Vendor Agreement Addendum For Limited Contact Online/Online Out of State Vendors

This Vendor Agreement Addendum For Limited Contact/Online/Out of State Vendors ("Agreement") is made between [**Charter School**] ("School"), a California nonprofit public corporation that operates a public charter school and _____ ("Vendor").

SECTION 1. BACKGROUND CHECK

- a. Background Check: Vendor shall ensure its employees, agents, and contractors ~~working directly and with more than limited contact with School students, who interact with students, outside the immediate supervision and control of the student's parent or guardian or a School employee~~as determined by the school, complete a criminal background check through the Department of Justice ("DOJ") in accordance with Education Code section 45125.1. In the School's sole discretion, it may require a background check for Vendor employees who do not interact with students, outside of the immediate supervision and control of the student's parent or guardian or School employee. Sole proprietor Vendors shall be considered an employee of the school so that the School prepares and submits the fingerprints to the DOJ. Vendor shall immediately provide to the School any subsequent arrest and conviction information it receives. Vendor shall certify in writing to the School that neither the employer nor any of its employees who are required to have a background check and who may interact with pupils have been convicted of a felony as defined in Education Code section 45122.1. No Vendor employee is permitted to interact with pupils until the background check has been completed. If Vendor does not ~~have more than limited contact with School students,~~ as determined by the School in its sole discretion, School may accept an equivalent background check for the jurisdiction where the Vendor is located if the Vendor is located outside of the State of California, in accordance with Education Code section 45125.1. Vendor asserts it does not provide any of the enumerated services described in California Education Code section 45125.1(a), nor any

“school site services” as discussed in California Education Code section 45125.1 requirements. Thus, Vendors criminal background checks will consist of identity verification combined with comprehensive background checks based on national id number. Further, Vendor’s background checks contain records that can be lawfully reported under FCRA and state and local laws. The cost of the background check, whether performed by the Vendor or the school, will be the Vendor’s responsibility.

~~Vendor certifies to School that no one working on behalf of Vendor (e.g., Vendor employees, agents, or contractors) working with School students have been convicted or have pending charges of a violent or serious felony as defined in Penal Code sections 667.5(c) and 1192.7(c). The cost of the background check, the Vendor’s responsibility.~~

SECTION 2. ENTIRE AGREEMENT This Agreement and its incorporated exhibits constitute the entire agreement between the parties with respect to the subject matter contained herein and supersede all agreements, representations and understandings of the parties with respect to such subject matter made or entered into prior to the date of this Agreement.

[AB130](#)

Specifically: (24) Existing law requires an employee of an entity that has a contract with a school district, county office of education, or charter school to provide specified services for the school, if that employee may have contact with pupils, to submit or have submitted their fingerprints to the Department of Justice to ascertain if that individual has been arrested or convicted of a crime and to notify the employer designated by the individual of that fact. Under existing law, these requirements do not apply to an entity providing those services to a local educational agency in an emergency or exceptional situation, or when the local educational agency determines that the employees of the entity will have limited contact with pupils. Existing law authorizes a local educational agency, on a case-by-case basis, as specified, to require an entity providing other schoolsite services to submit or have submitted its employee's fingerprints. Existing law authorizes the Department of Justice to forward a copy of the fingerprints to the Federal Bureau of Investigation to verify the record of previous arrests or convictions of the applicant. The Department of Justice is required to review the criminal record summary it obtains from the Federal Bureau of Investigation and notify the employer only as to whether or not an applicant has any convictions or arrests pending adjudication for offenses which, if committed in California, would have been punishable as a violent or serious felony and is required to provide written notification to the contract employer only concerning whether an applicant for employment has any conviction or arrest pending final adjudication for any of those crimes.

Commencing January 1, 2022, this bill instead would require any entity that has a contract with a school district, county office of education, or charter school to ensure that any employee who interacts with pupils, outside of the immediate supervision and control of the pupil's parent or guardian or a school employee, has a certain valid criminal records summary. When the contracting entity performs the criminal background check, the bill would require it to immediately provide any subsequent arrest and conviction information it receives to any local educational agency that it is contracting with pursuant to the subsequent arrest service. The bill instead would authorize a local educational agency, on a case-by-case basis, to require an entity with whom it has a contract to comply with the requirements of these provisions for employees in addition to those described above. The bill instead would require the Department of Justice to forward a copy of the fingerprints to the Federal Bureau of Investigation to verify the record of previous arrests or convictions of the applicant. To the extent these provisions impose additional duties on local educational agencies, the bill would impose a state-mandated local program.
