or became aware of during the course and scope of his or her employment with the School.

PERSONNEL FILES

An employee or former employee (or designee) has the right to inspect or receive a copy of his or her personnel records at reasonable times, at a reasonable place, and on reasonable advance notice to Human Resources. All requests should be put in writing preferably on the form maintained by the School. If the request includes a request for copies, the employee or former employee may be required to pay for the actual costs of copying. The Employer will respond to such a request within 30 days of receipt of the written request. Employees are not entitled to inspect or copy: letters of reference, records that relate to an investigation of possible criminal activity, ratings, reports, or records obtained prior to employment, prepared by examination committee members or obtained in connection with a promotional examination.

CHANGES IN EMPLOYEE INFORMATION

An employee is responsible for notifying Human Resources about changes in the employee's personal information and changes affecting the employee's status (ex. name changes, address or telephone number changes, marriages or divorces, etc.) This notification by the employee must occur as close to the change as possible, but no later than 30 days following the change.

Section 6 - Performance

PERFORMANCE EVALUATIONS

The purpose of a staff evaluation is to safeguard and improve the quality of educational support and service received by students and families by employees and to provide staff with important feedback to improve their practice and identify options for professional development and growth. Every staff member will be evaluated annually or biennially per administrator discretion. Evaluations will be conducted in the spring of each school year. The employee's supervisor may identify opportunities

for professional growth. It is not a right of any employee to be provided a performance plan. A signed copy of the Final Evaluation and any supporting documents shall be kept on file with the HR Director.

Certificated Staff:

At the start of each academic year, each certificated staff member will meet with their Supervisor or Instructional Team Advisor to establish and/or review Performance Objectives or SMART Goals for that school year. The certificated staff member will put these objectives in writing and complete a pre-evaluation template to be provided by their Supervisor or Instructional Team Advisor. The Immediate Supervisor will evaluate the Certificated staff member annually or biennially per administrator discretion. Evaluations will be conducted in the spring of each school year and will be completed no later than thirty (30) calendar days before the end of the employee's scheduled work year.

The evaluation will be based on factors including the Certificated staff member's job description, accomplishment of the Performance Objectives, and standards for teaching performance. In addition to these more formal performance evaluations, the School encourages employees and their supervisor to discuss job performance on an ongoing basis.

The School's provision of performance evaluations does not alter the at-will employment relationship. Nothing in this policy shall limit the right to terminate employment at-will or limit the School's right to transfer, demote, suspend, administer discipline, and change the terms and conditions of employment at its sole discretion. Employment is at the mutual consent of the employee and the School. Accordingly, either the employee or the School can terminate the employment relationship at-will, at any time, with or without reason and with or without notice.

Classified Staff:

Formal evaluations are generally held once each year. Employees will be provided a copy of the evaluation tool and as part of the process, will do a self-evaluation. The direct supervisor may schedule the evaluation time in advance so that the employee is prepared for the process. In addition to these more formal performance evaluations, the School encourages staff members and supervisors to discuss their job performance on an ongoing basis.

Section 7 - Leaves

FAMILY MEDICAL LEAVE ACT/CALIFORNIA FAMILY RIGHTS ACT¹

The School complies with the federal Family and Medical Leave Act (FMLA) and the California Family Rights Act (CFRA), both of which require the School to permit each eligible employee to take up to 12 work weeks of leave in any 12-month period for the

birth or adoption of a child, the employee's own serious health condition or for the serious health condition of the employee's child, parent, or spouse. CFRA further allows for 12 work weeks of leave to care for the serious health condition of the employee's grandchild, grandparent, parent-in-law, domestic partner, or sibling.

Child means a biological, adopted, or foster child, a stepchild, a legal ward, a child of domestic partner, or a person to whom the employee stands in loco parentis. Parent means a biological, foster, or adoptive parent, a stepparent, a legal guardian, or other person who stood in loco parentis to the employee when the employee was a child. For ease of reference in this policy, all leave taken under FMLA and CFRA will be referred to as "FMLA Leave," except to the extent that leave under FMLA and CFRA do not overlap. It is also the policy of the School that it will not interfere with, restrain, or deny any employee's rights provided by FMLA and CFRA. FMLA leave runs concurrently with Pregnancy Disability Leave, while CFRA leave does not.

Eligible employees may request a family and medical leave of absence under the circumstances described below. Eligible employees are those who have been employed by the School for at least 12 months (not necessarily consecutive), have worked at least 1250 hours during the 12 months immediately prior to the family and medical leave of absence, and, for purposes of FMLA leave only, are employed at a worksite where there are 50 or more employees of the School within 75 miles.

Ordinarily, the employee must request a planned family and medical leave at least 30 days before the leave begins. If the need for the leave is not foreseeable, the employee must request the leave as soon as possible. Please use the School's request form, which is available upon request from Human Resources. Failure to comply with this requirement may result in a delay of the start of the leave.

A family and medical leave may be taken for the following reasons:

1. The birth of an employee's child or the placement of a child with the employee for foster care or adoption, so long as the leave is completed within 12 months of the birth or placement of the child;
2. The care of the employee's spouse, child, parent, or registered domestic partner with a "serious health condition";
3. The care of a grandchild, grandparent, parent-in-law, domestic partner, or sibling with a serious health condition. Leave taken pursuant to this section is available only through CFRA and not FMLA. As such, FMLA does not run concurrently with leave taken for the employee's grandchild, grandparent, domestic partner, or sibling with a serious health condition.
4. The "serious health condition" of the employee;
5. The care of the employee's spouse, child, parent, or next of kin who is a member of the Armed Forces, including a member of the National Guard or Reserves, and who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness incurred in the line of duty on active duty or that existed

before the beginning of the member's active duty and was aggravated by service in the line of duty; or

6. Any qualifying exigency as defined by the applicable regulations arising out of the fact that the employee's spouse, registered domestic partner, child, or parent is on active duty (or has been notified of an impending call or order to active duty) in the Armed Forces in support of a contingency operation. Domestic partner leave under this section is only available through CFRA and not FMLA.

A "serious health condition" is an illness, injury, impairment, or physical or mental condition that involves inpatient care in a hospital or other medical care or residential health care facility or continuing treatment or supervision by a health care provider. Employees may take a leave under paragraphs (2) or (3) above only if due to a serious health condition, or a spouse, child, grandchild, grandparent, sibling, parent, or registered domestic partner requires care or assistance as certified in writing by the family member's health care provider. If seeking a leave under paragraph (4) above, the employee must provide the School with a medical certification from a health care provider establishing eligibility for the leave, and the employee must provide the School with a release to return to work from the health care provider before returning to work. The employee must provide the required medical certification, which can be obtained from Human Resources, to the School in a timely manner to avoid a delay or denial of leave.

Family and medical leave is unpaid and may be taken for up to 12 workweeks during the designated 12-month period (with the exception of qualifying leaves to care for a member of the Armed Services who has a serious illness or injury, which may be taken for up to a total of 26 workweeks of leave during a single 12-month period). The 12-month period will be defined as a "rolling twelve months" looking backward over the preceding 12 months to calculate how much family and medical leave time has been taken and therefore determine the amount of leave that is available. Qualifying leaves to care for a member of the Armed Services who has a serious illness or injury will be calculated on the 12-month period looking forward. All time off that qualifies as family and medical leave will be counted against the employee's state and federal family and medical leave entitlements to the fullest extent permitted by law. The employee will be required to use any available sick time during unpaid family and medical leave. The employee will also be required to use any available paid sick leave during unpaid family and medical leave that is due to the employee's own or a family member's serious health condition. However, if an employee is receiving benefit payments pursuant to a disability insurance plan (such as California's State Disability Insurance plan or Paid Family Leave program) or workers' compensation insurance plan, the employee and the School may mutually agree to supplement such benefit payments with available paid sick leave.

Benefit accrual, such as PSL, PTO, and holiday benefits, will be suspended during the approved leave period and will resume upon return to active employment. During a family and medical leave, group health benefits will be maintained as if continuously

employed. However, the employee must continue to pay his/her share of applicable premiums (for themselves and any dependents) during the leave.

If the employee out on leave chooses not to return from a leave allowed by this policy after the expiry of the leave, the employee will be required to repay the School the premium amounts it paid during leave, unless the employee does not return to work because of circumstances beyond the employee's control or because of recurrence, continuation, or onset of a serious health condition.

If the employee does not return to work on the first workday following the expiration of an approved family and medical leave, the employee will be deemed to have resigned from his/her employment. Upon returning from such a leave, the employee will normally be reinstated to their original or an equivalent position and will receive pay and benefits equivalent to those received prior to the leave, as required by law. In certain circumstances, "key" employees may not be eligible for reinstatement following a family and medical leave. The School will provide written notice to any "key" employee who is not eligible for reinstatement.

Before an employee will be permitted to return from leave taken because of their own serious health condition, the employee must obtain a certification from their health care provider certifying the ability of the employee to resume work.

If an employee has any questions concerning, or would like to submit a request for a family and medical leave of absence, please contact Human Resources.

2022 COVID-19 SUPPLEMENTAL PAID SICK LEAVE

Covered employees in the public or private sectors who work for employers with 26 or more employees are entitled to up to 80 hours of 2022 COVID-19 related paid sick leave from January 1, 2022 through September 30, 2022, immediately upon an oral or written request to their employer, with up to 40 of those hours available only when an employee or family member tests positive for COVID-19.

A full-time covered employee may take up to 40 hours of leave *if the employee is unable to work or telework for any of the following reasons:*

- **Vaccine-Related:** The covered employee is attending a vaccine or booster appointment for themselves or a family member or cannot work or telework because they have vaccine-related symptoms or are caring for a family member with vaccine-related symptoms. An employer may limit an employee to 24 hours or 3 days of leave for each vaccination or booster appointment and any consequent side effects, unless a health care provider verifies that more recovery time is needed *
- **Caring for Yourself:** The employee is subject to quarantine or isolation period related to COVID-19 as defined by an order or guidance of the California Department of Public Health, the federal Centers for Disease Control and

Prevention, or a local public health officer with jurisdiction over the workplace; has been advised by a healthcare provider to quarantine; or is experiencing COVID-19 symptoms and seeking a medical diagnosis

- Caring for a Family Member: The covered employee is caring for a family member who is subject to a COVID-19 quarantine or isolation period or has been advised by a healthcare provider to quarantine due to COVID-19, or is caring for a child whose school or place of care is closed or unavailable due to COVID-19 on the premises

PREGNANCY DISABILITY LEAVE

The School provides pregnancy disability leaves of absence without pay to eligible employees who are temporarily unable to work due to a disability related to pregnancy, childbirth, or related medical conditions. Employees should make requests for pregnancy disability leave to their supervisor at least 30 days in advance of foreseeable events and as soon as possible for unforeseeable events. A health care provider's statement must be submitted, verifying the need for such leave and its beginning and expected ending dates. Any changes in this information should be promptly reported to Human Resources. Employees returning from pregnancy disability leave must submit a health care provider's verification of their fitness to return to work.

The School will make a good faith effort to provide reasonable accommodations and/or transfer requests when such a request is medically advisable based on the certification of a healthcare provider. When an employee's health care provider finds it is medically advisable for an employee to take intermittent leave or leave on a reduced work schedule and such leave is foreseeable based on planned medical treatment because of pregnancy, the School may require the employee to transfer temporarily to an available alternative position. This alternative position will have an equivalent rate of pay and benefits and must better accommodate recurring periods of leave than the employee's regular job.

Eligible employees are normally granted unpaid leave for the period of disability, up to a maximum of four months (or 17 1/3 weeks or 693 hours) per pregnancy. Employees will be required to use any unused allotted sick time during any unpaid portion of pregnancy disability leave. Employees may also elect to use any available PTO during any unpaid portion of pregnancy disability leave. If an employee is receiving benefit payments pursuant to a disability insurance plan (such as California's State Disability Insurance plan or Paid Family Leave program), the employee and the School may mutually agree to supplement such benefit payments with available sick leave.

Benefit accrual, such as PTO, sick leave, and holiday benefits, will be suspended during the approved pregnancy disability leave period and will resume upon return to active employment. Group health benefits will be maintained during the approved pregnancy disability leave as if continuously employed. However, the employee must continue to pay their share of applicable premiums (for themselves and any dependents) during the leave.

Additionally, if an employee does not return to work after the expiration of the pregnancy disability leave, and the reasons for failure to return to work do not include one of the following: 1) the employee is on CFRA leave; or 2) the continuation, recurrence or onset of a health condition entitling the employee to pregnancy disability leave in the first instance, or a non pregnancy-related medical condition requiring other leave or other circumstances beyond the control of the employee, the School reserves the right to recover from the employee the premium the School paid for the employee's group health plan while out on leave.

So that an employee's return to work can be properly scheduled, an employee on pregnancy disability leave is requested to provide the School with at least one week's advance notice of the date she intends to return to work.

When an approved pregnancy disability leave ends, the employee will be reinstated to the same position, unless the job ceases to exist because of legitimate business reasons. An employee has no greater right to reinstatement to the same position or to other benefits and conditions of employment than if she had been continuously employed in this position during the pregnancy disability leave or transfer. If the same position is not available, the employee will be offered a comparable position in terms of such issues as pay, location, job content, and promotional opportunities, if one exists. An employee has no greater right to reinstatement to a comparable position or to other benefits or conditions of employment than an employee who has been continuously employed in another position that is being eliminated.

If an employee has any questions regarding pregnancy disability leave, please contact Human Resources.

ADDITIONAL LEAVES

Some of the following leaves are designated with asterisks, which means that application and employee eligibility requirements of the leave (either in part or in whole) depends on whether the School employs the minimum number of employees indicated below. Policies without an asterisk apply regardless of the number of School employees.

*The School has 15 or more employees

**The School has 16 or more employees

***The School has 25 or more employees

Should an employee have any questions as to eligibility requirements of any leave policy, please contact Human Resources.

MILITARY SPOUSE LEAVE

An eligible employee-spouse or registered domestic partner of a qualified service member is entitled to take ten (10) days unpaid leave during a period when the spouse is on leave from deployment during a period of military conflict. An eligible employee must work an average of 20 hours per week; must provide notice of his or her intention to take the leave within two (2) business days of receiving official notice that the service member will be on leave; and submit written documentation certifying that the service member will be on leave during the time the leave is required. The employee may use available PSL or PTO for this leave.

WORKERS' COMPENSATION LEAVE

Employees that are temporarily disabled due to a work-related illness or injury will be placed on workers' compensation leave. The duration leave will depend upon the rate of recovery and the medical provider's recommendation. Workers' compensation leave will run concurrently with any other applicable medical leave of absence (i.e. FMLA/CFRA if applicable). Human Resources will reach out to employees that have requested a workers' compensation leave regarding employer provided health insurance benefits. If the employee has any questions concerning this leave and/or any benefit related questions, please contact Human Resources.

BEREAVEMENT LEAVE

The School provides regular full-time employees up to three (3) days of paid bereavement leave, beyond sick, due to the death of an immediate family member. This includes a parent (including an in-law and step-parent), spouse, domestic partner, dependent, sibling, stepsibling, grandparent, grandchild, aunt, uncle, niece or nephew. If a funeral is more than 500 miles from the employee's home, the employee may receive paid leave for five (5) days with prior approval from the supervisor.

JURY DUTY LEAVE

All employees who receive a notice of jury/witness duty must notify their supervisor as soon as possible so that arrangements may be made to cover the absence. In addition, employees must provide a copy of the official jury/witness duty notice to their supervisor. Employees must report for work whenever the court schedule permits.

Either the School or the employee may request an excuse from jury/witness duty if, in the School's judgment, the employee's absence would create serious operational difficulties.

Non-exempt employees who are called for jury/witness duty will be provided time off without pay. Exempt employees will receive their regular salary unless they do not work any hours during the course of a workweek. Employees may elect to use any available PTO off during jury/witness duty leave.

In the event that the employee must serve as a witness within the course and scope of his or her employment with the School, the School will provide time off with pay. Please contact your supervisor or Human Resources if you are called to serve as a witness within the scope of your employment.

TIME OFF TO VOTE

The School will allow any non-exempt employee who is a registered voter and does not have enough time outside of working hours to vote in a statewide election up to two (2) hours of work time without loss of pay to vote. The request must be made at least two (2) working days in advance. The time must be at the beginning or end of the employee's regular shift, whichever allows the most free time for voting and the least time off from work unless the School and the employee agree otherwise.

An employee may also serve as an election official on Election Day without being disciplined, however the School will not pay the employee for this time off. Available PTO may be used for this time off. Nothing in this policy requires the employee to bring his or her mail (absentee) ballot to work, including mailing such absentee ballots from work.

SCHOOL ACTIVITIES LEAVE

The School encourages employees to participate in the school activities of his/her child(ren). If the employee is the parent, legal guardian, stepparent, foster parent, grandparent, person standing *in loco parentis* of a child who is in school up to grade 12, or who attends a licensed daycare facility, employee may take up to 40 hours of unpaid leave per year to participate in the activities of the school or daycare facility, to find, enroll or reenroll the employee's child in a school or with a licensed childcare provider and/or to address a childcare provider or school emergency.

- Unless it is an emergency, employees planning to take time off for school visitations must provide as much advance notice as possible to their supervisor;
- If the School employs both parents, the first employee to request such leave will receive the time off. The other parent will receive the time off only if the leave is approved by his or her supervisor;
- Employees must use existing PTO in order to receive compensation for this time

- off;
- Employees who do not have paid time off available will take the time off without pay;
- Documentation of participation may be requested and will be sufficient if it is provided in writing by the school or the licensed childcare/day care facility.

SCHOOL APPEARANCE LEAVE

If the parent or guardian of a child facing suspension from school is summoned to the school to discuss the matter, the employee should alert his or her supervisor as soon as possible before leaving work. In compliance with California Labor Code section 230.7, no discriminatory action will be taken against an employee for taking time off for this purpose.

This leave is unpaid, but the employee may choose to use available PTO. The employee will not be discharged or discriminated against because of an absence protected by this law.

The School will also, to the extent possible and allowed by law, maintain the confidentiality of an employee requesting leave under this provision

DOMESTIC VIOLENCE LEAVE

If an employee is the victim of domestic violence, sexual assault, or stalking, the

employee may be entitled to a reasonable accommodation for their safety while at work. Reasonable accommodations may include the implementation of safety measures, including a transfer, reassignment, modified schedule, changed work telephone, changed work station, installed lock, assistance in documenting domestic violence, sexual assault, stalking, or other crime that occurs in the workplace, an implemented safety procedure, or another adjustment to a job structure, workplace facility, or work requirement in response to domestic violence, sexual assault, stalking, or other crime, or referral to a victim assistance organization. The School is not required to undertake an action that constitutes an undue hardship on its business operations. If an employee requires a reasonable accommodation in line with this policy, please contact the School's human resources manager.

Employees will not be discharged, discriminated against, or retaliated against because of a request for an accommodation under this policy.

Employers are prohibited from discharging, discriminating, or retaliating against an employee who is a victim of domestic violence, the victim of sexual assault or stalking for taking time off to seek medical attention, obtain services from a domestic violence shelter or program or rape crisis center, obtain psychological counseling, participate in safety planning, or temporary or permanent relocation.

MILITARY LEAVE

California's military leave laws, found at Military & Veterans Code section 389 et seq. and the Uniformed Services Employment and Reemployment Rights Act ("USERRA") found at 38 U.S.C. Section 4301 et seq., ensure that employees are not adversely affected in their employment after taking leave for military service.

Individuals who are employed in California are entitled to up to 30 days of paid military leave for active duty (including active duty training). The paid military training does not cover leave for inactive duty training, such as drills. To supplement any lost income, the employee may elect to use PTO time or any other paid leave time available through the employer. The employer is not allowed to force the employee to use their accrued paid leave time.

MILITARY SPOUSE LEAVE

Under California's Military Spouse Leave Law, eligible employees who work 20 or more hours per week and the employer has 20 employees or more, can take military spouse leave. This provides for up to 10 days of unpaid leave while a military spouse is away on deployment.

ADULT LITERACY LEAVE

Pursuant to California law, the School will reasonably accommodate any eligible employee who seeks to enroll in an adult literacy education program, provided that the accommodation does not impose an undue hardship on the School. The School does

not provide paid time off for participation in an adult literacy education. However, the employee may utilize available PTO if the employee wants compensation for this time off. If the employee does not have any PTO available, the employee will be permitted to take the time off without pay.

Literacy Education Leave

California provides for allowing employees to take unpaid leave to participate in an adult literacy program. Employers must make reasonable accommodations to assist any employee with illiteracy problems who requests participation in an adult literacy program. Literacy education leave is time off work granted to an adult employee who reveals that he or she has a problem with illiteracy. Illiteracy is the condition of being unable to, or have great difficulty with, reading and writing. Time off from work as a result of illiteracy is granted by the Employee Literacy Assistance Act.

The employee may take time off to learn to read if the below three conditions apply:

- The employee works for a private employer;
- The private employer regularly employs 25 or more employees;
- The employee is illiterate and discloses that illiteracy to his or her employer.

Employer Expectations

An employer is expected to:

- Make reasonable accommodations for any employee, who reveals a problem of illiteracy, and requests assistance in enrolling in an adult literacy education program.
- Assistance includes but is not limited to: helping the employee locate literacy education programs, enrolling in literacy education programs, or arranging for a tutor or other provider of literacy education services to visit the employee's place of work

ORGAN DONOR / BONE MARROW DONOR LEAVE

Pursuant to California law, the School will provide up to five business days of paid leave within a one-year period to an employee who donates bone marrow to another person. In addition, the School will provide up to 30 business days of paid leave within a one-year period and up to another 30 business days of unpaid leave within a one-year period to an employee who donates an organ to another person. The one-year period is measured from the date the employee's leave begins and shall consist of 12 consecutive months. The School requires that bone marrow donors use up to five days of available accrued PSL or leave, including unpaid leave, during the course of the leave. Organ donors must use up to ten days of available accrued PSL or leave, including unpaid leave during the course of the leave.

To qualify for this leave, an employee must have been employed for at least 90 days prior to the commencement of the leave and must provide the School with written verification of the employee's status as an organ or bone marrow donor and the medical necessity for the donation. During such leave, the School will continue coverage under its group medical insurance plan, if applicable. However, employees

must continue to pay their portion of the applicable premiums. Employees should give the School as much notice as possible of the intended dates upon which the leave would begin and end.

This leave does not run concurrently with FMLA/CFRA. Employees may take this leave incrementally, as medically necessary, or all at one time. All health benefits shall be maintained during this leave to the extent they exist at the time of the leave. This leave shall not be considered a break in service and the employee shall continue to receive paid time off and other benefits as if they had continued working. An employee shall not have any greater rights during this leave than if he or she had been actively working during this time, but will be reinstated to their same or equivalent job prior to the leave. No employee shall be discriminated or retaliated against for taking an organ donation or bone marrow leave.

DRUG & ALCOHOL REHABILITATION LEAVE

Your School will reasonably accommodate any employee who volunteers to enter an alcohol or drug rehabilitation program, if the reasonable accommodation does not impose an undue hardship on the School. Reasonable accommodation includes time off without pay and adjusting work hours. The employee may use allotted and unused sick leave. All reasonable measures to safeguard their privacy will be maintained.

This policy in no way restricts your School's right to discipline an employee, up to and including termination of employment, for violation of your School's Substance and Alcohol Policy.

VOLUNTEER CIVIL SERVICE LEAVE

The employee is allowed to be absent from work to engage in volunteer emergency duty as a volunteer firefighter, reserve police officer, or emergency rescue personnel. This is an unpaid leave, but the employee may use any earned sick, and/or PTO.

CIVIL AIR PATROL LEAVE

The School provides eligible employees who are volunteer members of the California Wing of the Civil Air Patrol and are called to emergency operational missions up to (10) days of unpaid leave per calendar year. Leave for a single emergency operational mission will generally be limited to three days unless an extension is granted by appropriate government entities and approved by the School.

To be eligible, employees must have been employed with the School for 90 days immediately preceding the commencement of leave. Additionally, the School may require certification from the proper Civil Air Patrol authority to verify the eligibility of the employee for the leave requested or taken. Employees may use available paid time off for leave taken under this policy. The notice and eligibility requirements for any such paid time off will generally apply to an employee's request for use of PTO under this policy.

Section 8 - Benefits

SCHOOL HOLIDAYS

The School observes 12 paid holidays during the year:

- New Year's Day
- Martin Luther King Day
- Lincoln's Birthday
- Washington's Birthday
- Memorial Day
- Juneteenth
- Independence Day
- Labor Day
- Veteran's Day
- Thanksgiving Day
- Day after Thanksgiving
- Christmas Eve Day
- Christmas Day

To be eligible for holiday pay, an employee must be full-time and non-exempt and must work both the business day before and after the holiday. Part-time employees, temporary employees, exempt employees and teachers are not eligible for holiday pay. Exempt employees and teachers will receive their regularly scheduled pay during holidays. Eligible employees will receive time off with pay at their regular rate of pay on the School-observed holidays listed above. When a holiday falls on a Saturday or Sunday, it is usually observed on the preceding Friday or following Monday. However, the School may close on another day. Holiday observance will be announced in advance. The School reserves the right to change this policy at any time, with or without notice.

Holiday hours do not count as hours worked for purposes of calculating overtime. For example, if the employee receives 8 hours of holiday pay on Monday and works 40 hours Tuesday-Saturday (8 hours/day), the employee will not be eligible for overtime.

Recognized religious holidays may be taken off by an employee whose religion requires observance of the particular day. Employees must request the day off in advance by written notice to their supervisor. The employee may use paid time off (PTO) if the employee has unused PTO available, otherwise the holiday will be unpaid. All steps will be taken to reasonably accommodate a religious holiday (or practice) absent an undue hardship.

To qualify for holiday pay, all employees must work the last scheduled day before and the first scheduled day after the holiday unless the employee is absent:

- At the Supervisor's request/approval
- Due to closure of schools because of inclement weather

- Due to sickness with a doctor’s note verifying need for absence
- Prior to or following Jury Duty or Bereavement Leave
- Due to a previously scheduled and approved time off

PAID TIME OFF (PTO) - SCHEDULE D-ADMINISTRATION & SCHEDULE E-CLASSIFIED

Full-time Administrative (Schedule D) and Full-Time Classified (Schedule E) school employees are entitled to paid time off (PTO) according to this policy. PTO days may be used for illness, or time off to care for family or dependents. All other employees, including teachers, temporary employees, and part time employees are not eligible to receive or accumulate PTO. PTO must be scheduled at least five (5) days in advance and approved by the supervisor, except in the case of an illness or emergency. In the case of illness or emergency the employee is required to contact their immediate supervisor at least one (1) hour before their shift begins, if possible or otherwise as soon as practicable. Employees using extended PTO time (in excess of three (3) days) must submit a request at least two (2) weeks before the extended PTO or, if used as sick time, the employee may be required to submit a doctor’s release upon return to work. Supervisors use their discretion to approve PTO without advance notice.

Unless used for illness related purposes, PTO may not be taken the last week of the school year, or on scheduled in-service and/or training days, testing administration day, or immediately before or after holidays without supervisor’s permission.

22/23 school year

All full-time Salary Schedule D (Administration) and E (Classified) will have the ability to carry (roll-over) up to 40 hours (5 days) of unused PTO from the 21/22 school year to the 22/23 school year. These employees will be allotted a new 40 hours (5 days) of PTO on July 1, 2022, for the 22/23 school year for a max of 80 hours (10 days) including the new PTO hours and any carry over that was left.

Updates for the 23/24 school year

After the 22-23 school year, the Sequoia Grove Schools will no longer carry over unused PTO to subsequent school years. All full-time Salary Schedule D (Administration) and E (Classified) will continue to receive 40 hours (5 days) of PTO on July 1st of each school year.

22/23	23/24
<ul style="list-style-type: none"> • Carry over a max of 40 unused PTO hrs from 21/22 • Received 40 PTO hrs • Max 80 PTO hrs 	<ul style="list-style-type: none"> • No PTO carry over • Received 40 PTO hrs

Employees hired after July 1 will receive a prorated amount based off of months worked in the school year. This time will be accrued monthly at 3.33 hours per month. PTO days will not accumulate during any unpaid leave of absence.

The following terms also apply to PTO:

- For both non-exempt and exempt employees, leave, including unpaid leave, may be taken in minimum increments of .25 hours. If an exempt employee absents himself or herself from work for part or all of a workday, he or she will be required to use available PTO to make up for the absence.
- In the event an employee has exhausted his or her PTO, any additional time off must be approved by their supervisor and will be taken without pay.
- Any employee who misses three (3) consecutive days of work without notice to their supervisor may be deemed to have abandoned his/her job and voluntarily resigned from employment.
- Upon separation of employment, employees will be paid their earned PTO based on their date of separation and their regular rate of pay.
- To the extent permitted by law, PTO accumulated prior to the start of a requested and approved unpaid leave of absence must be used to cover hours missed before the start of the unpaid leave.

As with all of its policies and procedures, the School reserves the right to modify, alter, or otherwise eradicate this policy at its sole and absolute discretion to the extent allowed by law.

SICK LEAVE

The School enacted this policy in accordance with the California Healthy Workplaces, Healthy Families Act to provide paid sick leave (“PSL”) to eligible employees.

Eligible Employees

All employees (including teachers, part-time and temporary employees) who work for the School more than 30 days within a year in California are allotted PSL as set forth in this policy.

Permitted Use

Eligible employees may use their allotted PSL to take paid time off for the diagnosis, care, or treatment of an existing health condition of (or preventive care for) the employee or the employee’s family member. For purposes of this policy, “family member” means a child, parent, spouse, registered domestic partner, grandparent, grandchild, or sibling of the employee. “Child” means a biological child, a foster child, an adopted child, a step-child, a child of a registered domestic partner, a legal ward, or a child of a person standing in *loco parentis*. “Parent” means a biological, foster, or adoptive parent, a step-parent, or a legal guardian of the employee or the employee’s spouse or registered domestic partner. “Spouse” means a legal spouse, as defined by California law. Employees may also use their PSL to take time off from work for

reasons related to domestic violence, stalking, or sexual assault.

Allotment

PSL days are allotted as set forth below to eligible employees:

- Full-time employees:
 - Each year, eligible employees will begin accruing PSL at 6.66 hours per month, up to ten days (80 hours) of PSL per school year (July 1 – June 30).
 - Unused PSL days will carry over year to year subject to a cap of 18 days (144 hours).
 - Employees hired after July 1 will receive a prorated amount based off of months worked in the school year. This time will be accrued monthly at 6.66 hours per month.
- All eligible PT employees will be allotted three days (24 hours) of PSL each school year (July 1 – June 30) on July 1 or on the first day of employment, even if hired mid-year. PSL days are “use it or lose it” and, as such, do not carry over from year to year.

Changes for PSL Accrual for 23/24 School Year

With the 23/24 payroll deferral (moving from a 12-month to an 11-month payroll) the accruing of paid sick leave will also change to align with the work year and payroll.

What does this mean?

This means that you accrue PSL at a different rate per month starting in the 23/24 school year.

22/23	23/24
6.66 hrs per month across 12 months	7.27 hrs per month across 11 months

Limits on Use

Eligible employees may use PSL beginning on the 90th day of employment. PSL may be taken in minimum increments of .25 hours. If an exempt employee absents himself or herself from work for part or all of a workday for a reason covered by this policy, he or she will be required to use PSL to make up for the absence.

Notification

The employee must provide reasonable advance notification, orally or in writing, of the need to use PSL, if foreseeable. If the need to use PSL is not foreseeable, the employee must provide notice as soon as practicable. If the employee is out using sick time for more than 3 consecutive days a doctor's note is required to return to work. If a

doctor's note is not supplied it will be unapproved unpaid time off unless previously arranged with the employee's Director.

Termination

Employees will not receive pay in lieu of unused PSL. Unused PSL will not be paid out upon termination.

No Discrimination or Retaliation

The School prohibits discrimination or retaliation against employees for using their PSL.

PAID SICK LEAVE DONATION POLICY

Personal Hardship

Employees who have exhausted all paid sick leave (PSL) may request donations from co-workers through this policy. The PSL donation policy applies to employees suffering from a catastrophic illness or other medical emergency, which for the purposes of this policy, constitutes an employee's or a family member's medical condition that will require the prolonged/extended absence of the employee from duty and will result in a substantial loss of income to the employee due to the exhaustion of all PSL available.

Eligibility

Employees who are experiencing hardship due to a catastrophic illness or medical emergency are eligible to request and receive donations of PSL from other employees who have agreed to surrender leave to the School sponsored leave bank.

Requests for Donations

A written request for PSL donations that describes the specific medical emergency or medical condition must be submitted to Human Resources. Human Resources will verify the employee's eligibility, and make a written determination which will be given to the employee as soon as practical.

Donations of Paid Leave

Employees who have more than 24 hours of PSL and who wish to donate PSL to the School sponsored leave bank on behalf of an eligible employee shall complete a PSL Donation Form indicating the number of PSL hours to be donated and the employee, if any, who the employee requests receive the benefit of the donation. All such donations are voluntary and irrevocable.

1. Donating employees must maintain a minimum of 24 hours of PSL after reducing their leave balance to effect the donation.
2. In any 12-month period, no employee may donate more than 40 hours.
3. Voluntary donations of PSL are final upon submission of a signed PSL Donation Form that satisfies the conditions established by this policy. The donating employee's PSL balance account shall thereupon be reduced by the hours donated.
4. Donated hours not used by the eligible employee during the hardship period shall

remain in the eligible employee's PSL account balance.

5. The names of donating employees, hours donated, and the value of such donations shall be kept confidential to the extent possible.

Valuation of Donated PSL

The value of the donated paid leave shall be determined by multiplying the number of hours donated by the donating employee's current hourly rate to determine the value of the donation in dollars ("Donation Value"). The Donation Value shall then be divided by the eligible employee's current hourly rate to determine the number of hours to be added to the eligible employee's PSL balance. Human Resources shall periodically notify the eligible employee of donations made pursuant to this policy. The eligible employee may then request to receive payment for these hours, which will be treated as taxable "wages" to such eligible employees for the payroll period utilized. No employee shall receive payment for more than 40 hours of paid leave, whether allotted or donated, during any week unless required by state or federal law.

INSURANCE BENEFITS

Full-time employees are entitled to insurance benefits offered by the School. These insurance benefits will include medical, dental, and vision. The School will set a defined contribution towards the employee's insurance premiums that are sponsored by the School. This amount will be determined on an annual basis. The employee's portion of the monthly premiums will be deducted from the employee's paycheck on a pre-tax basis.

If medical insurance premium rates increase, employees may be required to contribute to the cost of the increase to retain coverage. Unless otherwise mandated by law, employees on a leave of absence may be responsible for selecting continuing health coverage and paying the premium for such coverage through COBRA. If the employee has any benefit related questions while on a leave of absence, they should contact Human Resources.

Full-time employees will also be covered under an insurance policy that includes Life Insurance at no cost to the full-time employee. Additional voluntary insurance plans will be offered through the School that will be the employee's responsibility to purchase and pay for.

COBRA BENEFITS

The Federal Consolidated Budget Reconciliation Act (COBRA) gives employees and their qualified beneficiaries the opportunity to continue health insurance coverage under the School's health plan when a "qualifying event" would normally result in the loss of eligibility.

Some common qualifying events are resignation, termination of employment, or death of an employee, a reduction in an employee's hours or leave of absence, divorce or legal separation, and a dependent child no longer meeting eligibility requirements.

Under COBRA, the employee or beneficiary pays the full cost of coverage at the School group rates plus an administration fee. The School or our carrier provides each eligible employee with a written notice describing rights granted under COBRA when the employee becomes eligible for coverage under the School's health insurance plan. The notice contains important information about the employee's rights and obligations.

SOCIAL SECURITY/MEDICARE

If the employee is a full time contributor to a The State Teacher's Retirement system STRS, the employee's earnings from this job are not covered under Social Security. When the employee retires, or if the employee becomes disabled, the employee may receive a pension based on earnings from this job. If the employee does, they are also entitled to a benefit from Social Security based on either their own work or the work of their spouse, or former spouse, their pension may affect the amount of the Social Security benefit the employee receives. The employee's Medicare benefits, however, will not be affected.

The School withholds income tax from all employees' earnings and, if elected, participates in FICA (Social Security) for temporary employees and Medicare withholding and matching programs as required by law.

STATE DISABILITY INSURANCE (WAGE SUPPLEMENT)

All employees are enrolled in California State Disability Insurance (SDI), which is a partial wage replacement insurance plan for California workers. Employees may be eligible for SDI when they are ill or have non-work related injuries, or may be eligible for work related injuries if they are receiving workers' compensation at a weekly rate less than the SDI rate. Specific rules and regulations relating to SDI eligibility are available from Human Resources.

PAID FAMILY LEAVE (WAGE SUPPLEMENT)

Under California law, eligible employees may participate in the Paid Family Leave ("PFL") program, which is part of the state's unemployment compensation disability insurance program. The PFL program provides up to eight weeks of partial wage replacement benefits to employees who take time off to care for a seriously ill or injured child, spouse, parent, registered domestic partner, siblings, grandparents, grandchildren, or parents-in-law or to bond with a new child (birth, foster care, adoption) The PFL program does not provide job protection or reinstatement rights. It is a wage supplement provided concurrently while an employee takes an eligible leave of absence under the School policy and applicable law.

The program will be administered in a manner consistent with California law. For more information regarding this program, the employee may contact the California Employment Development Department.

WORKERS' COMPENSATION INSURANCE

Eligible employees are entitled to workers' compensation insurance benefits when

suffering from an occupational illness or injury. This benefit is provided at no cost to the employee. In the event of an occupational injury or illness (as defined under Workers' Compensation Law) an employee may be covered by workers' compensation insurance instead of group insurance. If an employee should become injured or in any way disabled on the job, he or she must report the injury immediately to his or her supervisor. It is a felony to file a fraudulent or false workers' compensation claim.

Section 9 - Employee Communications Policy

COMMUNICATIONS POLICY

Every employee is responsible for using the School's computer system, including, without limitation, its computers, laptops, iPads, tablets, cellular phones, electronic mail (Email) system, telephone, video conferencing, voicemail, facsimile systems and the Internet ("Communications Systems"), properly and in accordance with this policy. Any questions about this policy should be addressed to the employee's immediate supervisor.

The Communication Systems are the property of the School and have been provided for use in conducting School business. All communications and information transmitted by, received from, created, or stored in its School Communication Systems are records and property of the School. The Communication Systems are to be used for School purposes only. Employees may, however, use the School technology resources for the following incidental personal uses so long as such use does not interfere with the employee's duties, is not done for pecuniary gain, does not conflict with School business, and does not violate any School policies:

- To send and receive necessary and occasional personal communications;
- To use the telephone system for brief and necessary personal calls; and
- To access the Internet for brief personal searches and inquiries during meal periods or other breaks, or outside of work hours, provided that employees adhere to all other usage policies

No Expectation of Privacy

The School has the right, but not the duty, to monitor any and all of the aspects of its Communication Systems, including, without limitation, reviewing documents created and stored on its Communication Systems, deleting any matter stored in its system (including, without limitation, its Email and word processing systems), monitoring sites visited by employees on the Internet, monitoring chat and news groups, reviewing material downloaded or uploaded by users to the Internet, and reviewing Email and instant messages sent and received by users and/or voicemails. Further, the School may exercise its right to monitor its Communications Systems for any reason and without the permission of any employee. Employee use of your school's Communication Systems constitutes consent to all the terms and conditions of this policy.

Even if employees use a password to access the Communication Systems (or any

aspect thereof), the confidentiality of any message stored in, created, received, or sent from the School's Communication Systems is not assured. Use of passwords or other security measures does not in any way diminish the School's right to monitor and access materials on its Communication Systems, or create any privacy rights of employees in the messages and files on the system. Any password used by employees must be revealed to the School upon request for any reason that the School, in its discretion, deems appropriate. Further, employees should be aware that deletion of any Email messages, voicemails or files would not truly eliminate the messages from the system. All Email messages, voicemails and other files may be stored on a central back-up system in the normal course of data management.

Employees have no expectation of privacy in anything they view, create, store, send, or receive on the Communication Systems.

Notwithstanding the foregoing, even though the School has the right to retrieve, read, and delete any information viewed, created, sent, received, or stored on its Communication Systems, Email messages should still be treated as confidential by other employees and accessed only by the intended recipient. Employees are not authorized to retrieve or read any Email messages that are not sent to them or by them. Any exception to this policy must receive the prior approval of the Executive Director.

Professional Use of Communication Systems Required

Employees are reminded to be courteous to other users of the system and always to conduct themselves in a professional manner. Emails and other text communications, in particular, are sometimes misdirected or forwarded and may be viewed by persons other than the intended recipient. Users should write Email communications with no less care, judgment, and responsibility than they would use for letters or internal memoranda written on the School letterhead.

Offensive and Inappropriate Material

The School's policy against discrimination and harassment, sexual or otherwise, applies fully to the School's Communication Systems, and any violation of that policy is grounds for discipline up to and including discharge. Therefore, no Email messages should be created, sent, or received if they contain intimidating, hostile, or offensive material concerning race, color, religion, sex, age, national origin, disability or any other classification protected by law. Further, material that is fraudulent, harassing, abusive, embarrassing, sexually explicit, profane, obscene, intimidating, defamatory, unlawful, inappropriate, or offensive (including offensive material concerning sex, race, color, national origin, religion, age, disability, or other characteristic protected by law) may not be downloaded from the Internet or displayed or stored in the School's computers. Employees encountering or receiving this kind of material should immediately report the incident to their Executive Director and Human Resources.

The School may (but is not required) to use software to identify inappropriate or sexually explicit Internet sites. Such sites may be blocked from access by the School

networks. Employees who encounter inappropriate or sexually explicit material while browsing on the Internet should immediately disconnect from the site, regardless of whether the site was subject to the School's blocking software.

Solicitations

The School's Communication Systems may not be used to solicit for political causes, commercial enterprises, outside organizations, or other non-job-related solicitations. Approval from the Executive Director or designee is required before anyone can post any information on commercial on-line systems or the Internet.

Licenses and Fees

Employees may not agree to a license or download any material over the Internet for which a registration fee is charged without first obtaining the express written permission of his/her Executive Director or designee.

Games and Entertainment Software

Employees may not use a School Internet connection to download games or other entertainment software, or to play games over the Internet.

Confidential Information

Employees may not transmit information over the Internet or through email that is confidential or proprietary. Employees are referred to the School's "Confidential Information" policy, contained herein, for a general description of what the School deems confidential or proprietary. When in doubt, employees must consult their immediate supervisor and obtain approval before transmitting any information that may be considered confidential or proprietary.

Copyrights and Trademarks

The School's Communication Systems may not be used to send (upload) or receive (download) copyrighted materials, trade secrets, proprietary financial information, or similar materials without prior authorization from his/her Executive Director or designee. Employees, if uncertain about whether certain information is copyrighted, proprietary, or otherwise inappropriate for transfer, should resolve all doubts in favor of not transferring the information and consult a supervisor.

Any School approved material that is posted or sent via its computer system should contain all proper copyright and trademark notices. Absent prior approval from a supervisor to act as an official representative of the School, employees posting information must include a disclaimer in that information stating, "Views expressed by the author do not necessarily represent those of the School."

Maintenance and Security of the System

Employees must not deliberately perform acts that waste resources or unfairly monopolize resources to the exclusion of others. These acts include, but are not limited

to, sending mass mailings or chain letters, spending excessive amounts of time on the Internet, playing games, streaming video or audio files, engaging in online chat groups, printing excessive copies of documents, or otherwise creating unnecessary network traffic. Because audio, video, and picture files require significant storage space, files of this or any other sort may not be downloaded unless they are business-related. In addition, employees should routinely delete outdated or otherwise unnecessary voicemails, Emails and computer files. These deletions will help keep the system running smoothly and effectively, as well as minimize maintenance costs.

To ensure security and to avoid the spread of viruses, employees accessing the Internet through a computer attached to the School's network must do so through an approved Internet firewall. Employees should be cautious when downloading files from the Internet, accepting email attachments from outsiders, or using devices from non-School sources. If the employee suspects that a virus has been introduced into the School network, notify technology personnel immediately.

Violations of this Policy

Violations of this policy will be taken seriously and may result in disciplinary action, including possible termination, and civil and criminal liability.

Amendment and Modification of this Policy

The School reserves the right to modify this policy at any time, with or without notice. The School may require employees to acknowledge and comply with a separate Acceptable Use Policy for Internet and Network Resources, which shall control in the event of a conflict.

SOCIAL MEDIA POLICY

The School has adopted the following policy with regard to employees' behavior on social networking sites including, but not limited, to Facebook, Twitter, LinkedIn, Pinterest, Instagram, SnapChat and YouTube. If the employee wishes to use networking protocols or set up a social media site as a part of the educational process, please work with the administrators and technology staff to identify and use a restricted, School-endorsed networking platform. Such sites will be the property of the School who will have unrestricted access to, and control of, such sites.

Employees shall not accept students as friends on any personal social networking sites and are to decline any student-initiated friend requests. Teachers are not to initiate "friendships" with students or parents. Employees must delete any students already on their "friends" list immediately.

With regard to social networking content, employees should not use commentary deemed to be defamatory, obscene, proprietary, or libelous with regard to any School-related business or policy, employee, student, or parent. Additionally, employees should exercise caution with regards to exaggeration, obscenity, copyrighted materials, legal conclusions, and derogatory remarks or characterizations. Employees should weigh whether a particular posting puts his/her effectiveness as a

School employee at risk. The School encourages employees to post only what they want the world to see. Imagine that students, their parents, or administrators will visit your site as most information is available to the general public even after it is removed from the site. Employees may not discuss students nor post images that include students.

Due to security risks, employees must be cautious when installing the external applications that work with the social networking site. At a minimum, it is recommended that all employees should have all privacy settings set to "Only Friends". The settings "Friends of Friends" and "Networks and Friends" open your content to a large group of unknown people, including students.

Personal or Professional Blogs

If the employee is developing a website or writing a blog that will mention the School, the employee must identify that they are an employee of the organization and that the views expressed on the blog or web site are theirs alone and do not represent the views of the School. Unless given permission by the Executive Director or designee, the employee is not authorized to speak on behalf of the School or to represent that the employee do so. If the employee is developing a site or writing a blog that will mention the School, as a courtesy to the organization, please let the Executive Director or designee know in advance of publication. The Executive Director or designee may choose to visit your blog or social networking site from time to time.

The employee may not share information that is confidential and proprietary with regard to the School. This includes, but is not limited to, information about curriculum, School dynamics, School programs, future goals, or current challenges within the organization. These are given as examples only and do not cover the range of what the School considers confidential and proprietary. If the employee has any questions about whether information has been released publicly or doubts of any kind, speak with the Executive Director or designee and Human Resources.

When writing a blog or participating in any other social networking site, employees should speak respectfully about the School and our current and potential employees, students, parents, and competitors. Name-calling or behavior that will reflect negatively on the organization's reputation is discouraged. Note that the use of copyrighted materials, unfounded, harassing, libelous, or derogatory statements, or misrepresentation is not viewed favorably by the School and can result in disciplinary action, up to, and including termination.

All employees who engage in social networking may be legally liable for anything written or presented online. Employees can be disciplined, if appropriate, by the School for commentary, content, or images that are defamatory, pornographic, proprietary, harassing, libelous, or that can create a hostile work environment.

This policy should not be construed, and will not be applied, in a manner that violates

employee rights under the National Labor Relations Act. Employees may not comment on a student's blog or a student's other social networking commentaries. Employees may not use trade names, or logos belonging to the School without express written permission of the Executive Director or designee. Failure to comply with the School's social media policy will result in disciplinary action, up to, and including, immediate termination.

EQUIPMENT POLICY

The School attempts to provide all staff members with the equipment and supplies needed to do their job. Providing equipment is a great expense to the School. It is expected that everyone will protect and care for all equipment and supplies issued to them. Staff members are responsible for the cost of lost, stolen, or broken items issued to them including: keys, textbooks, teacher guides, laptops, staff uniforms and any other equipment that may be assigned to them if the loss is due to willful misconduct or gross negligence.

Laptop Computers

Each staff member assigned a laptop for professional use shall be charged for any damages, loss or theft to the laptop caused by willful misconduct or gross negligence.

Although issued to an individual employee, all computing devices are considered the personal property of the primary organizational unit to which the receiving employee belongs and shall be returned upon termination of employment with the School, after reassignment of job duties or immediately upon request at any time by an official of the School. Employees are expected to take all appropriate measures and precautions to prevent the loss, theft, damage and/or unauthorized use of such equipment. Such precautions shall include, but not be limited to the following:

- Keep the computing device in a locked and secured environment when not being used;
- Do not leave the computing device for prolonged periods of time in a vehicle, especially in extreme temperatures;
- Keep food and drinks away from all computing devices and work areas;
- Do not leave the computing device unattended at any time in an unsecured location (e.g., an unlocked empty office); and
- Keep the computing device in sight at all times while in public places, such as public transportation, airports, restaurants, etc. Should an employee's computing device be lost or stolen, the employee must:
 - Immediately report the incident to his/her immediate supervisor and IT.
 - Obtain an official police report documenting the theft or loss; and
 - Provide a copy of the police report to his/her immediate supervisor, or Executive Director, or designee and IT.

If the employee fails to adhere to these procedures, the employee may be held legally and financially responsible to the School for the replacement of such equipment. The

School is under no legal, financial or other obligation to provide for a replacement computing device to any employee whose device is lost, stolen or damaged.

There is no expectation of privacy in School equipment. The School may add security and other tracking technology to any and all computing devices issued by it and any and all such usage is subject to management review, monitoring, and auditing by the School. Other audits may be performed on the usage and internal controls as deemed necessary. Non-compliance with any policies or procedures regarding Employee Computers and Portable Computing Devices issued by the School will result in appropriate disciplinary action and/or reimbursement of any and all costs to the School.

CELL PHONE POLICY

Personal cell phones should not be used while the employee is working, if assigned to a location. If the employee is required to perform business on a cell phone for the School while driving, they must utilize the hands-free option on the cell phone or a headset/earpiece device. Sending, writing, or reading text based communications on a cell phone while driving a vehicle or own vehicle to conduct School business is prohibited. Text based communications include, but are not limited to, text messages, instant messages, and email. If assigned a School cell phone to conduct School business, please notify your supervisor if the cell phone is misplaced, stolen, or damaged. Personal calls, received or placed, are not allowed on School cell phones.

TELEPHONE CALLS AND TEXTING

While at work and during staff meetings, the employee's undivided attention is expected. Cell phones, texting, and pagers are not allowed so that the activities or discussion are not disturbed. Employees should wait to make personal phone calls during breaks.

NO SOLICITATION/DISTRIBUTION POLICY

In order to minimize non-work-related activities that could interfere with providing quality education, teamwork, and safety, the School has established the following policy concerning solicitation and the distribution of written materials other than those directly related to the School's business.

Non-employees may not solicit or distribute written materials of any kind at any time on premises that are owned, leased, operated, managed, or controlled by the School. Any written materials shall not be posted on school social media platforms. Employees may not solicit other employees during the workday when either the person doing the solicitation or the person being solicited is engaged in or required to be performing work tasks. Employees may not distribute written materials of any kind during the workday when either the distributing employee or the employee receiving the materials is engaged in or required to be performing work tasks.

Additionally, distribution of written materials of any kind by the School employees is

prohibited at all times in all working areas on School premises. Employees may solicit other employees when both parties are on non-work time. Employees may distribute written materials in non-work areas during non-work time.

The sole exceptions to this policy are charitable and community activities supported and approved by the School. School bulletin boards are the only areas where any merchandise or notices may be placed. Such items must meet the guidelines established by the School. The School must approve any postings prior to posting.

The School reserves the right to discontinue any solicitation or distribution if the activities become disruptive to employees or the efficient operation of the School's business. Employees are required to leave School premises and other work areas at the completion of their workday. Employees are not permitted to enter or remain on School premises or work areas unless the employee is on duty, scheduled for work, coming to or departing from scheduled work, or otherwise has specific authorization from their supervisor.

Definitions

School "premises": property owned, leased, operated, managed, or controlled by the School, including buildings, parking lots, and play areas that the School has the right to use exclusively or in common with others, vehicles owned or operated by the School.

Work time: any time when employees are engaged in or required to be performing work tasks. Work time does not include break periods, meal times, or other periods during the workday when employees are properly not engaged in performing their work tasks.

Work areas: all areas controlled by the School where employees are performing work, except cafeterias, employee break areas, and parking lots (non-work areas).

Employee Responsibility

If the employee has a need to solicit and/or distribute materials on School premises, it must be in compliance with this policy. Please ask questions and talk with Human Resources. If solicitation or distribution is conducted within the parameters of this policy, the manner of activities must not harass or intimidate other employees. If employees are subjected to such behavior at any time, report the activity to your supervisor. If solicitation or distribution occurs while you are working, report the activity to your supervisor.

Policy Statement

It is the policy of the School to avoid Nepotism, which means to avoid creating or maintaining circumstances in which the appearance or possibility of favoritism, conflicts of interest, or management disruptions exist due to a relationship between the School decision-maker and his or her Family Member. This policy is to ensure effective supervision, internal discipline, security, safety, and positive morale in the

workplace and to avoid the potential for problems of actual or perceived favoritism, conflicts in loyalty, discrimination, and appearances of impropriety or conflict of interest. This policy applies to all the School board members, employees, individual consultants hired or retained by the School, and School Services Providers hired or retained by the School.

Relationships between School Board Members, Employees, Consultants, or School Services Providers are permissible under the following circumstances:

Family Members of the School board members, employees, individual consultants, or School Services Providers shall not be hired for or retained in an employment position if one Family Member would have the authority or be in a position to directly supervise, hire, or discharge the other.

- (a) Any time a Board Member, employee, individual consultant, or School Services Provider is a Family Member of another, the relationship shall not result in an adverse impact on work productivity or performance. The determination of whether there is an adverse impact shall be in the discretion of the supervisor(s) of the employee(s), consultant(s), or School Services Provider(s), or in the case of a board member, at the discretion of the School Board of Directors
- (b) Any time a Board Member, employee, individual consultant, or School Services Provider is a Family Member of another, the relationship shall not create an actual conflict of interest under the law, and shall not create a detrimental perceived conflict of interest. The determination of whether there is a detrimental perceived conflict of interest shall be at the discretion of the supervisor(s) of the employee(s), consultant(s) or School Services Provider(s), or in the case of a Board Member, at the discretion of the School Board of Directors

Definitions

“Family Members” include an employee's parent, child (natural, adopted, or legal guardianship), spouse, domestic partner, brother, sister, grandparent, grandchild, step-relationships within the preceding categories, brother-in-law, sister-in-law, son-in-law, daughter-in-law and father-in-law. For Bereavement only the definition includes niece, nephew, aunt, and uncle.

“Nepotism” describes a work-related situation in which there is the potential for favoritism toward a Family Member (such as giving a job, promotion, biased performance reviews, or more favorable working conditions) on the basis of the familial relationship.

“School Services Provider” shall mean any provider of school services to the School, and in the case of an organization shall mean be the responsible individual at such organization that provides school services to the School.

Procedures

When a Family Member of a current the School Board Member, employee, individual consultant, or School Services Provider applies to become a board member or employee, or requests to be a consultant or School Services Provider, the Family Member's application/request must be denied if a conflict under this policy exists (e.g., if one Family Member would have the authority or be in a position to directly supervise, hire, or discharge the other). Special circumstances may be reviewed by the Board in the event that the School's best interests would be served otherwise.

When a Family Member of a current School Board Member, employee, individual consultant, or School Services Provider applies for a transfer to a new employment position within the School, the Family Member's application must be evaluated to determine whether a conflict under this policy exists. If a conflict exists, the application for transfer must either be denied or one of the Family Members must seek a position transfer to avoid the conflict, if any such opportunity exists. In the event that no such opportunity exists, the application for transfer must be denied.

In implementing this policy, it is permissible to ask an applicant, potential consultant, or School Services Provider to state whether he or she has a Family Member who is presently employed by or on the board of the School, but such information may not be used as a basis for an employment decision except as stated herein. When a relationship that creates a conflict with this policy occurs during employment, the School will attempt to arrange a transfer or change in position/duties to eliminate the conflict. If a suitable transfer/change in position/duties is not available, one of the employees may be separated from service. Every attempt will be made to effect transfer or separation on the basis of agreement between the employees involved and the School. If a mutual agreement is unattainable, the Board will determine, in the School's best interest, which employee is to be transferred or separated.

Responsibilities

The Executive Director or designee shall coordinate with the current employee's direct supervisor to develop appropriate plans to ensure that a Family Member's employment does not conflict with this policy. If the situation cannot be resolved by a transfer, then the Executive Director or designee will deny the application for employment. Special circumstances may be reviewed by the Board in the event that the School's best interests would be served by the employment of a Family Member.

The Executive Director or designee shall investigate reports of Nepotism and take appropriate action. Employees are required to disclose changes in their personal situations to the Executive Director or designee which may be covered by this policy. Supervisors may inquire about the family relationship between employees to determine the appropriateness of the working relationship under this policy. The Board shall make the final determination concerning potential conflicts with this policy involving the Executive Director, or designee.

VIOLENCE IN THE WORKPLACE

The School has adopted a policy prohibiting workplace violence. Consistent with this policy, acts or threats of physical violence, including intimidation, harassment, bullying, and/or coercion, which involve or affect the School or which occur on the School property will not be tolerated. Examples of workplace violence include, but are not limited to, the following:

- All threats or acts of violence occurring on the School premises, regardless of the relationship between the School and the parties involved
- All threats or acts of violence occurring off the School premises involving someone who is acting in the capacity of a representative of the School

Specific examples of conduct, which may be considered threats or acts of violence, include, but are not limited to, the following:

- Hitting or shoving an individual
- Threatening an individual or his/her family, friends, associates, or property with harm
- Intentional destruction or threatening to destroy the School property
- Making harassing or threatening phone calls
- Harassing surveillance or stalking (following or watching someone)
- Unauthorized possession or inappropriate use of firearms or weapons

The School's prohibition against threats and acts of violence applies to all persons involved in the School's operation, including but not limited to all personnel, contract, unpaid interns, volunteers and temporary workers, and anyone else, including parents on the School property or at school sponsored events. Violations of this policy by any individual on the School property or at school sponsored events will lead to disciplinary action, up to and including termination and/or legal action as appropriate. All employees are encouraged to report incidents of threats or acts of physical violence of which they are aware to their supervisors, to their Executive Director or designee and Human Resources.

If an employee becomes aware of an imminent act of violence, a threat of imminent violence, or actual violence, emergency assistance must be sought immediately. In such situations, the employee should contact the law enforcement authorities by dialing 911. Immediately after contacting the law enforcement authorities, employees must report the incident. There will be no retaliation against any employee who brings a complaint in good faith under the Violence in the Workplace Policy or who honestly assists in investigating such a complaint, even if the investigation produces insufficient evidence that there has been a violation, or if the charges cannot be proven. However, disciplinary action may be taken against employees who, in bad faith, make false or frivolous accusations.

In certain circumstances, the School may seek a workplace violence restraining order on behalf of one or more employees in furtherance of its commitment to providing a workplace that is free from acts of violence or threats of violence.

Section 10 - Standards of Conduct

PERSONAL STANDARDS

Each employee must be neatly groomed and wear clothing that is professional and appropriate for the employee's position. The Executive Director, designee or immediate supervisor will inform employees of any special clothing requirements. Employees will not be permitted to wear clothing or otherwise present an appearance that may cause disruption, be taken as offensive, or reduce productivity.

Consult your supervisor if there are any questions regarding appropriate attire. Staff are expected to wear their Sequoia Grove or charter school branded staff uniforms at school events unless otherwise informed. If employees wear other attire, the clothing should not include references that are political, religious, or anything (logos, images, and text) that may be viewed as offensive to others.

TEACHER-STUDENT INTERACTIONS

Boundaries Defined

For the purposes of this policy the term "boundaries" is defined as acceptable professional behavior by staff members while interacting with a student. Trespassing beyond the boundaries of a student-teacher relationship is deemed an abuse of power and a betrayal of public trust.

Acceptable and Unacceptable Behavior

It is the responsibility of staff members to keep interactions with students professional at all times. Some activities may seem innocent from a staff member's perspective, but some of these activities can be perceived as flirtation or sexual insinuation from a student or parental point of view. The purpose of the following lists of unacceptable and acceptable behaviors is not to restrain innocent, positive relationships between staff and students, but to prevent relationships that could lead to, or may be perceived as, inappropriate or sexual misconduct.

Staff members must understand their own responsibilities for ensuring they do not cross the boundaries as written in this policy. Disagreeing with the wording or intent of the established boundaries will be considered irrelevant for any required disciplinary purposes. Thus, it is critical that all employees study this policy thoroughly and apply its spirit and intent in their daily activities.

Unacceptable Behaviors

These lists, and any subsequent lists, are not meant to be all-inclusive, but rather illustrative of the types of behavior addressed by this policy.

- Giving gifts to an individual student that are of a personal and intimate nature
- Kissing of ANY kind
- Any type of unnecessary physical contact with a student in a private situation

- Intentionally being alone with a student away from school
- Making, or participating in, sexually inappropriate comments
- Sexual jokes, or jokes/comments with sexual overtones or double-entendres
- Seeking emotional involvement (which can include intimate attachment) with a student beyond the normative care and concern required of an educator
- Listening to or telling stories that are sexually oriented
- Discussing inappropriate personal troubles or intimate issues with a student in an attempt to gain their support and understanding
- Becoming involved with a student so that a reasonable person may suspect inappropriate behavior
- Giving students a ride to/from school or school activities without parental permission
- Being alone in a room with a student at school with the door closed at a Resource Center or other location
- Allowing students in the employee's home without signed parental permission for a pre-planned and pre-communicated educational activity which must include another educator, parent, or other responsible adult
- Remarks about the physical attributes or physiological development of anyone
- Excessive attention toward a particular student
- Sending emails, text messages, Facebook responses, or letters to students if the content is not about school activities

Acceptable and Recommended Behaviors

- Obtaining parent's written consent for any school activity (exclusive of tutorials)
- Obtaining formal approval (site and parental) to take students off school property for activities such as field trips or competitions
- Emails, text-messages, phone conversations, and other communications to and with students, if permitted, must be professional and pertain to school activities or classes (communication should be initiated via school-based technology and equipment)
- Keeping the door open when alone with a student
- Ensuring all online platform interactions with students have another adult present
- Keeping reasonable and appropriate space between the employee and the student
- Stopping and correcting students if they cross the employee's own personal boundaries
- Keeping parents informed when a significant issue develops about a student
- Keeping after-class discussions with a student professional and brief
- Immediately asking for advice from senior-staff or administration if the employee finds themselves in a difficult situation related to boundaries
- Involving the employee's supervisor in discussion about boundaries that have the potential to become more severe (including but not limited to: grooming or other red flag behaviors observed in colleagues, written material that is disturbing, or a student's fixation on an adult)

- Making detailed notes about an incident that in the employee's best judgment could evolve into a more serious situation later
- Recognizing the responsibility to stop unacceptable behavior of students and/or co-workers
- Asking another staff member to be present, or within close supervisory distance, when the employee must be alone with a student after regular school hours
- Prioritizing professional behavior during all moments of student contact
- Asking yourself if any actions, which are contrary to these provisions, are worth sacrificing your job and career

Reporting

When any staff member becomes aware of another staff member, volunteer, guest or vendor having crossed the boundaries specified in this policy, or has a reasonable suspicion of misconduct, he or she must report the suspicion to their immediate supervisor, Human resources or the Executive Director or designee promptly. Reasonable suspicion means it is based on facts which would lead a reasonable person to believe the conduct occurred. Prompt reporting is essential to protect students, the suspected staff member, any witnesses, and the School as a whole. Employees must also report to the administration any awareness of, or concern about, student behavior that crosses boundaries, or any situation in which a student appears to be at risk for sexual abuse.

Investigating

The School will promptly investigate and document the investigation of any allegation of sexual misconduct or inappropriate behavior, using such support staff or outside assistance, as it deems necessary and appropriate under the circumstances. Throughout this fact-finding process, the investigating administrator, and all other privy to the investigation, shall protect the privacy interests of any affected student(s) and/or staff member(s) including any potential witnesses, as much as possible.

Consequences

Staff members who have violated this policy will be subject to appropriate disciplinary action, and where appropriate, will be reported to authorities for potential legal action.

CUSTOMER & PUBLIC RELATIONS

The School's image in front of students, parents (i.e. our "customers") and the general public is critical to our success. All employees are expected to be prompt, polite, courteous and attentive to our customers and the public. It is possible an employee may come into contact with a dissatisfied or hostile individual based on the nature of the employee's work. If this happens, the employee should immediately notify their supervisor, Human Resources, the Executive Director or designee. We will absolutely not tolerate conduct toward our customers or the general public that might be interpreted as unlawful discrimination or harassment. Human resources will open an investigation into the instance and document any findings. After the investigation has

concluded the report and the findings will be filed with Human Resources. If the employee witnesses conduct in violation of this policy, the employee should immediately bring it to the attention of their supervisor, Executive Director or designee. A Report will be created and documentation will be filed with Human Resources.

PROHIBITED CONDUCT

The following is a list of conduct that is prohibited and will not be tolerated by the School. It is not an all-inclusive list, but rather a list designed to give examples of the types of conduct prohibited by the School.

CONFIDENTIAL INFORMATION

It is important to the School to protect and preserve its trade secrets and confidential information. Confidential information includes, but is not limited to, student information, all student lists, techniques and concepts, marketing plans, design specifications, design plans, strategies, forecasts, bid plans, bid strategies, bid information, contract prices, new products, software, computer programs, writings, and all know-how and show-how whether or not protected by patent, copyright, or trade secret law.

The School prohibits audio or video recordings in the workplace during working hours, without authorization of the School and/or participant due to privacy and confidentiality concerns and protections. The School devotes significant time, energy, and expense to develop and acquire its trade secrets and confidential information. As an employee of the School you will, during the course of employment, have access to and become familiar with various trade secrets and confidential information that are owned by the School. An employee shall not, directly or indirectly, disclose or use any of the foregoing information other than for the sole benefit of the School, either during the term of employment or at any other time thereafter. This information shall not be disclosed except through normal channels and with authorization. Any and all trade secrets or confidential information shall be returned to the School during extended leaves of absence or upon termination.

During employment with the School, employees will not be permitted nor required to breach any obligation to keep in confidence proprietary information, knowledge, or data acquired during your former employment. The employee must not disclose to the School any confidential or proprietary information or material belonging to former employers or others. Any violation of this policy may result in disciplinary action, up to and including termination.

CONFLICTS OF INTEREST

All employees must avoid situations that result in actual or even potential conflicts of interest. Personal, social, and economic relationships with competitors, suppliers, customers, parents, or co-employees that may impair an employee's ability to exercise good judgment on behalf of the School or which give the appearance of such impairment create an actual or potential conflict of interest. For example, romantic or personal relationships between a supervisor and subordinate employee can lead to supervisory problems, claims of harassment, and morale problems.

Any employee involved in such situations or relationships must immediately and fully disclose the nature of the situation or relationship to the Executive Director or designee so a determination can be made as to whether an actual or potential conflict exists, and if so, how to correct the situation.

The School expects employees to devote their best efforts to the interests of our school. The School recognizes your right to engage in activities outside of your employment, which are of a private nature and unrelated to our business. However, outside activities (second jobs, side businesses, clubs, etc.) must not interfere with your ability to fully perform your job duties at the School or create a conflict of interest with your statutory duty of loyalty to the School. The School prohibits employees from working with another School or external organization that competes with the School whether as a regular employee or as a consultant.

If the employee has any questions whether an action or proposed course of conduct would create a conflict of interest, immediately contact the Executive Director or designee to obtain advice on this issue. A violation of this policy will result in immediate and appropriate discipline, up to and including, immediate termination. This policy is in addition to the School's Revised Nonprofit Conflict of Interest Policy and Conflict of Interest Code.

Outside Employment

All full time employees are expected to devote full professional effort to the position at the School. If the employee wishes to participate in outside work activities, the employee is required to obtain written approval from the Executive Director or designee prior to starting those activities. Approval will be granted unless the activity conflicts with the School's interests. In general, outside work activities are not allowed when they:

- Prevent the employee from performing work for which you are employed at the School
- Involve organizations that are doing or seek to do business with the School including actual or potential vendors
- Violate provisions of law or the School policies or rules.
- When the employee is on a medical leave (FMLA/CFRA/PDL or any other medical leave)

The employee's obligations to the School must be given priority. Full time employees are hired and continue employment with the understanding that the School is their primary employer and that other employment, commercial involvement or volunteer activity that is in conflict with the business interests of the school is strictly prohibited.

POLICY REGARDING INCONSISTENT, INCOMPATIBLE OR CONFLICTING EMPLOYMENT, ACTIVITY OR ENTERPRISE BY SCHOOL PERSONNEL

Policy Statement

It is the policy of the School that its officers and employees may not engage in any outside activity, employment, or enterprise for compensation which is inconsistent, incompatible with, or in conflict with, his or her duties as an officer or employee of the School. During working hours or on school premises, officers or employees shall not engage in political or religious activities, or recruit or solicit students or members of the public for political or religious activities.

An officer's or employee's outside activity, employment, or enterprise for compensation shall be determined to be inconsistent, incompatible with, or in conflict with, his or her duties as an officer or employee of the School if any of the following apply:

1. It involves the use of the School time, facilities, equipment, supplies, or the officer's or employee's position or influence with the School, for private gain or advantage.
2. It involves receipt or acceptance by the officer or employee of any money or other consideration for the performance of an act that would otherwise be required within the scope of the officer or employee's duties with the School.
3. It involves the performance of an act as part of the outside activity that involves services performed for the School.
4. It affects the officer's or employee's work hours, interferes or conflicts with the officer's or employee's job duties, raises any ethical or conflict of interest concerns, or creates any conditions that impact the officer's or employee's job performance.
5. Officers and employees may not use the School's name, logo, supplies, equipment or other property in connection with any outside activities.

Procedure

In the event that an officer or employee believes that an outside activity for compensation may be inconsistent, incompatible with, or in conflict with, his or her duties as an officer or employee of the School, the officer or employee shall obtain a written determination of the Executive Director or designee that the outside activity is not in violation of this policy before engaging in such activity.

Personal Cell Phones

~~Employees are not required to use their personal cell phones to perform work on behalf of the School. The School has provided employees with a web-based account or similar service for any calls related to School work. If an employee elects to use his or her personal cell phone, such use is a voluntary choice and is not reasonable or necessary to the performance of the employee's duties.~~

Monthly Stipend for Phone and Utilities

~~Employees who are required to use some of their personal utilities (e.g. electricity) while performing remote work on behalf of the School may receive a stipend for reimbursement of the employee's use of their personal utilities. The School has reviewed objective data regarding the range of costs for utilities and established a stipend in the amount of \$250 for full-time employees and \$125 for part-time employees for the use of personal cell phones and utilities and an additional amount for taxes associated therewith. School employees will receive a stipend as categorized to be paid over 10 months or begin the monthly rate in relation to employment start date. All employees will be provided with a school hot spot to be used for internet access to perform their job duties. If an employee elects to use their personal Internet access, such use is a voluntary choice and is not reasonable or necessary to the performance of an employee's duties.~~

~~The School has established this monthly stipend based on its good faith belief that the stipend will more than fully reimburse employees for any reasonable and necessary expenses incurred in using their personal cell phones and utilities to perform work on behalf of the School. If any employee believes that the stipend that he or she receives from the School is insufficient to reimburse the employee for all reasonable expenses necessarily incurred by the employee in using his or her personal cell phone or utilities expenses on behalf of the School, the employee must immediately report this expense issue to the Executive Director or designee for review and approval then submit to the Accounting Department.~~

~~Employees will be required to submit documentation to support any request for additional reimbursement in excess of the monthly stipend. Employees that are eligible for this monthly stipend are required to submit a Request for Monthly Stipend form affirming that the employee uses their personal cell phone and utilities to perform work on behalf of the School and that the employee will immediately notify the School if the employee no longer incurs an expense related to the personal use of their cell phone and/or utilities in the discharge of their duties. The School reserves the right to request supporting documentation from employees at any time to support the employees request for the monthly stipend. Failure to provide such documentation as requested may delay or cease further payments of the monthly stipend to the employee.~~

~~**Please note that the School may establish varying stipend amounts for personal cell phones, internet expenses and utilities based on multiple factors such as~~

~~workload, part-time or full-time status of the employee and other relevant factors~~

~~Other Expenses~~

~~With the exception of those certain employees who are required to use their personal vehicles, cell phones, internet access and utilities during the course and scope of their employment for the School, it is the School's policy to provide its employees with all necessary equipment to perform their duties on behalf of the School including laptops. The School does not require employees to purchase any additional equipment in order to perform work for the School. If any employee believes that additional equipment is reasonable and necessary to perform his or her duties on behalf of the School, the employee must immediately notify the Executive Director or designee.~~

~~Office Supplies~~

~~The purchase of printer ink, paper, miscellaneous desk supplies (e.g. staplers, paper clips, writing utensils and file folders) and/or stamps/ mailing charges for School-related correspondence will have a \$250 stipend for full-time employees and \$125 for part-time employees. School employees will receive a stipend as categorized below to be paid over 10 months or begin the monthly rate in relation to employment start date. This stipend is in lieu of staff ordering in the ordering system.~~

~~If employees choose to purchase additional equipment or supplies without written authorization from the School, such expenses would not be reasonable or necessarily incurred in connection with work for the School. Those expenses would be optional expenses that employees voluntarily elect to incur and not reasonably necessary expenditures incurred by employees in direct consequence of the discharge of their duties for the School.~~

~~If, however, an employee believes that they have been required to incur any unexpected necessary and reasonable expense in order to perform duties on behalf of the School, the employee should immediately report that expense to the School's Executive Director or designee. Employees will be required to submit documentation to support any request for reimbursement of such expenses.~~

~~Reporting~~

~~If any employee believes that they have not been fully reimbursed for all reasonable and necessary expenses that have been required to incur while working for the School, the employee should immediately inform the Executive Director or designee. All reports of possible inadequate reimbursement will be promptly reviewed, including a review of all of the employee's expense related records and receipts. If, as a result of the review, it is determined that the employee has been inadequately reimbursed for actual and necessary business expenses, the School will promptly reimburse the~~

~~employee, in full, for all actual, reasonable and necessary business-related expenses incurred. It is every employee's responsibility to keep accurate records and receipts of all business-related expenses for the purpose of requesting reimbursement.~~

~~There will be no retaliation against any employee who reports an expense reimbursement issue in good faith or who honestly assists in reviewing such an issue, even if the review produces insufficient evidence that there has been a violation.~~

POLICY CONFIRMING RESTRICTION ON THE PROVISION OF FUNDS OR OTHER THINGS OF VALUE TO STUDENTS, PARENTS OR GUARDIANS

Policy Statement

It is the policy of the School that the School shall not provide any funds or items of value to any student or his or her parent or guardian that a school district could not legally provide to a similarly situated student, or his or her parent or guardian. The School does not and shall not provide, for example, "sign up bonuses" to parents or guardians or other incentives unrelated to education.

Additionally, a student, parent or guardian shall not use his or her status as a student, parent or guardian with the School in order to obtain funds or items of value from the School. For example, this policy prohibits an individual from utilizing his or her status as a parent or guardian to obtain a vendor contract with the School for compensation. It also prohibits an individual from utilizing his or her status as a parent or guardian to refer or encourage any students enrolled in the School, or their parents or guardians, to select that individual or his or her company or another provider of services, in connection with the student's education at the School, resulting in the individual's receipt of funds or thing of value from the School.

Procedures

The prior approval of the Executive Director or his or her designee must be obtained for any of the following in order to ensure that it does not conflict with this policy:

1. Any funds or item of value provided to a student, parent or guardian which has not previously been approved. This applies in any situation in which a student, parent or guardian would have any funds or item of value, whether in their capacity as a student, parent, guardian, vendor, service provider or other circumstance.
2. Any proposed incentive to be offered to students or parents.

In requesting approval, the educational purpose of any such funds, item of value or incentive must be provided to the Executive Director or designee.

Section 11 - Safety

SUBSTANCE AND ALCOHOL POLICY

It is the intent of the School to promote a safe, healthy and productive work environment for all employees. The School recognizes that the illegal and/or excessive use of drugs and/or alcohol is not conducive to safe working conditions, employees' health, efficient operations, or School success. For purposes of this policy, "illegal drugs" includes, but is not limited to, substances that are prohibited by law (such as cocaine, heroin, etc.), controlled substances, marijuana (including medicinal marijuana and marijuana vaping or other recreational marijuana use), and prescription drugs (if they are not prescribed for the person using them and/or not being used as prescribed). "Drug paraphernalia" means any accessory for the use, possession, manufacture, distribution, dispensation, purchase, or sale of illegal drugs. "Under the influence" means that the employee is affected by alcohol, prescription medication that impairs cognitive or physical functions, and/or illegal drugs in any detectable manner.

The School complies with all Federal and State regulations regarding drug use while on the job. This policy prohibits the following:

- Use, possession, purchase, or offer for sale of illegal drugs, drug paraphernalia, or alcohol during working hours, including meal and break periods, or in the presence of pupils;
- Use, possession, purchase, or offer for sale of illegal drugs, drug paraphernalia, or alcohol on School property at any time;
- Use, possession, purchase, or offer for sale of illegal drugs, drug paraphernalia, or alcohol while attending a School function or event;
- Storing alcohol (if unauthorized), illegal drugs, or drug paraphernalia in a locker, desk, automobile, or other repository on the School's premises;
- Refusing to submit to an inspection or testing when requested by administration;
- Being under the influence of illegal drugs, prescription medication that impairs cognitive or physical functions and/or alcohol during working hours, while on the School's premises and/or attending a School function or event.

Employees taking physician-prescribed medications, which impairs the employee's job performance, (including medical prescribed marijuana) should not report to work. In addition, if the employee is required to take any kind of prescription or nonprescription medication that will affect the ability to perform the job, the employee is required to report this to Human Resources. Human Resources will determine if it is necessary to temporarily place the employee on another assignment or take other action as appropriate to protect the employee's safety and the safety of other employees and students. Employees taking physician-prescribed medication which will not impair their job performance may be required to present a statement from the prescribing physician to the employee's supervisor indicating the duration of the prescription and

stating that the use of the prescription will not impair the employee's ability to perform his or her specific job duties. This policy does not require or request the prescribing physician or the employee to identify any prescription drug or the medical condition for which it is prescribed. No employee shall use or have in his or her possession on the School premises any prescription medication other than medications currently prescribed by a physician for the employee. This policy will not be construed to prohibit the use of alcohol at social or business functions. However, employees must remember their obligation to conduct themselves appropriately at all times while at School-sponsored functions or while representing the School.

The School may at times conduct unannounced searches of School property for alcohol, illegal drugs, drug paraphernalia, and/or unauthorized controlled substances or to ensure compliance with any other School-related policy. As a result, employees do not have an expectation of privacy in this regard. Violation of this Substance and Alcohol Policy may result in disciplinary action, up to and including termination, at the School's sole discretion. Employees should be aware that participation in a rehabilitation program will not necessarily prevent the imposition of disciplinary action, including termination, for violation of this policy. Employees who undergo voluntary counseling or treatment and who continue to work, if any, must meet all established standards of conduct and job performance. Compliance with this Substance and Alcohol Policy is a condition of employment at the School. Failure or refusal of an employee to cooperate fully, sign any required document, submit to any inspection, or follow any prescribed course of substance abuse treatment will result in discipline, up to and including termination. Because the use, sale, purchase, possession, or furnishing of an illegally obtained substance is a violation of the law, the School may report such illegal drug activities to an appropriate law enforcement agency.

The School may require a test by breathalyzer, blood test, urinalysis, medical examination of those persons whom the School reasonably suspects of using, possessing, or being under the influence of a drug or alcohol or is acting in such manner that they may harm themselves or another employee.

Any refusal to submit to such testing will be considered a positive screen. An employee's consent to submit to such a test is required as a condition of employment, and an employee's refusal to consent may result in disciplinary action, including termination for a first refusal or any subsequent refusal. The School shall determine the manner in which such testing is conducted with the goal being to ensure that the test results are accurate.

Such a test may be required of employees involved in any work-related accident or unsafe practice where the safety of the employee or other employees was jeopardized. Periodic retesting may also be required following positive test results or after any violation of this policy or rehabilitation.

SMOKING

All School buildings and facilities are non-smoking facilities. This includes nicotine and non-nicotine cigarettes including (herbal cigarettes) as well as e-cigarettes, vaping and/or pipes (both tobacco and marijuana products). Smoking is prohibited within 20 feet of a school building and within 25 feet of a school playground or event location.

PARKED VEHICLES

Employees are responsible for their own parked vehicles and the personal possessions within while parked on School property. Be cautious: keep school property and/or personal possessions out of sight and always keep the car locked. Ensuring that the parked vehicle and personal property are against loss and damage is recommended for the protection of the employee.

PERSONAL AUTOMOBILE

Employees who use their own automobiles for travel on authorized school business will utilize the Expense Reimbursement Policy under Mileage Reimbursement. Employees must have prior supervisory approval for the use of personal vehicles and must carry, at their own expense, the minimum insurance coverage for property damage and public liability.

PERSONAL PROPERTY

The School cannot be responsible and will assume no liability for any loss or damage to employee personal property resulting from theft, fire, or any other cause on the School's premises, including the parking area, or away from school property. While on school business, employees are prohibited from using personal property for work-related purposes unless approved in advance by the Executive Director or designee.

SAFETY POLICY

The School is firmly committed to maintaining a safe and healthy working environment. All employees of the School are expected to be safety conscious on the job at all times. All unsafe conditions or hazards should be corrected immediately. Report all unsafe conditions or hazards to your supervisor, Executive Director or designee immediately, even if you believe you have corrected the problem. If you suspect a concealed danger is present on School premises, or in a product, facility, piece of equipment, process, or business practice for which the School is responsible, bring it to the attention of your supervisor, Executive Director or designee immediately. Supervisors should arrange for the correction of any unsafe condition or concealed danger immediately and immediately contact the Executive Director or designee regarding the problem. All workplace injuries and illnesses must be immediately reported to your supervisor and Human Resources. The School has in place a written Injury and Illness Prevention Program as required by law.

ERGONOMICS

The School has invested in providing a work environment that is safe for all employees. To lessen the risk of ergonomic hazards, the School will make necessary adjustments to an individual's workstation, educate employees on ergonomic safety, and modify processes when deemed necessary to ensure the well-being and safety of our

employees. You should report any ergonomic concerns to your Executive Director or designee.

CHEMICAL EXPOSURE WARNING

Employees should be aware that work areas might contain chemicals known to the State of California to cause cancer or to cause birth defects or other reproductive harm. If there are any questions or concerns about possible chemical exposure in a work area, contact the Executive Director or designee.

COVID-19

Although the school is a non-classroom-based program, the school recognizes that there are circumstances when staff, students, and parents/guardians may interact in-person as part of the educational program. This can include but is not limited to in-person instruction between staff and students, parent teacher meetings, field trips, park days, and individualized services (“in-person activities”). The COVID-19 Policy is based on guidance provided by the U.S. Centers for Disease Control and Prevention (“CDC”), the California Division of Occupational Safety and Health Administration (“Cal/OSHA”), the California Department of Education (“CDE”), and the California Department of Public Health (“CDPH”). Charter School will, as necessary, consult with the respective county health officer, or designated staff, to monitor and provide advice on local conditions to individually determine whether more or less stringent measures are necessary to align with the applicable public health guidelines.

The Charter School will fully cooperate with county public health officials regarding the screening, monitoring, and documentation that will be required to permit careful scrutiny of health outcomes associated with conducting in-person activities. To the extent any mandatory public health guidance is revised to materially conflict with this Policy, Charter School will follow such guidance and not this Policy. As COVID-19 Guidance is continually evolving, please refer to CDPH for the latest guidance.

Section 12 - Termination

VOLUNTARY TERMINATION

The School will consider an employee to have voluntarily terminated his or her employment if the employee does any of the following: (1) elects to resign from the School; (2) fails to return from an approved leave of absence on the date specified without notifying the school for the need for continued leave including failure to communicate with the School; or (3) fails to report for work without notice to the School for three consecutive work days. The School requests that employees provide at least two weeks written notice of a voluntary termination. All School property must be returned immediately upon terminating employment. The School retains the right to accept resignation immediately and pay the amount of straight time compensation an employee would have earned in lieu of further performance.

INVOLUNTARY TERMINATION

An employee may be terminated involuntarily for, among other reasons, poor performance, misconduct or other violations of the School's Rules of Conduct as set forth herein. Notwithstanding the foregoing, or anything else contained in this handbook, the School reserves the right to terminate any employee at any time, with or without advance notice and with or without cause.

EXIT INTERVIEWS

All employees who leave employment at the School may be asked to take part in an exit interview with their supervisor to communicate their challenges and growth while employed at the School. Information shared during an exit interview will be treated as confidential to the extent possible.

VERIFICATION AND REFERENCE POLICY

All requests for employment verification, references or personal information verification or disclosures must be directed to Human Resources. Only Human Resources is authorized to provide verifications or references, or disclose personal information, pertaining to current or former employees. With respect to verification requests, the School will disclose only the dates of employment and the title of the last position held. The School will verify or disclose additional information about the employee only if the employee provides written authorization for the School to provide the information. However, the School will provide information about current or former employees as required by law or court order. The School will not provide any letters of reference for current or former employees. Please refer all questions about this policy to Human Resources.

Section 13 - Employee Handbook Acknowledgement

By my signature below, I acknowledge that I have received a copy of the School Employee Handbook, on the date indicated below and agree to my at-will employment as described below. I acknowledge that it is my responsibility to read and review the Employee Handbook carefully. I also acknowledge that it is my responsibility to ask for clarification if I do not understand any of the policies included in the Employee Handbook.

I understand that the Employee Handbook contains important information regarding the School's expectations, policies and guidelines and that I am expected to comply with these expectations, policies and guidelines at all times. I understand that the Employee Handbook does not provide a binding contract, but provides guidelines for personnel concerning some of the School's policies.

In particular, I have read and understand the School's Equipment/Laptop Computer Policy, Anti-Nepotism Policy, Policy Regarding Inconsistent, Incompatible or Conflicting Employment, Activity or Enterprise by School Personnel, Policy Confirming Restrictions on the Provision of Funds or Other Things of Value to Students, Parents or

Guardians, and restrictions and procedures to avoid Conflicts of Interest.

Just as I am free to terminate the employment relationship with the School at any time, the School, in its sole discretion, also reserves the right to modify or terminate the employment relationship with me at any time for any or no reason and with or without notice. Further, there is no agreement, express or implied, written or verbal, between the employee and the School for any specific period of employment, for continuing or long-term employment, or for guaranteed terms and conditions of employment. No one other than the Executive Director or designee of the School, with the approval of the Board of Directors, has the authority to alter the employment at-will status of employees, to enter into an agreement for employment for a specified period of time, or to make any agreement contrary to this policy. Further, any such agreement must be in writing and must be signed by the Executive Director or designee. This is the entire agreement between the School and me regarding this subject. All prior or contemporaneous inconsistent agreements are superseded. If I have an individually negotiated written employment agreement with the School, then the terms and conditions of that agreement will prevail to the extent it differs from the policies in this Handbook.

The School reserves the right to modify, alter, add to or delete any of the policies, guidelines or benefits contained in this handbook at any time with or without notice. Other than the School Board of Directors, no other entity or person has the authority to modify this employee handbook.

Clarksville Charter School Fiscal Policies and Procedures

OVERVIEW AND GENERAL BUSINESS POLICIES

The Board of Clarksville Charter School has reviewed and adopted the following policies and procedures to ensure the most effective use of the funds of the School to support the mission and to ensure that the funds are budgeted, accounted for, expended, and maintained appropriately.

1. The Board approves financial policies and procedures, delegate's administration of the policies and procedures to the Executive Director and reviews operations and activities on a regular basis.
2. The Executive Director has responsibility for all operations and activities related to financial management. However, the Board and Executive Director can appoint or delegate someone else to perform the responsibilities.

4. The School will maintain in effect the following principles in its ongoing fiscal management practices to ensure that:
 - a. expenditures are authorized by and in accord with amounts specified in the board-adopted budget,
 - b. the school's funds are managed and held in a manner that provides a high degree of protection of the school's assets, and
 - c. all transactions are recorded and documented in an appropriate manner.

Budget Development, Oversight Calendar and Responsibilities

The School will develop and monitor its budget in accord with the annual budget development and monitoring calendar as specified below.

January - April

Charter Impact works with the Executive Director and Chief Fiscal Officer to review Governor's proposed state budget for the upcoming fiscal year, and identify the likely range of revenues for the school's upcoming fiscal year (July 1 - June 30) based on projected enrollment. Once the revenue estimates are complete, Charter Impact, the Executive Director, and the Chief Fiscal Officer will develop the remainder of the budget including staffing levels, review of fixed costs and discretionary spending. Then a five-year budget projection is developed in accordance with the schools' established strategic and growth plans.

The Audit Committee of the Board reviews a copy of the audit. The Executive Director addresses any audit exceptions or adverse findings. Once the Board approves the audit report, it is submitted to the charter-granting agency.

The Executive Director may transfer up to \$100,000 from one unrestricted budget item to another without board approval but shall notify the Board of the transfer at the next regularly scheduled meeting.

Banking Arrangements

The School will maintain its accounts either in the County Treasury or at a federally insured commercial bank or credit union. Funds will be deposited in non-speculative accounts including federally-insured savings or checking accounts or invested in non-speculative federally-backed instruments or in the County's Pooled Money Investment Fund. If funds are held in accounts outside of the County Treasury, the Board must appoint and approve all individuals authorized to sign checks or warrants in accord with these policies. Charter Impact will reconcile the school's ledger(s) with its bank accounts or accounts in the county treasury on a monthly basis.

Record Keeping

Transaction ledgers, duplicate unsigned checks, attendance and entitlement records, payroll records, and any other necessary fiscal documents will be maintained by school staff in a secure location for at least three years, or as long as required by applicable law, whichever is longer.

Appropriate back-up copies of electronic and paper documentation, including financial and attendance accounting data, will be regularly prepared and stored in a secure off-site location, separate from the school.

Charter Impact will retain electronic records at their site for a minimum of two years; after which, the remaining years will be the responsibility of the School.

Therefore:

1. ADA will be computed by dividing the actual number of days of student attendance by the number of calendar days of instruction by the School.
2. The School's instructional calendar will include at least 175 days of instruction to avoid the fiscal penalty for providing fewer than 175 days of instruction as provided by the Administrative Code regulation. The calendar must also document that the school offers an amount of annual minutes of instruction as required pursuant to applicable law.
3. Independent study must be pre-arranged by the student's adult guardian and the School and that the adult guardian will be required to complete and submit documentation of engagement in instructional activity to the school on forms prepared by the school. As applicable, such study shall be in full compliance with law governing independent study.

Required Budget and Other Fiscal Reports

The Executive Director, working in conjunction with Charter Impact, and the Chief Fiscal Officer will produce and submit to the charter granting agency any and all required fiscal reports as may be required by state or federal law, or mandated by the terms of the school's charter. These include, but are not limited to, attendance reports, enrollment and other data reports required by the California Basic Education Data System, and other related data.

Clarksville Charter School Fiscal Policies and Procedures

Fundraising or grant solicitation activities over \$100,000 on behalf of the school must be approved in advance by the Board. The Board shall be informed of any conditions, restrictions, or compliance requirements associated with the receipt of such funds, including grants or categorical programs sponsored by the state or federal government. The Board shall be notified no later than the next regular board meeting of the award or receipt of any funds and shall approve the receipt of any grants, donations, or receipts of fundraising proceeds prior to their deposit in the school's accounts.

Contracts

Consideration will be made of in-house capabilities to accomplish services before contracting for them. Except as otherwise provided in these policies, the Executive Director may enter into contracts and agreements not to exceed \$50,000 without Board approval, provided funds sufficient for the contract or agreement are authorized and available within the school's board-adopted budget. Contracts and agreements in excess of \$50,000 must be submitted for board approval and may be executed by the Executive Director or other person specifically designated by the Board after the Board has duly approved the contract or agreement.

Staff designee will keep and maintain a contract file evidencing the competitive bids obtained (if any) and the justification of need for any contracts over \$25,000. Competitive bids will be obtained where required by law or otherwise deemed appropriate and in the best interests of the school.

Written contracts clearly defining work to be performed will be maintained for all contract service providers (i.e. consultants, independent contractors, subcontractors). Contract service providers must show proof of being licensed and bonded, if applicable, and of having adequate liability insurance and worker's compensation insurance currently in effect. The Executive Director may also require that contract service providers list the school as an additional insured.

If the contract service provider is a sole proprietor or a partnership (including LP, and LLP), the School will obtain a W-9 from the contract service provider prior to submitting any requests for payments to Charter Impact.

The Executive Director will approve proposed contracts and modifications in writing. Contract service providers will be paid in accordance with approved contracts as work is performed. The Executive Director will be responsible for ensuring the terms of the contracts are fulfilled. Potential conflicts of interest will be disclosed upfront, and the Executive Director and/or Member(s) of the Governing Board with the conflict will excuse themselves from discussions and from voting on the contract.

PURCHASING AND VENDOR PAYMENT

Segregation of Duties

The School will develop and maintain a system to document the authorization of non-payroll expenditures. All proposed expenditures must be approved by the Executive Director and/or designated staff, who will review the proposed expenditure to determine whether it is consistent with the Board-adopted budget. In the absence of a vendor invoice, the School will develop and maintain a check request form to document the approval of payment for specific items.

All transactions will be posted in an electronic general ledger maintained by Charter Impact. To ensure segregation of recording and authorization, the bookkeeper may not co-sign check requests for purchase orders.

General Purchasing Procedures

All purchases over \$25,000 must include documentation of a good faith effort to secure the lowest possible cost for comparable goods or services. The Executive Director shall not approve purchase orders or check requests lacking such documentation. Documentation shall be attached to all check and purchase order requests showing that at least three vendors of similar type were contacted and such documentation shall be maintained for three years. All purchases in excess of \$25,000 must be bid by a board-approved process, except in the cases:

1. In case of emergencies that necessitate the purchase of emergency response supplies, equipment, or services.
2. The supplier is the Original Equipment Manufacturer for which no equivalent competition exists.

In such cases, the school shall document the reason why the purchase was done without a competitive bidding process, and why the pricing was determined to be reasonable. The Executive Director may authorize expenditures and may sign related contracts within the approved budget. The Governing Board must review all expenditures. This will be done via approval of a check register which lists all checks written during a set period of time and includes check #, payee, date, and amount. The Governing Board must also approve contracts and non-budgeted expenses over \$50,000.

When approving purchases, the Executive Director or designee must:

- a. Determine if the expenditure is budgeted
- b. Determine if funds are currently available for expenditures (i.e. cash flow)
- c. Determine if the expenditure is allowable under the appropriate revenue source

Clarksville Charter School Fiscal Policies and Procedures

- d. Determine if the expenditure is appropriate and consistent with the vision, approved charter, school policies and procedures, and any related laws or applicable regulations
- e. Determine if the price is competitive and prudent.

Any individual making an authorized purchase on behalf of the school must provide Charter Impact with appropriate documentation of the purchase. Individuals other than those specified above are not authorized to make purchases without pre-approval.

Individuals who use personal funds to make unauthorized purchases will not be reimbursed. Authorized purchases will be promptly reimbursed by a bank check upon receipt of appropriate documentation of the purchase.

The Executive Director may authorize an individual to use a school credit card, if the school elects to use a credit card, to make an authorized purchase on behalf of the school, consistent with guidelines provided by the Executive Director and/or Governing Board. The following provisions apply to credit card purchases:

- 1. All credit card purchases must have prior approval.
- 2. Receipts for the purchase must be submitted for each purchase

- 5. Cards will bear the names of both the Schools and the authorized card holder.

Purchase Orders

All non-recurring purchases for which the vendor requires the use of a purchase order, which must be approved by the Executive Director and/or Admin Designee through Smartsheets.

- 1. Once approval is received in Smartsheets for the creation of the PO, the third-party contractor or staff designee will create a PO and assign PO numbers in sequential order.
- 2. The numbered PO is then logged and uploaded into Smartsheets which lists all issued PO's.
- 3. The PO is then sent to the Executive Director or Admin Designee For approval signature.
- 4. The PO is emailed to the Admin Designee to send to the vendor.

Payment Authorization

All original invoices will be forwarded to the Executive Director or Admin Designee for approval through the online approval system.

Clarksville Charter School Fiscal Policies and Procedures

1. For any cumulative fiscal year purchase over \$600.00 a W-9 is required to be on file.
2. The third-party contractor or staff designee will compile all invoices and supporting documentation (including applicable PO) and verify that the specified products/services were received. The documentation will then be sent to the Executive Directors and/or Admin Designee for review and approval.
3. The Executive Director or Admin Designee will carefully review each invoice and supporting documentation prior to approval.
4. Approval from the Executive Director or Admin Designee will be indicated by a signature on an invoice, email, or other electronic documentation process. The invoice and supporting documentation including any new W-9 will be sent to Charter Impact on at least a weekly basis (Executive Director should be aware of invoice due dates to avoid late payments). Charter Impact will then process the invoices with sufficient supporting documentation. Payment will not occur if a W-9 is required and not on file with Charter Impact.
5. The Executive Director and/or Chief Fiscal Officer may authorize Charter Impact to pay recurring expenses (e.g. utilities) without the Executive Director's formal approval (signature) on the invoice when dollar amounts fall within a predetermined range. A list of the vendors and the dollar range for each vendor must be provided to Charter Impact in writing and updated on an annual basis.

Accounts Payable Checks

The Governing Board will approve, in advance, the list of authorized signers on the school account. The Executive Director and any other employee authorized by the Governing Board may sign bank checks within established limitations.

1. Checks exceeding \$50,000 will require review and approval of second authorized signer.
2. Charter Impact does not use pre-printed check stock to avoid the risk of theft.
3. When there is a need to generate a check, the designated staff will send appropriate approved documentation to Charter Impact. This is usually an approved invoice or Check Request Form by the school.
4. Once approved by the Executive Director or Chief Fiscal Officer, Charter Impact prepares the check based on the check authorization prior to obtaining the appropriate signature(s).
5. Checks may not be written to cash, bearer, or petty cash. Under no circumstance will any individual sign a blank check.

Bank Reconciliations

Charter Impact will maintain view-only online access to School bank accounts. On a monthly basis, Charter Impact will download the monthly bank activity/statement directly from the bank. Once the statement is received:

- 2. Charter Impact will prepare the bank reconciliation, verifying the bank statements and facilitating any necessary reconciliation.
- 3. Charter Impact will compare the reconciled bank balance to the cash in the bank account and to the general ledger, immediately reporting any discrepancies to the Executive Director.

payment is received, unless other mutually agreeable arrangements are approved by the Executive Director and/or Governing Board. If unsuccessful in collecting funds owed, the school may initiate appropriate collection and/or legal action at the discretion of the Executive Director and/or Governing Board.

HUMAN RESOURCES AND PAYROLL

Charter Impact prepares payroll checks, tax and retirement withholdings, tax statements, and to perform other payroll support functions. The Director of Human Resources will establish and oversee a system to prepare time and attendance reports and submit payroll check requests. The Payroll contractor will review payroll statements each pay period to ensure that (1) the salaries are consistent with staff contracts and personnel policies and (2) the proper tax, retirement, disability, and other withholdings have been deducted and forwarded to the appropriate authority. All staff expense reimbursements will be on checks separate from payroll checks.

Upon hiring of staff, the Director of Human Resources will be responsible for the creation of a personnel file with all appropriate payroll-related documentation and completing or providing all the items on the Employee Payroll Set-up/Change Form. Items include a completed employment application form, a federal I-9 form, tax withholding forms, retirement date, and an accounting of the use of sick leave.

The employee and the appropriate supervisor will electronically approve the completed timesheet. Incomplete timesheets will be returned to the signatory supervisor and late timesheets will be held until the next pay period. No employee will be paid until a correctly completed timesheet is submitted. If an employee is unexpectedly absent and therefore prevented from working the last day of the pay period or turning in the timesheet (such as an employee calling in sick), the employee is responsible for notifying the signatory supervisor or for making other arrangements for the timesheet to be submitted. However, the employee must still complete and submit the timesheet upon return.~~

Non-exempt employees must accurately complete time records within the School's time keeping system on a daily basis. Each time record must show the exact time work began and ended, the meal periods taken, and employee signature. Absences and overtime must be accurately identified on the employee's time record. Non-exempt employees are not allowed to work "off the clock." All time actually worked must be recorded. Each employee must sign and submit his or her own time record. Incomplete and late timesheets will be held until the next pay period. No non-exempt employee will be paid until a correctly completed timesheet is submitted.

Clarksville Charter School Fiscal Policies and Procedures

Exempt employees must report full days of absence from work. Deductions from an exempt employee's salary will be made only in accordance with applicable law. Employees should immediately contact Human Resources with any questions concerning their pay so that inadvertent errors can be corrected.

Overtime

~~Advanced approval in writing by the authorized supervisor is required for overtime. Overtime only applies to classified employees and is defined as hours worked in excess of eight (8) hours within a day or forty (40) hours within a week. Any hours worked in excess of an employee's regular work schedule must be pre-approved by the supervisor, unless it is prompted by an emergency. No overtime will be paid without the approval of the employee's supervisor. Overtime will not be granted on a routine basis and is only reserved for extraordinary or unforeseen circumstances. If a supervisor identifies a recurring need for overtime in any given position, the supervisor should immediately consult with the Executive Director for further guidance.~~

All non-exempt employees are required to obtain approval from their supervisor prior to working overtime or double time. Failure to obtain such approval may subject an employee to discipline, up to and including termination. However, in all cases, the School will compensate its non-exempt employees for all hours worked.

1. Human Resources will immediately notify the Executive Director if an employee exceeds the accrued sick leave or vacation pay or has any other unpaid absences.
2. Records will be reconciled when requested by the employee. Each employee must maintain personal contemporaneous records.

Independent Auditor's Report

To the Board of Directors
Clarksville Charter School

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Clarksville Charter School (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Clarksville Charter School as of June 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Clarksville Charter School and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Clarksville Charter School's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

218 West Douglas Avenue, El Cajon, CA 92020
Phone: 619-447-6700 | Fax: 619-447-6707 | whllp.com

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Clarksville Charter School's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Clarksville Charter School's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The additional accompanying supplementary information, as identified in the Table of Contents and as required by the *2021-22 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the accompanying supplementary information, as identified in the Table of Contents, are fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated January 17, 2023, on our consideration of Clarksville Charter School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Clarksville Charter School's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Clarksville Charter School's internal control over financial reporting and compliance.

Clarksville Charter School

Notes to the Financial Statements

Year Ended June 30, 2022

A. Principal Activity and Summary of Significant Accounting Policies

Organization Structure

Clarksville Charter School (the School) was formed on May 24, 2017, as a charter school pursuant to California Education Code §47600 under a charter agreement with Buckeye Union Elementary School District (the District). The School became a nonprofit public benefit corporation on December 12, 2017. The charter agreement was approved by Buckeye Union Elementary School District and submitted to the California Board of Education in May 2017. The school began operations on July 1, 2017.

Clarksville Charter School is a tuition-free, K-12 independent study charter school. The School offers an online and offline based curriculum, academically accelerated instructional program with thematic units, project-based learning, and enriched to support students who have the desire to work ahead or work deeper in their studies.

Basis of Accounting

The financial statements were prepared in accordance with accounting principles generally accepted in the United States of America as applicable to not-for-profit organizations. The School uses the accrual basis of accounting, under which revenues are recognized when they are earned, and expenditures are recognized in the accounting period in which the liability is incurred.

Cash and Cash Equivalents

The School considers all cash and highly liquid financial instruments with original maturities of three months or less, which are neither held for nor restricted by donors for long-term purposes, to be cash and cash equivalents.

Accounts Receivable

Accounts receivable consist primarily of non-interest bearing amounts due to the School for federal, state, and local grants and contracts receivable. The amounts in accounts receivable are considered fully collectable and as such there has not been an allowance for uncollectable accounts or discount established for the School.

Property and Equipment

The School records property and equipment additions over \$5,000 at cost, or if donated, at fair value on the date of donation. Depreciation and amortization are computed using the straight-line method over the estimated useful lives of the assets ranging from 3 to 30 years, or in the case of capitalized leased assets or leasehold improvements, the lesser of the useful life of the asset or the lease term. When assets are sold or otherwise disposed of, the cost and related depreciation or amortization are removed from the accounts, and any resulting gain or loss is included in the statements of activities. Costs of maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed in the current period.

Clarksville Charter School
Notes to the Financial Statements (Continued)
Year Ended June 30, 2022

The School reviews the carrying values of property and equipment for impairment whenever events or circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. When considered impaired an impairment loss is recognized to the extent carrying value exceeds the fair value of the asset. There were no indicators of asset impairment during the year ended June 30, 2022.

Unearned Revenue

Unearned revenue arises when potential revenue does not meet both the “measurable” and “available” criteria for recognition in the current period or when resources are received by the School prior to the occurrence of qualifying expenditures. In subsequent periods, when both revenue recognition criteria are met, or when the School has a legal claim to the resources, the liability for unearned revenue is removed from the combined balance sheet and revenue is recognized.

Investments

The School records investment purchases at cost, or if donated, at fair value on the date of donation. Thereafter, investments are reported at their fair values on the statement of financial position. Net investment return/(loss) is reported in the statement of activities and consists of interest and dividend income, realized and unrealized capital gains and losses, less external and direct internal investment expenses.

Net Assets

Net assets, revenues, gains and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates those resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Revenue and Revenue Recognition

The School recognizes revenue from sales when the products are transferred, and services are provided. The School records special events revenue equal to the cost of direct benefits to donors, and contribution revenue for the difference. Contributions are recognized when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met. Some federal, state, and local contracts and grants are conditioned upon certain performance requirements and the incurrence of allowable qualifying expense. In such cases the revenue is recognized once all performance requirements have been met.

Clarksville Charter School
Notes to the Financial Statements (Continued)
Year Ended June 30, 2022

Donated Services and In-Kind Contributions

Volunteers contribute significant amounts of time to our program services, administration, and fundraising and developing activities; however, the financial statements do not reflect the value of these contributed services because they do not meet recognition criteria prescribed by generally accepted accounting principles.

Functional Allocation of Expenses

The costs of program and supporting services activities have been summarized on a functional basis in the statement of activities. The statement of functional expenses presents the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the program and supporting services benefited.

Income Taxes

The School is a 509(a)(1) publicly supported non-profit organization that is exempt from income taxes under Sections 501(a) and 501(c)(3) of the Internal Revenue Code. The School is also exempt from California franchise or income tax under Section 23701d of the California Revenue and Taxation Code. The School may be subject to tax on income which is not related to its exempt purpose. For the year ended June 30, 2022, no such unrelated business income was reported and, therefore, no provision for income taxes has been made.

The School follows provisions of uncertain tax positions as addressed in ASC 958. The School recognizes accrued interest and penalties associated with uncertain tax positions as part of the income tax provision, when applicable. There are no amounts accrued in the financial statements related to uncertain tax positions for the year ended June 30, 2022.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the School to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates, and those differences could be material.

Financial Instruments and Credit Risk

The School manages deposit concentration risk by placing cash, money market accounts, and certificates of deposit with financial institutions believed by the School to be creditworthy. At times, amounts on deposit may exceed insured limits or include uninsured investments in money market mutual funds. To date, the School has not experienced losses in any of these accounts. Credit risk associated with contributions receivable is considered to be limited due to high historical collection rates and because substantial portions of the outstanding amounts are due from government agencies.

LCFF Revenues and Payments in Lieu of Property Taxes

The School's primary funding source is a combination of local property taxes and state revenues. The California Department of Education computes the local control funding formula (LCFF) on statewide charter school rates multiplied by the schools' average daily attendance (ADA) as reported at the second principal apportionment period (P2). The result is then reduced by property tax revenues transferred from the District to the school, which is funding in lieu of property taxes, and education protection account funds paid by the state under Proposition 30. The remaining balance is paid from the state general fund, in the form of LCFF State Aid. LCFF funding sources, inclusive of state and local sources, made up 83% of the School's revenue.

Clarksville Charter School
Notes to the Financial Statements (Continued)
Year Ended June 30, 2022

The School is not at risk of losing these funding sources, as long as the School maintains a steady level of ADA, as these funding sources are mandated by the California State Constitution to fund schools.

New Accounting Guidance

The Financial Accounting Standards Board (FASB) issues accounting standards updates and additional guidance for not-for-profit and for-profit agencies to establish consistent accounting across all organizations in the United States. The following table represents items that have been issued by FASB that became effective in the 2021-22 fiscal year:

Description	Date Issued

FASB Accounting Standards Update 2020-07 - <i>Not-For-Profit Entities (Topic 958)</i>	Sep-20

These updates were issued to provide clarification and simplification in accounting for certain transactions. In addition, they provide for additional note disclosures to create transparency involving these transactions. The School has adopted provisions of effective Accounting Standards Updates. The implementation of these items did not result in a change to financial presentation for the School.

Subsequent Events

In preparing these financial statements, the School has evaluated events and transactions for potential recognition or disclosure through January 17, 2023, the date the financial statements were available to be issued.

J. Employee Retirement System

Qualified employees are covered under a multiple-employer defined benefit pension plan by an agency of the State of California. Certificated employees are members of the California State Teachers' Retirement System (CalSTRS). The risks of participating in these multi-employer plans are different from single-employer plans in the following aspects:

- a. Assets contributed to the multi-employer plan by one employer may be used to provide benefits to employees of the other participating employers.
- b. If a participating employer stops contributing to the plan, the unfunded obligations of the plan may be borne by the remaining participating employers.
- c. If the School chooses to stop participating in some of its multi-employer plans, the School may be required to pay those plans an amount based on the underfunded status of the plan, referred to as a withdrawal liability.

The School's participation in this plan for the fiscal year ended June 30, 2022, is outlined in the table below. The "EIN/Pension Plan Number" column provides the Employee Identification Number (EIN) and the three-digit plan number, if applicable. Unless otherwise noted, the most recent Pension Protection Act (PPA) zone status available in 2022, 2021 and 2020 is for the plan's year-end at June 30, 2022, 2021 and 2020, respectively. The zone status is based on information that the School received from the plan and is certified by the plan's actuary. Among other factors, plans in the red zone are generally less than 65% funded, plans in the yellow zone are less than 80% funded, and plans in the green zone are at least 80% funded. The "FIP/RP Status Pending/Implemented" column indicates plans for which a financial improvement plan (FIP) or a rehabilitation plan (RP) is either pending or has been implemented.

Period to Period Comparability:

Clarksville Charter School decreased in CalSTRS contributions from 2020 to 2021 by 3.90% followed by an additional increase in 2022 of 33.61%. The increases in CalSTRS contributions were in large due to rising contribution rates along with an increase in salaries.

CalSTRS:

The School contributes to the California State Teachers' Retirement System (CalSTRS), a cost-sharing multiple employer public employee retirement system defined benefit pension plan administered by CalSTRS. Required contribution rates are set by the California Legislature and detailed in Teachers' Retirement Law. Contribution rates are expressed as a level of percentage of payroll using the entry age normal actuarial cost method. CalSTRS also uses the level of percentage of payroll method to calculate the amortization of any unfunded liability. Copies of the STRS annual report may be obtained from the STRS, 7667 Folsom Boulevard, Sacramento, California 95826.

For the fiscal year ended June 30, 2022, active plan members were required to contribute between 10.205% and 10.25% of their salary, depending on their hire date. The employer contribution rate was 16.92% of annual payroll. CalSTRS issues a separate comprehensive annual financial report that includes financial statements and required supplementary information. The School made contributions as noted above. For the year ended June 30, 2022, the State contributed \$637,240 (10.858% of certificated salaries) on behalf of the School.

Notes to Supplementary Information

Year Ended June 30, 2022

A. Purpose of Schedules

LEA Organization Structure

This schedule provides information about the School's charter number, district of authorization, members of the governing board, and members of administration.

Schedule of Average Daily Attendance

Average daily attendance (ADA) is a measure of the number of pupils attending classes of the School. The purpose of attendance accounting from a fiscal standpoint is to provide the basis on which apportionments of state funds are made to charter schools. This schedule provides information regarding the attendance of students at various grade levels and in different programs.

Schedule of Instructional Time

This schedule provides information regarding compliance with Education Code §47612.

Compliance with Education Code §47612 includes the following:

- 1) Charter schools may operate up to 5 tracks for attendance reporting.
- 2) Each track must be operated for a minimum of 175 days.
- 3) Each track must offer the required number of instructional minutes specified in Education Code §47612.5.
- 4) No track shall have less than 55% of its school days before April 15 each school year.

Compliance with Education Code §47612 involves offering a minimum number of annual instructional minutes as defined by grade level. Non-classroom based charters do not have a requirement for auditing/testing offered instructional minutes, as a result the offerings are not reported in the schedule of instructional time.

An LEA that closed due to a qualifying emergency in the 2021-22 fiscal year may submit a Form J-13A to avoid a penalty for not meeting the annual instructional day requirements. The School did not have an emergency closure and as such there are no credited days to account for on the Schedule of Instructional Time.

Schedule of Financial Trends & Analysis

This schedule displays summarized information from the current year and two previous years, along with budget information for the upcoming year. The information from this schedule is used to evaluate whether there are any financial indicators the School will not be able to continue operations in the next fiscal year. Based upon the information presented, the School appears to have sufficient reserves to continue operations for the 2022-23 fiscal year.

Reconciliation of Unaudited Actual Financial Report to Audited Financial Statements

This schedule provides information necessary to reconcile between the audited financial statements and the financial data submitted to the sponsoring school district via the unaudited actual financial report.

Other Independent Auditor's Reports

Independent Auditor's Report on Internal Control Over Financial Reporting and on

 Compliance and Other Matters Based on an Audit of Financial Statements

 Performed in Accordance with *Government Auditing Standards*

To the Board of Directors

 Clarksville Charter School

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Clarksville Charter School (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 17, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Clarksville Charter School's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Clarksville Charter School's internal control. Accordingly, we do not express an opinion on the effectiveness of Clarksville Charter School's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Clarksville Charter School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor's Report on State Compliance and on Internal Control Over
State Compliance

To the Board of Directors
Clarksville Charter School

Report on Compliance for Applicable State Programs

Opinion on Each Applicable State Program

We have audited Clarksville Charter School's compliance with the requirements specified in the *2021-22 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, prescribed in Title 5, *California Code of Regulations*, Section 19810 applicable to the Charter School's statutory requirements identified below for the year ended June 30, 2022.

In our opinion, Clarksville Charter School complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its applicable state programs for the year ended June 30, 2022.

Basis for Opinion on Each Applicable State Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of *2021-22 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, prescribed in Title 5, *California Code of Regulations*, Section 19810 (the Audit Guide). Our responsibilities under those standards and the Audit Guide are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Clarksville Charter School and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each applicable state program. Our audit does not provide a legal determination of Clarksville Charter School's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Clarksville Charter School's state programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Clarksville Charter School's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Audit Guide will always detect material noncompliance when it exists.

The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Clarksville Charter School’s compliance with the requirements of each applicable state program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Audit Guide, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Clarksville Charter School’s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Clarksville Charter School’s internal control over state compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Audit Guide, but not for the purpose of expressing an opinion on the effectiveness of Clarksville Charter School’s internal control over compliance. Accordingly, no such opinion is expressed.
- Select and test transactions and records to determine the Charter School’s compliance with the state laws and regulations applicable to the following items:

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over State Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a state program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a state program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor’s Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Audit Guide. Accordingly, this report is not suitable for any other purpose.

2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Overview

ABOUT OUR SCHOOL

Clarksville Charter School (CCS) opened in the fall of the 2017-18 school year. Clarksville Charter School is a WASC accredited, non-classroom based public charter school authorized by Buckeye Union Elementary School District in El Dorado County serving students in El Dorado, Amador, Alpine, Sacramento & Placer Counties from transitional kindergarten through 12th-grade. We take great pride in being able to offer our students flexible personalized learning experiences through our many unique and dynamic programs. Our school values and supports parent choice and personalized learning for all students. CCS Home School Teachers are California credentialed teachers who partner with families to nurture, guide and enhance a student's educational needs. A focus of collaboration with academic achievement and the development of the whole child with personalized learning is pivotal.

At Clarksville Charter School, we have goals for our students that are known as Schoolwide Learner Outcomes (SLOs). SLOs are a part of our school culture: they reflect our school vision, the College and Career Readiness standards, and the education of the whole child.

The Junior High Virtual Academy (JHVA) and High School Virtual Academy (HSVA) were developed this year to support students. Both programs were developed to teach live online instruction providing standards aligned courses by credentialed teachers.

CCS teachers collaborate with parents/learning coaches to create Learning Plans for students each learning period that outlines the lessons to be completed during a specified time frame. All students have access to online all access curriculum as well as curriculum to support educational standards. Internal benchmark diagnostic assessment data gathered from a computerized adaptable test, taken each fall, winter and spring, for grades TK-12, pinpoints the proficiency level of students across a range of subjects. The benchmark diagnostic assessments are specifically designed to provide meaningful information for gauging student progress toward mastery of the skills measured by the summative assessments. This data along with learning styles are used to build the individualized learning path for each student to target specific learning objectives and standards. Regular assessment determines the level of mastery and individualizing the Learning Plan helps students progress quickly.

Teachers can provide instruction and support either in person or online through web-conference platforms. This tool allows for teacher collaboration and instruction by using video, voice, text, and shared writing space. Students have twenty-four hour access to all curricula, and learning can take place at a variety of locations according to student and family preference, including libraries and the students' residences.

CCS has implemented an online direct instruction platform (four to six week direct instruction, intervention courses for mathematics and language arts), and other programs so that all students have the critical thinking skills to be successful in college and career pathways. CCS's tiered level of support is robust and differentiated for different learning styles. CCS is continuously planning and adjusting programs to meet the needs of the student population served. Clarksville Charter School's leadership and staff look forward to continuing their collaboration with the district in providing an option to students looking for an Independent study/homeschool program.

OUR MISSION

Clarksville Charter School ensures an individualized Learning Plan for each student is developed with both teacher, parent, and student with a focus on learning style fostering learning based on the student's natural interests and abilities. We are here to serve, support, and inspire the community within our school and all families on an educational journey with their children.

School Facility Conditions and Planned Improvements

Clarksville Charter School is an independent study non-classroom-based charter school and therefore does not maintain traditional school district site facilities. Clarksville Charter School operates a resource center within the authorizing district's boundaries in El Dorado Hills, California. The Resource Center is a lease only facility and the underlying rental agreements require the lessors to maintain the facilities in proper condition for the programs maintained at those facilities. The site maintains a Site Safety Plan.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A	47	N/A	61	N/A	47
Mathematics (grades 3-8 and 11)	N/A	30	N/A	49	N/A	33

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2021-22 Career Technical Education Programs

Today's Career Tech Education (CTE) is a program of study integrating core academic knowledge with technical and occupational knowledge. Clarksville Charter School continues to develop and implement Career Technical Education (CTE) pathways to help prepare students for rapidly shifting workplace requirements. In alignment with the statewide Doing What Matters Initiative (DWMI), we strive to develop a CTE program that is responsive to the needs of regional economies. We actively collaborate with local college and industry representatives to implement CTE course pathways, internships, and/or industry certificates that will help prepare students for the regional labor market needs. Upon completion of a CTE pathway, students have the knowledge base required to sit for and pass the exam leading to industry certification, giving them the opportunity to apply for a career-ready job. Our CTE program is also intended to prepare students for college simultaneously. As such, we are actively aligning our CTE courses with the University of California A-G subject-area requirements. Further, our CTE program provides access to all students regardless of gender, socio-economic status, special needs, and/or English proficiency. Currently we are offering 10 CTE pathways in areas of Business & Finance, Health Science & Medical Technology, Hospitality, Information & Communication Technologies, Marketing, Sales, & Services, and Public Services. In addition, it is our school's mission to meet the needs of our students and we are continuously asking for feedback to improve our program and add the CTE pathways and courses our students are interested in participating in.

2022-23 Opportunities for Parental Involvement

Clarksville Charter School ensures parents, legal guardians, and teachers have an opportunity to participate in our school in a variety of ways. Board meetings, parent education workshops, weekly Community Connection events and weekly staff office hours are posted on school websites, social media, and shared with all families in a weekly email. The Board of Directors 2022-23 School Accountability Report Card for Clarksville Charter School includes parents/guardians of current or previous students who have a direct impact on the governance of the school. These parent representatives provide insight as it is related to program planning, design, and implementation. By nature of our program, parents/guardians are directly involved in their student's education and may also assist with community events, park days, and other school-related activities such as curriculum swaps or book clubs. Parent satisfaction surveys are provided electronically to all parents annually in the spring. The surveys are developed specifically to assess parent input on effectiveness of all aspects of the school. Our Families also have the accessibility to our Family Liaisons, who work directly with the families as a bridge of communication and support. Parents can communicate their needs and provide feedback with our family liaison through social media platforms, contact information is available on our weekly newsletter, and directly through our school phone number (916) 526-3794. In addition, the school has partnered with local community organizations and businesses to provide educational workshops, lessons, classes, and outreach that enrich the students' educational experience.

2022-23 School Safety Plan

Clarksville Charter School has a Comprehensive Safety Plan which is reviewed, updated, and discussed every fall before school resumes. The safety plan includes emergency procedures and contact information, evacuation routes, incident command system procedures, and an injury and illness prevention plan. The CCS approved the Comprehensive Safety Plan on February 16, 2022 for the upcoming 2022-2023 school year. The CCS Resource center is equipped with written and accessible “Readiness and Emergency Plans” with schoolwide crisis protocols. The school employs Psychologists and Counselors to provide support in the event of a crisis. The Governing Board of CCS recognizes that students and staff have the right to a safe and secure environment. Board policies have been created and adopted to support student safety. Board policies can be found on the school’s website. All staff are required to complete safety training aligned with educational necessary content such as Mandated Reporting, Universal Precautions for Bloodborne Pathogens, Bullying Prevention, Sexual Harassment, and Suicide Prevention. CCS is continually enhancing training and board policies as needed for both student and staff safety.

Regular meetings of the Board, including the annual meetings, shall be held at such times and places as may be fixed by the Board and the agendas for such meetings will be posted seventy-two (72) hours prior to the meeting in a location that is freely accessible to the public, on the Corporation's website, if it has one, and a copy of the agenda shall be sent to each of the Corporation's members representatives. The notice shall contain a brief general description of each item of business to be transacted or discussed at the meeting.

The notice shall contain a brief general description of each item of business to be transacted or discussed at the meeting.

Section 6.13 Quorum. A majority of the actual number of Directors then in office shall constitute a quorum. Every action taken or decision made by a majority of the Directors present at a meeting duly held at which a quorum is present is an act of the Board, subject to the more stringent provisions of the California Nonprofit Public Benefit Corporation Law, including, without limitation, those provisions relating to (a) approval of contracts or transactions in which a Director has a direct or indirect material financial interest, (b) approval of certain transactions between corporations having common directors, (c) creation of and appointments to committees of the Board, and (d) indemnification of Directors. A meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of Directors, but no action can be taken unless and until a quorum is restored. - (a) All Directors participating in the meeting can communicate with each other concurrently; and,
- (b) Each Director is provided with the means of participating in all matters before the Board, including the capacity to propose, or to interpose an objection to, a specific action to be taken by the Corporation.

Section 6.15 Waiver of Notice. Notice of a meeting need not be given to any Director who signs a waiver of notice or a written consent to holding the meeting or an approval of the minutes thereof,

Adopted December 15, 2022

whether before or after the meeting, or who attends the meeting without protesting the lack of notice to such Director prior thereto or at its commencement. All such waivers, consents, and approvals shall be filed with the corporate records or made a part of the minutes of the meetings.

Section 6.16 Adjournment. A majority of the Directors present, whether or not a quorum is present, may adjourn any Board meeting to another time and place. If the meeting is adjourned for more than twenty-four (24) hours, notice of any adjournment to another time or place shall be given prior to the time of the adjourned meeting to the Directors who were not present at the time of the adjournment.

Section 6.17 Action Without Meeting. Notwithstanding Section 6.08 of these Bylaws, any action required or permitted to be taken by the Board may be taken without a meeting if all Directors shall individually or collectively consent in writing to such action, provided that either: (1) the member representatives are given seven (7) days' notice of any such proposed action, or (2) such actions do not relate directly to the provision of services to the members' charter schools. Such consent(s) shall have the same effect as a unanimous vote of the Board and shall be filed with the minutes of the proceedings of the Board. For purposes of this Section only, the phrase "all Directors" shall not include any "interested persons" as defined in Section 6.19 herein.

Section 6.18 Fees and Compensation. Directors may receive just and reasonable compensation for their service on the Board. The Board may approve the reimbursement of a Director's actual and necessary expenses incurred when conducting the Corporation's business. Subject to Section 6.19 herein and the California Nonprofit Public Benefit Corporation Law, nothing herein shall preclude a Director from serving the Corporation in any other capacity, including, but not limited to, as an officer, agent, or employee of the Corporation, and receiving compensation for such service.

Section 6.19 Restriction on Interested Directors. Not more than forty-nine percent (49%) of the persons serving on the Board at any time may be interested persons. An interested person is (a) any person being compensated by the Corporation for services rendered to it within the previous twelve (12) months, whether as a full-time or part-time employee, independent contractor, or otherwise, excluding any reasonable compensation paid to a Director for service on the Board; and (b) any brother, sister, ancestor, descendant, spouse, brother-in-law, sister-in-law, son-in-law, daughter-in-law, mother-in-law, or father-in-law of any such person. However, any violation of the provisions of this Section shall not affect the validity or enforceability of any transaction entered into by the Corporation.

Section 6.20 Standard of Care.

(a) A Director shall perform the duties of a Director, including duties as committee-member of any committee of the Board on which the Director may serve, in good faith, in a manner such Director believes to be in the Corporation's best interests and with such care, including reasonable inquiry, as an ordinarily prudent person in a like situation would use under similar circumstances.

(b) In performing the duties of a Director, a Director shall be entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, in each case prepared or presented by: (i) one or more of the Corporation's officers or employees whom the Director believes to be reliable and competent in the matters presented; (ii) legal counsel, independent accountants, or other persons as to matters that the Director believes to be within such person's professional or expert competence; or (iii) a committee of the Board upon which the Director does not serve, as to matters within its designated authority, which committee the Director believes to merit confidence, so long as, in any such case, the Director acts in good faith, after reasonable inquiry when the

Adopted December 15, 2022

need therefor is indicated by the circumstances and without knowledge that would cause such reliance to be unwarranted.

Section 6.21 Non-Liability of Directors. No Director shall be personally liable for the Corporation's debts, liabilities, or other obligations.

Section 6.22 Common Directorships. Pursuant to Section 5234 of the California Nonprofit Public Benefit Corporation Law, the Corporation shall not be a party to a transaction with another corporation, firm or association in which one or more of its Directors is also a director or directors ("Overlapping Director(s)") unless, 1) prior to entering into the transaction, the material facts of the transaction and the Overlapping Director's other directorship are fully disclosed or known to the Board and the Board authorizes, approves or ratifies the contract or transaction in good faith by a vote sufficient without counting the vote of the Overlapping Director, or 2) the contract or transaction is just and reasonable to the Corporation at the time it is authorized, approved or ratified. This provision does not apply to transactions covered by Section 5233(b) of the California Nonprofit Public Benefit Corporation Law.

Section 6.23 Executive Compensation Review. In any year in which this Corporation is legally required to do so pursuant to Section 5213 of the California Nonprofit Public Benefit Corporation Law, the Board (or a Board Committee) shall review any compensation packages (including all benefits) of the CEO, the President and the Treasurer or Chief Financial Officer, regardless of job title, and shall approve such compensation only after determining that the compensation is just and reasonable. This review and approval shall occur when such officer is hired, when the term of employment of such officer is renewed or extended, and when the compensation of such officer is modified, unless the modification applies to substantially all of the employees of this Corporation.

ARTICLE VII. OFFICERS

Section 7.01 Required Officers. The officers of this Corporation shall be a Chief Executive Officer (who may be referred to as the Executive Director), a President (who may be referred to as the Board Chair), a Secretary, and a Treasurer (who may be referred to as the Chief Financial Officer). Section 7.04 Removal. Any officer may be removed, with or without cause, by the Board at any time, or by a majority vote of the members. Any removal shall be without prejudice to the rights, if any, of an officer under any contract of employment.

Adopted December 15, 2022

Section 7.05 Resignation. Any officer may resign at any time by giving written notice to the Board. Any such resignation shall take effect upon receipt of that notice or at any later time specified by that notice and, unless otherwise specified in that notice, the acceptance of such resignation shall not be necessary to make it effective. Any resignation is without prejudice to the rights, if any, of this Corporation under any contract to which the officer is a party.

Section 7.06 Vacancies. A vacancy in any office for any reason shall be filled in the same manner as these Bylaws provide for election to that office, provided that such vacancies shall be filled as they occur.

Section 7.07 Chief Executive Officer. The Corporation shall have a CEO (who may be referred to as the Executive Director) who shall be the general manager and chief executive officer of the Corporation, and, subject to the control of the Board and his or her contract of employment, shall generally supervise, direct, and control the activities, affairs, and employees of the Corporation; and shall see that all resolutions of the Board are carried into effect, and shall perform any and all other duties assigned by the Board, these Bylaws or his or her employment contract.

to the Board of Directors by any person seeking indemnification under Corporations Code Section 5238(b) or Section 5238(c), the Board of Directors shall promptly decide under Corporations Code Section 5238(e) whether the applicable standard of conduct set forth in Corporations Code Section 5238(b) or Section 5238(c) has been met and, if so, the Board of Directors shall authorize indemnification.

Section 9.02 Other Indemnification. No provision made by the Corporation to indemnify its Directors or officers for the defense of any proceeding, whether contained in the Articles of Incorporation, Bylaws, a resolution of Directors, an agreement, or otherwise, shall be valid unless consistent with this Article. Nothing contained in this Article IX shall affect any right to indemnification to which persons other than such Directors and officers may be entitled by contract or otherwise.

Section 9.03 Insurance. The Corporation shall have the right to purchase and maintain insurance to the full extent permitted by law on behalf of its officers, Directors, employees, and other agents, to cover any liability asserted against or incurred by any officer, Director, employee, or agent in such capacity or arising from the officer's, Director's, employee's, or agent's status as such.

Section 10.04 Annual Statement of Certain Transactions and Indemnifications. As part of the annual report to all Directors and members, or as a separate document if no annual report is issued, the Corporation shall, within 120 days after the end of the Corporation's fiscal year, annually prepare and deliver to each Director and member of the Corporation any information required by Corporations Code Section 6322 with respect to the preceding year.

Any amendment to these Bylaws requires a majority vote of the actual number of Directors, and is not effective until approved by the members. Any amendment to the Articles of Incorporation or these Bylaws which would terminate memberships or affect the rights of the members shall comply with the notice and approval requirements in Section 5342 of the California Nonprofit Corporation Law.
